MEMORANDUM

To: Members of the House Committee on Taxation

From: Adam Siebers, Assistant Revisor

Date: March 14, 2024

Subject: House Bill No. 2795

Summary

House Bill No. 2795 would require that notices to exceed the revenue neutral rate be sent out on forms provided by the Director of Accounts and Reports rather than simply on a format prescribed by the Director. The bill allows for the hearings to exceed the revenue neutral rate to be on the same date and at the same location as other taxing subdivisions within a county. Additionally, the 20 mills levied by a school district would be excluded when calculating the revenue neutral rate.
