Proponent Testimony for HB 2093 – Refunding Group-Funded Pools

March 1, 2023

Chairman Longbine and Members of the Committee,

Thank you for the opportunity to testify in support of House Bill 2093.

House Bill 2093 repeals K.S.A. 12-2623 and K.S.A. 44-587 and amends K.S.A. 44-588. These statutes outline assessments, or fees, set by the Insurance Commissioner to cover the necessary costs of administration and supervision of group-funded pools and group-funded workers' compensation pools. The Department has long determined this assessment is not necessary, and since at least 2015 Kansas group-funded pools have not been assessed this supervisory fee. In turn, the Group-Funded Pools Fee Fund of \$40,528 and the Group-Funded Workers' Compensation Pools Fee Fund of \$112,719 have been sitting idle.

House Bill 2093 repeals this assessment and discontinues these two funds. The bill transfers the balance of the two funds into a new fund known as the Group-Funded Pools Refund Fund with a sum of \$153,247. This balance will be distributed to the 17 operating pools in Kansas on a pro-rata basis, based on premium taxes paid by each pool for FY 2022.

House Bill 2093 passed the House Committee of the Whole with a vote of 120-1.

Thank you for the opportunity to submit testimony in support of House Bill 2093.
