Good afternoon,

I'm writing as a resident, parent, and school employee to urge you to *not* advance HB 2700 out of committee. It is blatant legislative overreach that is counter to local control from local districts. As a parent, I do not agree with legislators thinking they have the training or knowledge to put labels on books. There are professionals who have that training and expertise and they are not legislators. Please do *not* advance HB 2700 out of committee.

Thank you,
Meghan Stigge of Shawnee
