The Honorable Adam Smith, Chairperson
House Committee on Taxation
300 SW 10th Avenue, Room 346-S
Topeka, Kansas 66612

Dear Representative Smith:

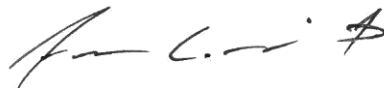

SUBJECT: Fiscal Note for HB 2317 by House Committee on Taxation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2317 is respectfully submitted to your committee.

HB 2317 would allow counties to transmit certain tax notices and statements by electronic means if consented by the taxpayer.

The Kansas Association of Counties indicates HB 2317 has the potential to reduce printing and postage costs for county treasurers by reducing the number of mailed tax notices and statements. However, the cost savings would be dependent on the number of taxpayers that voluntarily consent to receive these tax notices and statements by electronic means, which is unknown. The Department of Revenue indicates the bill would have no fiscal effect on its operations.

Sincerely,

Adam Proffitt
Director of the Budget
