

Journal of the Senate

SIXTIETH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Saturday, May 3, 2003—10:00 a.m.

The Senate was called to order by President Dave Kerr.
The roll was called with forty senators present.
Senator was excused.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

As we wrestle with the budget
There are many points of view,
Which of these are better
We all wish we knew.

Churchill's famous quote
May explain it best:
"Democracy is the worst way,
Except for all the rest."

One problem is most choices
Are not like day and night;
They come in various shades of gray,
Something like twilight.

But some choices ARE wrong or right
And we are the ones who say
Which are wrong and which are right,
And which are shades of gray.

When the choices are distinctive
It means we have good news;
It's the choices that are gray
That make it hard to choose.

Help us, Lord, know right from wrong,
And help our wisdom to increase
So that from the gray we choose
That which hurts the least.

I ask in the Name of Jesus,

AMEN

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill, as printed with Senate Committee amendments, as follows:

On page 1, after line 19, by inserting the following:

“Section 1. K.S.A. 2002 Supp. 20-2610a is hereby amended to read as follows: 20-2610a. (a) A judge may elect to have such judge’s retirement annuity paid under one of the options provided in this section in lieu of having it paid in the form stated in K.S.A. 20-2610 and amendments thereto. Such election shall be made before the date of actual retirement. A specific person shall be designated as joint annuitant at the time of election of the joint and ½ to joint annuitant survivor option, joint and survivor option and the joint and ¾ to

joint annuitant survivor option. Under no circumstances may an option be changed or canceled nor the named joint annuitant changed after the date of actual retirement of the judge.

(b) The amount of retirement annuity payable under an option shall be based on the age of the judge and, if applicable, the age of the joint annuitant, and shall be such amount as to be the actuarial equivalent of the retirement annuity otherwise payable under K.S.A. 20-2610 and amendments thereto as prescribed in subsection (c). Whenever the amount of any benefit is to be determined on the basis of actuarial assumptions, the assumptions shall be specified in a way that precludes employer discretion. In no case shall the total amount of retirement annuity payable under any option provided in this section be more than 100% of the retirement annuity which would have been otherwise payable if no option had been elected under this section.

(c) The following retirement options, which are subject to the provisions of K.S.A. 74-49,123 and amendments thereto, are available:

(1) *Joint and 1/2 to joint annuitant survivor.* A reduced retirement annuity payable to the judge during the judge's lifetime in a monthly amount equal to the product of (A) the monthly payment of the retirement annuity otherwise payable under K.S.A. 20-2610 and amendments thereto and (B) the percentage equal to 91% minus .4% for each year by which the age of the judge's joint annuitant is less than the judge's age, computed to the nearest whole year, or plus .4% for each year by which the age of the judge's joint annuitant is more than the judge's age, computed to the nearest whole year, with 1/2 of that monthly amount continued to the judge's joint annuitant during such joint annuitant's remaining lifetime, if any, after the death of the judge. In the event that the designated joint annuitant under this option predeceases the retired judge, the amount of the retirement annuity otherwise payable to the judge under this option shall be adjusted automatically to the retirement annuity which the judge would have received if no option had been elected under this section.

(2) *Joint and survivor.* A reduced retirement annuity payable to the judge during the judge's lifetime in a monthly amount equal to the product of (A) the monthly payment of the retirement annuity otherwise payable under K.S.A. 20-2610 and amendments thereto and (B) the percentage equal to 83% minus .6% for each year by which the age of the judge's joint annuitant is less than the judge's age, computed to the nearest whole year, or plus .6% for each year by which the age of the judge's joint annuitant is more than the judge's age, computed to the nearest whole year, with that monthly amount continued to the joint annuitant during the joint annuitant's remaining lifetime, if any, after the death of judge. In the event that the designated joint annuitant under this option predeceases the retired judge, the amount of the retirement annuity otherwise payable to the judge under this option shall be adjusted automatically to the retirement annuity which the judge would have received if no option had been elected under this section.

(3) *Joint and 3/4 to joint annuitant survivor.* A reduced retirement annuity payable to the judge during the judge's lifetime in a monthly amount equal to the product of (A) the monthly payment of the retirement annuity otherwise payable under K.S.A. 20-2610 and amendments thereto and (B) the percentage equal to 87% minus .5% for each year by which the age of the judge's joint annuitant is less than the judge's age, computed to the nearest whole year, or plus .5% for each year by which the age of the judge's joint annuitant is more than the judge's age, computed to the nearest whole year, with 3/4 of that monthly amount continued to the judge's joint annuitant during such joint annuitant's remaining lifetime, if any, after the death of the judge. In the event that the designated joint annuitant under this option predeceases the retired judge, the amount of the retirement annuity otherwise payable to the judge under this option shall be adjusted automatically to the retirement annuity which the judge would have received if no option had been elected under this section.

(4) *Life with 5 years certain.* A reduced retirement annuity payable to the judge during the judge's lifetime in a monthly amount equal to 98% of the monthly payment of the retirement annuity otherwise payable under K.S.A. 20-2610 and amendments thereto and if the judge dies within the five-year certain period, measured from the commencement of retirement annuity payments, such monthly payments shall be continued to such judge's beneficiary during the balance of the five-year certain period.

(5) *Life with 10 years certain.* A reduced retirement annuity payable to the judge during the judge's lifetime in a monthly amount equal to 95% of the monthly payment of the

retirement annuity otherwise payable under K.S.A. 20-2610 and amendments thereto and if the judge dies within the ten-year certain period, measured from the commencement of retirement annuity payments, such monthly payments shall be continued to such judge's beneficiary during the balance of the ten-year certain period.

(6) *Life with 15 years certain.* A reduced retirement annuity payable to the judge during the judge's lifetime in a monthly amount equal to 88% of the monthly payment of the retirement annuity otherwise payable under K.S.A. 20-2610 and amendments thereto and if the judge dies within the fifteen-year certain period, measured from the commencement of retirement annuity payments, such monthly payments shall be continued to such judge's beneficiary during the balance of the fifteen-year certain period.

(7) *Lump sum payment at retirement.* (A) Pursuant to this option, the judge must specify a lump sum amount to be paid to the judge upon the judge's retirement. The lump sum amount will be based on the actuarial present value of the benefit as provided in K.S.A. 20-2610, and amendments thereto. The lump sum amount designated by the judge must be in 10% increments and shall not exceed $\frac{1}{2}$ of the actuarial present value of the benefit provided in K.S.A. 20-2610, and amendments thereto. *If the judge's spouse elects a lump sum payment as provided in this section pursuant to the provisions of subsection (d), the lump sum payment will be based on the present value of the retirement option selected by the spouse. The lump sum amount designated by the spouse must be in 10% increments and shall not exceed $\frac{1}{2}$ of the actuarial present value of the option selected in this section.*

(B) Pursuant to this option, the judge must elect to have the remaining actuarial present value paid in a monthly amount under the provisions of K.S.A. 20-2610, and amendments thereto, or subsections (c)(1) through (c)(6) of this section.

(C) In the event that the designated joint annuitant pursuant to subsection (c)(1), (c)(2) or (c)(3), under this option predeceases the retirant, the amount of the retirement benefit otherwise payable to the retirant under the option shall be adjusted automatically to the retirement benefit which the retirant would have received if no option had been elected under this section.

(D) The provisions of this subsection shall be effective on and after July 1, 2001.

(d) If a judge, who is eligible to retire, dies without having actually retired, the judge's spouse, if the spouse is the sole beneficiary for the judge's accumulated contributions, may elect to receive benefits as a joint annuitant under one of the options provided in this section in lieu of receiving the judge's accumulated contributions.

(e) On and after July 1, 1993, if a judge with 15 or more years of credited service dies before attaining retirement age, the judge's spouse, if the spouse is the sole beneficiary for the judge's accumulated contributions, may elect to receive benefits under one of the options provided in this section in lieu of receiving the judge's accumulated contributions. Payments under one of the options provided in this section to the judge's spouse if so elected, shall commence on the date that the judge would have first attained retirement age.

(f) Benefits payable to a joint annuitant shall accrue from the first day of the month following the death of a member or retirant and, in the case of the joint and $\frac{1}{2}$ to joint annuitant survivor option, the joint and survivor option and the joint and $\frac{3}{4}$ to joint annuitant survivor option, shall end on the last day of the month in which the joint annuitant dies.

(g) The provisions of the law in effect on the retirement date of a judge under the retirement system for judges shall govern the retirement annuity payable to the retired judge and any joint annuitant, except, for retirement benefits payable after July 1, 1993, for judges who retired prior to July 1, 1982, in the event that the designated joint annuitant under the option provided in subsection (c)(1), (2) or (3), as applicable, predeceased the judge, the amount of the retirement benefit otherwise payable to the judge under the option provided in subsection (c)(1), (2) or (3), as applicable, shall be adjusted automatically to the retirement benefit which the judge would have received if no option had been elected under this section.

(h) Upon the death of a joint annuitant who is receiving a retirement benefit under the provisions of this section, there shall be paid to such joint annuitant's beneficiary an amount equal to the excess, if any, of the accumulated contributions of the retired judge over the sum of all retirement benefit payments made to such retired judge and such joint annuitant. Such joint annuitant shall designate a beneficiary by filing in the office of the retirement

system such designation at the time of death of the retired judge. If there is no named beneficiary of such joint annuitant living at the time of death of such joint annuitant, any amount provided for by this section shall be paid to, in order of preference as follows:

- (1) The joint annuitant's surviving spouse;
- (2) the joint annuitant's dependent child or children;

- (4) the joint annuitant's nondependent child or children;
- (5) the joint annuitant's nondependent parent or parents; or

Sec. 4. K.S.A. 74-4918 is hereby amended to read as follows: 74-4918. (1) A member may elect to have such member's retirement benefit paid under one of the options provided in this section in lieu of having it paid in the form stated in K.S.A. 74-4915 and amendments thereto. Such election must be made before the date of actual retirement. A specific person must be designated as joint annuitant at the time of election of the joint and $\frac{1}{2}$ to joint annuitant survivor option, the joint and survivor option and the joint and $\frac{3}{4}$ to joint annuitant survivor option. Under no circumstances may an option be changed or canceled nor the named joint annuitant changed after the date of actual retirement of the member.

(2) The amount of retirement benefit payable under an option shall be based on the age of the member and, if applicable, the age of the joint annuitant, and shall be such amount as to be the actuarial equivalent of the retirement benefit otherwise payable under K.S.A. 74-4915 and amendments thereto, as prescribed in subsection (3). In no case shall the total amount of retirement benefit paid under any option provided in this section be more than 100% of the retirement benefit which would have been otherwise payable if no option had been elected under this section.

(3) The following retirement options, which are subject to the provisions of K.S.A. 74-49,123 and amendments thereto, are available:

(A) *Joint and ½ to joint annuitant survivor.* A reduced retirement benefit is payable to the retirant during the retirant's lifetime in a monthly amount equal to the product of (i) the monthly payment of the retirement benefit otherwise payable under K.S.A. 74-4915 and amendments thereto and (ii) the percentage equal to 91% minus .4% for each year by which the age of the retirant's joint annuitant is less than the retirant's age, computed to the nearest whole year, or plus .4% for each year by which the age of the retirant's joint annuitant is more than the retirant's age, computed to the nearest whole year, with ½ of that monthly amount continued to the retirant's joint annuitant during such joint annuitant's remaining lifetime, if any, after the death of the retirant. In the event that the designated joint annuitant under this option predeceases the retirant, the amount of the retirement benefit otherwise payable to the retirant under this option shall be adjusted automatically to the retirement benefit which the retirant would have received if no option had been elected under this section.

(B) *Joint and survivor.* A reduced retirement benefit is payable to the retirant during the retirant's lifetime in a monthly amount equal to the product of (i) the monthly payment of the retirement benefit otherwise payable under K.S.A. 74-4915 and amendments thereto and (ii) the percentage equal to 83% minus .6% for each year by which the age of the retirant's joint annuitant is less than the retirant's age, computed to the nearest whole year, or plus .6% for each year by which the age of the retirant's joint annuitant is more than the retirant's age, computed to the nearest whole year, with that amount continued to the joint annuitant during the joint annuitant's remaining lifetime, if any, after the death of the retirant. In the event that the designated joint annuitant under this option predeceases the retirant, the amount of the retirement benefit otherwise payable to the retirant under this option shall be adjusted automatically to the retirement benefit which the retirant would have received if no option had been elected under this section.

(C) *Joint and ¾ to joint annuitant survivor.* A reduced retirement benefit is payable to the retirant during the retirant's lifetime in a monthly amount equal to the product of (i) the monthly payment of the retirement benefit otherwise payable under K.S.A. 74-4915 and amendments thereto and (ii) the percentage equal to 87% minus .5% for each year by which the age of the retirant's joint annuitant is less than the retirant's age, computed to the nearest whole year, or plus .5% for each year by which the age of the retirant's joint annuitant is more than the retirant's age, computed to the nearest whole year, with ¾ of that monthly amount continued to the retirant's joint annuitant during such joint annuitant's remaining lifetime, if any, after the death of the retirant. In the event that the designated joint annuitant under this option predeceases the retirant, the amount of the retirement benefit otherwise payable to the retirant under this option shall be adjusted automatically to the retirement benefit which the retirant would have received if no option had been elected under this section.

(D) *Life with 5 years certain.* A reduced retirement benefit is payable to the retirant during the retirant's lifetime in a monthly amount equal to 98% of the monthly payment of the retirement benefit otherwise payable under K.S.A. 74-4915 and amendments thereto and if the retirant dies within the five-year certain period, measured from the commencement of retirement benefit payments, such payments shall be continued to the retirant's beneficiary during the balance of the five-year certain period.

(E) *Life with 10 years certain.* A reduced retirement benefit is payable to the retirant during the retirant's lifetime in a monthly amount equal to 95% of the monthly payment of the retirement benefit otherwise payable under K.S.A. 74-4915 and amendments thereto and if the retirant dies within the ten-year certain period, measured from the commencement of retirement benefit payments, such payments shall be continued to the retirant's beneficiary during the balance of the ten-year certain period.

(F) *Life with 15 years certain.* A reduced retirement benefit is payable to the retirant during the retirant's lifetime in a monthly amount equal to 88% of the monthly payment of the retirement benefit otherwise payable under K.S.A. 74-4915 and amendments thereto and if the retirant dies within the fifteen-year certain period, measured from the commencement of retirement benefit payments, such payments shall be continued to the retirant's beneficiary during the balance of the fifteen-year certain period.

(G) *Lump sum payment at retirement.* (i) Pursuant to this option, the member must specify a lump sum amount to be paid to the member upon the member's retirement. The lump sum amount will be based on the actuarial present value of the benefit as provided in K.S.A. 74-4915, and amendments thereto. The lump sum amount designated by the member must be in 10% increments and shall not exceed $\frac{1}{2}$ of the actuarial present value of the benefit provided in K.S.A. 74-4915, and amendments thereto. *If the member's spouse elects a lump sum payment as provided in this section pursuant to the provisions of subsection (4), the lump sum payment will be based on the present value of the retirement option selected by the spouse. The lump sum amount designated by the spouse must be in 10% increments and shall not exceed $\frac{1}{2}$ of the actuarial present value of the option selected in this section.*

(ii) Pursuant to this option, the member must elect to have the remaining actuarial present value paid in a monthly amount under the provisions of K.S.A. 74-4915, and amendments thereto, or subsections (3)(A) through (3)(F) of this section.

(iii) In the event that the designated joint annuitant pursuant to subsection (3)(A), (3)(B) or (3)(C) under this option predeceases the retirant, the amount of the retirement benefit otherwise payable to the retirant under this option shall be adjusted automatically to the retirement benefit which the retirant would have received if no option had been elected under this section.

(iv) The provisions of this subsection shall be effective on and after July 1, 2001.

(4) If a member, who is eligible to retire in accordance with the provisions of K.S.A. 74-4914 and amendments thereto, dies without having actually retired, the member's spouse, if the spouse is the sole beneficiary for the member's accumulated contributions, may elect to receive benefits under one of the options provided in this section in lieu of receiving the member's accumulated contributions.

(5) The benefits of subsection (4) shall be available in the case of death within the first six months after the entry date of the member's participating employer.

(6) On and after January 1, 1991, if a member with 15 or more years of credited service dies before attaining retirement age, the member's spouse, if the spouse is the sole beneficiary for the member's accumulated contributions, may elect to receive benefits under one of the options provided in this section in lieu of receiving the member's accumulated contributions. Payments under one of the options provided in this section to the member's spouse if so elected, shall commence on the date that the member would have attained retirement age.

(7) Benefits payable to a joint annuitant shall accrue from the first day of the month following the death of a member or retirant and, in the case of the joint and $\frac{1}{2}$ to joint annuitant survivor option, the joint and survivor option and the joint and $\frac{3}{4}$ to joint annuitant survivor option, shall end on the last day of the month in which the joint annuitant dies.

(8) The provisions of the law in effect on the retirement date of a member under the system shall govern the retirement benefit payable to the retirant and any joint annuitant, except, for retirement benefits payable after July 1, 1993, for retirants who retired prior to July 1, 1982, in the event that the designated joint annuitant under the option provided in subsection (3)(A), (B) or (C), as applicable, predeceased the retirant, the amount of the retirement benefit otherwise payable to the retirant under the option provided in subsection (3)(A), (B) or (C), as applicable, shall be adjusted automatically to the retirement benefit which the retirant would have received if no option had been elected under this section.

(9) Upon the death of a joint annuitant who is receiving a retirement benefit under the provisions of this section, there shall be paid to such joint annuitant's beneficiary an amount equal to the excess, if any, of the accumulated contributions of the retirant over the sum of all retirement benefit payments made to such retirant and such joint annuitant. Such joint annuitant shall designate a beneficiary by filing in the office of the retirement system such designation at the time of death of the retirant. If there is no named beneficiary of such joint annuitant living at the time of death of such joint annuitant, any amount provided for by this section shall be paid to, in order of preference as follows:

- (A) The joint annuitant's surviving spouse;
- (B) the joint annuitant's dependent child or children;

(1) (a) Upon the basis of each annual actuarial valuation and appraisal as provided for in subsection (3)(a) of K.S.A. 74-4908 and amendments thereto, the board shall certify, on or before July 15 of each year, to the division of the budget in the case of the state and to the agent for each other participating employer an actuarially determined estimate of the rate of contribution which will be required, together with all accumulated contributions and other assets of the system, to be paid by each such participating employer to pay all liabilities which shall exist or accrue under the system, including amortization of the actuarial accrued liability over a period of 40 years commencing on July 1, 1993, and the actuarial accrued liability for members of the faculty and other persons who are employed by the state board of regents or by educational institutions under its management assisted by the state board of regents in the purchase of retirement annuities as provided in K.S.A. 74-4925 and amendments thereto, as provided in this section. The actuarial accrued liability for all participating employers other than the state board of regents relating to members of the faculty and other persons described in this section, shall be amortized by annual payments that increase 4% for each year remaining in the amortization period. For all participating employers other than the state board of regents relating to members of the faculty and other persons described in this section, the projected unit credit actuarial cost method shall be used in annual actuarial valuations, commencing with the 1993 valuation, to determine the employer contribution rates that shall be certified by the board. The actuarial accrued liability for members of the faculty and other persons described in this subsection assisted by the state board of regents in the purchase of retirement annuities as provided in K.S.A. 74-4925 and amendments thereto shall be amortized by annual level payments over a period of 11 years commencing July 1, 1993. Such certified rate of contribution shall be based on the standards set forth in subsection (3)(a) of K.S.A. 74-4908 and amendments thereto and shall not be based on any other purpose outside of the needs of the system.

(b) (i) For employers affiliating on and after January 1, 1999, upon the basis of an annual actuarial valuation and appraisal of the system conducted in the manner provided for in K.S.A. 74-4908 and amendments thereto, the board shall certify, on or before July 15 of each year to each such employer an actuarially determined estimate of the rate of contribution which shall be required to be paid by each such employer to pay all of the liabilities which shall accrue under the system from and after the entry date as determined by the board, upon recommendation of the actuary. Such rate shall be termed the employer's participating service contribution and shall be uniform for all participating employers. Such additional liability shall be amortized over a period of 34 years commencing on July 1, 1999, by annual payments that increase 4% for each year remaining in the amortization period. For all participating employers described in this section, the projected unit credit actuarial cost method shall be used in annual actuarial valuations to determine the employer contribution rates that shall be certified by the board.

(ii) The board shall determine for each such employer separately an amount sufficient to amortize over a period of not to exceed 34 years commencing July 1, 1999, all liabilities for prior service costs which shall have accrued at the time of entry into the system. On the basis of such determination the board shall annually certify to each such employer separately an actuarially determined estimate of the rate of contribution which shall be required to be paid by that employer to pay all of the liabilities for such prior service costs. Such rate shall be termed the employer's prior service contribution.

(2) The division of the budget and the governor shall include in the budget and in the budget request for appropriations for personal services the sum required to satisfy the state's obligation under this act as certified by the board and shall present the same to the legislature for allowance and appropriation.

(3) Each other participating employer shall appropriate and pay to the system a sum sufficient to satisfy the obligation under this act as certified by the board.

(4) Each participating employer is hereby authorized to pay the employer's contribution from the same fund that the compensation for which such contribution is made is paid from or from any other funds available to it for such purpose. Each political subdivision, other

than an instrumentality of the state, which is by law authorized to levy taxes for other purposes, may levy annually at the time of its levy of taxes, a tax which may be in addition to all other taxes authorized by law for the purpose of making its contributions under this act and, in the case of cities and counties, to pay a portion of the principal and interest on bonds issued under the authority of K.S.A. 12-1774 and amendments thereto by cities located in the county, which tax, together with any other fund available, shall be sufficient to enable it to make such contribution. In lieu of levying the tax authorized in this subsection, any taxing subdivision may pay such costs from any employee benefits contribution fund established pursuant to K.S.A. 12-16,102 and amendments thereto. Each participating employer which is not by law authorized to levy taxes as described above, but which prepares a budget for its expenses for the ensuing year and presents the same to a governing body which is authorized by law to levy taxes as described above, may include in its budget an amount sufficient to make its contributions under this act which may be in addition to all other taxes authorized by law. Such governing body to which the budget is submitted for approval, may levy a tax sufficient to allow the participating employer to make its contributions under this act, which tax, together with any other fund available, shall be sufficient to enable the participating employer to make the contributions required by this act.

(5) The rate of contribution certified to a participating employer as provided in this section shall apply during the fiscal year of the participating employer which begins in the second calendar year following the year of the actuarial valuation. For the fiscal year commencing in calendar year 1993, the employer rate of contribution for the state of Kansas and for participating employers under K.S.A. 74-4931 and amendments thereto shall be 3.1% of the amount of compensation upon which members contribute during the period. For the fiscal year commencing in calendar year 1994, the employer rate of contribution for the state of Kansas and for participating employers under K.S.A. 74-4931 and amendments thereto shall be 3.2% of the amount of compensation upon which members contribute during the period. For the fiscal year commencing in calendar year 1994, the employer rate of contribution for participating employers other than the state of Kansas shall be 2.2% of the amount of compensation upon which members contribute during the period. Except as specifically provided in this section, for the fiscal year commencing in calendar year 1995, the rate of contribution certified to a participating employer shall in no event exceed such participating employer's contribution rate for the immediately preceding fiscal year by more than 0.1% of the amount of compensation upon which members contribute during the period. Except as specifically provided in this section, for fiscal years commencing in calendar year 1996 and in each subsequent calendar year, the rate of contribution certified to the state of Kansas shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than 0.2% of the amount of compensation upon which members contribute during the period. *Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to the state of Kansas shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (a) For the fiscal year commencing in calendar year 2005, an amount not to exceed more than 0.4% of the amount of the immediately preceding fiscal year; (b) for the fiscal year commencing in calendar year 2006, an amount not to exceed more than 0.5% of the amount of the immediately preceding fiscal year; and (c) for the fiscal year commencing in calendar year 2007 and in each subsequent calendar year, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal years.* Except as specifically provided in this section, for fiscal years commencing in calendar year 1997 and in each subsequent calendar year, the rate of contribution certified to participating employers other than the state of Kansas shall in no event exceed such participating employer's contribution rate for the immediately preceding fiscal year by more than 0.15% of the amount of compensation upon which members contribute during the period. There shall be an employer rate of contribution certified to the state of Kansas and participating employers under K.S.A. 74-4931 and amendments thereto. There shall be a separate employer rate of contribution certified to all other participating employers other than the state of Kansas.

(6) The actuarial cost of any legislation enacted in the 1994 session of the Kansas legislature will be included in the June 30, 1994, actuarial valuation in determining contribution rates for participating employers.

(7) The actuarial cost of the provisions of K.S.A. 74-4950i will be included in the June 30, 1998, actuarial valuation in determining contribution rates for participating employers. The actuarial accrued liability incurred for the provisions of K.S.A. 74-4950i shall be amortized over 15 years.

(8) Except as otherwise provided by law, the actuarial cost of any legislation enacted by the Kansas legislature, except the actuarial cost of K.S.A. 74-49,114a, and amendments thereto, shall be in addition to the employer contribution rates certified for the employer contribution rate in the fiscal year immediately following such enactment.

(9) *Notwithstanding the provisions of subsection (8), the actuarial cost of the provisions of K.S.A. 74-49,109 et seq. and amendments thereto shall be first reflected in employer contribution rates effective with the first day of the first payroll period for the fiscal year 2005. The actuarial accrued liability incurred for the provisions of K.S.A. 74-49,109 et seq. and amendments thereto shall be amortized over 10 years.*

(10) The board with the advice of the actuary may fix the contribution rates for participating employers joining the system after one year from the first entry date or for employers who exercise the option contained in K.S.A. 74-4912 and amendments thereto at rates different from the rate fixed for employers joining within one year of the first entry date.

~~(10)~~ (11) For employers affiliating on and after January 1, 1999, the rates of contribution certified to the participating employer as provided in this section shall apply during the fiscal year immediately following such certification, but the rate of contribution during the first year following the employer's entry date shall be equal to 7% of the amount of compensation on which members contribute during the year. Any amount of such first year's contribution which may be in excess of the necessary current service contribution shall be credited by the board to the respective employer's prior service liability.

~~(11)~~ (12) Employer contributions shall in no way be limited by any other act which now or in the future establishes or limits the compensation of any member.

~~(12)~~ (13) Notwithstanding any provision of law to the contrary, each participating employer shall remit quarterly, or as the board may otherwise provide, all employee deductions and required employer contributions to the executive director for credit to the Kansas public employees retirement fund within three days after the end of the period covered by the remittance by electronic funds transfer. Remittances of such deductions and contributions received after such date are delinquent. Delinquent payments due under this subsection shall be subject to interest at the rate established for interest on judgments under subsection (a) of K.S.A. 16-204 and amendments thereto. At the request of the board, delinquent payments which are due or interest owed on such payments, or both, may be deducted from any other moneys payable to such employer by any department or agency of the state.”;

“Sec. 11. K.S.A. 74-4963 is hereby amended to read as follows: 74-4963. (1) Upon termination of employment prior to the completion of 20 years of credited service, after 30 days after such termination a member may withdraw such member's accumulated contributions or elect to leave such accumulated contributions on deposit with the system. If the member elects to leave the accumulated contributions on deposit with the system and if the member returns to employment with the same or another participating employer within five years, such member shall receive credit for such member's service prior to such termination. If the member does not elect to leave the accumulated contributions on deposit or if the member does not return to covered employment within five years, such member shall no longer be a member of the system and the sum of such member's accumulated contributions then on deposit with this system shall be paid to such member after making application in a form prescribed by the board and after the system has a reasonable time to process the application for withdrawal. Upon proper notification by the system, member contributions not on deposit with the system shall be paid to the member by the participating employer.

(2) If, after termination and withdrawal of accumulated contributions, a former member returns to covered employment, except as otherwise provided in subsection (1), the former member shall become a member of the system as provided in subsection (2) of K.S.A. 74-4955 and amendments thereto. Any former member returning to covered employment may, at the former member's option, purchase service credit for such previously forfeited service credit, subject to the provisions of K.S.A. 74-49,123, and amendments thereto, at an additional rate of contribution, in addition to the employee's rate of contribution as provided in K.S.A. ~~74-4919~~ 74-4965, and amendments thereto, based upon the member's attained age at the time of purchase and using actuarial assumptions and tables in use by the retirement system at such time of purchase for such periods of service. Such additional rate of contribution shall commence at the beginning of the quarter following such election and shall remain in effect until all quarters of such service have been purchased. Subject to the provisions of K.S.A. 74-49,123, and amendments thereto, such member may elect to effect such purchase by means of a single lump-sum payment in lieu of the increased amount of the employee's contribution rate otherwise provided for in this act in an amount equal to the then present value of the benefits being purchased determined by the actuary using the member's attained age, annual compensation at the time of purchase and the actuarial assumptions and tables then in use by the retirement system. The lump-sum payment shall be made immediately upon being notified of the amount due. Upon receipt of such payment by the system the member shall receive full credit for the number of previously forfeited quarters of participating service which the member has elected to repurchase. Any member who repurchases all of the member's previously forfeited participating service credit shall also receive all of the member's previously forfeited prior service credit.

(3) Upon termination and withdrawal of accumulated contributions, any member whose employment was, up to the member's employer's entry date, covered by a pension system established under the provisions of K.S.A. 13-14a01 through 13-14a14, and amendments thereto, or K.S.A. 14-10a01 through 14-10a15, and amendments thereto, shall be entitled to receive from the member's employer the sum of the member's accumulated contributions to the previous pension system.

(4) If a member has completed 20 years of credited service at date of termination, the member shall be granted automatically a vested retirement benefit in the system, but any time prior to the commencement of retirement benefit payments and before attaining age 55 the member may withdraw the member's accumulated contributions, whereupon the member's membership in this system ceases and no other amounts shall be payable for the member's prior and participating service credit. Eligibility of such member, who has not withdrawn the member's accumulated contributions, for retirement benefits and procedures for making application for retirement benefits shall be in accordance with K.S.A. 74-4957 and amendments thereto, except that in lieu of the three-month notice of intention to retire being made to the employer, such member shall make application for retirement in a form prescribed by the board and retirement benefits shall accrue from the first day of the month following receipt of such application. The amount of the retirement benefit shall be determined as provided in K.S.A. 74-4958 and amendments thereto.

(5) If a member, who has a vested retirement benefit, again becomes an employee of a participating employer, the amount of the member's vested retirement benefit shall remain in effect, and any retirement benefit such member subsequently accrues shall be calculated separately based on credited service after again becoming an employee and shall be added to that which had been vested by virtue of previous service. Eligibility of such member for retirement benefits and procedures for making application for retirement benefits shall be in accordance with K.S.A. 74-4957 and amendments thereto.

(6) Any member of this system who was previously a member of the Kansas public employees retirement system or the retirement system for judges and who forfeited service credit under either of those systems by reason of termination of employment and withdrawal of their contributions to that system, may elect, subject to the provisions of K.S.A. 74-49,123 and amendments thereto, to purchase service credit for the previously forfeited service credit by means of a single lump-sum payment and such service shall be recredited to that system. The amount of the lump-sum payment shall be determined by the actuary using

the member's then current annual rate of compensation and the actuarial assumptions and tables then currently in use by that retirement system.

(7) The provisions of this section shall apply only to members who were appointed or employed prior to July 1, 1989, and who did not make an election pursuant to K.S.A. 74-4955a and amendments thereto.

Sec. 12. K.S.A. 74-4963a is hereby amended to read as follows: 74-4963a. (1) Upon termination of employment prior to the completion of 15 years of credited service, after 30 days after such termination a member may withdraw such member's accumulated contributions or elect to leave such accumulated contributions on deposit with the system. If the member elects to leave the accumulated contributions on deposit with the system and if the member returns to employment with the same or another participating employer within five years, such member shall receive credit for such member's service prior to such termination. If the member does not elect to leave the accumulated contributions on deposit or if the member does not return to covered employment within five years, such member shall no longer be a member of the system and the sum of such member's accumulated contributions then on deposit with this system shall be paid to such member after making application in a form prescribed by the board and after the system has a reasonable time to process the application for withdrawal. Upon proper notification by the system, member contributions not on deposit with the system shall be paid to the member by the participating employer.

(2) If, after termination and withdrawal of accumulated contributions, a former member returns to covered employment, except as otherwise provided in subsection (1), the former member shall become a member of the system as provided in subsection (2) of K.S.A. 74-4955 and amendments thereto. Any former member returning to covered employment may, at the former member's option, purchase service credit for such previously forfeited service credit, subject to the provisions of K.S.A. 74-49,123, and amendments thereto, at an additional rate of contribution, in addition to the employee's rate of contribution as provided in K.S.A. ~~74-4919~~ 74-4965, and amendments thereto, based upon the member's attained age at the time of purchase and using actuarial assumptions and tables in use by the retirement system at such time of purchase for such periods of service. Such additional rate of contribution shall commence at the beginning of the quarter following such election and shall remain in effect until all quarters of such service have been purchased. Subject to the provisions of K.S.A. 74-49,123, and amendments thereto, such member may elect to effect such purchase by means of a single lump-sum payment in lieu of the increased amount of the employee's contribution rate otherwise provided for in this act in an amount equal to the then present value of the benefits being purchased determined by the actuary using the member's attained age, annual compensation at the time of purchase and the actuarial assumptions and tables then in use by the retirement system. The lump-sum payment shall be made immediately upon being notified of the amount due. Upon receipt of such payment by the system the member shall receive full credit for the number of previously forfeited quarters of participating service which the member has elected to repurchase. Any member who repurchases all of the member's previously forfeited participating service credit shall also receive all of the member's previously forfeited prior service credit.

(3) Upon termination and withdrawal of accumulated contributions, any member whose employment was, up to the member's employer's entry date, covered by a pension system established under the provisions of K.S.A. 13-14a01 through 13-14a14, and amendments thereto, or K.S.A. 14-10a01 through 14-10a15, and amendments thereto, shall be entitled to receive from the member's employer the sum of the member's accumulated contributions to the previous pension system.

(4) If a member has completed 15 years of credited service at date of termination, the member shall be granted automatically a vested retirement benefit in the system, but any time prior to the commencement of retirement benefit payments and before attaining age 55 the member may withdraw the member's accumulated contributions, whereupon the member's membership in this system ceases and no other amounts shall be payable for the member's prior and participating service credit. Eligibility of such member, who has not withdrawn the member's accumulated contributions, for retirement benefits and procedures for making application for retirement benefits shall be in accordance with K.S.A. 74-4957

and amendments thereto, except that in lieu of the three-month notice of intention to retire being made to the employer, such member shall make application for retirement in a form prescribed by the board and retirement benefits shall accrue from the first day of the month following receipt of such application. The amount of the retirement benefit shall be determined as provided in K.S.A. 74-4958 and amendments thereto.

(5) If a member, who has a vested retirement benefit, again becomes an employee of a participating employer, the amount of the member's vested retirement benefit shall remain in effect, and any retirement benefit such member subsequently accrues shall be calculated separately based on credited service after again becoming an employee and shall be added to that which had been vested by virtue of previous service. Eligibility of such member for retirement benefits and procedures for making application for retirement benefits shall be in accordance with K.S.A. 74-4957 and amendments thereto.

(6) Any member of this system who was previously a member of the Kansas public employees retirement system or the retirement system for judges and who forfeited service credit under either of those systems by reason of termination of employment and withdrawal of their contributions to that system, may elect, subject to the provisions of K.S.A. 74-49,123 and amendments thereto, to purchase service credit for the previously forfeited service credit by means of a single lump-sum payment and such service shall be recredited to that system. The amount of the lump-sum payment shall be determined by the actuary using the member's then current annual rate of compensation and the actuarial assumptions and tables then currently in use by that retirement system.

(7) The provisions of this section shall be effective on and after July 1, 1989 and shall apply only to members who were appointed or employed prior to July 1, 1989, and who made an election pursuant to K.S.A. 74-4955a and amendments thereto; and persons appointed or employed on or after July 1, 1989.

(1) A member may elect to have such member's retirement benefit paid under one of the options provided in this section in lieu of having it paid in the form stated in subsections (1) and (2) of K.S.A. 74-4958 and amendments thereto. Such election must be made before the date of actual retirement. Only a specific individual person may be designated as a joint annuitant at the time of election of the joint and $\frac{1}{2}$ to joint annuitant survivor option, the joint and survivor option and the joint and $\frac{3}{4}$ to joint annuitant survivor option. Under no circumstances may an option be changed or canceled nor the named joint annuitant changed after the date of actual retirement of the member.

(2) The amount of a retirement benefit payable under an option shall be based on the age of the member and, if applicable, the age of the joint annuitant, and shall be such amount as to be the actuarial equivalent of the retirement benefit otherwise payable under subsections (1) or (2) of K.S.A. 74-4958 and amendments thereto as prescribed under subsection (5). In no case shall the total amount of retirement benefit paid under any option provided in this section be more than 100% of the retirement benefit which would have been otherwise payable if no option had been elected under this section.

(3) If a member who was, up to the entry date of such member's employer, covered by a pension system under the provisions of K.S.A. 13-14a01 to 13-14a14, inclusive or 14-10a01 through 14-10a15, inclusive, and amendments thereto so elects one of the options under this section, payment of such option shall be in lieu of any payments provided in subsection (3) of K.S.A. 74-4958 and amendments thereto.

(4) Such election of an option shall become null and void upon the death of a member prior to such member's retirement, except that if a member, who is eligible to retire in accordance with the provisions of subsections (1) and (2) of K.S.A. 74-4958 and amendments thereto, dies without having actually retired the member's spouse, if the spouse is beneficiary for the member's accumulated contributions, and no benefits are payable under subsections (1) and (2) of K.S.A. 74-4959 and amendments thereto, may elect to receive benefits under one of the options provided in this section, in lieu of receiving the member's accumulated contributions.

(5) The following retirement options which are subject to the provisions of K.S.A. 74-49,123 and amendments thereto, are available:

(A) *Joint and ½ to joint annuitant survivor.* A reduced retirement benefit is payable to the retirant during the retirant's lifetime in a monthly amount equal to the product of (A) the monthly payment of the retirement annuity otherwise payable under K.S.A. 74-4958 and amendments thereto and (B) the percentage equal to 94.5% minus .2% for each year by which the age of the retirant's joint annuitant is less than the retirant's age, computed to the nearest whole year, or plus .2% for each year by which the age of the retirant's joint annuitant is more than the retirant's age, computed to the nearest whole year, with ½ of that monthly amount continued to the retirant's joint annuitant during such joint annuitant's remaining lifetime, if any, after the death of the retirant. In the event that the designated joint annuitant under this option predeceases the retirant, the amount of the retirement benefit otherwise payable to the retirant under this option shall be adjusted automatically to the retirement benefit which the retirant would have received if no option had been elected under this section.

In the event that the designated joint annuitant under this option predeceases the retirant, the amount of the retirement benefit otherwise payable to the retirant under this option shall be adjusted automatically to the retirement benefit which the retirant would have received if no option had been elected under this section.

(D) *Life with 5 years certain.* A reduced retirement benefit is payable to the retirant during the retirant's lifetime in a monthly amount equal to 99% of the monthly payment of the retirement benefit otherwise payable under K.S.A. 74-4958 and amendments thereto, and if the retirant dies within the five-year certain period, measured from the commencement of retirement benefit payments, such payments will be continued to the retirant's beneficiary during the balance of the five-year certain period.

(G) *Lump sum payment at retirement.* (i) Pursuant to this option, the member must specify a lump sum amount to be paid to the member upon the member's retirement. Payments under one of the options provided in this section to the member's spouse if so elected, shall commence on the date that the member would have attained retirement age.

(2) The proceeds from the sale of the bonds, other than refunding bonds, issued pursuant to this section, after payment of any costs related to the issuance of such bonds, shall be paid by the authority to the Kansas public employees retirement system to be applied to the payment, in full or in part, of the unfunded accrued pension liability as directed by the Kansas public employees retirement system.

(3) The state hereby pledges and covenants with the holders of any bonds issued pursuant to the provisions of this section, that it will not limit or alter the rights or powers vested in the authority by this section, nor limit or alter the rights or powers of the authority, the department of administration or the Kansas public employees retirement system, in any manner which would jeopardize the interest of the holders or any trustee of such holders or inhibit or prevent performance or fulfillment by the authority, the department of administration or the Kansas public employees retirement system with respect to the terms of any agreement made with the holders of the bonds or agreements made pursuant to this section, except that the failure of the legislature to appropriate moneys for any purpose shall not be deemed a violation of this pledge and covenant. The department of administration is hereby specifically authorized to include this pledge and covenant in any agreement with the authority. The authority is hereby specifically authorized to include this pledge and covenant in any bond resolution, trust indenture or agreement for the benefit of holders of the bonds.

(4) Revenue bonds may be issued pursuant to this section without obtaining the consent of any department, division, commission, board or agency of the state, other than the approvals of the state finance council required by this section, and without any other proceedings or the occurrence of any other conditions or other things other than those proceedings, conditions or things which are specifically required by the Kansas development finance authority act.

Such approvals may be given by the state finance council when the legislature is in session.

(f) No bonds shall be issued pursuant to this section prior to the review of and recommendation to the state finance council of such issuance by the joint committee on pensions, investments and benefits.

EXPLANATION OF VOTE

MR. VICE PRESIDENT: I vote "yes" on **HB 2014** due to some of the positive measures it contains, namely the 13th check becoming permanent. The downside of this bill is bonding of the unfunded liability. We need to find a better way to cover this important responsibility.—KARIN BROWNLEE

MR. VICE PRESIDENT: I vote YES on **HB 2014** for many reasons.

However, the most important reason is this bill would incorporate the 13th check into a guaranteed annual benefit payment by permanently funding the state and local portions of the unfunded actuarial liability estimated at \$36 million.

This 13th check has been paid to retirees each fall since 1987, when the Legislature passed legislation which I supported. Most retirees have used the 13th check to pay for insurance premiums, health expenses, taxes or other obligations. Retirees have never considered this a "bonus" but rather an important regular part of their annual income.

Now, with less than 15,000 of these retirees still alive, whose average age is 84, and whose 13th check is an average of \$475, we are taking the historic, important step to make this an automatic, permanent benefit for our retirees for the rest of their days.—ANTHONY HENSLEY

Senators Gilstrap and Harrington request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on **HB 2014**.

MR. VICE PRESIDENT: **HB 2014** contains a risky, and I believe, unconstitutional investment scheme, that may further jeopardize our KPERS program. It involves the state borrowing \$750 million for potentially risky market investments.

The hope is that a bunch of legislators and bureaucrats in Topeka can out guess the financial markets. Given the current inability of the state to balance its own budget, I think it highly doubtful this risky scheme will work. If not, KPERS may be jeopardized.—TIM HUELSKAMP

Senator Lyon requests the record to show he concurs with the "Explanation of Vote" offered by Senator Huelskamp on **HB 2014**.

MR. VICE PRESIDENT: The undersigned have elected to pass on the vote on final action on **HB 2014** due to a possible conflict of interest in one of its provisions.—WILLIAM W. BUNTEN and LARRY D. SALMANS

ORIGINAL MOTION

Senator Oleen moved that subsection 4(k) of the Joint Rules of the Senate and House of Representatives be suspended for the purpose of considering the following bills: **HB 2067**, **HB 2461**.

COMMITTEE OF THE WHOLE

On motion of Senator Oleen, the Senate resolved itself into Committee of the Whole, for consideration of bills on the calendar under the heading of General Orders with Senator Emler in the chair.

On motion of Senator Emler the following report was adopted:

HB 2461 be passed.

HB 2067 be amended by motion of Senator Clark as amended by House Committee, on page 5, after line 19, by inserting the following:

"Sec. 7. K.S.A. 39-709 is hereby amended to read as follows: 39-709. (a) *General eligibility requirements for assistance for which federal moneys are expended.* Subject to the additional requirements below, assistance in accordance with plans under which federal moneys are expended may be granted to any needy person who:

(1) Has insufficient income or resources to provide a reasonable subsistence compatible with decency and health. Where a husband and wife are living together, the combined income or resources of both shall be considered in determining the eligibility of either or both for such assistance unless otherwise prohibited by law. The secretary, in determining need of any applicant for or recipient of assistance shall not take into account the financial responsibility of any individual for any applicant or recipient of assistance unless such applicant or recipient is such individual's spouse or such individual's minor child or minor stepchild if the stepchild is living with such individual. The secretary in determining need of an individual may provide such income and resource exemptions as may be permitted by federal law. For purposes of eligibility for aid for families with dependent children, for food stamp assistance and for any other assistance provided through the department of social and rehabilitation services under which federal moneys are expended, the secretary of social and rehabilitation services shall consider one motor vehicle owned by the applicant for assistance, regardless of the value of such vehicle, as exempt personal property and shall consider any equity in any additional motor vehicle owned by the applicant for assistance to be a nonexempt resource of the applicant for assistance.

(2) Is a citizen of the United States or is an alien lawfully admitted to the United States and who is residing in the state of Kansas.

(b) *Assistance to families with dependent children.* Assistance may be granted under this act to any dependent child, or relative, subject to the general eligibility requirements

as set out in subsection (a), who resides in the state of Kansas or whose parent or other relative with whom the child is living resides in the state of Kansas. Such assistance shall be known as aid to families with dependent children. Where husband and wife are living together both shall register for work under the program requirements for aid to families with dependent children in accordance with criteria and guidelines prescribed by rules and regulations of the secretary.

(c) *Aid to families with dependent children; assignment of support rights and limited power of attorney.* By applying for or receiving aid to families with dependent children such applicant or recipient shall be deemed to have assigned to the secretary on behalf of the state any accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. In any case in which an order for child support has been established and the legal custodian and obligee under the order surrenders physical custody of the child to a caretaker relative without obtaining a modification of legal custody and support rights on behalf of the child are assigned pursuant to this section, the surrender of physical custody and the assignment shall transfer, by operation of law, the child's support rights under the order to the secretary on behalf of the state. Such assignment shall be of all accrued, present or future rights to support of the child surrendered to the caretaker relative. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant, recipient or obligee. By applying for or receiving aid to families with dependent children, or by surrendering physical custody of a child to a caretaker relative who is an applicant or recipient of such assistance on the child's behalf, the applicant, recipient or obligee is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full.

(d) *Eligibility requirements for general assistance, the cost of which is not shared by the federal government.* (1) General assistance may be granted to eligible persons who do not qualify for financial assistance in a program in which the federal government participates and who satisfy the additional requirements prescribed by or under this subsection (d).

(A) To qualify for general assistance in any form a needy person must have insufficient income or resources to provide a reasonable subsistence compatible with decency and health and, except as provided for transitional assistance, be a member of a family in which a minor child or a pregnant woman resides or be unable to engage in employment. The secretary shall adopt rules and regulations prescribing criteria for establishing when a minor child may be considered to be living with a family and whether a person is able to engage in employment, including such factors as age or physical or mental condition. Eligibility for general assistance, other than transitional assistance, is limited to families in which a minor child or a pregnant woman resides or to an adult or family in which all legally responsible family members are unable to engage in employment. Where a husband and wife are living together the combined income or resources of both shall be considered in determining the eligibility of either or both for such assistance unless otherwise prohibited by law. The secretary in determining need of any applicant for or recipient of general assistance shall not take into account the financial responsibility of any individual for any applicant or recipient of general assistance unless such applicant or recipient is such individual's spouse or such individual's minor child or a minor stepchild if the stepchild is living with such individual. In determining the need of an individual, the secretary may provide for income and resource exemptions.

(B) To qualify for general assistance in any form a needy person must be a citizen of the United States or an alien lawfully admitted to the United States and must be residing in the state of Kansas.

(2) General assistance in the form of transitional assistance may be granted to eligible persons who do not qualify for financial assistance in a program in which the federal gov-

ernment participates and who satisfy the additional requirements prescribed by or under this subsection (d), but who do not meet the criteria prescribed by rules and regulations of the secretary relating to inability to engage in employment or are not a member of a family in which a minor or a pregnant woman resides.

(3) In addition to the other requirements prescribed under this subsection (d), the secretary shall adopt rules and regulations which establish community work experience program requirements for eligibility for the receipt of general assistance in any form and which establish penalties to be imposed when a work assignment under a community work experience program requirement is not completed without good cause. The secretary may adopt rules and regulations establishing exemptions from any such community work experience program requirements. A first time failure to complete such a work assignment requirement shall result in ineligibility to receive general assistance for a period fixed by such rules and regulations of not more than three calendar months. A subsequent failure to complete such a work assignment requirement shall result in a period fixed by such rules and regulations of ineligibility of not more than six calendar months.

(4) If any person is found guilty of the crime of theft under the provisions of K.S.A. 39-720, and amendments thereto, such person shall thereby become forever ineligible to receive any form of general assistance under the provisions of this subsection (d) unless the conviction is the person's first conviction under the provisions of K.S.A. 39-720, and amendments thereto, or the law of any other state concerning welfare fraud. First time offenders convicted of a misdemeanor under the provisions of such statute shall become ineligible to receive any form of general assistance for a period of 12 calendar months from the date of conviction. First time offenders convicted of a felony under the provisions of such statute shall become ineligible to receive any form of general assistance for a period of 60 calendar months from the date of conviction. If any person is found guilty by a court of competent jurisdiction of any state other than the state of Kansas of a crime involving welfare fraud, such person shall thereby become forever ineligible to receive any form of general assistance under the provisions of this subsection (d) unless the conviction is the person's first conviction under the law of any other state concerning welfare fraud. First time offenders convicted of a misdemeanor under the law of any other state concerning welfare fraud shall become ineligible to receive any form of general assistance for a period of 12 calendar months from the date of conviction. First time offenders convicted of a felony under the law of any other state concerning welfare fraud shall become ineligible to receive any form of general assistance for a period of 60 calendar months from the date of conviction.

(e) *Requirements for medical assistance for which federal moneys or state moneys or both are expended.* (1) When the secretary has adopted a medical care plan under which federal moneys or state moneys or both are expended, medical assistance in accordance with such plan shall be granted to any person who is a citizen of the United States or who is an alien lawfully admitted to the United States and who is residing in the state of Kansas, whose resources and income do not exceed the levels prescribed by the secretary. In determining the need of an individual, the secretary may provide for income and resource exemptions and protected income and resource levels. Resources from inheritance shall be counted. A disclaimer of an inheritance pursuant to K.S.A. 59-2291, and amendments thereto, shall constitute a transfer of resources. The secretary shall exempt principal and interest held in irrevocable trust pursuant to subsection (c) of K.S.A. 16-303, and amendments thereto, from the eligibility requirements of applicants for and recipients of medical assistance. Such assistance shall be known as medical assistance.

(2) *For the purposes of medical assistance eligibility determinations on or after July 1, 2003, if an applicant or recipient owns property in joint tenancy with some other party and the applicant or recipient of medical assistance has restricted or conditioned their interest in such property to a specific and discrete property interest less than 100%, then such designation will cause the full value of the property to be considered an available resource to the applicant or recipient.*

(3) *Resources from trusts shall be considered when determining eligibility of a trust beneficiary for medical assistance. Medical assistance is to be secondary to all resources, including trusts, that may be available to an applicant or recipient of medical assistance. If a trust has discretionary language, the trust shall be considered to be an available resource*

to the extent, using the full extent of discretion, the trustee may make any of the income or principal available to the applicant or recipient of medical assistance. Any such discretionary trust shall be considered an available resource unless: (1) The trust is funded exclusively from resources of a person who, at the time of creation of the trust, owed no duty of support to the applicant or recipient; and (2) the trust contains specific contemporaneous language that states an intent that the trust be supplemental to public assistance and the trust makes specific reference to medicaid, medical assistance or title XIX of the social security act.

(4) (A) When an applicant or recipient of medical assistance is a party to a contract, agreement or accord for personal services being provided by a nonlicensed individual or provider and such contract, agreement or accord involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits, or other related issues, any moneys paid under such contract, agreement or accord shall be considered to be an available resource unless the following restrictions are met: (i) The contract, agreement or accord must be in writing and executed prior to any services being provided; (ii) the moneys paid are in direct relationship with the fair market value of such services being provided by similarly situated and trained nonlicensed individuals; (iii) if no similarly situated nonlicensed individuals or situations can be found, the value of services will be based on federal hourly minimum wage standards; (iv) such individual providing the services will report all receipts of moneys as income to the appropriate state and federal governmental revenue agencies; (v) any amounts due under such contract, agreement or accord shall be paid after the services are rendered; (vi) the applicant or recipient shall have the power to revoke the contract, agreement or accord; and (vii) upon the death of the applicant or recipient, the contract, agreement or accord ceases.

(B) When an applicant or recipient of medical assistance is a party to a written contract for personal services being provided by a licensed health professional or facility and such contract involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits or other related issues, any moneys paid in advance of receipt of services for such contracts shall be considered to be an available resource.

(f) Eligibility for medical assistance of resident receiving medical care outside state. A person who is receiving medical care including long-term care outside of Kansas whose health would be endangered by the postponement of medical care until return to the state or by travel to return to Kansas, may be determined eligible for medical assistance if such individual is a resident of Kansas and all other eligibility factors are met. Persons who are receiving medical care on an ongoing basis in a long-term medical care facility in a state other than Kansas and who do not return to a care facility in Kansas when they are able to do so, shall no longer be eligible to receive assistance in Kansas unless such medical care is not available in a comparable facility or program providing such medical care in Kansas. For persons who are minors or who are under guardianship, the actions of the parent or guardian shall be deemed to be the actions of the child or ward in determining whether or not the person is remaining outside the state voluntarily.

(g) Medical assistance; assignment of rights to medical support and limited power of attorney; recovery from estates of deceased recipients. (1) Except as otherwise provided in K.S.A. 39-786 and 39-787, and amendments thereto, or as otherwise authorized on and after September 30, 1989, under section 303 and amendments thereto of the federal medicare catastrophic coverage act of 1988, whichever is applicable, by applying for or receiving medical assistance under a medical care plan in which federal funds are expended, any accrued, present or future rights to support and any rights to payment for medical care from a third party of an applicant or recipient and any other family member for whom the applicant is applying shall be deemed to have been assigned to the secretary on behalf of the state. The assignment shall automatically become effective upon the date of approval for such assistance without the requirement that any document be signed by the applicant or recipient. By applying for or receiving medical assistance the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or

other negotiable instruments, representing payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for assistance and shall remain in effect until the assignment has been terminated in full. The assignment of any rights to payment for medical care from a third party under this subsection shall not prohibit a health care provider from directly billing an insurance carrier for services rendered if the provider has not submitted a claim covering such services to the secretary for payment. Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to subsection (d) of K.S.A. 39-756, and amendments thereto, except that any amounts designated as medical support shall be retained by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

(2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection (e) is (A) a claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both, and (B) a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 9-1216, 17-2263, 17-2264, 17-5828 or 17-5829, and amendments thereto. There shall be no recovery of medical assistance correctly paid to or on behalf of an individual under subsection (e) except after the death of the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled. Transfers of real or personal property by recipients of medical assistance without adequate consideration are voidable and may be set aside. Except where there is a surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any medical assistance paid under subsection (e) is a claim against the estate in any guardianship or conservatorship proceeding. The monetary value of any benefits received by the recipient of such medical assistance under long-term care insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall be a credit against the amount of the claim provided for such medical assistance under this subsection (g). The secretary is authorized to enforce each claim provided for under this subsection (g). The secretary shall not be required to pursue every claim, but is granted discretion to determine which claims to pursue. All moneys received by the secretary from claims under this subsection (g) shall be deposited in the social welfare fund. The secretary may adopt rules and regulations for the implementation and administration of the medical assistance recovery program under this subsection (g).

(3) *By applying for or receiving medical assistance under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, such individual or such individual's agent, fiduciary, guardian conservator, representative payee or other person acting on behalf of the individual consents to the following definitions of estate and the results therefrom:*

(A) *If an individual receives any medical assistance before July 1, 2003, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, which forms the basis for a claim under subsection (g)(2), such claim is limited to the individual's probatable estate as defined by applicable law; and*

(B) *if an individual receives any medical assistance on or after July 1, 2003, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, which forms the basis for a claim under subsection (g)(2), such claim shall apply to the individual's medical assistance estate. The medical assistance estate is defined as including all real and personal property and other assets in which the deceased individual had any legal title or interest at the time of death including assets conveyed to a survivor, heir or assign of the deceased individual through joint tenancy, tenancy in common, survivorship, transfer-on-death deed, payable-on-death contract, life estate, trust, annuities or similar arrangement.*

(4) *The secretary of social and rehabilitation services or the secretary's designee is authorized to file and enforce a lien against the real property of a recipient of medical assistance in certain situations, subject to all prior liens of record. The lien must be filed in the office*

of the register of deeds of the county where the real property is located and must contain the legal description of all real property in the county subject to the lien. This lien is for payments of medical assistance made by the department of social and rehabilitation services to the recipient who is an inpatient in a nursing home or other medical institution. Such lien may be filed only after notice and an opportunity for a hearing has been given. Such lien may be enforced only upon competent medical testimony that the recipient cannot reasonably be expected to be discharged and returned home. A six-month period of compensated inpatient care at a nursing home, nursing homes or other medical institution shall constitute a determination by the department of social and rehabilitation services that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and resides in the home on which the lien has been placed for a period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. The amount of the lien shall be for the amount of assistance paid by the department of social and rehabilitation services after the expiration of six months from the date the recipient became eligible for compensated inpatient care at a nursing home, nursing homes or other medical institution until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient.

(5) The lien filed by the secretary or the secretary's designee for medical assistance correctly received may be enforced before or after the death of the recipient by the filing of an action to foreclose such lien in the Kansas district court or through an estate probate court action in the county where the real property of the recipient is located. However, it may be enforced only:

- (A) After the death of the surviving spouse of the recipient;
- (B) when there is no child of the recipient, natural or adopted, who is 20 years of age or less residing in the home;
- (C) when there is no adult child of the recipient, natural or adopted, who is blind or disabled residing in the home; or
- (D) when no brother or sister of the recipient is lawfully residing in the home, who has resided there for at least one year immediately before the date of the recipient's admission to the nursing or medical facility, and has resided there on a continuous basis since that time.

(6) The lien remains on the property even after a transfer of the title by conveyance, sale, succession, inheritance or will unless one of the following events occur:

- (A) The lien is satisfied. The recipient, the heirs, personal representative or assigns of the recipient may discharge such lien at any time by paying the amount of the lien to the secretary or the secretary's designee;
- (B) The lien is terminated by foreclosure of prior lien of record;
- (C) the value of the real property is consumed by the lien, at which time the secretary or the secretary's designee may force the sale for the real property to satisfy the lien; or
- (D) after a lien is filed against the real property, it will be dissolved if the recipient leaves the nursing or medical facility and resides in the property to which the lien is attached for a period of more than 90 days without being readmitted as an inpatient to a nursing or medical facility, even though there may have been no reasonable expectation that this would occur. If the recipient is readmitted to a nursing or medical facility during this period, and does return home after being released, another 90 days must be completed before the lien can be dissolved.

(7) If the secretary of social and rehabilitation services or the secretary's designee has not filed an action to foreclose the lien in the Kansas district court in the county where the real property is located within 10 years from the date of the filing of the lien, then the lien shall become dormant, and shall cease to operate as a lien on the real estate of the recipient. Such dormant lien may be revived in the same manner as a dormant judgment lien is revived under K.S.A. 60-2403 *et seq.*

(h) Placement under code for care of children or juvenile offenders code; assignment of support rights and limited power of attorney. In any case in which the secretary of social and rehabilitation services pays for the expenses of care and custody of a child pursuant to K.S.A. 38-1501 *et seq.* or 38-1601 *et seq.*, and amendments thereto, including the expenses of any foster care placement, an assignment of all past, present and future support rights of

the child in custody possessed by either parent or other person entitled to receive support payments for the child is, by operation of law, conveyed to the secretary. Such assignment shall become effective upon placement of a child in the custody of the secretary or upon payment of the expenses of care and custody of a child by the secretary without the requirement that any document be signed by the parent or other person entitled to receive support payments for the child. When the secretary pays for the expenses of care and custody of a child or a child is placed in the custody of the secretary, the parent or other person entitled to receive support payments for the child is also deemed to have appointed the secretary, or the secretary's designee, as attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary on behalf of the child. This limited power of attorney shall be effective from the date the assignment to support rights becomes effective and shall remain in effect until the assignment of support rights has been terminated in full.

(i) No person who voluntarily quits employment or who is fired from employment due to gross misconduct as defined by rules and regulations of the secretary or who is a fugitive from justice by reason of a felony conviction or charge shall be eligible to receive public assistance benefits in this state. Any recipient of public assistance who fails to timely comply with monthly reporting requirements under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations.

(j) If the applicant or recipient of aid to families with dependent children is a mother of the dependent child, as a condition of the mother's eligibility for aid to families with dependent children the mother shall identify by name and, if known, by current address the father of the dependent child except that the secretary may adopt by rules and regulations exceptions to this requirement in cases of undue hardship. Any recipient of aid to families with dependent children who fails to cooperate with requirements relating to child support enforcement under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations which penalty shall progress to ineligibility for the family after three months of noncooperation.

(k) By applying for or receiving child care benefits or food stamps, the applicant or recipient shall be deemed to have assigned, pursuant to K.S.A. 39-756 and amendments thereto, to the secretary on behalf of the state only accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant or recipient. By applying for or receiving child care benefits or food stamps, the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full. An applicant or recipient who has assigned support rights to the secretary pursuant to this subsection shall cooperate in establishing and enforcing support obligations to the same extent required of applicants for or recipients of aid to families with dependent children.

New Sec. 8. On or before the first day of each regular session of the legislature, the secretary shall prepare and submit to the president of the senate and the speaker of the house of representatives a report of the total amount of moneys expended by the department for medical assistance, the amount of moneys recovered pursuant to subsection (g) of K.S.A. 39-709, and amendments thereto, and any recommendations for legislation necessary to insure that the factors or methods used to determine eligibility for medical assistance more accurately represent the resources of an applicant for, or recipient of, medical assistance.

Sec. 9. K.S.A. 39-709 is hereby repealed.”;

And by renumbering the remaining section accordingly;
