(13) A provision as follows: "*Cancellation by insured*: The insured may cancel this policy at any time by written notice delivered or mailed to the insurer, effective upon receipt of such notice or on such later date as may be specified in such notice. In the event of cancellation or death of the insured, the insurer will promptly return the unearned portion of any premium paid. The earned premium shall be computed by the use of the short-rate table last filed with the state official having supervision of insurance in the state where the insured resided when the policy was issued. Cancellation shall be without prejudice to any claim originating prior to the effective date of cancellation." When approved by the commissioner, the "cancellation" provision appearing in subsection (B)(8) may be substituted for the above.

(B) *Other provisions*: Except as provided in paragraph (C) of this section, no such policy delivered or issued for delivery to any person in this state shall contain provisions respecting the matters set forth below unless such provisions are in the words in which the same appear in this section, but the insurer may, at its option, use in lieu of any such provision a corresponding provision of different wording approved by the commissioner of insurance which is not less favorable in any respect to the insured or the beneficiary. Any such provision contained in the policy shall be preceded individually by the appropriate caption appearing in this subsection or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the commissioner of insurance may approve.

(1) A provision as follows: "*Change of occupation*: If the insured be injured or contract sickness after having changed his occupation to one classified by the insurer as more hazardous than that stated in this policy or while doing for compensation anything pertaining to an occupation so classified, the insurer will pay only such portion of the indemnities provided in this policy as the premium paid would have purchased at the rates and within the limits fixed by the insurer for such more hazardous occupation. If

the insured changes his occupation to one classified by the insurer as less hazardous than that stated in this policy, the insurer, upon receipt of proof of such change of occupation, will reduce the premium rate accordingly, and will return the excess pro rata unearned premium from the date of change of occupation or from the policy anniversary date immediately preceding receipt of such proof, whichever is the more recent. In applying this provision, the classification of occupational risk and the premium rates shall be such as have been last filed by the insurer prior to the occurrence of the loss for which the insurer is liable or prior to date of proof of change in occupation with the state official having supervision of insurance in the state where the insured resided at the time this policy was issued; but if such filing was not required, then the classification of occupational risk and the premium rates shall be those last made effective by the insurer in such state prior to the occurrence of the loss or prior to the date of proof of change in occupation."

(2) A provision as follows: "*Misstatement of age*: If the age of the insured has been misstated, all amounts payable under this policy shall be such as the premium paid would have purchased at the correct age."

(3) A provision as follows: "*Other insurance in this insurer*: If an accident or sickness or accident and sickness policy or policies previously issued by the insurer to the insured be in force concurrently herewith, making the aggregate indemnity for \_\_\_\_\_" (insert type of coverage or coverages) "in excess of \_\_\_\_\_" (insert maximum limit of indemnity or indemnities) "the excess insurance shall be void and all premiums paid for such excess shall be returned to the insured or to his estate"; or, in lieu thereof: "Insurance effective at any one time on the insured under a like policy or policies in this insurer is limited to one such policy elected by the insured, his beneficiary or his estate, as the case may be, and the insurer will return all premiums paid for all other such policies."

(4) A provision as follows: "*Insurance with other insurers*: If there be other valid coverage, not with this insurer, providing benefits for the same loss on a provision of service basis or on an expense incurred basis and of which this insurer has not been given written notice prior to the occurrence or commencement of loss, the only liability under any expense incurred coverage of this policy shall be for such proportion of the loss as the amount which would otherwise have been payable hereunder plus the total of the like amounts under all such other valid coverages for the same loss of which this insurer had notice bears to the total like amounts under all valid coverages for such loss, and for the return of such portion of the premiums paid as shall exceed the pro rata portion for the amount so determined. For the purpose of applying this provision when other coverage is on a provision of service basis, the 'like amount' of such other coverage shall be taken as the amount which the services rendered would have cost in the absence of such coverage." If the foregoing policy provision is included in a policy which also contains the next following policy provision there shall be added to the caption of the foregoing provision the phrase "\_\_\_\_\_ expense incurred benefits." The insurer, at its option, may include in this provision a definition of "other valid coverage," approved as to form by the commissioner of insurance, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, and by hospital or medical service organizations, and to any other coverage the inclusion of which may be approved by the

commissioner of insurance. In the absence of such definition such term shall not include group insurance, automobile medical payments insurance, or coverage provided by hospital or medical service organizations or by union welfare plans or employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any workmen's compensation or employer's liability statute) whether provided by a governmental agency or otherwise shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third party liability coverage shall be included as "other valid coverage." The provisions of this paragraph shall not apply to any individual policy of accident and sickness insurance, as defined in K.S.A. 40-2201, and amendments thereto.

(5) A provision as follows: "*Insurance with other insurers*: If there be other valid coverage, not with this insurer, providing benefits for the same loss on other than an expense incurred basis and of which this insurer has not been given written notice prior to the occurrence or commencement of loss, the only liability for such benefits under this policy shall be for such proportion of the indemnities otherwise provided hereunder for such loss as the like indemnities of which the insurer had notice (including the indemnities under this policy) bear to the total amount of all like indemnities for such loss, and the return of such portion of the premium paid as shall exceed the pro rata portion for the indemnities thus determined." If the foregoing policy provision is included in a policy which also contains the next preceding policy provision there shall be added to the caption of the foregoing provision the phrase "\_\_\_\_\_ other benefits." The insurer, at its option, may include in this provision a definition of "other valid coverage," approved as to form by the commissioner of insurance, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, and to any other coverage the inclusion of which may be approved by the commissioner of insurance. In the absence of such definition such term shall not include group insurance, or benefits provided by union welfare plans or by employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any workers compensation or employer's liability statute) whether provided by a governmental agency or otherwise shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third-party liability coverage shall be included as "other valid coverage." The provisions of this paragraph shall not apply to any individual policy of accident and sickness insurance, as defined in K.S.A. 40-2201, and amendments thereto.

(6) A provision as follows: "*Relation of earnings to insurance*: If the total monthly amount of loss of time benefits promised for the same loss under all valid loss of time coverage upon the insured, whether payable on a weekly or monthly basis, shall exceed the monthly earnings of the insured at the time disability commenced or the average monthly earnings for the period of two years immediately preceding a disability for which claim is made, whichever is the greater, the insurer will be liable only for such proportionate amount of such benefits under this policy as the amount of such monthly earnings or such average monthly earnings of the insured bears to the total amount of

monthly benefits for the same loss under all such coverage upon the insured at the time such disability commences and for the return of such part of the premiums paid during such two years as shall exceed the pro rata amount of the premiums for the benefits actually paid hereunder; but this shall not operate to reduce the total monthly amount of benefits payable under all such coverage upon the insured below the sum of \$200 or the sum of the monthly benefits specified in such coverages, whichever is the lesser, nor shall it operate to reduce benefits other than those payable for loss of time." The foregoing policy provision may be inserted only in a policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums (1) until at least age 50, or (2) in the case of a policy issued after age 44, for at least five years from its date of issue. The insurer, at its option, may include in this provision a definition of "valid loss of time coverage," approved as to form by the commissioner of insurance, which definition shall be limited in subject matter to coverage provided by governmental agencies or by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, or to any other coverage the inclusion of which may be approved by the commissioner of insurance or any combination of such coverages. In the absence of such definition such term shall not include any coverage provided for such insured pursuant to any compulsory benefit statute (including any workers compensation or employer's liability statute), or benefits provided by union welfare plans or by employer or employee benefit organizations.

(7) A provision as follows: "*Unpaid premium*: Upon the payment of a claim under this policy, any premium then due and unpaid or covered by any note or written order may be deducted therefrom."

(8) A provision as follows: "*Cancellation*: The insurer may cancel this policy at any time by written notice delivered to the insured, or mailed to his last address as shown by the records of the insurer, stating when, not less than five days thereafter, such cancellation shall be effective; and after the policy has been continued beyond its original term the insured may cancel this policy at any time by written notice delivered or mailed to the insurer, effective upon receipt or on such later date as may be specified in such notice. In the event of cancellation, the insurer will return promptly the unearned portion of any premium paid. If the insured cancels, the earned premium shall be computed by the use of the short-rate table last filed with the state official having supervision of insurance in the state where the insured resided when the policy was issued. If the insurer cancels, the earned premium shall be computed pro rata. Cancellation shall be without prejudice to any claim originating prior to the effective date of cancellation."

(9) A provision as follows: "*Conformity with state statutes*: Any provision of this policy which, on its effective date, is in conflict with the statutes of the state in which the insured resides on such date is hereby amended to conform to the minimum requirements of such statutes."

(10) A provision as follows: "*Illegal occupation*: The insurer shall not be liable for any loss to which a contributing cause was the insured's commission of or attempt to commit a felony or to which a contributing cause was the insured's being engaged in an illegal occupation."

intoxicated or under the influence of any narcotic unless administered on the advice of a physician."

(C) *Inapplicable or inconsistent provisions:* If any provision of this section is in whole or in part inapplicable to or inconsistent with the coverage provided by a particular form of policy the insurer, with the approval of the commissioner of insurance, shall omit from such policy any inapplicable provision or part of a provision, and shall modify any inconsistent provision or part of the provision in such manner as to make the provision as contained in the policy consistent with the coverage provided by the policy.

(D) *Order of certain policy provisions:* The provisions which are the subject of subsection (A) and (B) of this section, or any corresponding provisions which are used in lieu thereof in accordance with such subsections, shall be printed in the consecutive order of the provisions in such subsections or, at the option of the insurer, any such provision may appear as a unit in any part of the policy, with other provisions to which it may be logically related, provided the resulting policy, shall not be in whole or in part unintelligible, uncertain, ambiguous, abstruse, or likely to mislead a person to whom the policy is offered, delivered or issued.

(E) *Third-party ownership:* The word "insured," as used in this act, shall not be construed as preventing a person other than the insured with a proper insurable interest from making application for and owning a policy covering the insured or from being entitled under such a policy to any indemnities, benefits and rights provided therein.

(F) *Requirements of other jurisdictions:* (1) Any policy of a foreign or alien insurer, when delivered or issued for delivery to any person in this state, may contain any provision which is not less favorable to the insured or the beneficiary than the provisions of this act and which is prescribed or required by the law of the state under which the insurer is organized.

(2) Any policy of a domestic insurer, when issued for delivery in any other state or country, may contain any provision permitted or required by the laws of such other state or country.

(G) *Filing procedure:* The commissioner of insurance may make such reasonable rules and regulations concerning the procedure for the filing or submission of policies subject to this act as are necessary, proper or advisable to the administration of this act. This provision shall not abridge any other authority granted the commissioner of insurance by law.

(H) (1) No policy issued by an insurer to which this section applies shall contain a provision which excludes, limits or otherwise restricts coverage because medicaid benefits as permitted by title XIX of the social security act of 1965 are or may be available for the same accident or illness.

(a) ~~The attorney general~~ judicial administrator is authorized to enter into contracts in accordance with this section for collection services for debts owed to courts or restitution owed under an order of restitution. On and after July 1, 1999, the cost of collection shall be paid by the defendant as an additional court cost in all criminal, traffic and juvenile offender cases where the defendant fails to pay any amount ordered by the court and the court utilizes the services of a contracting agent pursuant to this section. The cost of collection shall be deemed an administrative fee to pay the actual costs of collection made necessary by the defendant's failure to pay court debt and restitution.

(b) As used in this section:

(1) "Beneficiary under an order of restitution" means the victim or victims of a crime to whom a district court has ordered restitution be paid;

(2) "contracting agent" means a person, firm, agency or other entity who contracts hereunder to provide collection services;

(3) "cost of collection" means the fee specified in contracts hereunder to be paid to or retained by a contracting agent for collection services. Cost of collection also includes any filing fee required under K.S.A. 60-4303, and amendments thereto, or administrative costs prescribed by ~~the attorney general pursuant to rules and regulations~~ rules of the supreme court; and

(4) "debts owed to courts" means any assessment of court costs, fines, fees, moneys expended by the state in providing counsel and other defense services to indigent defendants or other charges which a district court judgment has ordered to be paid to the court, and which remain unpaid in whole or in part, and includes any interest or penalties on such unpaid amounts as provided for in the judgment or by law. "Debts owed to courts" also includes: (A) The cost of collection when collection services of a contracting agent hereunder are utilized; and (B) court costs, fines, fees or other charges arising from failure to comply with a traffic citation within 30 days from the date of the mailing of the notice pursuant to K.S.A. 8-2110(b)(1), and amendments thereto.

(c) (1) Contracts authorized by this section may be entered into with state or federal agencies or political subdivisions of the state of Kansas, including contracts for

participation in the collection program authorized by K.S.A. 75-6201 et seq., and amendments thereto. Such contracts also may be entered into with private firms or individuals selected by a procurement negotiation committee in accordance with K.S.A. 75-37,102, and amendments thereto, except that the ~~attorney general~~ judicial administrator shall designate a representative to serve as the chief administrative officer member of such committee and that the other two members of such committee shall be designated by the director of purchases and the judicial administrator.

(2) Prior to negotiating any contract for collection services, this procurement negotiation committee shall advertise for proposals, negotiate with firms and individuals submitting proposals and select among those submitting such proposals the party or parties to contract with for the purpose of collection services.

(3) The ~~attorney general~~ supreme court may adopt rules ~~and regulations~~ as deemed appropriate for the administration of this section, including procedures to be used in the negotiation and execution of contracts pursuant to this section and procedures to be followed by those who utilize collection services under such contracts.

(4) For purposes of this section, the agencies, firms or individuals with whom contracts are entered under this section shall be known as contracting agents. The ~~attorney general~~ judicial administrator shall publish a list of the contracting agents for use by courts or beneficiaries under orders of restitution who desire to utilize the collection services of such agents.

(5) Each contract entered pursuant to this section shall provide for a fee to be paid to or retained by the contracting agent for collection services. Such fee shall be designated as the cost of collection hereunder, and shall not exceed 33% of the amount collected. The cost of collection shall be paid from the amount collected, but shall not be deducted from the debts owed to courts or restitution. If a contracting agent uses the debt setoff procedures pursuant to K.S.A. 75-6202 et seq., and amendments thereto, to recover debts owed to the courts, the contracting agent's cost of collection for debt recovered through that program shall be the amount established by contract minus the collection assistance fee imposed by the director of accounts and reports of the department of administration pursuant to K.S.A. 75-6210, and amendments thereto.

(d) Judicial districts of the state of Kansas are authorized to utilize the collection services of contracting agents pursuant to this section for the purpose of collecting all outstanding debts owed to courts. Subject to rules and orders of the Kansas supreme court, each judicial district may establish by local rule guidelines for the compromise of court costs, fines, attorney fees and other charges assessed in district court cases.

(f) Contracts entered hereunder shall provide for the payment of any amounts collected to the clerk of the district court for the court in which the debt being collected originated, after first deducting the collection fee. In accounting for amounts collected from any person pursuant to this section, the district court clerk shall credit the person's amount owed in the amount of the net proceeds collected and shall not reduce the amount owed by any person by that portion of any payment which constitutes the cost of collection pursuant to this section.

(g) With the appropriate cost of collection paid to the contracting agent as agreed

upon in the contract hereunder, the clerk shall then distribute amounts collected hereunder as follows:

(1) When collection services are utilized pursuant to subsection (d), all amounts shall be applied against the debts owed to the court as specified in the original judgment creating the debt;

(2) when collection services are utilized pursuant to subsection (e), all amounts shall be paid to the beneficiary under the order of restitution designated to receive such restitution, except where that beneficiary has received recovery from the Kansas crime victims compensation board and such board has subrogation rights pursuant to K.S.A. 74-7312, and amendments thereto, in which case all amounts shall be paid to the board until its subrogation lien is satisfied.

(h) Whenever collection services are being utilized against the same debtor pursuant to both subsections (d) and (e), any amounts collected by a contracting agent shall be first applied to satisfy subsection (e) debts, debts pursuant to an order of restitution. Upon satisfaction of all such debts, amounts received from the same debtor shall then be applied to satisfy subsection (d) debts, debts owed to courts.

## FIFTY-SEVENTH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Monday, May 4, 2015, 11:00 a.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 119 members present.

Reps. Bridges, Edmonds, Goico, Kelley, Thimesch and Whipple were excused on excused absence by the Speaker.

Prayer by guest chaplain, the Rev. Andy Inskeep, pastor, Velocity Church, Topeka:

God,

As we gather this morning help us remember who you are, help us to see who you are. You are a God who is merciful and forgiving. You are patient, persistent and faithful. God, you are just. You are a loving God, relational and active. You are sovereign. God, you are good and beautiful.

Lord, help us to be honest with ourselves. Often we compare ourselves to others and think we are better or no worse than the person next to ourselves. But let us be honest with ourselves. Help us to acknowledge and confess our failures and short comings. Help us to see our need for you in our life. Let us see the potential in our life and in our communities if we turn to you. Let our confession not only be words of personal contrition, but help us to be willing to be honest about the brokenness in our communities, the groups we gather and often in the way we seek to govern. Help us to truly seek your help and give us hope in these areas.

We ask, God, that your spirit guides us in our time together today.

Let us not be consumed by the busyness of life. Give us the strength we need. Help us to instill good limits and look to others for help that we may be fresh and focused.

God, I ask that you are with those this morning that are carry heavy weights along with the decisions that we will make here this week. Whether those are the difficult decisions or adversity with another job, family issues or someone we care about that is sick or suffering; God please help us.

As we work for decisions, God gives us the ability to be

open. Help us to see what you want. Help us to truly listen to someone else's perspective even if we think we understand or know it already. God give us the creativity to think about new ways to address the issues and seek compromise to resolve the issues laid out before us.

Finally God, I ask that you help us treat each other in a way that reflects the love you have for us and the value you place in life. Even if we have heated arguments or have deep disagreements with others here, help us value them as a human. Let us seek to build relationships with those we do not agree with.

Let your work in our relationships, our creativity, your help in difficulties and your guidance help our faith in you grow.

In the name of Jesus Christ, I pray, Amen.

The Pledge of Allegiance was led by Rep. Hill.

# Journal of the House

FIFTY-EIGHTH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Tuesday, May 5, 2015, 11:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Mast in the chair.

The roll was called with 122 members present.

Reps. Gonzalez, Kahrs and Whipple were excused on excused absence by the Speaker.

Prayer by guest chaplain, the Rev. Branson Roberts, pastor, Topeka First Church of the Nazarene:

Almighty God,

You are the Creator God, and everything exists for your glory. By your word you have shown us what you require of us: to act justly, to love mercy, and to walk humbly before you.

Lord, we are so grateful for the privilege to live in this land, at such a time as this.

Thank you for choosing and shaping ordinary people to rise up and lead this great state.

And now to this body of people, who are charged with serving the citizens of the state of Kansas; whom you have chosen and shaped for such a time as this.

O God, grant that all the public work which has been given to this body to do, will only motivate them to serve their fellow man.

Help them to set loyalty to the right things above all loyalty to party or to class.

Grant that the importance of their work may never make them full of their own self-importance, but rather that it may make them humbly eager to serve and to help the people of Kansas.

Give them wisdom of mind, clearness in their thinking, truth in their speaking, and always love in their hearts, so that they may try always to unite people and never to divide them.

Help them always to set the interests of the state above those of the party; and faithfulness to your requirements to justice and mercy above everything else.

So grant that at the end of this day, they may win the approval of their own conscience, the respect of their fellow man, and Your "Well Done!"

I humbly offer this prayer for the sake of Jesus, who was also chosen by you to serve among his fellow man, and model the walk of justice and mercy. AMEN.

The Pledge of Allegiance was led by Rep. Ballard.

### **INTRODUCTION OF GUESTS**

There being no objection, the following remarks of Rep. Moxley are spread upon the Journal:

One-by-one they arrive bright eyed and bushy tailed. Some toddle over to the art easel, eyeing the rainbow of paint colors, while others plop down in the book corner, arms stretched out with story in-hand. Smiles and laughter fill the room as parent educators greet the district's youngest learners and their parents for an hour filled with fun. It's another playgroup day for Wendy Webb and her Blue Valley's Parents as Teachers (PAT) program at Hilltop Learning Center.

Weekly playgroups are just one of many offerings the PAT program provides district families with children age birth to 3 years, along with home visits, screenings, group connections and more. For years, Blue Valley's PAT program and programs throughout Kansas have served parents in the community, helping to provide them the knowledge and skills parents need to make a difference as their child's first teacher. This year the state of Kansas and Blue Valley's PAT program celebrate a milestone 25 years of service to families and early learners.

These children's early years create the foundation for a lifetime of learning. Parents As Teachers has made a difference in the lives of families, including that of my own children and grandchildren. Children do not come with instructions but PAT has filled that role for tens of thousands of families over the last 25 years. The program has prepared our children socially, emotionally and academically. PAT parent educators are a wonderful resource and reassure parents by providing tools and learnings that help expand parenting skills and aid in child development."

Wendy Webb, Blue Valley's PAT Coordinator, has been with the program in Blue Valley since its inception and is proud and humbled to be a part of the PAT team and the impact it has on families. For Webb, the parent educators, in addition to the continued district support, are truly what have made PAT so successful over the past 25 years.

"Parent educators are the heart and soul of the PAT program," Webb said. "The reason the program has grown and developed a great reputation is because of the job they do every single day. Excellent parent education begins with a relationship and our parent educators are experts at building relationships. They go above and beyond to make sure families are networked with the resources they need and are always ready to deal with all kinds of circumstances in a calm and composed manner."

Wendy Webb personifies the Parents As Teachers program in Kansas. Twenty five years ago she saw what it could do by observing Missouri and worked to found the program in Kansas. Since she has inspired others to develop this valuable program throughout Kansas. Because of this the Kansas House of Representatives would like to honor Wendy Webb for her work in the PAT program.

So it is with sincere congratulations that the House of Representatives honors Wendy Webb for her inspiration, planning, development and nurturing of the Parents As

Teachers Program in Kansas.

Rep. Moxley presented a framed House certificate to Wendy Webb.

## HOUSE CONCURRENT RESOLUTION No. **HCR 5018**—

By Representatives Garber, Anthimides, Barton, Bradford, Brunk, W. Carpenter, Clark, Corbet, DeGraaf, Dove, Ewy, Goico, Hedke, Highland, Hoffman, Huebert, Hutchins, Hutton, K. Jones, Kiegerl, O'Brien, Pauls, Peck, Powell, Read, Rhoades, Scapa, Seiwert and Thimesch

**HCR 5018**-- A PROPOSITION to amend section 1 of the bill of rights of the constitution of the state of Kansas, relating to equal rights.

*Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:*

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 1 of the bill of rights of the constitution of the state of Kansas is hereby amended to read as follows:

**"§ 1. Equal rights.** All men are possessed of equal and inalienable natural rights, among which are life, liberty, and the pursuit of happiness. *Recognizing the authority of the state of Kansas to exercise its police power and its sovereign right to adopt individual liberties in the constitution of the state of Kansas more expansive than those conferred by the constitution of the United States, the state of Kansas shall hereby guarantee the inalienable rights, equal protection and due process of law of every human being from the beginning of the biological development of that human being, including fertilization.*"

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

*"Explanatory statement.* The purpose of this amendment is to expand the class of human beings that currently enjoy inalienable rights, equal protection, and due process of the law under the constitution of the state of Kansas to every human being from the beginning of the biological development of that human being, including fertilization.

"A vote for this proposition would amend the Kansas constitution to explicitly incorporate into it the inalienable right to life of every human being irrespective of age, race, gender, health, function, condition of dependency, including physical or mental dependency, or method of reproduction, from the beginning of their biological development, including fertilization. The proposed constitutional amendment also would prohibit the state from discriminating against any class of human beings in the application, interpretation and enforcement of its laws.

"A vote against this proposition would not amend the constitution, in which case the current federally mandated legal status of preborn humans would remain that of a class of human beings that can intentionally be killed."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2016 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

Sec. 6. On and after July 1, 2015, K.S.A. 2014 Supp. 8-2107 is hereby amended to read as follows: 8-2107. (a) (1) Notwithstanding any other provisions of the uniform act regulating traffic on highways, when a person is stopped by a police officer for any of the offenses described in subsection (d) and such person is not immediately taken before a judge of the district court, the police officer may require the person stopped, subject to the provisions of subsection (c), to deposit with the officer a valid Kansas driver's license in exchange for a receipt therefor issued by such police officer, the form of which shall be approved by the division of vehicles. Such receipt shall be recognized as a valid temporary Kansas driver's license authorizing the operation of a motor

vehicle by the person stopped until the date of the hearing stated on the receipt. The driver's license and a written copy of the notice to appear shall be delivered by the police officer to the court having jurisdiction of the offense charged as soon as reasonably possible. If the hearing on such charge is continued for any reason, the judge may note on the receipt the date to which such hearing has been continued and such receipt shall be recognized as a valid temporary Kansas driver's license until such date, but in no event shall such receipt be recognized as a valid Kansas driver's license for a period longer than 30 days from the date set for the original hearing. Any person who has deposited a driver's license with a police officer under this subsection (a) shall have such license returned upon final determination of the charge against such person.

(2) In the event the person stopped deposits a valid Kansas driver's license with the police officer and fails to appear in the district court on the date set for appearance, or any continuance thereof, and in any event within 30 days from the date set for the original hearing, the court shall forward such person's driver's license to the division of vehicles with an appropriate explanation attached thereto. Upon receipt of such person's driver's license, the division shall suspend such person's privilege to operate a motor vehicle in this state until such person appears before the court having jurisdiction of the offense charged, the court makes a final disposition thereof and notice of such disposition is given by the court to the division. No new or replacement license shall be issued to any such person until such notice of disposition has been received by the division. The provisions of K.S.A. 8-256, and amendments thereto, limiting the suspension of a license to one year, shall not apply to suspensions for failure to appear as provided in this subsection (a).

(b) No person shall apply for a replacement or new driver's license prior to the return of such person's original license which has been deposited in lieu of bond under this section. Violation of this subsection (b) is a class C misdemeanor. The division may suspend such person's driver's license for a period of not to exceed one year from the date the division receives notice of the disposition of the person's charge as provided in subsection (a).

(c) (1) In lieu of depositing a valid Kansas driver's license with the stopping police officer as provided in subsection (a), the person stopped may elect to give bond in the amount specified in subsection (d) for the offense for which the person was stopped. When such person does not have a valid Kansas driver's license, such person shall give such bond. Such bond shall be subject to forfeiture if the person stopped does not appear at the court and at the time specified in the written notice provided for in K.S.A. 8-2106, and amendments thereto.

(2) Such bond may be a cash bond, a bank card draft from any valid and unexpired credit card approved by the division of vehicles or superintendent of the Kansas highway patrol or a guaranteed arrest bond certificate issued by either a surety company authorized to transact such business in this state or an automobile club authorized to transact business in this state by the commissioner of insurance. If any of the approved bank card issuers redeem the bank card draft at a discounted rate, such discount shall be charged against the amount designated as the fine for the offense. If such bond is not forfeited, the amount of the bond less the discount rate shall be reimbursed to the person providing the bond by the use of a bank card draft. Any such guaranteed arrest bond certificate shall be signed by the person to whom it is issued and shall contain a printed statement that such surety company or automobile club guarantees the appearance of

such person and will, in the event of failure of such person to appear in court at the time of trial, pay any fine or forfeiture imposed on such person not to exceed an amount to be stated on such certificate.

(3) Such cash bond shall be taken in the following manner: The police officer shall furnish the person stopped a stamped envelope addressed to the judge or clerk of the court named in the written notice to appear and the person shall place in such envelope the amount of the bond, and in the presence of the police officer shall deposit the same in the United States mail. After such cash payment, the person stopped need not sign the written notice to appear, but the police officer shall note the amount of the bond mailed on the notice to appear form and shall give a copy of such form to the person. If the person stopped furnishes the police officer with a guaranteed arrest bond certificate or bank card draft, the police officer shall give such person a receipt therefor and shall note the amount of the bond on the notice to appear form and give a copy of such form to the person stopped. Such person need not sign the written notice to appear, and the police officer shall present the notice to appear and the guaranteed arrest bond certificate or bank card draft to the court having jurisdiction of the offense charged as soon as reasonably possible.

(d) The offenses for which appearance bonds may be required as provided in subsection (c) and the amounts thereof shall be as follows:

The bond shall be in the amount specified in the uniform fine schedule in ~~subsection (c) of~~ K.S.A. 8-2118(c), and amendments thereto, plus \$75 which shall be regarded as a docket fee in any court having jurisdiction over the violation of state law.

Failure to comply with a traffic citation is a misdemeanor, regardless of the disposition of the charge for which such citation was originally issued.

(b) (1) In addition to penalties of law applicable under subsection (a), when a person fails to comply with a traffic citation, except for illegal parking, standing or stopping, the district or municipal court in which the person should have complied with the citation shall mail notice to the person that if the person does not appear in district or municipal court or pay all fines, court costs and any penalties within 30 days from the date of mailing notice, the division of vehicles will be notified to suspend the person's driving privileges. The district or municipal court may charge an additional fee of \$5 for mailing such notice. Upon the person's failure to comply within such 30 days of mailing notice, the district or municipal court shall electronically notify the division of vehicles. Upon receipt of a report of a failure to comply with a traffic citation under this subsection, pursuant to K.S.A. 8-255, and amendments thereto, the division of vehicles shall notify the violator and suspend the license of the violator until satisfactory evidence of compliance with the terms of the traffic citation has been furnished to the informing court. When the court determines the person has complied with the terms of the traffic citation, the court shall immediately electronically notify the division of vehicles of such compliance. Upon receipt of notification of such compliance from the informing court, the division of vehicles shall terminate the suspension or suspension action.

(2) (A) In lieu of suspension under paragraph (1), the driver may submit to the division of vehicles a written request for restricted driving privileges, with a non-refundable \$25 application fee, to be applied by the division of vehicles for additional administrative costs to implement restricted driving privileges. The division shall remit all restricted driving privilege application fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the division of vehicles operating fund.

The division shall remit all restricted driving privilege application fees to the state

treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the division of vehicles operating fund. If the driver fails to comply with the traffic citation within the one year restricted period, the driving privileges will be suspended by the division of vehicles until the court determines the person has complied with the terms of the traffic citation and the court shall immediately electronically notify the division of vehicles of such compliance. Upon receipt of notification of such compliance from the informing court, the division of vehicles shall terminate the suspension action. When restricted driving privileges are approved pursuant to this section, the person's driving privileges shall be restricted to driving only under the following circumstances: (i) In going to or returning from the person's place of employment or schooling; (ii) in the course of the person's employment; (iii) in going to or returning from an appointment with a health care provider or during a medical emergency; and (iv) in going to and returning from probation or parole meetings, drug or alcohol counseling or any place the person is required to go by a court.

(c) Except as provided in subsection (d), when the district or municipal court notifies the division of vehicles of a failure to comply with a traffic citation pursuant to subsection (b), the court shall assess a reinstatement fee of \$59 for each charge on which the person failed to make satisfaction regardless of the disposition of the charge for which such citation was originally issued and regardless of any application for restricted driving privileges. (d) The district court or municipal court shall waive the reinstatement fee provided for in subsection (c), if the failure to comply with a traffic citation was the result of such person enlisting in or being drafted into the armed services of the United States, being called into service as a member of a reserve component of the military service of the

United States, or volunteering for such active duty, or being called into service as a member of the state of Kansas national guard, or volunteering for such active duty, and being absent from Kansas because of such military service. In any case of a failure to comply with a traffic citation which occurred on or after August 1, 1990, and prior to the effective date of this act, in which a person was assessed and paid a reinstatement fee and the person failed to comply with a traffic citation because the person was absent from Kansas because of any such military service, the reinstatement fee shall be reimbursed to such person upon application therefor. The state treasurer and the director of accounts and reports shall prescribe procedures for all such reimbursement payments and shall create appropriate accounts, make appropriate accounting entries and issue such appropriate vouchers and warrants as may be required to make such reimbursement payments.

(e) Except as provided further, the reinstatement fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for such reinstatement. The expenses of the sending county shall not be an obligation of the receiving county except to the extent that the sending county's proportionate share of the expenses is collected by the receiving court. No sheriff in this state shall charge any district court in this state a fee or mileage for serving any paper or process.

Sec. 23. K.S.A. 2014 Supp. 60-256 is hereby amended to read as follows: 60-256.

(a) *By a claiming party.* A party claiming relief may move, with or without supporting affidavits or supporting declarations pursuant to K.S.A. 53-601, and amendments thereto, for summary judgment on all or part of the claim.

(b) *By a defending party.* A party against whom relief is sought may move, with or without supporting affidavits or supporting declarations pursuant to K.S.A. 53-601, and amendments thereto, for summary judgment on all or part of the claim.

(c) *Time for a motion; response and reply; proceedings.* (1) These times apply unless a different time is set by local rule or the court orders otherwise:

(A) A party may move for summary judgment at any time until 30 days after the close of all discovery;

(B) a party opposing the motion must file a response within 21 days after the

motion is served or a responsive pleading is due, whichever is later; and

(C) the movant may file a reply within 14 days after the response is served.

(2) The judgment sought should be rendered if the pleadings, the discovery and disclosure materials on file, and any affidavits or declarations show that there is no genuine issue as to any material fact and that the movant is entitled to judgment as a matter of law.

(d) *Case not fully adjudicated on the motion.* (1) *Establishing facts.* If summary judgment is not rendered on the whole action, the court should, to the extent practicable, determine what material facts are not genuinely at issue. The court should so determine by examining the pleadings and evidence before it and by interrogating the attorneys. It should then issue an order specifying what facts, including items of damages or other relief, are not genuinely at issue. The facts so specified must be treated as established in the action.

(2) *Establishing liability.* An interlocutory summary judgment may be rendered on liability alone, even if there is a genuine issue on the amount of damages.

(e) *Affidavits or declarations; further testimony.* (1) *In general.* A supporting or opposing affidavit or declaration must be made on personal knowledge, set out facts that would be admissible in evidence and show that the affiant or declarant is competent to testify on the matters stated. If a paper or part of a paper is referred to in an affidavit or declaration, a sworn or certified copy must be attached to or served with the affidavit or declaration. The court may permit an affidavit or declaration to be supplemented or opposed by depositions, answers to interrogatories or additional affidavits or declarations.

(2) *Opposing party's obligation to respond.* When a motion for summary judgment is properly made and supported, an opposing party may not rely merely on allegations or denials in its own pleading; rather, its response must, by affidavits or by declarations pursuant to K.S.A. 53-601, and amendments thereto, or as otherwise provided in this section, set out specific facts showing a genuine issue for trial. If the opposing party does not so respond, summary judgment should, if appropriate, be entered against that party.

(f) *When affidavits or declarations are unavailable.* If a party opposing the motion shows by affidavit or by declaration pursuant to K.S.A. 53-601, and amendments thereto, that, for specified reasons, it cannot present facts essential to justify its opposition, the court may:

(1) Deny the motion;

(2) order a continuance to enable affidavits or declarations to be obtained, depositions to be taken or other discovery to be undertaken; or

(3) issue any other just order.

(g) *Affidavits or declarations submitted in bad faith.* If satisfied that an affidavit or declaration under this section is submitted in bad faith or solely for delay, the court must order the submitting party or attorney to pay the other party the reasonable expenses, including attorney's fees, it incurred as a result. An offending party or attorney may be held in contempt.

~~(h) Fee for filing a motion for summary judgment. (1) On and after July 1, 2014, any party filing a motion for summary judgment shall pay a fee in the amount of \$195 to the clerk of the district court.~~

~~(2) A poverty affidavit may be filed in lieu of a fee as established in K.S.A. 60-~~

~~2001, and amendments thereto.~~

~~(3) The fee shall be disbursed in accordance with K.S.A. 20-362, and amendments thereto.~~

~~(4) Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee.~~

~~(5) The state of Kansas and all municipalities in this state, as defined in K.S.A. 12-105a, and amendments thereto, shall be exempt from paying such fee.~~

~~(6) The provisions of this subsection shall not apply to an action pursuant to the code of civil procedure for limited actions.~~

Sec. 24. On and after July 1, 2015, K.S.A. 2014 Supp. 60-729 is hereby amended to read as follows: 60-729. (a) Garnishment is a procedure whereby the wages, money or intangible property of a person can be seized or attached pursuant to an order of garnishment issued by the court under the conditions set forth in the order.

(b) On and after July 1, 2014, any party requesting an order of garnishment shall pay a fee in the amount of \$7.50 to the clerk of the district court.

(c) A poverty affidavit may be filed in lieu of a fee as established in K.S.A. 60-2001, and amendments thereto.

(d) The fee shall be the only costs assessed in each case for services of the clerk of the district court and the sheriff. The fee shall be disbursed in accordance with K.S.A. 20-362, and amendments thereto.

(e) Except as provided further, the fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after July 1, ~~2014 2015~~, through ~~July 1, 2015~~ June 30, 2017, the supreme court may impose an additional charge, not to exceed \$12.50 per fee, to fund the costs of non-judicial personnel.

(f) The state of Kansas and all municipalities in this state, as defined in K.S.A. 12-105a, and amendments thereto, shall be exempt from paying such fee.

Sec. 25. On and after July 1, 2015, K.S.A. 2014 Supp. 60-2001 is hereby amended to read as follows: 60-2001. (a) *Docket fee*. Except as otherwise provided by law, no case shall be filed or docketed in the district court, whether original or appealed, without payment of a docket fee in the amount of \$173 on and after July 1, 2014, to the clerk of the district court. Except as provided further, the docket fee established in this subsection shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after July 1, ~~2013 2015~~, through ~~July 1, 2015~~ June 30, 2017, the supreme court may impose an additional charge, not to exceed \$22 per docket fee, to fund the costs of non-judicial personnel.

(b) *Poverty affidavit in lieu of docket fee*. (1) *Effect*. In any case where a plaintiff by reason of poverty is unable to pay a docket fee, and an affidavit so stating is filed, no fee will be required. An inmate in the custody of the secretary of corrections may file a poverty affidavit only if the inmate attaches a statement disclosing the average account balance, or the total deposits, whichever is less, in the inmate's trust fund for each month in: (A) The six-month period preceding the filing of the action; or (B) the current period of incarceration, whichever is shorter. Such statement shall be certified by the secretary. On receipt of the affidavit and attached statement, the court shall determine

the initial fee to be assessed for filing the action and in no event shall the court require an inmate to pay less than \$3. The secretary of corrections is hereby authorized to disburse money from the inmate's account to pay the costs as determined by the court. If the inmate has a zero balance in such inmate's account, the secretary shall debit such account in the amount of \$3 per filing fee as established by the court until money is credited to the account to pay such docket fee. Any initial filing fees assessed pursuant to this subsection shall not prevent the court, pursuant to subsection (d), from taxing that individual for the remainder of the amount required under subsection (a) or this subsection.

(2) *Form of affidavit.* The affidavit provided for in this subsection shall set forth a factual basis upon which the plaintiff alleges by reason of poverty an inability to pay a docket fee, including, but not limited to, the source and amount of the plaintiff's weekly income. Such affidavit shall be signed and sworn to by the plaintiff under oath, before one who has authority to administer the oath, under penalty of perjury, K.S.A. 2014 Supp. 21-5903, and amendments thereto. The form of the affidavit shall be deemed sufficient if in substantial compliance with the form set forth by the judicial council.

(3) *Court review; grounds for dismissal; service of process.* The court shall review any petition authorized for filing under this subsection. Upon such review, if the court finds that the plaintiff's allegation of poverty is untrue, the court shall direct the plaintiff to pay the docket fee or dismiss the petition without prejudice. Notwithstanding K.S.A. 60-301, and amendments thereto, service of process shall not issue unless the court grants leave following its review.

(c) *Disposition of fees.* The docket fees and the fees for service of process shall be the only costs assessed in each case for services of the clerk of the district court and the sheriff. For every person to be served by the sheriff, the persons requesting service of process shall provide proper payment to the clerk and the clerk of the district court shall forward the service of process fee to the sheriff in accordance with K.S.A. 28-110, and amendments thereto. The service of process fee, if paid by check or money order, shall be made payable to the sheriff. Such service of process fee shall be submitted by the sheriff at least monthly to the county treasurer for deposit in the county treasury and credited to the county general fund. The docket fee shall be disbursed in accordance with K.S.A. 20-362, and amendments thereto.

(d) *Additional court costs.* Other fees and expenses to be assessed as additional court costs shall be approved by the court, unless specifically fixed by statute. Other fees shall include, but not be limited to, witness fees, appraiser fees, fees for service of process, fees for depositions, alternative dispute resolution fees, transcripts and publication, attorney fees, court costs from other courts and any other fees and expenses required by statute. All additional court costs shall be taxed and billed against the parties as directed by the court. No sheriff in this state shall charge any mileage for serving any papers or process.

Sec. 26. On and after July 1, 2015, K.S.A. 2014 Supp. 60-2203a is hereby amended to read as follows: 60-2203a. (a) After the commencement of any action in any district court of this state, or the courts of the United States in the state of Kansas or in any action now pending heretofore commenced in such courts, which does not involve title to real estate, any party to such action may give notice in any other county of the state of the pendency of the action by filing for record with the clerk of the district court of such other county a verified statement setting forth the parties to the action, the nature

of the action, the court in which it is pending, and the relief sought, which shall impart notice of the pendency of the action and shall result in the same lien rights as if the action were pending in that county. The lien shall be effective from the time the statement is filed, but not to exceed four months prior to the entry of judgment except as provided in subsection (c). The party filing such notice shall within 30 days after any satisfaction of the judgment entered in such action, or any other final disposition thereof, cause to be filed with such clerk of the district court a notice that all claims in such action are released. If the party filing fails or neglects to do so after reasonable demand by any party in interest, such party shall be liable in damages in the same amounts and manner as is provided by law for failure of a mortgagee to enter satisfaction of a mortgage. Upon the filing of such a notice of the pendency of an action the clerk shall charge a fee of \$14 and shall enter and index the action in the same manner as for the filing of an original action. Upon the filing of a notice of release, the notice shall likewise be entered on the docket. Except as provided further, the fee established in this subsection shall be the only fee collected or moneys in the nature of a fee collected for the court procedure. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after July 1, ~~2013~~ 2015, through ~~July 1, 2015~~ June 30, 2017, the supreme court may impose an additional charge, not to exceed \$22 per fee, to fund the costs of non-judicial personnel.

(b) Any notice of the type provided for in subsection (a) which was filed on or after January 10, 1977, and prior to the effective date of this act shall be deemed to impart notice of the pendency of the action in the same manner as if the provisions of subsection (a) were in force and effect on and after January 10, 1977.

(c) Notwithstanding the foregoing provisions of this section, the filing of a notice of the pendency of an action pursuant to subsection (a) shall create no lien rights against the property of an employee of the state or a municipality prior to the date judgment is rendered if the pleadings in the pending action allege a negligent or wrongful act or omission of the employee while acting within the scope of such employee's employment, regardless of whether or not it is alleged in the alternative that the employee was acting outside of such employee's employment. A judgment against an employee shall become a lien upon such employee's property in the county where notice is filed pursuant to subsection (a) when the judgment is rendered only if it is found that: (1) The employee's negligent or wrongful act or omission occurred when the employee was acting outside the scope of such employee's employment; or (2) the employee's conduct which gave rise to the judgment was because of actual fraud or actual malice of the employee. In such cases the lien shall not be effective prior to the date judgment was rendered. As used in this subsection (c), "employee" shall have the meaning ascribed to such term in K.S.A. 75-6102, and amendments thereto.

Sec. 27. On and after July 1, 2015, K.S.A. 2014 Supp. 61-2704 is hereby amended to read as follows: 61-2704. Otherwise, the action is deemed commenced at the time of service of process or first publication. An entry of appearance shall have the same effect as service.

(b) Upon the filing of a plaintiff's small claim, the clerk of the court shall require from the plaintiff a docket fee of \$35 on and after July 1, 2014, if the claim does not exceed \$500; or \$55 on and after July 1, 2014, if the claim exceeds \$500; unless for good cause shown the judge waives the fee. The docket fee shall be the only costs required in an action seeking recovery of a small claim. No person may file more than 20 small claims under this act in the same court during any calendar year.

(c) Except as provided further, the docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. ~~On and after July 1, 2013 2015, through July 1, 2015 June 30, 2017,~~ the supreme court may impose an additional charge, not to exceed \$12.50 per docket fee, to fund the costs of non-judicial personnel.

Sec. 28. On and after July 1, 2015, K.S.A. 2014 Supp. 61-4001 is hereby amended to read as follows: 61-4001. (a) Docket fee. (2) Except as provided further, the docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after July 1, ~~2013 2015, through July 1, 2015 June 30, 2017,~~ the supreme court may impose an additional charge, not to exceed \$19 per docket fee, to fund the costs of non-judicial personnel.

(b) Poverty affidavit; additional court costs; exemptions for the state and municipalities. The provisions of ~~subsections (b), (c) and (d) of K.S.A. 60-2001(b), (c) and (d)~~ and 60-2005, and amendments thereto, shall be applicable to lawsuits brought under the code of civil procedure for limited actions.

#### LATE AFTERNOON SESSION

The House met pursuant to recess with Speaker pro tem Mast in the chair.

#### MESSAGES FROM THE SENATE

Announcing the Senate here with transmits the veto message from the Governor, together with the enrolled copy of **H Sub for SB 117**, AN ACT regulating traffic; relating to transportation network companies, transportation network company services,

regulation, which was received on April 20, 2015 and read on April 29, 2015.

“While I appreciate the legislature’s hard work on this legislation, I believe this bill is premature. To overregulate or improperly regulate an emerging industry before the marketplace actors make proper arrangements is to invite more problems, not less.

Kansas should be known as a state that embraces economic growth and innovation. The jobs created by this new industry can bring opportunity to many Kansas families. An open and free marketplace often results in higher quality products at a more affordable price.

This will allow companies like Uber to continue and expand operations in Kansas, where they otherwise would not be able to do so.

I applaud the discussions that have taken place nationally between the emerging ride-sharing industry and insurance companies. Similar discussions now need to take place with the banking community, which understandably wants to ensure its financial interests are also protected.

I also applaud the legislature’s interest in protecting the safety of our citizens. I strongly support background checks for ride-sharing drivers. However, the ride-sharing industry believes the background requirement as currently written, weakens rather than strengthens, the level of scrutiny placed on its potential drivers. Therefore, I believe more time, more collaboration, and more discussion will ultimately result in a better public policy product for Kansas. In the meantime, local municipalities will regulate the ride-sharing industry just as they have always done with traditional passenger transportation companies. At this moment in time, they are better equipped to understand the unique and emerging challenges and opportunities the ride-sharing industry brings to their communities.

Though I am vetoing this bill, I am also calling upon ride-sharing companies, insurers, banks and credit unions, to work with our legislature to resolve their differences. These discussions have already begun among Uber and many major insurance companies. The same should begin with banks and credit unions. I look forward to reviewing a new bill that results from these conversations.

Pursuant to Article 2, Section 14(a) of the Constitution of the State of Kansas, I hereby veto **H Sub for SB 117**.”

Dated: April 20, 2015

Signed: SAM BROWNBACK, *Governor of Kansas*

On page 2, in line 4, by striking "\$2,500" and inserting "\$15,000"; following line 6, by inserting:

"Sec. 4. K.S.A. 2014 Supp. 12-520 is hereby amended to read as follows: 12-520.

(a) Except as hereinafter provided, the governing body of any city, by ordinance, may annex land to such city if any one or more of the following conditions exist:

(1) The land is platted, and some part of the land adjoins the city.

(2) The land adjoins the city and is owned by or held in trust for the city or any agency thereof.

(3) The land adjoins the city and is owned by or held in trust for any governmental unit other than another city except that no city may annex land owned by a county without the express permission of the board of county commissioners of the county other than as provided in subsection (f).

(4) The land lies within or mainly within the city and has a common perimeter with the city boundary line of more than 50%.

(5) The land if annexed will make the city boundary line straight or harmonious and some part thereof adjoins the city, except no land in excess of 21 acres shall be annexed for this purpose.

(6) The tract is so situated that  $\frac{2}{3}$  of any boundary line adjoins the city, except no tract in excess of 21 acres shall be annexed under this condition.

(7) The land adjoins the city and a written petition for or consent to annexation is filed with the city by the owner.

(b) No portion of any unplatted tract of land devoted to agricultural use of 21 acres or more shall be annexed by any city under the authority of this section without the written consent of the owner thereof.

(c) No city may annex, pursuant to this section, any improvement district incorporated and organized pursuant to K.S.A 19-2753 et seq., and amendments thereto,

or any land within such improvement district. The provisions of this subsection shall apply to such improvement districts for which the petition for incorporation and organization was presented on or before January 1, 1987.

(d) Subject to the provisions of this section and ~~subsection (e)~~ of K.S.A. 12-520a(e), and amendments thereto, a city may annex, pursuant to this section, any fire district or any land within such fire district.

~~(e) Whenever any city annexes any land under the authority of paragraph 2 of subsection (a) which does not adjoin the city, tracts of land adjoining the land so annexed shall not be deemed to be adjoining the city for the purpose of annexation under the authority of this section until the adjoining land or the land so annexed adjoins the remainder of the city by reason of the annexation of the intervening territory.~~

~~(f)~~ No city may annex the right-of-way of any highway under the authority of this section unless at the time of the annexation the abutting property upon one or both sides thereof is already within the city or is annexed to the city in the same proceeding. The board of county commissioners may notify the city of the existence of the right-of-way of any highway which has not become part of the city by annexation and which has a common boundary with the city. The notification shall include a legal description and a map identifying the location of the highway. The governing body of the city shall certify by ordinance that the certification is correct and declare the highway, or portion of the highway extending to the center line where another city boundary line abuts the opposing side of the highway, annexed to the city as of the date of the publication of the ordinance.

~~(g)~~ (f) The governing body of any city by one ordinance may annex one or more separate tracts or lands each of which conforms to any one or more of the foregoing conditions. The invalidity of the annexation of any tract or land in one ordinance shall not affect the validity of the remaining tracts or lands which are annexed by the ordinance and which conform to any one or more of the foregoing conditions.

~~(h)~~ (g) No city may utilize any provision of this section to annex a narrow corridor of land to gain access to noncontiguous tracts of land. The corridor of land must have a tangible value and purpose other than for enhancing future annexations of land by the city.

(h) No land shall be annexed pursuant to subsections (a)(1), (4), (5) and (6) without express consent of the board of county commissioners by resolution adopted within 30 days following the conclusion of the hearing on the proposed annexation as required by K.S.A. 12-520a, and amendments thereto.

- (3) the board of county commissioners of the county, by a  $\frac{2}{3}$  vote of the members thereof, find and determine that the annexation of ~~such the~~ land will not hinder or prevent the proper growth and development of the area or that of any other incorporated city located within ~~such the~~ county.

(b) No land adjoining any land annexed by any city under the provisions of this section shall be deemed to be adjoining the city for the purpose of annexation under any

other act or section of this act until ~~such the~~ adjoining land or the land annexed under this section shall adjoin the remainder of the city by reason of the annexation of the intervening territory.

(c) Whenever the governing body of any city deems it advisable to annex land under the provisions of this section ~~such the~~ governing body shall by resolution request the board of county commissioners of the county to make a finding as required under subsection (a)(3) ~~of this section~~. The city clerk shall file a certified copy of ~~such the~~ resolution with the board of county commissioners who shall, within ~~thirty (30) 30~~ days following the receipt ~~thereof of the resolution~~, make findings and notify the governing body of the city ~~thereof of the board's decision~~. ~~Such findings shall be spread at length upon the journal of proceedings of said board. The failure of such board to spread such findings upon the journal shall not invalidate the same.~~

Any owner or city aggrieved by the decision of the board of county commissioners may appeal from the decision of such board to the district court of the ~~same~~ county in the manner and method set forth in K.S.A. 19-223, and amendments thereto. Chef Mike encourages students to develop a passion for the industry, helps them find success in the industry, pushes them to achieve greatness, and helps them achieve goals that were once thought unattainable. Under Chef Mike's mentoring and assistance from Chef Philip Shaw, the Olathe Culinary Program has qualified for the national competition 10 years in a row and is the only team to stand on the podium as a top four finisher the last seven consecutive years. Chef Mike's passion and expertise have helped to make the culinary arts program at Olathe North High School one of the best examples of industry standards being integrated into a high school career technical education program: Now, therefore,

*Be it resolved by the House of Representatives of the State of Kansas:* That we congratulate and commend the Olathe Public Schools ProStart Culinary Team for taking first place at the 14<sup>th</sup> Annual National ProStart Invitational in Anaheim, California, thereby serving as an example and a model to high schools across the United States for its dedication and excellence; and

There being no objection, the following remarks of Rep. Davis are spread upon the Journal:

This morning we would like to recognize and congratulate the Olathe Public Schools ProStart Culinary Team on winning its third national championship at the 14<sup>th</sup> Annual ProStart Invitational in Anaheim, California.

The ProStart invitational is the country's premier high school competition, which focuses on culinary arts and restaurant management. To qualify for the national competition, teams must first win their respective state competitions. At the national competition, teams are required to prepare a three-course meal in 60 minutes, using only two butane burners and have no access to running water or electricity. Teams are then judged on their creative abilities, skill, teamwork, safety, sanitation and taste of food. Achieving the highest honor of ProStart champion, teams must invest hundreds of

hours of practice, unwavering determination and a high level of skill.

This winning team is led by Chef Mike Chrostowski. Before coming to head the Olathe School District's 21<sup>st</sup> Century Culinary Program, Chef Mike managed some of the best restaurants in Kansas City as well as in Texas. This year marks Chef Mike's 10<sup>th</sup> year of teaching. His teaching career is riddled with many accomplishments, including receiving the 2014 National Cutting Edge award from The American Culinary Association. This year, Chef Mike was awarded with the Taste of Elegance award which was sponsored by the Missouri and Kansas Pork Association.

This is the 10<sup>th</sup> year in a row the Olathe Culinary Program has qualified for ProSmart Nationals, making this the only Program in the nation that has achieved this success. Team members for this year's winning team are:

Melinda Hrdy, Olathe (New England Culinary Institute)  
 Haneen Ibrahim, Leawood (Le Cordon Blue Seattle)  
 Michael Miller, Olathe (Johnson and Wales in Denver)  
 Rachel Cormeny, Olathe (New England Culinary Institute)  
 Ashleigh Hagen, Olathe (Culinary Institute of America)

Melinda Hrdy and Rachel Cormeny have the distinction of this being their second time to represent Olathe Culinary Program at the National ProStart Invitational where in 2014 both students placed 2<sup>nd</sup>.

Please join with us and congratulate Chef Mike and these students on their tremendous success and their winning the 2015 National ProStart Invitational.

## EXPLANATION OF VOTE

MR. SPEAKER: A small town in Jackson County had a small church. That church wanted to build a bigger church. A retired member of the congregation drew plans for the new sanctuary. The completed church passed inspections by an architect and an engineer.

The Board of Technical Professions determined Mr. Ray's action constituted the unlicensed practice of architecture. Mr. Ray filed a claim against the state. Representative Fund passed away in April 2011. The Senate "passed a hat" and collected money in Representative Fund's memory that was to go to Mr. Ray.

I vote no on **Sub HB 2224** in memory of Representative Rocky Fund and Eldon Ray.

#### EXPLANATIONS OF VOTE

MR. SPEAKER: I vote in favor of **HB 2049**. Thousands of Kansans suffer from debilitating seizure disorders and are looking for new treatment options. The carefully crafted components of this bill balance the need for positive health outcomes with the need to protect public and patient safety. The regulatory framework we're creating is a compassionate and responsible way for Kansans to access the medication they need. — JOHN WILSON, LOUIS RUIZ, PAM CURTIS, KATHY WOLFE MOORE, SYDNEY CARLIN, DENNIS "BOOG" HIGHBERGER, JARROD OUSLEY, RODERICK HOUSTON, CAROLYN BRIDGES

MR. SPEAKER: I could support a narrow use of hemp oil for medical purposes; I do not

believe this is the proper way to do it. I prefer a way where patients can have a prescription written and they are able to fill it at a regular pharmacy and have it covered by insurance just like any other pharmaceuticals. This bill is in conflict with federal law and there could still be negative consequences for families. Our federal government needs to resolve this issue so this can be done right. The bill also moves towards decriminalizing marijuana which I am opposed to. I vote no on **HB 2049**. – JOSEPH SCAPA

MR. SPEAKER: I vote “no” on **HB 2049**. Marijuana is illegal under Federal Law. Courts, including our U.S. Supreme Court, have ruled it to be of no value for medical therapies. For that reason, I vote against **HB 2049**. – PEGGY MAST

#### EXPLANATIONS OF VOTE

MR. SPEAKER: I vote NO on **H Sub for SB 91**. **H Sub for SB 91** effectively ends the Renewable Portfolio Standard, and replaces it with an artificial 'goal' that has no enforcement. The intent of the RPS was meant to create a competitive market for alternatives to traditional fossil fuels because of their damaging effects on the environment. Rather than improving current environmental policy, this policy moves our state backwards. — HAROLD LANE, DENNIS "BOOG" HIGHBERGER, BARBARA W. BALLARD, LOUIS RUIZ

MR. SPEAKER: I vote NO on **H Sub for SB 91**. The bill before this House creates a dangerous precedent for lawmaking. Nonelected individuals representing the wind industry, the Kansas Chamber of Commerce, and Americans for Prosperity brokered this deal behind closed doors, without elected officials. In the democratic process elected officials, not special interest groups, decide the law. I will not vote in favor of such influence peddling. — CAROLYN BRIDGES, SYDNEY CARLIN

**SB 276**, AN ACT concerning corporations and business entities; relating to business filings with the secretary of state; limited liability companies; amending K.S.A. 17-6601, 17-6602, 17-7002, 56-1a152 and 56-1a153 and K.S.A. 2014 Supp. 17-7673, 17-7674, 17-7675, 17-7677, 17-7680, 17-7681, 17-76,128, 17-76,143, 17-76,146, 17-7910, 17-7912, 17-7916, 17-7918, 17-7931, 17-7932, 17-7933, 17-7934 and 17-7937 and repealing the existing sections; also repealing K.S.A. 17-7304, 17-7308 and 56-1a508 and K.S.A. 2014 Supp. 17-7664, 17-7666, 17-7673a, 17-7674a, 17-7676, 17-7677a, 17-7678, 17-7683, 17-76,121, 17-76,121a, 17-76,122, 17-76,123, 17-76,124, 17-76,125, 17-76,127 and 56-1a156, was considered on final action.

# Journal of the House

SIXTY-FIRST DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Friday, May 8, 2015, 9:00 a.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 112 members present.

Reps. Anthimides, Edmonds, Goico, Hemsley, Henry, Johnson, Kelley, Lane, Mason, Rhoades, Sloan, Whipple and Winn were excused on excused absence by the Speaker.

Present later: Rep. Kelley.

Prayer by Chaplain Brubaker:

Gracious and Loving God,  
Thank You for another day.  
To be honest,  
we are all thankful it's Friday!  
As this body continues to work  
to wrap things up for the session,  
there are still some major decisions to be made.  
I pray that the members won't  
succumb to the inertia of habit.  
Instead, stir them to productive action.  
The residents of our great state  
depend on the creativity and good intentions  
of these leaders.  
So I ask that You shed new light  
for creative solutions  
to the issues that are longstanding  
and tend to cause disagreement and division.  
This I pray in Your Son's Name,  
Amen.

The Pledge of Allegiance was led by Rep. K. Jones.

# Journal of the House

SIXTY-SECOND DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Monday, May 11, 2015, 1:30 p.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 120 members present.

Rep. Sloan was excused on legislative business.

Reps. Estes, Hill, Ruiz and Winn were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Gracious Lord God,  
For the beautiful sunshiny day You have given us,  
we thank You and ask that we not take it for granted.  
It is a day which begins the last stretch of the 90-day session.  
There is still much to be done.  
It would appear that most of what needs to be done  
deals with money –  
that issue for which Your Word says the love and lust  
for it is the root of all evil.  
Our concern here is the distribution of what funds  
we have that will benefit the most people  
in the right places –  
all of which is an issue of wise stewardship.  
Guide these leaders in Your wisdom and discernment.  
You have entrusted them with these decisions.  
Please direct them in the choices and resolutions to take.  
I pray this in Your Son's Name, Amen.

The Pledge of Allegiance was led by Rep. Jennings.

that are going to be long ones.  
Help our leaders today to apply all  
that they learned in kindergarten:  
to share everything;  
play fair;  
don't hit people;  
clean up their own mess;  
say they are sorry when they hurt somebody;  
live a balanced life;  
take a nap in the afternoon;  
flush – oh, that doesn't apply here...  
well, maybe it does.  
Anyway, help them to follow Your Word where it says,  
“If any of you lacks wisdom,  
he should ask God,  
who gives generously to all  
without finding fault, and it will be given to him.”  
This I pray in your Son's Name,  
Amen.

(7) if subsection (a)(6) applies to the defendant, whether there is a probability that the defendant will cooperate with and benefit from inpatient or outpatient treatment from any treatment facility or program operated by the United States department of defense, the United States department of veterans affairs or the Kansas national guard with the consent of the defendant, as a condition of diversion;

~~(6)~~ (8) the impact of the diversion of the defendant upon the community;

(c) A military servicemember with an honorable discharge or nonresident military spouse shall receive a license, registration or certification under subsection (b) of this section:

(1) Pursuant to applicable licensure, registration or certification by endorsement, reinstatement or reciprocity statutes of the licensing body of this state for the profession license, registration or certification within 60 days from the date a complete application was submitted; or

#### EXPLANATION OF VOTE

MR. SPEAKER: While I supported **Sub HB 2159** as it passed out of the House, I am unable to support this conference committee report. I appreciate that this bill moves the waiting period for expungement of a first time DUI diversion or conviction from seven years to five years, but I am hesitant to support the Senate's position of moving from the current law of seven years back to 10 years on subsequent offenses. A compromise would have been to leave subsequent offenses at the current seven years. I vote NO on the Conference Committee Report for **Sub HB 2159**. — JACK THIMESCH

Prayer by Chaplain Brubaker:

Gracious Lord and Savior,  
Thank You for Your faithfulness  
and Your mercies which are new every morning.  
With all that needs to be done yet in this chamber,  
we would be remiss if we didn't stop to  
acknowledge all our law enforcement officers  
who literally put their lives on the line  
for our safety and freedoms.  
We pause to remember those who have given their lives  
in the line of duty.  
Thank You for each man and woman who serve us in this capacity.  
Continue to be with our leaders today  
as they discuss the hot topics.  
Again, I ask that You impart Your wisdom to them,  
and through the diversity of opinion and philosophy,  
bring unity in their decision making.  
Please be with Representative Estes and Renae  
in the death of her father.  
Watch over her while she in Oklahoma  
and bring peace to the family  
in this time of loss.  
This I pray in Your Name,  
Amen.

(b) The provisions of this act shall be part of and supplemental to the provisions of K.S.A. 74-4901 et seq., and amendments thereto, subject to the limitations contained in this act.

New Sec. 5. (a) As used in this act, unless otherwise provided or the context otherwise requires:

- (1) "Act" means the Kansas deferred retirement option program act;
- (2) "board" means the board of trustees of the Kansas public employees retirement system;
- (3) "DROP" means the deferred retirement option program established by section 6, and amendments thereto;
- (4) "DROP account" means the notional account to which is credited the monthly DROP accrual;
- (5) "DROP period" means the period of time that a member irrevocably elects to participate in the DROP pursuant to section 7, and amendments thereto;
- (6) "member" means a trooper, examiner or officer of the Kansas highway patrol who is eligible to participate in the DROP and who elects to participate in the DROP as provided in this act;
- (7) "monthly DROP accrual" means the amount equal to the monthly retirement benefit that would have been payable to the member had the member terminated service and retired on the day the member elected; and
- (8) "system" means the Kansas police and firemen's retirement system.

(b) Unless specifically provided in this section or in this act, words and phrases used in this act shall have the meanings ascribed to them as provided under the provisions of K.S.A. 74-4901 et seq. and K.S.A. 74-4951 et seq., and amendments thereto.

New Sec. 6. (a) The board shall establish within the Kansas police and firemen's retirement system a deferred retirement option program for members. The board shall administer the DROP in compliance with the federal internal revenue code and applicable treasury regulations, including, but not limited to, the incidental benefit and

required minimum distribution requirements of section 401(a)(9) of the federal internal revenue code.

(b) The board shall establish a DROP account for each member. Each DROP account shall be credited annually with interest as provided in this subsection. Interest may only be credited in a year in which the actual rate of return on the market value on the investments of the DROP reach the system's assumed investment rate of return. Such interest credit may not exceed 50% of the actual rate of return, and such interest credit shall not exceed 3%.

New Sec. 7. (a) (1) A member who is appointed or employed prior to July 1, 1989, and who did not make an election pursuant to K.S.A. 74-4955a, and amendments thereto, may elect to participate in the DROP by making application in such form prescribed by the system at the attainment of age 55 and the completion of 20 years of credited service or at the completion of 32 years of credited service regardless of the age of such member.

(2) A member who is appointed or employed on or after July 1, 1989, or who made an election pursuant to K.S.A. 74-4955a, and amendments thereto, may elect to participate in the DROP by making application in such form prescribed by the system at the attainment of age 55 and the completion of 20 years of credited service, age 50 and the completion of 25 years of credited service or age 60 with the completion of 15 years of credited service.

(b) A member shall indicate on the application the DROP period such member wishes to participate in the DROP. A member may elect to participate in the DROP for a minimum of three years and may not participate for more than five years from the effective date of the election to participate in the DROP. A member may participate in the DROP only once. An election under this section is a one-time irrevocable election. Once the application is accepted by the system, such member becomes a DROP participant. If a member fails to participate in the DROP for a minimum of three years, all of the member's interest credits shall be forfeited, unless such member retires due to disability as defined in K.S.A. 74-4952, and amendments thereto. A member who remains in active service at the expiration of the member's elected DROP period shall not be eligible for any additional interest credits.

(c) A member who makes an election under this section shall continue in the active service under the Kansas police and firemen's retirement system but shall not earn service credit under K.S.A. 74-4951 et seq., and amendments thereto, after the election's effective date. On and after the effective date of the member's election to participate, such member is ineligible to purchase service credit under K.S.A. 74-4901 et seq., and amendments thereto.

(d) Participation in the DROP by a member does not guarantee continued employment. During a member's participation in the DROP, employer contributions under K.S.A. 74-4967, and amendments thereto, and member contributions under K.S.A. 74-4965, and amendments thereto, shall be made to the retirement system. No member or employer contributions shall be applied to a member's DROP account.

New Sec. 8. (a) For each DROP member, the board shall calculate a monthly DROP accrual. The system shall determine the DROP member's retirement benefit under K.S.A. 74-4958 or 74-4958a, and amendments thereto. In determining the retirement benefit, the system shall use the member's total service credit and final average salary as of the last day of the employer's payroll period immediately prior to

the effective date of the member's election to participate in the DROP. Before entering the DROP, a member may elect to have such member's retirement benefit determined under one of the options provided in K.S.A. 74-4964 or 74-4964a, and amendments thereto, in lieu of having it determined in the form stated in K.S.A. 74-4958 or 74-4958a, and amendments thereto, except such member may not elect the lump sum payment option. During the DROP period, an amount equal to the monthly DROP accrual shall be credited to the member's DROP account. The calculation of the monthly DROP accrual will be calculated using the member's age and, if the member elected a joint and survivor option, the age of the beneficiary as of the calendar year which contains the beginning of the DROP period. The monthly DROP accrual shall comply with the requirements of section 401(a)(9) of the federal internal revenue code and treasury regulation § 1.401(a)9-6, Q&A-2(c).

(b) A member shall not receive a monthly retirement benefit, as calculated pursuant to K.S.A. 74-4958 or 74-4958a, and amendments thereto, until termination of such member's DROP participation and commencement of retirement. A DROP member shall not have any claim to any funds in such member's DROP account until such member retires at the termination of such member's DROP participation. Upon terminating DROP participation, a member is entitled to such member's retirement benefit, including any postretirement benefit adjustment for which the member is eligible.

New Sec. 9. (a) A member's participation in the DROP ceases on the occurrence of the earliest of the following:

- (1) Termination of the member's active service with the Kansas highway patrol;
- (2) the last day of the member's elected DROP period that begins on the effective date of the member's election to participate in the DROP;
- (3) retirement due to disability as defined in K.S.A. 74-4952, and amendments thereto; or
- (4) the member's death.

(b) If a member dies before taking a distribution from such member's DROP account, the member's designated beneficiary shall receive a lump-sum payment equal to the member's DROP account balance. If the DROP member has not named a beneficiary for such member's DROP account, the amount in the DROP account shall be paid to the beneficiary of the member's retirement benefit.

New Sec. 10. (a) A member, who satisfies the requirements of this act, shall be entitled to a distribution of such member's DROP account. Such distribution may be through any combination of the following payout options, each of which is subject to the applicable provisions of the federal internal revenue code and the applicable regulations of the internal revenue service:

- (1) A direct rollover to an eligible retirement plan; or
  - (2) a lump-sum distribution.
- (b) The board may specify minimum account balances for purposes of allowing benefit payment options and rollovers in accordance with federal law.

New Sec. 11. The provisions of sections 4 through 11, and amendments thereto, shall expire on January 1, 2020.;

And by renumbering sections accordingly;

On page 1, in the title, in line 2, after "system" by inserting "and systems thereunder"; in line 4, after the semicolon by inserting "enacting the Kansas deferred

retirement option program act; providing terms, conditions, requirements, benefits and contributions related thereto; relating to member election; Kansas highway patrol affiliation; interest credits; account distribution;"

Commit to the Lord whatever you do,

WHEREAS, Many children and grandchildren of these veterans were born with both structural and nonstructural defects. Some have been accepted for treatment by the United States Department of Veterans Affairs as a result of the toxic exposure associated with their parent's service; and

WHEREAS, Birth anomalies in the children of veterans are not tracked as normal birth defects, so the majority of such birth anomalies are unreported, unexplained and not researched; and

WHEREAS, Most states that have birth defect registries do not report to a national birth defect registry. Miscarriages and stillbirths are seldom researched for cause and are not tracked on a national registry. Even infant mortality and birth defects of the children of dependents are not tracked or put into a federal registry; and

WHEREAS, The United States Department of Veterans Affairs and the United States Department of Defense have been tracking toxic exposures and possible exposures without follow-up research on the veterans and their offspring. 2015 Senate Bill S. 901 would require the United States Secretary of Defense and the United States Secretary of Veterans Affairs to share data regarding toxic exposures; and

WHEREAS, Parents of children with birth defects carry a heavy emotional and financial burden. Veterans exposed to Agent Orange and its toxic contaminants have reported a variety of serious health problems and symptoms, which include cancers and

birth defects in children. The number of Vietnam veterans who have children and grandchildren with birth defects related to exposure to Agent Orange are significant. The research of such birth defects is important for purposes of proper diagnosis, treatment and care of veterans and their families; and

WHEREAS, 2015 Senate Bill S. 901 would create a national center within the United States Department of Veterans Affairs for the research and the diagnosis of health conditions of the descendants of veterans exposed to toxic substances during their service in the armed forces of the United States. This national center would be monitored by a board of advisors charged with oversight and assessment of the national center. 2015 Senate Bill S. 901 would also create a database of birth defects and anomalies, both structural and nonstructural: Now, therefore,

*Be it resolved by the House of Representatives of the State of Kansas:* That we urge the United States Congress to enact and the President of the United States to sign 2015 Senate Bill S. 901, the Toxic Exposure Research Act of 2015, into law; and

*Be it further resolved:* That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to the President of the United States and each member of the Kansas Congressional Delegation.

## MESSAGES FROM THE GOVERNOR

**HB 2061** approved on May 18, 2015.

*Message to the House of Representatives of the State of Kansas:*

I firmly believe that protecting individual property rights is fundamental to

preserving liberty and freedom. By signing this bill, the Kansas Department of Agriculture will have the ability to work with local watershed authorities to establish and manage watershed easements while private property rights are preserved. The state of Kansas will not own more private land under this law. Rather, the State will merely hold the easements which will remain under the control and management of the original property-owner. Meanwhile, the Department of Agriculture will continue to work with federal authorities to eliminate the regulations which necessitate this legislation.

Onerous federal regulations have been inconsistently applied across the nation. By signing House Bill 2061 into law, the Kansas Department of Agriculture will be empowered to hold easements as a third party, at a much lower cost by allowing the local watershed districts to manage the easement. This bill does not interfere with the ability of private industry and nonprofit organizations to possess the same legal authority to purchase and maintain conservation easements. It is my hope that private entities and non-profit organizations will continue to work with local authorities to conserve our natural resources.

In signing this bill, we will better equip the Department of Agriculture to find a Kansas solution that removes burdensome regulations from local organizations and conservation efforts.

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return **HB 2061** with my signature approving the bill.

SAM BROWNBACK  
*Governor*

SIXTY-NINTH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Wednesday, May 20, 2015, 11:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Mast in the chair.

The roll was called with 121 members present.

Reps. Hawkins, Peck, Read and Whipple were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

God our Provider,  
This day You have given us  
promises to be another long day  
with difficult decisions to be made.  
I pray for common sense,  
but then whose common sense?  
Some say it is common sense to come in out of the rain,  
while others say it is common sense to stay out  
and sing in the refreshing rains.  
Some say it is only common sense to save;  
others say it is common sense to give or spend.  
So rather than praying just for common sense,  
I pray that You give our leaders Your wisdom  
to see things as they are  
and not as they want or hope for them to be.  
Show them how to use what you have given them  
rather than letting them long for things  
they do not have or cannot use.  
Help them not to overlook the most common  
of people, places and things,  
but show them these people, places, and things are made by you,  
and given to them as an opportunity  
to do right and good and to let Your light shine.  
This I pray in Your Son's Name,  
Amen.

The Pledge of Allegiance was led by Rep. Highland.

The House met pursuant to adjournment with Speaker pro tem Mast in the chair.

Reps. Henderson, Schwartz and Winn were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Lord God,  
Thank You for Your faithfulness  
in watching over us yet another day.  
Many of us may be crying out with the Psalmist,  
“How long, O Lord...how long.”  
But it is these words of the Psalmist  
that I pray for our leaders today:  
“I will instruct you and teach you  
in the way you should go;  
I will counsel you and watch over you.  
Do not be like the horse or the mule,  
which have no understanding  
but must be controlled by bit and bridle.  
Be strong and take heart,  
all you who hope in the Lord.  
...the Lord’s unfailing love  
surrounds the one who trusts in Him.”  
In Christ’s Name I pray,  
Amen.

The Pledge of Allegiance was led by Rep. Vickrey.

The bill passed.

**EXPLANATION OF VOTE**

MR. SPEAKER: I vote NO on **SB 34**. Granting prosecutorial authority to the Secretary of State is a mistake. The bill will greatly redefine the role of the Secretary of State from Chief Elections Officer to public prosecutor. Kansas has already vested the authority to prosecute voter fraud in county and district attorneys elected at the local level. Allowing the Secretary of State to overstep a locally elected leader's power impedes on local control.

Additionally, changing the law to allow candidates to bribe voters sets a dangerous precedent and is antithetical to our democracy. — SYDNEY CARLIN, CAROLYN L. (b) The county election officer shall forthwith, upon receipt thereof, publish for three-(3) consecutive weeks in the official paper, a notice which shall set forth under the proper party designation, the title of each national, state, county and township office any part of the district of which is in the county, the names and addresses of all persons certified by the secretary of state as candidates for any national or state office any part of the district of which is in the county and, in addition thereto, the names and addresses of all persons from whom valid nomination papers or declarations have been filed in the county election officer's office, giving the name and address of each, the day of the primary election, the hours during which the polls will be open and stating that the primary election will be held at the regular voting places. Where such voting places are not well established and customarily known the published notice herein provided for shall give the location of such voting places.

(c) The secretary of state and county election officers shall utilize the procedures established in this section to the extent applicable for municipal elections conducted in the fall of both odd-numbered and even-numbered years when needed.

Sec. 31. K.S.A. 25-210 is hereby amended to read as follows: 25-210. (a) The official primary election ballot for national and state offices and the official primary election ballot for county and township offices of each political party shall be arranged on the ballot, printed, voted, and canvassed in the same manner as is now or hereafter provided by law for the arrangement, printing, voting, and canvassing of official general ballots for national and state offices and official general ballots for county and township offices, except as otherwise provided by law.

(b) The official primary election ballot for municipal elections in odd-numbered years shall be arranged and printed by the county election officer.

Sec. 32. K.S.A. 25-212 is hereby amended to read as follows: 25-212. (a) In case there are nomination petitions or declarations of intention to become a candidate on file for more than one candidate or for more than one pair of candidates for governor and lieutenant governor, of the same party for any national or state office, the secretary of state shall divide the state or appropriate part thereof, into as many divisions as there are names to go on such party ballot for that office. Such divisions shall be as nearly equal in number of members of such party as is convenient without dividing any one county.

In making such division the secretary of state shall take the alphabetical list of counties in regular order until the secretary of state gets the required proportion of party members of such party based upon the party affiliation lists as shown by the certificates of the respective county election officers, and so on through the list of counties until the secretary of state gets the proper proportion of party members in each division. The secretary of state shall also take the alphabetical list of candidates or pairs of candidates in regular order and in certifying to the county election officer the list of names for whom nomination petitions or declarations of intent to become a candidate have been filed, shall place one name or pair of candidates at the head of the list in the first division of counties, another in the second division, and so on with all the candidates for any particular office, so that every candidate or pair of candidates for any office shall be at the head of the list in one division of the state and second in another division thereof, and so forth. When, in the case of candidates for the office of congressman, district judge, district magistrate judge, state senator, state representative or state board of education member, the secretary of state finds that the secretary of state cannot get a fair proportion of party members to give each candidate for congressman, district judge, district magistrate judge, state senator, state representative or state board of education member in any given district an equitable or fair opportunity to have the candidate's name first on the ballot in the respective counties of the district, the secretary of state shall order the county election officers in the various counties of the district to rotate the names of the candidates for such district offices according to precinct. If voting machines are used the arrangement of names of candidates or pair of candidates for all offices on the voting machines shall be rotated, as near as may be, according to precinct.

The arrangement of the names certified by the secretary of state shall govern the county election officer in arranging the primary election ballot, and the county election officer in preparing the ballot for such officer's county shall follow the same arrangement as provided in this section for the secretary of state, for the candidates nominated for county offices, using the township and precincts of the county in making the division.

(b) The secretary of state by rules and regulations adopted on or before July 1, 2016, shall establish the arrangement of names as provided by law for the official primary ballot for municipal elections.

Sec. 33. K.S.A. 2014 Supp. 25-213 is hereby amended to read as follows: 25-213.

(a) At all national and state primary elections, the national and state offices as specified for each in this section shall be printed upon the official primary election ballot for national and state offices and the county and township offices as specified for each in this section shall be printed upon the official primary election ballot for county and township offices.

When any office is not to be elected, it shall be omitted from the ballot. Other offices to be elected but not listed, shall be inserted in the proper places. For each office there shall be a statement of the number to vote for.

To the left of each name there shall be printed a square. Official primary election ballots may be printed in one or more columns. The names certified by the secretary of state or county election officer shall be printed on official primary election ballots and no others. In case there are no nomination petitions or declarations on file for any particular office, the title to the office shall be printed on the ballot followed by a blank line with a square, and such title, followed by a blank line, may be printed in the list of candidates published in the official paper. No blank line shall be printed following any office where there are nomination petitions or declarations on file for the office except following the offices of precinct committeeman and precinct committeewoman.

(c) Except as otherwise provided in this section, no person's name shall be printed more than once on either the official primary election ballot for national and state offices or the official primary election ballot for county and township offices. No name that is printed on the official primary election ballot as a candidate of a political party shall be printed or written in as a candidate for any office on the official primary election ballot of any other political party. If a person is a candidate for the unexpired term for an office, the person's name may be printed on the same ballot as a candidate for the next regular term for such office. The name of any candidate on the ballot may be printed on the same ballot as such candidate and also as a candidate for precinct committeeman or committeewoman. No name that is printed on the official primary election ballot for national and state offices shall be printed or written in elsewhere on such ballot or on the official primary election ballot for county and township offices except for precinct committeeman or committeewoman. (d) No person shall be elected to the office of precinct committeeman or precinct committeewoman where no nomination petitions or declarations have been filed, unless the person receives at least five write-in votes. As a result of a primary election, no person shall receive the nomination and no person's name shall be printed on the official general election ballot when no nomination petitions or declarations were filed, unless the person receives votes equal in number to not less than 5% of the total of the current

voter registration designated in the state, county or district in which the office is sought, as compiled by the office of the secretary of state, except that a candidate for township office may receive the nomination and have such person's name printed on the ballot where no nomination petitions or declarations have been filed if such candidate receives three or more write-in votes. No such person shall be required to obtain more than 5,000 votes.

(e) The secretary of state by rules and regulations shall develop the official ballot for municipal elections in odd-numbered year elections.

Sec. 34. K.S.A. 25-610 is hereby amended to read as follows: 25-610. (a) The secretary of state shall furnish to each county election officer forms for ballots in their respective counties. The secretary of state shall prepare a rotation of the different candidates appearing on the official general ballot for the national and state offices for each such office. Such rotation shall be developed and arranged so that each candidate shall have an equal opportunity as near as practicable for the respective offices to which they are nominated. In case there is more than one candidate for any national or state office, the secretary of state shall divide the state or part thereof, into as many divisions as there are names to go on the ballot for each particular office. In making such division the secretary of state shall divide, in regular order, the alphabetical list of counties into the required number of divisions, in such a manner that all divisions are as nearly equal as convenient in the number of registered voters in such division as compiled by the office of the secretary of state. The secretary of state, in certifying the list of names of candidates to the county election officers, shall assign, in regular order from the alphabetical list of candidates for each office, the ballot position for each candidate in such a manner that every candidate for any office shall occupy a different ballot position in each division. When, in the case of candidates for national or state offices elected on less than a statewide basis, the secretary of state finds it impossible to make a division which allows each such candidate in any given district an equitable or fair opportunity to have such candidate's name first on the ballot in the respective counties of the district, the secretary of state shall order the county election officers in the various counties of the district to rotate the names of the candidates for such district offices according to precinct to obtain an equitable division. The names of candidates for the same office but for different terms of service therein shall be arranged in groups according to the length of their respective terms.

In the case of the governor and lieutenant governor running together, when the word "candidate" is used in this section, it shall mean pair of candidates.

Lord, whenever we don't see prayers being answered  
or situations not moving along as we would like,  
we begin to P.U.S.H.  
Although I have been doing it all session,  
today I am going to P.U.S.H. harder  
in order to see some things accomplished here.  
Lest anyone here thinks I am overstepping my boundaries,  
when I say I am going to P.U.S.H.,  
it means I am going to Pray Until Something Happens.  
Help all of us to P.U.S.H. and exercise our *faith*—  
"...being sure of what we hope for and certain of what we do not see."  
I pray this in Christ's Name,  
Amen.

SEVENTY-THIRD DAY

Prayer by Chaplain Brubaker:

All-knowing God,  
As we come before You this morning,  
thankful for this day You have given us,  
it is quite evident that our leaders  
are in a standstill – frustrated as to what to do.  
In times like this, it is good to remember to do three things:  
First, help them to STOP and recognize that You are good  
and will not leave them frustrated for Your Word promises,  
“I will instruct you and teach you the way you should go...”  
Secondly, help them to intentionally SEEK You in this situation.  
Your Word encourages us that  
“if any of them are lacking in wisdom, ask God,  
who gives to all generously and ungrudgingly,  
and it will be given them.”  
Lastly, help them to SUBMIT their desires to You,  
and place their trust in You for Your Word says,  
“...my thoughts are not your thoughts,  
neither are your ways my ways, declares the Lord.  
As the heavens are higher than the earth,  
so are my ways higher than your ways  
and my thoughts than your thoughts.”  
I ask that You help them to remember these words  
as they work throughout the day to bring  
resolution to the issues at hand.  
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Lunn.

All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

#### EXPLANATION OF VOTE

MR. SPEAKER: I vote NO on **HB 2223**. I support and voted for the industry fixes and alcohol law changes as a member of the Federal and State Affairs committee that are in this bill. I also sponsored and supported the ban on powdered alcohol that is in this bill and I really want it, but there are also a lot of other bills that were inserted into this bill that I morally object to and unfortunately, for that reason, I cannot support the final bill.

#### CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to **HB 2352** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 6, in line 24, before "K.S.A" by inserting "On January 1, 2016,"; in line 33, by striking "individual or small group"; in line 34, before "health" by inserting "individual or group";

On page 12, following line 43, by inserting:

"Sec. 2. K.S.A. 2014 Supp. 40-3118 is hereby amended to read as follows: 40-3118. (a) No motor vehicle shall be registered or reregistered in this state unless the owner, at the time of registration, has in effect a policy of motor vehicle liability insurance covering such motor vehicle, as provided in this act, or is a self-insurer thereof, or the motor vehicle is used as a driver training motor vehicle, as defined in K.S.A. 72-5015, and amendments thereto, in an approved driver training course by a school district or an accredited nonpublic school under an agreement with a motor vehicle dealer, and such policy of motor vehicle liability insurance is provided by the

school district or accredited nonpublic school. As used in this section, the term "financial security" means such policy or self-insurance. The director shall require that the owner certify and provide verification of financial security, in the manner prescribed by K.S.A. 8-173, and amendments thereto, that the owner has such financial security, and the owner of each motor vehicle registered in this state shall maintain financial security continuously throughout the period of registration. In addition, when an owner certifies that such financial security is a motor vehicle liability insurance policy meeting the requirements of this act, the director may require that the owner or owner's insurance company produce records to prove the fact that such insurance was in effect at the time the vehicle was registered and has been maintained continuously from that date. Such records may be produced by displaying such records on a cellular phone or any other type of portable electronic device. Any person to whom such records are displayed on such cellular phone or other type of portable electronic device shall be prohibited from viewing any other content or information stored on such cellular phone or other type of portable electronic device. Failure to produce such records shall be prima facie evidence that no financial security exists with regard to the vehicle concerned. It shall be the duty of insurance companies, upon the request of the director, to notify the director within 30 calendar days of the date of the receipt of such request by the director of any insurance that was not in effect on the date of registration and maintained continuously from that date.

(b) Except as otherwise provided in K.S.A. 40-276, 40-276a and 40-277, and amendments thereto, and except for termination of insurance resulting from nonpayment of premium or upon the request for cancellation by the insured, no motor vehicle liability insurance policy, or any renewal thereof, shall be terminated by cancellation or failure to renew by the insurer until at least 30 days after mailing a notice of termination, by certified or registered mail—~~or~~ United States post office certificate of mailing, or any other mail tracking method currently used, approved or accepted by the United States postal service to the named insured at the latest address filed with the insurer by or on behalf of the insured. Time of the effective date and hour of termination stated in the notice shall become the end of the policy period. Every such notice of termination sent to the insured for any cause whatsoever shall include on the face of the notice a statement that financial security for every motor vehicle covered by the policy is required to be maintained continuously throughout the registration period, that the operation of any such motor vehicle without maintaining continuous financial security therefor is a class B misdemeanor and shall be subject to a fine of not less than \$300 and not more than \$1,000 and that the registration for any such motor vehicle for which continuous financial security is not provided is subject to suspension and the driver's license of the owner thereof is subject to suspension.

(c) The director of vehicles shall verify a sufficient number of insurance certifications each calendar year as the director deems necessary to insure compliance with the provisions of this act. The owner or owner's insurance company shall verify the accuracy of any owner's certification upon request, as provided in subsection (a).

(d) (1) In addition to any other requirements of this act, the director shall require a person to acquire insurance and for such person's insurance company to maintain on file with the division evidence of such insurance for a period of one year when a person has been convicted in this or another state of any of the violations enumerated in K.S.A. 8-285, and amendments thereto.

(2) The director shall also require any driver whose driving privileges have been suspended pursuant to this section to maintain such evidence of insurance as required above.

(3) The company of the insured shall immediately mail notice to the director whenever any policy required by this subsection to be on file with the division is terminated by the insured or the insurer for any reason. The receipt by the director of such termination shall be prima facie evidence that no financial security exists with regard to the person concerned.

(4) No cancellation notice shall be sent to the director if the insured adds or deletes a vehicle, adds or deletes a driver, renews a policy or is issued a new policy by the same company. No cancellation notice shall be sent to the director prior to the date the policy is terminated if the company allows a grace period for payment until such grace period has expired and the policy is actually terminated.

(5) For the purposes of this act, the term "conviction" includes pleading guilty or nolo contendere, being convicted or being found guilty of any violation enumerated in this subsection without regard to whether sentence was suspended or probation granted. A forfeiture of bail, bond or collateral deposited to secure a defendant's appearance in court, which forfeiture has not been vacated, shall be equivalent to a conviction.

(6) The requirements of this subsection shall apply whether or not such person owns a motor vehicle.

(e) Whenever the director shall receive prima facie evidence, as prescribed by this section, that continuous financial security covering any motor vehicle registered in this state is not in effect, the director shall notify the owner by registered or certified mail or United States post office certificate of mailing that, at the end of 30 days after the notice is mailed, the registration for such motor vehicle and the driving privileges of the owner of the vehicle shall be suspended or revoked, pursuant to such rules and regulations as the secretary of revenue shall adopt, unless within 10 days after the notice is mailed: (1) Such owner shall demonstrate proof of continuous financial security covering such vehicle to the satisfaction of the director. Such proof of continuous financial security may be provided by the owner by displaying such proof on a cellular phone or other portable electronic device; or (2) such owner shall mail a written request which is postmarked within 10 days after the notice is mailed requesting a hearing with the director. Any person to whom such proof of continuous financial security is displayed on a cellular phone or other portable electronic device shall view only such evidence of continuous financial security. Such person shall be prohibited from viewing any other content or information stored on such cellular phone or other portable electronic device. Upon receipt of a timely request for a hearing, the director shall afford such person an opportunity for hearing within the time and in the manner provided in K.S.A. 8-255, and amendments thereto. If, within the ten-day period or at the hearing, such owner is unable to demonstrate proof of continuous financial security covering the motor vehicle in question, the director shall revoke the registration of such motor vehicle and suspend the driving privileges of the owner of the vehicle.

(f) Whenever the registration of a motor vehicle or the driving privileges of the owner of the vehicle are suspended or revoked for failure of the owner to maintain continuous financial security, such suspension or revocation shall remain in effect until satisfactory proof of insurance has been filed with the director as required by subsection (d) and a reinstatement fee in the amount herein prescribed is paid to the division of

vehicles. Such reinstatement fee shall be in the amount of \$100 except that if the registration of a motor vehicle of any owner is revoked within one year following a prior revocation of the registration of a motor vehicle of such owner under the provisions of this act such fee shall be in the amount of \$300. The division of vehicles shall remit such fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state highway fund.

(g) In no case shall any motor vehicle, the registration of which has been revoked for failure to have continuous financial security, be reregistered in the name of the owner thereof, the owner's spouse, parent or child or any member of the same household, until the owner complies with subsection (f). In the event the registration plate has expired, no new plate shall be issued until the motor vehicle owner complies with the reinstatement requirements as required by this act.

(h) Evidence that an owner of a motor vehicle, registered or required to be registered in this state, has operated or permitted such motor vehicle to be operated in this state without having in force and effect the financial security required by this act for such vehicle, together with proof of records of the division of vehicles indicating that the owner did not have such financial security, shall be prima facie evidence that the owner did at the time and place alleged, operate or permit such motor vehicle to be operated without having in full force and effect financial security required by the provisions of this act.

(i) Any owner of a motor vehicle registered or required to be registered in this state who shall make a false certification concerning financial security for the operation of such motor vehicle as required by this act, shall be guilty of a class A misdemeanor. Any person, firm or corporation giving false information to the director concerning another's financial security for the operation of a motor vehicle registered or required to be registered in this state, knowing or having reason to believe that such information is false, shall be guilty of a class A misdemeanor.

(j) The director shall administer and enforce the provisions of this act relating to the registration of motor vehicles, and the secretary of revenue shall adopt such rules and regulations as may be necessary for its administration.

(k) Whenever any person has made application for insurance coverage and such applicant has submitted payment or partial payment with such application, the insurance company, if payment accompanied the application and if insurance coverage is denied, shall refund the unearned portion of the payment to the applicant or agent. Such refund may:

- (1) Accompany the notice of denial of coverage; or
- (2) be separately returned in not more than 10 days from the date of such notice.

If payment did not accompany the application to the insurance company but was made to the agent, the agent shall refund the unearned portion of the payment to the applicant upon receipt of the company's notice of denial.

(l) For the purpose of this act, "declination of insurance coverage" means a final denial, in whole or in part, by an insurance company or agent of requested insurance coverage.

Sec. 3. K.S.A. 2014 Supp. 40-223 is hereby amended to read as follows: 40-223.

(A) \$50,000 for any insurance company or society which has less than \$200,000,000 in gross premiums, both direct and assumed, in the preceding calendar year; or

(c) Such demand shall be accompanied by the sworn statement of the person making such examination, setting forth in separate items the number of days necessarily and actually occupied in going to and returning from the place of such examination, the number of days the examiners were necessarily and actually engaged in making such examination including those days within the regular workweek while the examination was in progress and the company or society had closed for business, and the necessary and actual expenses for traveling and subsistence, incurred in and on account of such services.

The House met pursuant to adjournment with Speaker pro tem Mast in the chair.

The roll was called with 113 members present.

Prayer by Chaplain Brubaker:

Lord God Almighty,  
I stand before you today,  
grateful for all You have done for us  
and deeply indebted for all You have given us.  
Our leaders need a huge break, God.  
It seems when things are about to break through,  
something else comes up  
that prevents them from moving forward.  
I know You can do all things.  
Help our leaders to put aside all their differences—  
partisan politics, media interpretations,  
requests and demands from lobbyists,  
even their own selfish ideas and desires.  
Help each one to place their trust and faith in You  
to lead them through this difficulty.  
They don't need a lot of faith—  
in fact, just mustard seed size faith can move mountains.  
With this faith in You today,  
I ask that You move this mountain.  
In Christ's Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Hildabrand.

Lord of the Sabbath,

as they continue to work through the complexities  
of the issues before them.  
"Find rest, O my soul, in God alone;  
My hope comes from him.  
He alone is my rock and my salvation;  
He is my fortress, I will not be shaken.  
Trust in him at all times...  
pour out your hearts to him  
for God is our refuge –  
an ever present help in times of trouble.  
In repentance and rest is our salvation,  
in quietness and trust is our strength."  
Please give these leaders

wisdom, direction, quietness and rest.  
I pray this in Your Holy Name,  
Amen.

### PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Merrick are spread upon the Journal:

Today is Wade Haggood's last day as my Chief of Staff. He's been with me since I was Majority Leader. There have been many early mornings and late nights. He is usually the first in and the last out. Being Chief of Staff is not easy, but Wade has done a great job. Through it all, he's kept a level head and a great sense of humor. I want to wish him the best on his new job and continued success in the future.

Sec. 17. K.S.A. 2014 Supp. 44-706 is hereby amended to read as follows: 44-706. An individual shall be disqualified for benefits:

(a) If the individual left work voluntarily without good cause attributable to the work or the employer, subject to the other provisions of this subsection. For purposes of this subsection, "good cause" is cause of such gravity that would impel a reasonable, not supersensitive, individual exercising ordinary common sense to leave employment. Good cause requires a showing of good faith of the individual leaving work, including the presence of a genuine desire to work. Failure to return to work after expiration of approved personal or medical leave, or both, shall be considered a voluntary resignation. After a temporary job assignment, failure of an individual to affirmatively request an additional assignment on the next succeeding workday, if required by the employment agreement, after completion of a given work assignment, shall constitute leaving work voluntarily. The disqualification shall begin the day following the separation and shall continue until after the individual has become reemployed and has had earnings from insured work of at least three times the individual's weekly benefit amount. An individual shall not be disqualified under this subsection if:

(1) The individual was forced to leave work because of illness or injury upon the advice of a licensed and practicing health care provider and, upon learning of the necessity for absence, immediately notified the employer thereof, or the employer consented to the absence, and after recovery from the illness or injury, when recovery was certified by a practicing health care provider, the individual returned to the employer and offered to perform services and the individual's regular work or comparable and suitable work was not available. As used in this paragraph "health care provider" means any person licensed by the proper licensing authority of any state to

engage in the practice of medicine and surgery, osteopathy, chiropractic, dentistry, optometry, podiatry or psychology;

(2) the individual left temporary work to return to the regular employer;

(3) the individual left work to enlist in the armed forces of the United States, but was rejected or delayed from entry;

(4) the spouse of an individual who is a member of the armed forces of the United States who left work because of the voluntary or involuntary transfer of the individual's spouse from one job to another job, which is for the same employer or for a different employer, at a geographic location which makes it unreasonable for the individual to continue work at the individual's job. For the purposes of this provision the term "armed forces" means active duty in the army, navy, marine corps, air force, coast guard or any branch of the military reserves of the United States;

(5) the individual left work because of hazardous working conditions; in determining whether or not working conditions are hazardous for an individual, the degree of risk involved to the individual's health, safety and morals, the individual's physical fitness and prior training and the working conditions of workers engaged in the same or similar work for the same and other employers in the locality shall be considered; as used in this paragraph, "hazardous working conditions" means working conditions that could result in a danger to the physical or mental well-being of the individual; each determination as to whether hazardous working conditions exist shall include, but shall not be limited to, a consideration of: (A) The safety measures used or the lack thereof; and (B) the condition of equipment or lack of proper equipment; no work shall be considered hazardous if the working conditions surrounding the individual's work are the same or substantially the same as the working conditions generally prevailing among individuals performing the same or similar work for other employers engaged in the same or similar type of activity;

(6) the individual left work to enter training approved under section 236(a)(1) of the federal trade act of 1974, provided the work left is not of a substantially equal or higher skill level than the individual's past adversely affected employment, as defined for purposes of the federal trade act of 1974, and wages for such work are not less than 80% of the individual's average weekly wage as determined for the purposes of the federal trade act of 1974;

(7) the individual left work because of unwelcome harassment of the individual by the employer or another employee of which the employing unit had knowledge and that would impel the average worker to give up such worker's employment;

(8) the individual left work to accept better work; each determination as to whether or not the work accepted is better work shall include, but shall not be limited to, consideration of: (A) The rate of pay, the hours of work and the probable permanency of the work left as compared to the work accepted; (B) the cost to the individual of getting to the work left in comparison to the cost of getting to the work accepted; and (C) the distance from the individual's place of residence to the work accepted in comparison to the distance from the individual's residence to the work left;

(9) the individual left work as a result of being instructed or requested by the employer, a supervisor or a fellow employee to perform a service or commit an act in the scope of official job duties which is in violation of an ordinance or statute;

(10) the individual left work because of a substantial violation of the work agreement by the employing unit and, before the individual left, the individual had

exhausted all remedies provided in such agreement for the settlement of disputes before terminating. For the purposes of this paragraph, a demotion based on performance does not constitute a violation of the work agreement;

(11) after making reasonable efforts to preserve the work, the individual left work due to a personal emergency of such nature and compelling urgency that it would be contrary to good conscience to impose a disqualification; or

(12) (A) the individual left work due to circumstances resulting from domestic violence, including:

(i) The individual's reasonable fear of future domestic violence at or en route to or from the individual's place of employment;

(ii) the individual's need to relocate to another geographic area in order to avoid future domestic violence;

(iii) the individual's need to address the physical, psychological and legal impacts of domestic violence;

(iv) the individual's need to leave employment as a condition of receiving services or shelter from an agency which provides support services or shelter to victims of domestic violence; or

(v) the individual's reasonable belief that termination of employment is necessary to avoid other situations which may cause domestic violence and to provide for the future safety of the individual or the individual's family.

This subsection shall not be construed to reduce or deny compensation to a victim of domestic abuse or sexual assault.

(d) Compensation may be awarded only if the board finds that unless the claimant is awarded compensation the claimant will suffer financial stress as the result of economic loss otherwise reparable. A claimant suffers financial stress only if the claimant cannot maintain the claimant's customary level of health, safety and education for self and dependents without undue financial hardship. In making its determination of financial stress, the board shall consider all relevant factors, including:

(1) The number of claimant's dependents;

(2) the usual living expenses of the claimant and the claimant's family;

(3) the special needs of the claimant and the claimant's dependents;

(4) the claimant's income and potential earning capacity; and

(5) the claimant's resources.

(e) Compensation may not be awarded unless the criminally injurious conduct resulting in injury or death was reported to a law enforcement officer within 72 hours after its occurrence or the board finds there was good cause for the failure to report within that time.

(f) The board, upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies, may deny, withdraw or reduce an award of compensation.

(g) Except in K.S.A. 21-3602 or 21-3603, prior to their repeal, or K.S.A. 2014 Supp. 21-5604, and amendments thereto, or cases of sex offenses established in article 35 of chapter 21, of the Kansas Statutes Annotated, prior to their repeal, or article 55 of chapter 21 of the Kansas Statutes Annotated, ~~or and amendments thereto~~, K.S.A. 2014 Supp. 21-6419 through ~~21-6421~~ 21-6422, and amendments thereto, or human trafficking or aggravated human trafficking, as defined in K.S.A. 21-3446 or 21-3447, prior to their repeal, or K.S.A. 2014 Supp. 21-5426, and amendments thereto, compensation may not be awarded if the economic loss is less than \$100.

(i) Compensation payable to a victim and to all other claimants sustaining economic loss because of injury to or death of that victim may not exceed \$25,000 in the aggregate.

## SEVENTY-SEVENTH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Monday, June 1, 2015, 10:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Mast in the chair.

The roll was called with 111 members present.

Reps. Ballard, Barker, Boldra, Bridges, Bruchman, Campbell, Edmonds, Highberger, Houston, Kahrs, Kelley, Mason, Peck and Swanson were excused on excused absence by the Speaker.

Present later: Reps. Bruchman, Highberger and Kelley.

Prayer by Chaplain Brubaker:

Lord God,  
 Thank You for the gift of this day,  
 Help us to not take it for granted,  
 but with Your help, make the most of it.  
 It amazes me how You, Creator God,  
 have created each and every one of us  
 so uniquely and differently,  
 and yet, have instructed us to  
 "...make every effort to keep the unity of the Spirit..."  
 I believe it is because You want us to recognize  
 that it is impossible for us to be unified on our own.  
 That is why Your Word teaches us to  
 trust in *You* with all *our* heart  
 and lean not on *our* own understanding;  
 but in all *our* ways acknowledge You  
 – which really means to submit to You –  
 and *You* will make our paths straight.  
 Like the persistent widow  
 who kept going to the judge demanding justice;  
 or the neighbor knocking on the door at midnight for bread,  
 again I come to You and ask that You  
 provide a solution that our leaders can unite on  
 that is of Your design and will.  
 In Your Son's Name I pray,  
 Amen.

The Pledge of Allegiance was led by Rep. Lewis.

### CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to **SB 12** submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill, as printed as House Substitute for Senate Bill No. 12, as follows:

On page 1, by striking all in lines 7 through 36;

By striking all on pages 2 through 8;

On page 9, by striking all in lines 1 through 4; following line 4, by inserting:

"Section 1. K.S.A. 59-29a01 is hereby amended to read as follows: 59-29a01. (a) The legislature finds that there exists an extremely dangerous group of sexually violent predators who have a mental abnormality or personality disorder and who are likely to engage in repeat acts of sexual violence if not treated for their mental abnormality or personality disorder. Because the existing civil commitment procedures under K.S.A. 59-2901 et seq., and amendments thereto, are inadequate to address the special needs of sexually violent predators and the risks they present to society, the legislature determines that a separate involuntary civil commitment process for the potentially long-term control, care and treatment of sexually violent predators is necessary. The legislature also determines that because of the nature of the mental abnormalities or personality disorders from which sexually violent predators suffer and the dangers they present, it is necessary to house involuntarily committed sexually violent predators in an environment separate from persons involuntarily committed under K.S.A. 59-2901 et seq., and amendments thereto.

(b) Notwithstanding any other evidence of legislative intent, it is hereby declared that any time requirements set forth in K.S.A. 59-29a01 et seq., and amendments thereto, either as originally enacted or as amended, are intended to be directory and not mandatory and serve as guidelines for conducting proceedings under K.S.A. 59-29a01 et seq., and amendments thereto.

(c) The provisions of K.S.A. 59-29a01 et seq. and amendments thereto, shall be known and may be cited as the Kansas sexually violent predator act.

Sec. 2. K.S.A. 59-29a03 is hereby amended to read as follows: 59-29a03. (a) When it appears that a person may meet the criteria of a sexually violent predator as defined in K.S.A. 59-29a02, and amendments thereto, the agency with jurisdiction shall give written notice of such to the attorney general and the multidisciplinary team established in subsection ~~(d)~~ (f), 90 days prior to:

(1) The anticipated release from total confinement of a person who has been convicted of a sexually violent offense, except that in the case of persons who are returned to prison for no more than 90 days as a result of revocation of postrelease supervision, written notice shall be given as soon as practicable following the person's readmission to prison;

(2) release of a person who has been charged with a sexually violent offense and who has been determined to be incompetent to stand trial pursuant to K.S.A. 22-3305, and amendments thereto;

(3) release of a person who has been found not guilty by reason of insanity of a sexually violent offense pursuant to K.S.A. 22-3428, and amendments thereto; or

(4) release of a person who has been found not guilty of a sexually violent offense pursuant to K.S.A. 22-3428, and amendments thereto, and the jury who returned the verdict of not guilty answers in the affirmative to the special question asked pursuant to K.S.A. 22-3221, and amendments thereto.

(b) The agency with jurisdiction shall inform the attorney general and the multidisciplinary team established in subsection ~~(d)~~ (f) of the following:

(1) The person's name, identifying factors, anticipated future residence and offense history; and

(2) documentation of institutional adjustment and any treatment received.

(c) Any reports of evaluations prepared or provided pursuant to subsection (b) shall demonstrate that the person evaluated was informed of the following: (1) The nature and purpose of the evaluation; and (2) that the evaluation will not be confidential and that any statements made by the person and any conclusions drawn by the evaluator may be disclosed to a court, the detained person's attorney, the prosecutor and the trier of fact at any proceeding conducted under the Kansas sexually violent predator act.

(d) The permitted disclosures required to be submitted to the attorney general under this section shall be deemed to be in response to the attorney general's civil demand for relevant and material information to investigate whether a petition shall be filed. The information provided shall be specific to the purposes of the Kansas sexually violent predator act and as limited in scope as reasonably practicable.

~~(e)~~ (e) The agency with jurisdiction, its employees, officials, members of the multidisciplinary team established in subsection ~~(d)~~ (f), members of the prosecutor's review committee appointed as provided in subsection ~~(e)~~ (g) and individuals contracting, appointed or volunteering to perform services hereunder shall be immune from liability for any good-faith conduct under this section.

~~(f)~~ (f) The secretary of corrections shall establish a multidisciplinary team which may include individuals from other state agencies to review available records of each person referred to such team pursuant to subsection (a). ~~(b) Notwithstanding the provisions of subsection (a), when the person named in the petition is a person who has been convicted of or charged with a federal or other state offense that under the laws of this state would be a sexually violent offense, as defined in K.S.A. 59-29a02, and amendments thereto, the attorney general may file the petition in the county where the person now resides, was charged or convicted of any offense, or was released.~~

~~(c) Service of the petition on the attorney appointed or hired to represent the person shall be deemed sufficient service.~~

~~(b) (d) The provisions of this section are not jurisdictional, and failure to comply with such provisions not affecting constitutional rights in no way prevents the attorney general from proceeding against a person otherwise subject to the ~~provision of K.S.A. 59-29a01 et seq., and amendments thereto~~ provisions of the Kansas sexually violent predator act.~~

~~(e) (e) Whenever a determination is made regarding whether a person may be a sexually violent predator, the county responsible for the costs incurred, including, but not limited to, costs of investigation, prosecution, defense, juries, witness fees and expenses, expert fees and expenses and other expenses related to determining whether a person may be a sexually violent predator, shall be reimbursed for such costs by the office of the attorney general from the sexually violent predator expense fund. Such proceedings shall follow the procedures set forth in chapter 60 of the Kansas Statutes Annotated, and amendments thereto, except as expressly provided elsewhere in the Kansas sexually violent predator act.~~

At this hearing the court shall: (1) Verify the detainer's identity; and (2) determine whether probable cause exists to believe that the person is a sexually violent predator. A treatment facility may, as a part of its security procedures, use a patient trust account in lieu of currency that is held by a patient person, and may establish reasonable policies governing patient account transactions.

(c) (1) ~~A patient's rights guaranteed~~ A person's rights under subsections (b)(15) to (b)(21) ~~(22)~~ may be denied for cause ~~after review~~ by the superintendent of the facility or the superintendent's designee, ~~and may be denied or~~ when medically or therapeutically contraindicated as documented by the ~~patient's physician or licensed psychologist~~ person's physician, licensed psychologist or licensed master's level psychologist in the patient's person's treatment record. The individual shall be informed in writing of the grounds for withdrawal of the right and shall have the opportunity for a review of the withdrawal of the right in an informal hearing before the superintendent of the facility or the superintendent's designee. There shall be documentation of the grounds for withdrawal of rights in the patient's person's treatment record. ~~After an informal hearing is held, a patient or such patient's representative may petition for review of the denial of any right under this subsection through the use of the grievance procedure provided in subsection (d).~~

(2) Notwithstanding subsection (c)(1), when the facility makes an administrative decision that applies equally to all persons and there is a legitimate governmental reason for the decision, notice of the decision is all that is required.

(d) The secretary for aging and disability services shall establish procedures to assure protection of patients' persons' rights guaranteed under this section.

(e) No person may intentionally retaliate or discriminate against any patient person or employee for contacting or providing information to any state official or to an employee of any state protection and advocacy agency, or for initiating, participating in, or testifying in a grievance procedure or in an action for any remedy authorized under this section.

(f) (1) ~~This section shall be a part of and supplemental to article 29a of chapter 59 of the Kansas Statutes Annotated, and amendments thereto. Proceedings under this section or any other appeal concerning an action by the Kansas department for aging and disability services shall be governed under the Kansas administrative procedure act and the Kansas judicial review act. A person appealing any alleged violations of this~~

section or any other agency determination shall exhaust all administrative remedies available through the Larned state hospital, including the sexual predator treatment program, before having any right to request a hearing under the Kansas administrative procedure act.

(2) A final agency determination shall include notice of the right to appeal such determination only to the office of administrative hearings. Within 30 days after service of a final agency determination and the notice of right to appeal, the appellant may file a request for hearing in writing with the office of administrative hearings for a review of that determination. Any request for hearing must be accompanied by a copy of the final agency determination. Failure to timely request a hearing constitutes a waiver of the right to any review. The request shall be examined by the presiding officer assigned. If the appellant seeks to challenge the final agency determination on any grounds other than material facts in controversy or agency violation of a relevant rule, regulation or statute, the appellant shall express such allegations with particularity within the request for hearing. If it plainly appears from the face of the request and accompanying final agency determination that the appellant failed to state a claim on which relief could be granted, the request shall be dismissed. The burden shall be on the appellant to prove by a preponderance of the evidence that the agency action violated a specific rule, regulation or statute. If the request for hearing does not allege a violation of a specific rule, regulation or statute, the burden shall be on the appellant to prove by a preponderance of the evidence that the agency had no legitimate government interest in taking such action. Any dispositive ruling of the hearing officer assigned by the office of administrative hearings shall be deemed an initial order under the Kansas administrative procedure act.

(3) The person shall participate by telephone or other electronic means at any hearing before the office of administrative hearings or any proceeding under the Kansas judicial review act, unless the presiding officer or court determines that the interests of justice require an in-person proceeding. Notwithstanding K.S.A. 77-609, and amendments thereto, if an in-person proceeding is necessary, such proceeding shall be conducted at the place where the person is committed.

(4) Except as otherwise provided in the Kansas sexually violent predator act and notwithstanding K.S.A. 77-609, and amendments thereto, venue shall be in Pawnee county, Kansas, for all proceedings brought pursuant to the Kansas judicial review act.

If the claim for costs is not paid within 120 days, an action may be maintained thereon by the claimant~~

county in the district court of the claimant county against the debtor county.

(b) (1) Subject to subsection (c), any court may authorize the commencement of any civil action, or appeal therein, without prepayment of fees or security therefor, by a civilly committed person who submits an affidavit that includes a statement of all assets that such person possesses and a statement that such person is unable to pay such fees or give security therefor. In addition, such person shall submit a certified copy of all private banking account and investment account statements for the six-month period immediately preceding the filing of the action or notice of appeal for which the person is the account owner or beneficiary.

(4) Any district court receiving a statement of costs from another district court shall forthwith approve the same for payment out of the general fund of its county, except that it may refuse to approve the same for payment only on the ground that it is not the county responsible for the costs. (5) The county responsible for the costs incurred pursuant to this subsection (a) shall be reimbursed for such costs by the office of the attorney general from the sexually violent predator expense fund. The attorney general shall develop and implement a procedure to provide such reimbursements. If there are no moneys available in such fund to pay any such reimbursements, the county may file a claim against the state pursuant to article 9 of chapter 46, of the Kansas Statutes Annotated, and amendments thereto.

(6) An appeal may not be taken in forma pauperis if the trial court certifies in writing that such appeal is not taken in good faith.

(c) (1) Notwithstanding subsection (b), if a civilly committed person brings a civil action or files an appeal in forma pauperis, such person shall be required to pay the full amount of a filing fee. The court shall assess and, when funds exist, collect as a partial payment of any court fees required by law, an initial partial filing fee of 20% of the greater of:

(A) The average monthly deposits to the civilly committed person's trust account, or institutional equivalent; or

(B) the average monthly balance in the civilly committed person's trust account, or institutional equivalent, for the six-month period immediately preceding the filing of the action or notice of appeal.

(2) After payment of the initial partial filing fee, the civilly committed person shall be required to make monthly payments of 20% of the preceding month's income.

credited to the civilly committed person's account. The agency having custody of the civilly committed person shall forward payments from the civilly committed person's account to the clerk of the court each time the amount in the account exceeds \$10 until the filing fees are paid. The clerk shall then forward the payments to the county responsible for the costs for reimbursement.

(3) In no event shall the filing fee collected exceed the amount of fees permitted by statute for the commencement of a civil action or an appeal of a civil action.

(4) In no event shall a civilly committed person be prohibited from bringing a civil action or appealing a civil action for the reason that such person has no assets and no means by which to pay the initial partial filing fee.

(d) Notwithstanding any filing fee, or any portion thereof, that may have been paid, the court shall dismiss the case at any time if the court determines that:

(1) The allegation of poverty is untrue; or

(C) seeks monetary relief against a defendant who is immune from such relief.

(e)(1) Judgment may be rendered for costs at the conclusion of the suit or action as in other proceedings.

(2) (A) If the judgment against a civilly committed person includes the payment of costs under this subsection, such person shall be required to pay the full amount of the costs ordered.

(B) The civilly committed person shall be required to make payments for costs under this subsection in the same manner provided for filing fees under subsection (c).

(C) In no event shall the costs collected exceed the amount of the costs ordered by the court.

(f) In no event shall a civilly committed person bring a civil action or appeal a judgment in a civil action or proceeding in forma pauperis if such person has, on three or more prior occasions, while confined in any facility, brought an action or appeal in a court of the state of Kansas or of the United States that was dismissed on the grounds that it was frivolous, malicious or failed to state a claim upon which relief may be granted, unless such person is under imminent danger of serious physical injury.

#### EXPLANATIONS OF VOTE

MR. SPEAKER: I vote yes on **HB 2005** only in order to keep the courts of the state of Kansas open for business. The attempt to make court funding contingent on the courts' decision in a specific case is shameful. However, this is the only way to avoid judicial branch furloughs and ensure that Kansans can access their courts to seek justice, protection from abuse, or the resolution of disputes. Our citizens deserve a fair, independent, and adequately funded judiciary without political games and attempts to buy judicial decisions by anyone, including the legislature. — J. RUSSELL JENNINGS, BLAINE FINCH, TOM PHILLIPS, DIANA DIERKS, LONNIE CLARK, TOM MOXLEY, DON HILL, LINDA

GALLAGHER, DON HINEMAN, BARBARA BOLLIER, MELISSA ROOKER, STEPHANIE CLAYTON, STEVEN R. BECKER, STEPHEN ALFORD, JIM KELLY, RICHARD PROEHL, TOM SLOAN, JOHN RUBIN

MR. SPEAKER: I do not endorse all of the policy positions taken in the conference committee report for **HB 2005**, but the budget for the Judicial branch needs to be passed. Therefore, I vote yes on **HB 2005**. – JAMES TODD, CHARLES SMITH

MR. SPEAKER: Our decision to make the judicial budget contingent on the court's decision in a particular case is probably unconstitutional and sets an extremely dangerous precedent. It is extortion, pure and simple, and violates the constitutional principle of separation of powers. The funding portion of the bill is insufficient and will likely result in court closings before the end of the fiscal year. It all relies too heavily on fee increases— when justice becomes a fee for service, our democracy is in serious trouble. I vote no on **HB 2005**. – DENNIS “BOOG” HIGHBERGER

#### **COMMITTEE ASSIGNMENT CHANGE**

Speaker pro tem Mast announced the appointment of Rep. Curtis to replace Rep. Lusker on Joint Committee on State Building Construction on June 2.

#### **REPORT ON ENROLLED BILLS**

**HB 2223**, **HB 2352** reported correctly enrolled, properly signed and presented to the Governor on June 1, 2015.

On motion of Rep. Vickrey, the House adjourned until 10:00 a.m., Tuesday, June 2, 2015.

SEVENTY-EIGHTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,

The House met pursuant to adjournment with Speaker pro tem Mast in the chair.

The roll was called with 110 members present.

Reps. Ballard, Bollier, Bridges, Hill, Hineman, Houston, Kahrs, Kiegerl, Lusker, Mason, Patton, Phillips, Read, Rubin and Thompson were excused on excused absence by the Speaker.

Rep. Campbell was excused later in the day on excused absence by the Speaker.

Present later: Reps. Ballard, Hill, Kiegerl, Lusker, Phillips and Rubin.

Prayer by Chaplain Brubaker:

Gracious and loving God,  
As we stand before You another day  
of what seems to be the thirteenth inning of a tied ballgame,  
I again ask for Your assistance...  
dare I say "intervention?"  
To lighten the tension and pressure  
for those feeling stressed—  
You know, the confusion created when  
one's mind overrides the body's basic desire to choke  
the living daylights out of  
somebody who disagrees with them—  
please give them Your mercy, peace and longsuffering.  
For those who are sure they are on the right track,  
remind them that they might get run over  
if they just sit there.  
For those who may see a light at the end of the tunnel,  
may it not be someone carrying a torch with  
a new bill or twenty amendments.  
In all seriousness, Lord,  
please speak Your wisdom into their words,  
Your kindness into their actions,  
Your will into their decisions.  
In Christ's Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Johnson.

Prayer by Chaplain Brubaker:

Lord in Heaven,  
Thank You for this another day You have given us.  
Is it "Just My Imagination"  
or are we getting closer to "Takin' Care of Business?"  
Help us to continue working together to build a  
"Bridge Over Troubled Water."  
Working with the Senate and the Governor,  
we sometimes feel like we are "Stuck in the Middle with You."  
When it comes time to vote, some are feeling "Alone Again, Naturally."  
It seems with every new proposal and amendment,  
"Another One Bites the Dust."  
Help us to realize it may have just been "Dust in the Wind."  
Most of us are "Running on Empty."  
The taxation and appropriations committees are convinced "I Will Survive."  
The House clerks and doormen are saying, "Please Release Me Let Me Go."  
Many are ready to head for "Margaritaville."  
To our constituents we say, "Don't Give Up on Us Baby,"  
We are not yet saying "Goodbye Yellow Brick Road."  
Lord, help us to listen to Your still quiet voice saying  
"Lean On Me," "You Ain't Seen Nothing Yet,"  
because there "Ain't No Mountain High Enough"  
but what You can move and break through.  
When this does happen, we will all break out with  
"Hallelujah" and be thankful to You.  
In Your Name I pray,  
Amen.
