

Journal of the House

FORTY-THIRD DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Friday, March 12, 2004, 10:30 a.m.

The House met pursuant to adjournment with Speaker Mays in the chair.
The roll was called with 119 members present.

Reps. Barbieri-Lightner, Hill, Loganbill, O'Neal, Tafanelli and Yonally were excused on excused absence by the Speaker.

Prayer by Chaplain Chamberlain:

Lord of grace and peace, hear us as we pray.

There are those weeks, O God, when we wonder if there will ever be an end; weeks when no matter how hard we work, we seem more behind at the end than we did at the beginning.

It's been a long week Lord. We're ready for rest. Not just physical rest, but emotional and spiritual rest as well. Not just the rest of a good night's sleep, but the rest that comes in the comfort of time spent with you.

Bless the Sabbath that is upon us. Let it be a time set aside for the renewal of our bodies, our minds and our spirits. Be with us and with those we love as we gather together in worship and praise of you and of your great works. Give voice to our prayers and joy to our re-creation. Refresh us, restore us, and renew us so that we may come again to the work you give us strengthened by your love, empowered by your word and equipped with your grace. Amen.

The Pledge of Allegiance was led by Rep. Myers.

Committee on **Local Government** recommends **SB 328** be amended on page 3, following line 36, by inserting the following:

“New Sec. 6. Sections 6 through 10, and amendments thereto, shall be known and may be cited as the commercial real estate broker lien act.

New Sec. 7. As used in sections 6 through 10, and amendments thereto:

(a) “Commercial real estate” means any real estate for which the present use is other than (1) four or fewer residential units or (2) for agricultural purposes.

(b) “Commission” means any and all compensation which may be due a broker for services provided as a licensee.

(c) “Licensed services” means services provided to a buyer or tenant as a licensee.

(d) “Real estate” and “licensee” have the meanings ascribed thereto in K.S.A. 58-3035, and amendments thereto.

New Sec. 8. (a) Any licensee shall have a lien, upon commercial real estate or any interest in that commercial real estate which is the subject of a purchase, lease or other conveyance to a buyer or tenant of an interest in the commercial real estate, in the amount that the licensee is due for licensed services which shall include without limitation, brokerage fees, consulting fees and management fees:

(1) Under a written instrument signed either by the owner of an interest in the commercial real estate or by the owner’s duly authorized agent; or

(2) under a written instrument signed by a prospective buyer or prospective tenant or their respective duly authorized agent.

The lien shall be available to the licensee named in the instrument signed by the owner, buyer or tenant or such person’s authorized agents, and not to an employee or independent contractor of the licensee.

(b) This lien shall attach to the commercial real estate or any interest in the commercial real estate upon:

(1) The licensee being otherwise entitled to a fee or commission under a written instrument signed by the owner, buyer, tenant or such person’s authorized agent; and

(2) except as provided in subsection (c), (d), (e) or (f), the licensee recording a notice of lien in the register of deeds office of the county in which the real property or any interest in the real property is located, prior to the actual conveyance or transfer of the commercial real estate against which the licensee is claiming a lien. The lien shall attach as of the date of the recording of the notice of lien and does not and shall not relate back to the date of the written instrument.

(c) Except as provided in subsections (d), (e) or (f), when payment to a licensee is due in installments, a portion of which is due only after the conveyance or transfer of the commercial real estate, any notice of lien for those payments due after the transfer or conveyance may be recorded at any time which is subsequent to the transfer or conveyance of the commercial real estate and which time is within 90 days of the date on which the payment is due. However, such notice of lien shall only be effective as a lien against the transferor's interest in the commercial real estate to the extent moneys are still owed to the transferor by the transferee; but the lien shall be effective as a lien against the transferee's interest without limitations described above in this section. A single claim for lien recorded prior to transfer or conveyance of the commercial real estate claiming all moneys due under an installment payment agreement shall be valid and enforceable as it pertains to payments due after the transfer or conveyance; provided however, that as payments or partial payments of commission are received, the licensee shall provide partial releases therefor, thereby reducing the amount due the licensee under its notice of lien.

(d) In the case of a lease which shall also include a sublease or assignment of lease, the notice of lien must be recorded not later than 90 days after the tenant takes possession of the leased premises. If the transferor personally serves written notice of the intended execution of the lease on the broker entitled to claim a lien at least 10 days prior to the date of the intended execution of the lease, the notice of lien must be recorded before the date indicated in such notice for the execution of the lease. The lien shall attach as of the recording of the notice of lien and does not and shall not relate back to the date of the written instrument.

(e) If a licensee may be due additional commission either as a result of future actions, including, but not limited to, the exercise of an option to expand the leased premises, to renew or extend a lease, or to purchase the property, or otherwise, pursuant to a written instrument signed by the then owner or tenant, the licensee may record its notice of lien at any time after execution of the lease or other written instrument which contains such option but not later than 90 days after the event or occurrence on which the additional commission is claimed occurs. Notwithstanding subsection (i), an action to foreclose a lien to collect additional commissions must be commenced within one year of the occurrence or transaction on which the additional commission is claimed.

(f) In the event that the property is sold or otherwise conveyed prior to the date on which an additional commission is due, if the broker has filed a valid notice of lien prior to the sale or other conveyance of the property, then the purchaser or transferee shall be deemed to have notice of and shall take title to the property subject to the notice of lien. If a broker claiming an additional commission fails to record its notice of lien for additional commission prior to the recording of a deed conveying legal title to the property to the purchaser or transferee, then such licensee may not claim a lien on the property. The foregoing provisions of this subsection shall not limit or otherwise affect claims or defenses a licensee or owner or any other party may have on any other basis, in law or in equity.

(g) If a licensee has a written agreement with a prospective buyer or tenant as described in subsection (a) (2), then the lien shall attach upon the prospective buyer purchasing or otherwise accepting a conveyance or transfer of the commercial real estate and the recording of a notice of lien by the broker in the register of deeds office of the county in which the real property, or any interest in the real property is located, within 90 days after the purchase or other conveyance or transfer to the buyer or tenant. The lien shall attach as of the date of the recording of the notice of lien and does not and shall not relate back to the date of the written instrument.

(h) The licensee shall, within 10 days of recording its notice of lien, either mail a copy of the notice of lien to the owner of record on the commercial real estate by registered mail, or the agent of the owner of record at the address of the owner stated in the written

instrument on which the claim for lien is based, or if no such address is given, then to the address of the property on which the claim of lien is based. If the notice of lien is recorded within 10 days prior to closing, the broker is not required to mail or personally serve a copy of the notice of lien. Mailing of the copy of the notice of lien is effective when deposited in the United States mail box with postage prepaid. The broker's lien shall be unenforceable if mailing or service of the copy of notice of lien does not occur at the time and in the manner required by this section.

(i) (1) A licensee may bring suit to enforce a lien in the district court in the county where the property is located by filing a complaint and sworn affidavit that the notice of lien has been recorded.

(2) The licensee claiming a lien, within one year after recording the notice of lien, shall commence proceedings, by filing a complaint. Failure to commence proceedings as required herein within one year after recording the notice of lien shall extinguish the lien. No subsequent notice of lien may be given for the same claim nor may that claim be asserted in any proceedings under this act.

(3) A licensee claiming a lien based upon an option or other right to purchase or lease, within one year after the transfer or conveyance of the commercial real state under the exercise of the option to purchase or lease, shall commence proceedings by filing a complaint. Failure to commence proceedings within this time shall extinguish the lien. No subsequent notice of lien may be given for the same claim nor may that claim be asserted in any proceedings under this act.

(4) A complaint under this section shall contain a brief statement of the contract or instrument on which the lien is founded the date when the contract or instrument was made, a description of the services performed, the amount due and unpaid, a description of the property that is subject to the lien, and other facts necessary for a full understanding of the rights of the parties. The plaintiff shall make all interested parties, of whose interest the plaintiff is notified or has knowledge, defendants to the actions, and shall issue summons and provide service as in other civil actions. When any defendant resides or has gone out of the state, or on inquiry cannot be found, or is concealed within the state so that process cannot be served on that defendant, the plaintiff shall cause a notice to be given to that defendant, or cause a copy of the complaint to be served upon that defendant in the manner and upon the same conditions as in other civil actions. Failure of the plaintiff to provide proper summons or notice shall be grounds for judgment against the plaintiff and in favor of the defendant who is not properly served with summons or notice with prejudice. All liens claimed under this act shall be foreclosed as provided for in article 24 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto.

(j) The notice of lien shall state the name of the claimant, the name of the owner, a description of the property upon which the lien is being claimed, the amount for which the lien is claimed, and the licensee's license number. The notice of lien shall recite that the information contained in the notice is true and accurate to the knowledge of the signator. The notice of lien shall be signed by the licensee or the authorized agent of the licensee and shall be verified.

(k) Whenever a notice of lien has been filed with the register of deeds and a condition occurs that would preclude the licensee from receiving compensation under the terms of the written agreement on which the lien is based, the licensee shall provide to the owner of record, within 10 days following written demand by the owner of record, a written release or satisfaction of the lien.

(l) Upon written demand of the owner, licensee or other authorized agent of the owner or licensee, which demand shall be served on the licensee claiming the lien requiring suit to be commenced to enforce the lien or answer to be filed in a pending suit, a suit shall be commenced or answer filed within 30 days thereafter, or the lien shall be extinguished. Service of such written demand may be made by registered mail, return receipt requested, or by personal service.

(m) Whenever a notice of lien has been filed with the register of deeds and such claimed commission has been paid to the licensee claiming the lien, or where there is failure to institute a suit to enforce the lien within the time provided by this act, the licensee shall acknowledge satisfaction or release of the notice of lien in writing, on written demand of

the owner within five days after payment or within five days of expiration of the time in which the notice of lien was to be filed.

(n) If the licensee and the party or parties from whom the commission is claimed agree to alternative dispute resolution, the claim shall be heard and resolved in the forum on which these parties have agreed. The court before which the lien foreclosure proceeding is brought shall retain jurisdiction to enter judgment on the award or other result made or reached by alternative dispute resolution on all parties to the foreclosure. The licensee's notice of lien shall remain of record and the foreclosure and the proceeding shall be stayed during the pendency of the alternative dispute resolution process.

(o) The cost of proceedings brought under this act including reasonable attorney fees, costs and prejudgment interest due to the prevailing party shall be borne by the nonprevailing party or parties. When more than one party is responsible for costs, fees and prejudgment interest, the costs, fees and prejudgment interest shall be equitably apportioned by the court or mediator among those responsible parties.

(p) Except for a waiver or release of lien provided in consideration of payment of the fee claimed by the licensee, or pursuant to subsections (k) and (m), any waiver of a broker's right to lien commercial property under this statute, any other waiver or release of lien shall be void.

New Sec. 9. Prior valid recorded liens, mortgages and other encumbrances shall have priority over a licensee's lien. Such prior recorded liens, mortgages and encumbrances shall include, without limitation: (a) A valid mechanic's lien claim that is recorded subsequent to the licensee's notice of lien but which relates back to a date prior to the recording date of the licensee's notice of lien; and (b) prior recorded liens securing revolving credit and future advances of construction loans.

New Sec. 10. Except as otherwise provided in this section, whenever a claim for lien has been filed with the register of deeds, and an escrow account is established either from the proceeds from the transaction conveyance or any other source of funds in an amount computed as 125% of the amount of the claim for lien then the lien against the real estate shall be extinguished and becomes a lien on the funds contained in the escrow account. The requirement to establish an escrow account, as provided for in this section, shall not be cause for any party to refuse to close the transaction.”;

And by renumbering sections accordingly;

On page 1, in the title, in line 9, by striking all after “concerning”; in line 10, by striking “service” and inserting “real property; relating to liens”; and the bill be passed as amended.
