COACH CHUCK SMITH

HB 2633

When a person purchases a fishing license the cost is $ 25.00 plus $1.00 for the store and an additional $1.50 for the computer agent, for a total cost of $27.50.

When a person uses a credit card, the store only receives $00.24 of the $1.00 credit card fee. Big ticket items may even cost the store more money and may even cause them to lose more money.

I will stand for questions at the appropriate time.
