Chairman Carpenter and members of the Federal and State Affairs Committee,

In December I received a call from a constituent, Gary Boxberger, the owner of Cardinal Lanes in Hoisington, asking about the removal of the 30% food requirement for Sunday beer sales. I ask that you read his testimony under written only to see his concerns.

I believe this is a very simple fix by removing the 30% food requirement for Sunday sales for CMB licensees and HB 2124 does just that. I ask for your support on this issue and will stand for questions at the appropriate time.

Thank you,

**Tory Marie**
