Good morning Ms. Barbara Moore. This is Ronda Hubbard, and I should have put this comment on the testimony I sent to you.

The other reason why I'm a PROPONENT of HB463, it will hold many individuals accountable for their actions.

As I have shared with you before, I don't have a clue how my email is working nowadays but I'm glad that it works.

There are ethical standards, conduct, and civil policies that should be upheld. The standards mentioned isn't the only ones that we all should be aware of taking seriously in consideration, because each position held in any office or organizations have rules of compliance that are to be followed. And, when we agree to that job we're saying "yes" to those rules and regulations. And our state and government agencies with leadership have oaths.

How will our communities in our counties, cities, and states build good working relationships if many individuals refuse to follow the rules and not being held accountable for each action?

Trust, honest, respect, and integrity is slowly but surely being eroded as people and citizens of where we live doesn't honor themselves or others when each do not do as they say. And it depends on whom you might be in society and our economic status in society for "negligence" in any form or situation to be addressed.

*Proverbs 22:22(KJV) - Rob not the poor, because he *is* poor: neither oppress the afflicted in the gate:

Ms. Moore this is what is happening and why stabilization in many life's situations is unsure bringing on several issues and forms in the health of citizens, period.

Respectfully Submitted,

Ronda Hubbard (private citizen)

SO ORDERED,

Electronically signed on 2026-01-28 11:19:14

IN THE DISTRICT COURT OF SHAWNEE COUNTY, KANSAS

RONDA K. HUBBARD,

Petitioner,

v.

KRIS W. KOBACH,

Respondent.

Case No. SN-2025-CV-000626

Pursuant to Chapter 60

## JOURNAL ENTRY OF DISMISSAL WITHOUT PREJUDICE

---

This matter came before the Court on December 30, 2025, for a hearing on motions pending before the Court. Petitioner Ronda K. Hubbard appeared *pro se* and in person. Respondent Kris W. Kobach appeared by and through Assistant Attorney General James Eric Todd and First Assistant Attorney General Lisa Montgomery.

WHEREUPON, the Court, after reviewing the case file, hearing statements of the parties, and being otherwise duly advised, finds as follows:

Petitioner's Motion for Leave to Take Expedited Discovery filed on September 9, 2025, is denied because discovery is not appropriate at this stage in the litigation. A similar motion was previously denied by the Court in its Order entered on September 9, 2025.

Petitioner's Motion for Leave to Amend Answer filed on September 9, 2025, is denied as moot because it sought to correct the signature on the previously dismissed Motion for Leave to Take Expedited Discovery filed on August 28, 2025.

Petitioner's Motion for Reconsideration, requesting the Court to reconsider its previous dismissal of Petitioner's Emergency Exparte Orders to Grant Medical Relief filed on September 15, 2025, is denied because the Petitioner has failed to establish that ex parte orders are warranted in this case.

Respondent's Motion to Dismiss filed on September 16, 2025, is granted. The Court finds that the matter is moot. Petitioner's Writ of Mandamus was filed to compel the Respondent Kris W. Kobach to intervene in Supreme Court case no. 25-129,442. Case no. 25-129,442 was dismissed on September 5, 2025. Additionally, prior to the dismissal of the case, Deputy Attorney General Robert C. Hutchison entered an appearance. The Court lacks the authority to compel participation in a dismissed case.

The Court also finds the Petitioner fails to state a claim for relief that lies in mandamus. The Petitioner relies upon K.S.A. 75-764 to compel Respondent's intervention, but the statute states the Attorney General has discretion on whether to intervene. Mandamus is not an appropriate remedy in this case.

The Court declines to address the issue of standing raised by the Respondent in his Motion to Dismiss.

Petitioner's Motion for Leave to Amend Answer filed on September 24, 2025, is denied as moot and because it seeks to supplement Petitioner's Emergency Writ of Mandamus which has been denied by this Court.

Petitioner's Motion for Appointment of Counsel and Declaration for Good Faith Efforts to Obtain Counsel filed on October 1, 2025 is denied because civil litigants do not have a right to counsel. Petitioner was advised on the record to reach out to a number of different legal organizations to see if they can assist her.

Petitioner's Memorandum in Support of Motion to Intervene filed on November 26, 2025, is denied as moot and because the motion restates Petitioner's arguments presented in the dismissed Emergency Writ of Mandamus.

Petitioner's Motion for Pre-Trial Hearing filed on December 2, 2025, is denied as moot and because under the Kansas Rules of Civil Procedure a pre-trial hearing is not appropriate at this stage of the litigation.

For these reasons, as well as the other reasons set forth in Respondent's Motion to Dismiss, Petitioner's Petition is hereby DISMISSED without PREJUDICE.

This Order is effective on the date and time shown on the electronic file stamp/signature page.

25. On January 28, 2026, the Court signed and entered the Journal Entry of Dismissal without Prejudice.

(hereinafter, "Petitioner's Motion").

## ARGUMENT

27. Petitioner makes her motion under K.S.A. 60-260, the statute governing relief from judgment or order.

28. The Court dismissed without prejudice Petitioners Emergency Writ of Mandamus at a motion hearing held on December 30, 2025, and a Journal Entry was entered on January 28, 2026.

29. Petitioner's Motion seeks relief from that dismissal. The Motion appears to reference provisions of K.S.A. 60-260 and states, "involves (a) denial of constitutional rights failing to provide due process, equal protection and a remedy for relief. (b) newly discovered evidence. . . (c) void judgments."

30. Petitioner's Motion appears to address the basis for this request on the second page in paragraph 4 with the following:

> "by statements of Judge Teresa L. Watson and Attorney, James Eric Todd for Kris W. Kobach, Attorney General, can't intervene in Case No. 5:24-CV-04077-DDC-RES because of Case No. 25-129442-S, which was dismissed by Chief Judge, Maria Luckert on September 5, 2025. This new evidence that judgment is void because of improper notice of Supreme Court Clerk and denied opportunity to be heard and lack of opportunity to present case, denying due process and equal protection by the improper notice. Then, the Judge states she can't over-rule the Supreme Court judge's decision."

31. Petitioner appears to misstate the arguments made at the hearing as Petitioner had previously stated the Writ of Mandamus was filed in the now dismissed case to compel Respondent to intervene in the dismissed Supreme Court case no. 129442.

case no. 5:24-CV-04077-DDC-RES.

32. Petitioner goes on to argue, "that judgment is void because of improper notice" in Supreme Court case no. 129442. This does not; however, make the judgment in this case was void. Nor does this constitute new evidence that would support the relief requested either.

33. Petitioner refers to a federal statute and case law for the proposition that she should have been provided with counsel. This also does not constitute new evidence and is not otherwise binding on the Court.

34. Petitioner refers to denial of constitutional rights. These references are rather vague and do not identify a specific action of the Court that is a violation. Given the limited purpose of a writ of mandamus, a dismissal without prejudice of a writ of mandamus does not support a finding that Petitioners due process rights and access to the courts has been infringed in this case. Petitioner may be able to seek relief in a separate case because the dismissal without prejudice does not otherwise prevent it.

35. Petitioner has failed to establish the right to relief from judgment under K.S.A. 60-260 and Petitioner's Motion should be denied.

WHEREFORE, Respondent Kris W. Kobach requests that the Court deny Petitioner's Motion to Vacate Judgment, and for such other relief as the Court deems just and proper.
