12 *Be it enacted by the Legislature of the State of Kansas:*

13 Section 1. As used in sections 1 through 6, and amendments thereto:

14 (a) "Governmental unit" means the state, or any county, municipality
15 or other political subdivision thereof, or any department, division, board
16 or other agency of any of the foregoing.

17 (b) "Law enforcement agency" means the governmental unit em-
18 ploying the law enforcement officer.

25 following the initial routine investigatory activity. Racial profiling does not
26 include reliance on such criteria in combination with other identifying
27 factors when the law enforcement officer or agency is seeking to apprehend
28 a specific suspect whose race, ethnicity or national origin is part of
29 the description of the suspect.

30 (e) "Routine investigatory activities" includes, but are not limited to,
31 the following activities by law enforcement officers and agencies: Traffic
32 stops; pedestrian stops; frisk and other types of body searches; consensual

40 (b) A violation of this section is a class A misdemeanor.

41 (c) This section shall be a part of and supplemental to the Kansas
42 criminal code.

43 Sec. 3. (a) The race or ethnicity of an individual or neighborhood

1 shall not be the sole factor in determining the existence of probable cause
2 to take into custody or to arrest an individual or in constituting a reason-
3 able and articulable suspicion that an offense has been or is being com-
4 mitted so as to justify the detention of an individual or the investigatory
5 stop of a pedestrian or vehicle.

6 (b) This section shall be a part of and supplemental to the Kansas
7 criminal code.

8 Sec. 4. (a) All law enforcement agencies in this state shall adopt de-

19 practices, and providing officers with self-evaluation strategies to end ra-
20 cial profiling.

21 (3) The collection of data on routine investigatory activities sufficient
22 to determine if law enforcement officers and law enforcement agencies
23 are engaged in racial profiling. Such data shall be submitted to the attor-
24 ney general for public annual updates on or before January 31.

25 (4) Establishing and appointing independent citizen review boards,

30 (5) Procedures to discipline law enforcement officers and agencies
31 who engage in racial profiling.

32 (6) Any such other policies or procedures that the attorney general
33 deems necessary to eliminate racial profiling.

34 (c) The attorney general shall annually compile data received from
35 law enforcement agencies and make such data available to the public.

36 (d) If the investigation of a complaint of racial profiling reveals the
37 officer was in direct violation of the law enforcement agency's written
38 policies and procedures regarding racial profiling, the employing law en-
39 forcement agency shall take appropriate action consistent with applicable
40 laws, rules and regulations, resolutions, ordinances or policies including
41 demerits, suspension or removal of the officer from the agency.

42 Sec. 5. Any person who is subjected to racial profiling shall have a
43 civil cause of action against any law enforcement officer or agency, or

1 both, and shall be entitled to recover damages from any such officer, any

9 violation of this section.

10 Sec. 6. (a) Whenever a person who is stopped or arrested believes
11 the stop or arrest was in violation of section 2, and amendments thereto,
12 such person may file a complaint with the Kansas human rights commis-
13 sion. A copy of the complaint shall be forwarded to the arresting officer's
14 employer by the commission. The employer shall investigate the com-
15 plaint for purposes of disciplinary action or a criminal violation of section

22 (c) The commission shall compile an annual report of all complaints

25 house of representatives. The annual report shall be an open record.

26 Sec. 7. This act shall take effect and be in force from and after its
