19 *order for the item during the exemption period for immediate delivery*

21 *(2) There shall be no change during the period of exemption for the*
22 *handling of a bundled sale as treated for sales tax purposes at times*
23 *other than the exemption period.*

24 *(3) A discount by the seller reduces the sales price of the property,*
25 *and the discounted sales price determines whether the sales price is*
26 *within the price threshold provided in subsection (a). A coupon that*
27 *reduces the sales price is treated as a discount if the seller is not*
28 *reimbursed for the coupon amount by a third party. If a discount applies*
29 *to the total amount paid by a purchaser rather than to the sales price of*
30 *a particular item and the purchaser has purchased both eligible property*
31 *and taxable property, the seller shall allocate the discount based on the*
32 *total sales prices of the taxable property compared to the total sales*
33 *prices of all property sold in that same transaction.*

34 *(4) Articles that are normally sold as a single unit must continue to*
35 *be sold in that manner. Such articles cannot be priced separately and*
36 *sold as individual items in order to obtain the exemption.*

37 *(5) Eligible property that customers purchase during the exemption*
38 *period with use of a rain check will qualify for the exemption regardless*
39 *of when the rain check was issued. Issuance of a rain check during the*
40 *exemption period shall not qualify eligible property for the exemption if*
41 *the property is actually purchased after the exemption period.*

42 *(6) The procedure for an exchange in regards to an exemption is as*
43 *follows:*

1 (A) *If a customer purchases an item of eligible property during the*
2 *exemption period but later exchanges the item for a similar eligible item,*
3 *even if a different size, different color or other feature, no additional tax*
4 *is due even if the exchange is made after the exemption period;*

5 (B) *if a customer purchases an item of eligible property during the*
6 *exemption period, but after the exemption period has ended the*
7 *customer returns the item and receives credit on the purchase of a*
8 *different item, the appropriate sales tax is due on the sale of the new*
9 *item; and*

10 (C) *if a customer purchases an item of eligible property before the*
11 *exemption period, but during the exemption period the customer returns*
12 *the item and receives credit on the purchase of a different item of*
13 *eligible property, no sales tax is due on the sale of the new item if the*
14 *new item is purchased during the exemption period.*

15 (7) *For the purpose of an exemption, eligible property qualifies for*
16 *the exemption if:*

17 (A) *The item is both delivered to and paid for by the customer*
18 *during the exemption period; or*

19 (B) *the customer orders and pays for the item and the seller accepts*
20 *the order during the exemption period for immediate shipment, even if*
21 *delivery is made after the exemption period. For purposes of this*
22 *subparagraph, the seller accepts an order when the seller has taken*
23 *action to fill the order for immediate shipment. Actions to fill an order*
24 *include placement of an "in date" stamp on a mail order or assignment*
25 *of an order number to a telephone order. For purposes of this*
26 *subparagraph, an order is for immediate shipment when the customer*
27 *does not request delayed shipment. An order is for immediate shipment*
28 *notwithstanding that the shipment may be delayed because of a backlog*
29 *of orders or because stock is currently unavailable to, or on back order*
30 *by, the seller.*

31 (8) *For a 60-day period immediately after the exemption period,*
32 *when a customer returns an item that would qualify for the exemption,*
33 *no credit for or refund of sales tax shall be given unless the customer*
34 *provides a receipt or invoice that shows tax was paid or the seller has*
35 *sufficient documentation to show that tax was paid on the specific item.*
36 *The 60-day period is set solely for the purpose of designating a time*
37 *period during which the customer must provide documentation that*
38 *shows that sales tax was paid on returned merchandise. The 60-day*
39 *period is not intended to change a seller's policy on the time period*
40 *during which the seller will accept returns.*

41 (9) *The time zone of the seller's location determines the authorized*
42 *time period for a sales tax holiday when the purchaser is located in one*
43 *time zone and a seller is located in another.*

1 *(e) The provisions of this section shall be a part of and*
2 *supplemental to the Kansas retailers' sales tax act.*
