Re: Proponent Testimony – House Bill 2799

Chairman Francis, Vice Chair Neely, Ranking Member Ballard, and members of the committee thank you for the opportunity to provide proponent testimony on House Bill 2799.

The veterans of our armed forces have sacrificed much for our great country. Our first responders risk danger every day keeping Kansans safe. We owe them both a great debt.

Last year the city of Russell proclaimed itself a Purple Heart City to honor our veterans. House Bill 2799 is a step further in paying back that debt of gratitude. Renaming portions of Highway 281 recognizes their service and shows deep appreciation for our veterans and first responders.

Thank you again for allowing me to submit my testimony to the committee. If you have any questions or concerns regarding this bill feel free to contact me.

With Regards,
