30 mits shall not be issued to landowners or tenants in possession of a hunt-  
31 on-your-own-land deer permit as authorized in subsection (g). The special  
32 permits shall be transferable to any immediate family member of the

40 this subsection, “member of the immediate family” means lineal or col-  
41 lateral ascendants or descendants, and their spouses.
- 42 (i) Fifty percent of the big game permits authorized for a regular  
43 season in any management unit shall be issued to landowners or tenants,

1 provided that a limited number of big game permits have been authorized  
2 and landowner or tenant hunt-on-your-own-land big game permits for  
3 that unit have not been authorized. A landowner or tenant is not eligible  
4 to apply for a big game permit as a landowner or as a tenant in a man-  
5 agement unit other than the unit or units which includes such landowner's  
6 or tenant's land. Any big game permits not issued to landowners or ten-  
7 ants within the time period prescribed by rule and regulation may be  
8 issued without regard to the 50% limitation.

9 (j) Members of the immediate family who are domiciled with a land-  
10 owner or tenant may apply for a resident big game permit as a landowner  
11 or as a tenant, but the total number of landowner or tenant hunt-on-your-  
12 own-land or special hunt-on-your-own-land permits issued to a landowner  
13 or tenant and a landowner's or tenant's immediate family for each big  
14 game species shall not exceed one permit for each 80 acres owned by  
15 such landowner or operated by such tenant. The secretary may require  
16 proof of ownership or tenancy from individuals applying for a big game  
17 permit as a landowner or as a tenant.

18 (k) The secretary may issue permits for deer to nonresident land-  
19 owners, but any such permit shall be restricted to hunting only on lands  
20 owned by the nonresident landowner.

21 (l) The secretary may issue deer hunting permits to nonresidents,  
22 subject to the following limitations:

23 (1) The total number of nonresident deer firearm permits of each  
24 type specified by rules and regulations that may be issued for a deer  
25 season in a management unit and which may be used to take antlered  
26 deer shall for the year 2004, not be less than 7% nor more than 14%; for  
27 the year 2005, not be less than 8% nor more than 16%; for the year 2006,  
28 not be less than 9% nor more than 18%; and for any year thereafter, not  
29 be less than 10% nor more than 20%, of the total number of resident  
30 deer firearm permits of such type authorized for such season in such  
31 management unit; and

32 (2) the total number of nonresident deer archery permits of each type  
33 specified by rules and regulations that may be issued for a deer season in  
34 a management unit and which may be used to take antlered deer shall  
35 for the year 2004, not be less than 9.5% nor more than 19%; for the year  
36 2005, not be less than 10.5% nor more than 21%; for the year 2006, not  
37 be less than 11.5% nor more than 23%; and for any year thereafter, not  
38 be less than 12.5% nor more than 25%, of the total number of resident  
39 deer archery permits of such type authorized for such season in such  
40 management unit.

41 Nonresident deer permits may be restricted to a particular deer species  
42 without regard to resident deer permit species restrictions, or lack  
43 thereof.

1 If an unlimited number of resident deer permits that may be used to  
2 take antlered deer is authorized for a deer season or management unit,  
3 the percentage limitations of subsections (l)(1) and (l)(2) shall be based  
4 upon the total number of resident firearm permits that may be used to  
5 take antlered deer and the total number of archery permits that may be  
6 used to take antlered deer, respectively, issued in the management unit  
7 during the most recent preceding similar season. If in a management unit  
8 there are an unlimited number of resident permits that may be used to  
9 take only antlerless deer, the secretary, in the secretary's discretion and  
10 in accordance with rules and regulations, may authorize the issuance of  
11 an unlimited number of nonresident permits that may be used to take  
12 only antlerless deer.

13 (m) Any nonresident deer hunting permits authorized under subsec-  
14 tion (l) that remain unissued due to an insufficient number of nonresident  
15 applications as of a deadline determined by the secretary, shall be made  
16 available to residents.

17 (n) The secretary shall issue nonresident deer permits pursuant to  
18 subsection (l) to landowners and tenants applying for such permits, except  
19 that the total number of nonresident deer permits of each type specified  
20 by rules and regulations that may be issued to landowners and tenants  
21 for a deer season in a management unit shall not exceed 50% of the total  
22 number of nonresident deer permits of such a type authorized for such  
23 season in such management unit. A nonresident deer permit obtained by  
24 a landowner or tenant shall retain the permit's nonresident and species  
25 designation, except that such permit shall only be valid within a desig-  
26 nated county and one additional county where the qualifying landowner's  
27 or tenant's lands are located. The permit shall be transferable, with or  
28 without consideration, to any resident or nonresident through the sec-  
29 retary at the request of the landowner or tenant. A landowner or tenant  
30 purchasing a nonresident deer permit pursuant to this subsection shall  
31 pay the established fee for a nonresident deer permit.

32 The provisions of this subsection shall expire on June 30, 2007.

33 ~~(o) On or before January 31, 2005:~~

35 ~~with K.S.A. 32-805, and amendments thereto, shall establish not less than~~

42 ~~suant to subsection (o)(1).~~

43 ~~(p) (o) A big game permit shall state the species, number and sex of~~

1 the big game which may be killed by the permittee. The secretary may  
2 furnish an informational card with any big game permit and, at the con-  
3 clusion of the open season, each permittee receiving such card shall re-  
4 turn the card to the department, giving such information as is called for  
5 on the card.

6 ~~(p)~~ (p) The permittee shall permanently affix the game tag to the  
7 carcass of any big game immediately after killing and thereafter, if re-  
8 quired by rules and regulations, the permittee shall immediately take such  
9 killed game to a check station as required in the rules and regulations,  
10 where a check station tag shall be affixed to the game carcass if the kill  
11 is legal. The tags shall remain affixed until the carcass is consumed or  
12 processed for storage.

13 ~~(q)~~ (q) The provisions of this section do not apply to big game animals  
14 sold in surplus property disposal sales of department exhibit herds or big  
15 game animals legally taken outside this state.

16 Sec. 2. K.S.A. 2004 Supp. 32-937 is hereby repealed.

17 Sec. 3. This act shall take effect and be in force from and after its  
18 publication in the Kansas register.
