10 leave.

12 *Be it enacted by the Legislature of the State of Kansas:*

13 Section 1. (a) As used in this section, "length of service" means total
14 time worked in the classified service or unclassified service under the
15 Kansas civil service act, including time spent on an appointment to a
16 position pursuant to K.S.A. 75-2935(1)(i), and amendments thereto.
17 Length of service does not include time worked as: (1) A temporary em-
18 ployee; (2) a student employed by an institution under the state board of
19 regents; (3) a resident worker in any institution under the secretary of
20 social and rehabilitation services or the Kansas commission on veterans
21 affairs; or (4) an inmate of any correctional institution or facility under
22 control of the secretary of corrections.

23 (b) Except as provided in subsection (c), an increase in the rate of
24 vacation leave earnings based on length of service shall not be retroactive.

25 (c) If an error occurs in computing an employee's length of service
26 and such error would deny the employee vacation leave earnings to which
27 the employee would otherwise have been entitled if the error had not
28 occurred, such employee's vacation leave earnings shall be increased to
29 reflect correction of the error.

30 Sec. 2. This act shall take effect and be in force from and after its
31 publication in the statute book.
