

Journal of the House

SIXTY-SEVENTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Thursday, May 27, 2004, 10:00 a.m.

The House met pursuant to **SCR 1624** with Speaker Mays in the chair.
Reps. Campbell, Edmonds, Faber, Jack, Loganbill, Loyd, Neufeld, Novascone, Phelps, Sawyer, Schwab and Tafanelli were excused on excused absence by the Speaker.
Present later: Rep. Phelps.

CHANGE OF CONFEREES

Speaker Mays announced the appointment of Reps. Sloan, Decker and Storm as a members of the conference committee on **S. Sub. for HB 2937** to replace Reps. Decker, O'Neal and Reardon.

MESSAGES FROM THE GOVERNOR

Sub. HB 2777 approved on May 11, 2004.

Also, **HB 2037, HB 2101, HB 2201, HB 2393, HB 2545, HB 2557, HB 2563, HB 2568, HB 2569, HB 2571, HB 2606, HB 2617, HB 2653, HB 2682, HB 2745; S. Sub. for HB 2886** approved on May 13, 2004.

Also, **HB 2067; S. Sub. for HB 2133; HB 2347; S. Sub. for HB 2404; HB 2418, HB 2549, HB 2556, HB 2597, HB 2638, HB 2641, HB 2658, HB 2695, HB 2703, HB 2705, HB 2712, HB 2795; S. Sub. for HB 2899; HB 2939, HB 2947** approved on May 17, 2004.

HB 2347 enacts the Kansas Uniform Securities Act, which provides important new consumer protections for Kansans who purchase securities. The Act preserves the Securities Commissioner's powers to protect Kansans, including the power to order restitution for the victims of the improper sale of securities. Among its provisions, it also expands the criminal statute of limitations by adding tolling provisions, and gives the Commissioner the authority to assess fines for misconduct by a licensed person and suspend such person's license.

Unfortunately, however, the version of **HB 2347** that reached my desk is significantly different than the bill first passed both houses. In conference committee, legislators shortened the statute of limitations for civil enforcement for registration violations from two years to one year, even though that was not the position of either chamber. This extremely short statute of limitations weakens the ability of Kansans to seek justice for the improper registration of securities, and will, in some cases, deprive Kansans of due process under the law.

The enactment date of the Kansas Uniform Securities Act is July 1, 2005. I have confirmed that the chair of the Senate Judiciary Committee will take up the Statute of Limitations in this Act during the 2005 legislative session before the bill is enacted. To protect Kansas consumers, including elderly Kansans most vulnerable to monetary loss as a result of a registration violation, the Statute of Limitations needs to be lengthened. Having been assured that this provision will be addressed during the 2005 legislative session, and in order to protect the other necessary pro-consumer provisions in the bill, I sign **HB 2347**.

HB 2418 would raise the retirement age for District Court and Court of Appeals judges to 75, but leave the retirement age for Supreme Court justices at 70. If age 75 is an appropriate age for the District Court and Court of Appeals, it is likewise an appropriate retirement age for the Supreme Court. I can find no compelling reason to require a Supreme Court judge to retire at age 70, while still allowing a judge to serve in a lower court until age 75.

HB 2418, however, also contains a repeal of House Bill 2618, which extended the appeals judges' terms from four to six years. Article 15, §2 of the Kansas Constitution states that the Legislature cannot create any office with a term that exceeds four years. For this reason, I sign House Bill 2418 and urge the Legislature to review the inequality in retirement ages this bill establishes.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2669**, An act authorizing certain state agencies to collect fees for services rendered; concerning the division of accounts and reports; relating to the write off of accounts receivable; setoff collection assistance fee; establishing the treasurer services reimbursement fund; amending K.S.A. 44-716a and K.S.A. 2003 Supp. 60-2310 and 75-6210 and repealing the existing sections; also repealing K.S.A. 75-37281, 75-3728c and 75-3728d and K.S.A. 2003 Supp. 75-3728b, was received and read.

Message to the House of Representatives of the State of Kansas:

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto **HB 2669**. **HB 2669** codifies into law funding the State Treasurer's Office through "banking fees," fees charged on warrants issued by other state agencies. This funding mechanism was first implemented in the FY 2004 budget as a response to my request for the State Treasurer's Office to become a self-supporting agency. In my FY 2004 budget, I recommended a new plan to fund this office, one that would not place an unnecessary burden upon other state agencies. However, the State Treasurer rejected that plan. In the FY 2005 budget I signed last month, "banking fees" again fully fund the State Treasurer's office.

I believe the State Treasurer's Office should operate with funding that is not simply shifted from other state agencies, but generated from fees on services the Treasurer's Office delivers to the people of Kansas.

The veto of this legislation in no way jeopardizes the funding of the Treasurer's Office. Full funding of the State Treasurer's office is provided under the FY 2005 budget. This measure, however, does allow the State Treasurer's Office, the office of the Governor, and the legislature to further discuss how best to fund the Treasurer's Office.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2805**, An act concerning counties; relating to law enforcement, was received and read.

Message to the House of Representatives of the State of Kansas:

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto **HB 2805**. My office has received contradictory and inconsistent opinions regarding this bill and I feel a great deal of confusion exists concerning what HB 2805 is meant to accomplish. Furthermore, my office has been contacted by a number of statewide public safety organizations who are concerned about the effect this bill will have on the future of their

employment, and most importantly the future of their retirement. For these reasons, I veto this bill and ask that the communities involved further review the effects of this legislation.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2880**, An act concerning the courts; amending K.S.A. 20-101, 20-162, 20-318, 20-320, 20-361, 20-3014 and 75-3122 and K.S.A. 2003 Supp. 20-158 and 20-319 and repealing the existing sections; also repealing K.S.A. 20-152, 20-153, 20-154, 20-161, 20-321, 20-322, 20-323 and 20-351a, was received and read.

Message to the House of Representatives of the State of Kansas:

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto **HB 2880**. The current law concerning how the judicial branch is governed has been in place for nearly three decades. Although this law can be changed and improved over time, these changes should only take place after thorough consultation with members of the judicial branch, and particularly with members of the Supreme Court. Changes should reflect the judiciary's views that their own rules no longer serve the Court well. This consultation ensures that the judicial branch has the independence it requires to perform its unique function in our system of government.

Because **HB 2880** would make a fundamental change in how the Supreme Court governs the judicial branch, this consultation is especially important. Since **HB 2880** passed the Legislature, I have heard a wide array of views about the bill, from within the judicial branch and elsewhere. From these views, I am not convinced that there is consensus within the judicial branch or on the Supreme Court for this change. Therefore, since I believe we should change the internal workings of the Court only with great caution and after thorough consultation, I veto **HB 2880**.

I appreciate the work legislators put into this bill, and I want all parties to know that I have carefully considered their views. I am willing to entertain a change to this law. To that end, I call on the leaders of the judicial branch to consult more broadly with judges, lawyers and key leaders of the Legislature to reach consensus before the next legislative session to determine whether this sort of change is necessary, and, if so, what form it should take.

MESSAGES FROM THE GOVERNOR

Sub. HB 2145; HB 2271; S. Sub. for HB 2375; HB 2742, HB 2758, HB 2948, HB 2949 approved on May 20, 2004.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2774**, An act concerning townships; relating to annexation of township territory by cities; amending K.S.A. 12-520 and repealing the existing section, was received and read.

Message to the House of Representatives of the State of Kansas:

Pursuant to Article 2, §14 of the Constitution of the State of Kansas, I veto **HB 2774**. **HB 2774** would significantly alter the annexation laws in Shawnee and Sedgwick counties by creating a new review board process to determine if a proposed annexation should be approved.

While I am very sympathetic to the issues and concerns of local citizens behind this particular piece of legislation, as a matter of policy, I believe that all cities and counties in the State of Kansas should follow the same rules, especially when it comes to annexation.

It is a fundamental belief that I have held since my days as a member of the House of Representatives.

As was the case with 2003 **HB 2212**, which I also vetoed, **HB 2774** is non-uniform in its application to cities and counties, and therefore, is subject to serious constitutional challenge. In my veto message of 2003 **HB 2212**, I indicated my belief that a challenge should be considered for the special annexation legislation passed for Shawnee County in 1987. The City of Topeka is currently litigating this issue. The outcome of this case should provide further legal direction concerning the constitutional limits imposed on the Kansas Legislature on the subject of annexation. The case is now in the early stages of litigation.

It is my sincere hope that the outcome of this case will provide the legal direction and guidance necessary to frame future annexation legislation that will clearly be able to pass constitutional muster, address the very important issues and concerns of local citizens at hand, and receive my signature.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2624**, An act concerning libraries; relating to the Topeka and Shawnee county library district; amending K.S.A. 12-1260 and 12-1267 and repealing the existing sections, was received and read.

Message to the House of Representatives of the State of Kansas:

Pursuant to Article 2, §14 of the Kansas Constitution, I veto **HB 2624**. **HB 2624** amends current law to allow the city of Auburn in Shawnee County, Kansas to withdraw from the countywide property tax that funds the Topeka and Shawnee County library district. The voters of Shawnee County made the decision years ago to have a combined city-county library, and voted for a tax increase for that purpose. Auburn residents will still be able to use the services of the Topeka and Shawnee County Library, but if they vote to separate themselves from the district library, they will no longer be providing any financial support. Enactment of this bill would set a precedent and could result in other local units of government opting out of already established library districts across the state. This would weaken the impact Kansas' library system which has been in place and served the people of Kansas well since.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **S. Sub. for HB 2471**, An act making and concerning appropriations for the fiscal years ending June 30, 2004, June 30, 2005, June 30, 2006 and June 30, 2007; authorizing certain transfers and fees, imposing certain restrictions and limitations and directing or authorizing certain receipts, disbursements, capital improvements and acts incidental to the foregoing; repealing section 66 of 2004 House Bill No. 2675, was received and read.

Message to the House of Representatives of the State of Kansas:

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return **S. Sub. for HB 2471** with my signature approving the bill, except for the items enumerated below.

Juvenile Justice Authority

New Position for Interstate Compact

That portion of Section 5(a) that reads as follows has been line-item vetoed:

“Operating expenditures
 For the fiscal year ending June 30, 2005..... \$46,700”

The Legislature appropriated \$46,700 from the State General Fund in FY 2005 to aid the Juvenile Justice Authority in administering the interstate compact for juvenile offenders. However, the agency will be able to cover any costs related to administration of the compact within its existing budget. As a result, I veto the funding that the Legislature added for this compact.

Department of Agriculture

New Food Safety Director

Sections 7(a) and 7(d) have been line-item vetoed in their entirety.
 The Legislature approved my Executive Reorganization Order to transfer the Food Safety Program from the Department of Health and Environment to the Department of Agriculture. My intention was to transfer the same resources of funding and positions from one agency to the other, thus resulting in no net effect on the budget. However, the Legislature added \$57,850 from the State General Fund for FY 2005 to finance a new Food Safety Director for the program. I veto the funding for this position as an expense that undermines the original intent of fiscal neutrality.

Board of Regents

Southwest Kansas Access Program

That portion of Section 13(b) that reads as follows has been line-item vetoed:
 “Southwest Kansas access project
 For the fiscal year ending June 30, 2005..... \$200,000

Provided, That the state board of regents is hereby authorized to transfer moneys from the southwest Kansas access project account to the appropriate account or accounts of the state general fund of any state educational institution under the control and supervision of the state board of regents.”

The Board of Regents was appropriated \$200,000 from the State General Fund for FY 2004 for this program, and another \$200,000 was approved for FY 2005 in the regular appropriations bill. In the omnibus appropriations bill, the Legislature appropriated still another \$200,000 for FY 2005. I veto the \$200,000 that was appropriated in the omnibus bill because it provides more funds than the agency can reasonably spend. Of the original \$200,000 appropriated for FY 2004, only a small portion has been expended to date. Therefore, it is projected that a significant portion of the original appropriation for FY 2004 will carry over in FY 2005. When combined with the new appropriation of \$200,000 for FY 2005 in the regular appropriations bill, sufficient funds will be available in FY 2005 to finance this program.

Attorney General

New White-Collar Crime Unit

That portion of Sections 14(a) that reads as follows has been line-item vetoed:
 “For the fiscal year ending June 30, 2005 \$200,000”
 Section 14(b) has been line-item vetoed in its entirety.

The Legislature appropriated \$200,000 from the State General Fund and increased the agency’s position limitation by 2.0 FTE positions for a new white-collar crime unit for FY 2005. Investigation and prosecution of white-collar crime are important to protect the interests of the citizens of the State of Kansas. Currently, there are several state agencies that guard against white-collar crime activities, including the Office of the Kansas Securities Commissioner, the Kansas Insurance Department, the Office of the Bank Commissioner, and the Kansas Bureau of Investigation. I believe that these agencies and the Attorney General’s Office, in collaboration with local law enforcement agencies and county and district attorneys, have contributed significantly to the investigation and prosecution of white-collar crime across the state and will continue to do so. I therefore veto the funds and positions that the Legislature added for this purpose.

Department of Health & Environment**Pregnancy Maintenance**

Section 25(a) has been line-item vetoed in its entirety.

The Pregnancy Maintenance Initiative (PMI) issues grants to not-for-profit organizations that provide care to pregnant women. However, the PMI funding from the state is not the sole source of funding that these organizations receive. Because many different public health programs are competing for state resources, I veto the spending of limited State General Fund dollars for the pregnancy maintenance programs that have been and will continue to be supported by communities and other sources of funding.

Kansas Bureau of Investigation**Great Bend Lab Renovation**

Section 35(a) has been line-item vetoed in its entirety.

The Legislature authorized the expenditure of monies from the agency's Forensic Laboratory and Materials Fee Fund for FY 2005 through FY 2007 for renovation of the Great Bend laboratory. While this capital improvement project may have great merit, it should be handled through the normal budget process and considered in context with all of the other priorities that the agency may have. A proper review of this project, along with the mechanism for funding it in its entirety, should be presented in the agency's budget submission in September.

Department of Corrections**Visitor Centers**

Section 37(e) has been line-item vetoed in its entirety.

The Legislature funded the visitor centers in the amount of \$125,000 from the Inmate Benefit Fund in FY 2005. Of this amount, any expenditures over \$25,000 would have had to be matched dollar-for-dollar from federal funds, local contributions, or in-kind donations. Because of the state's financial situation, the Department of Corrections has seen a significant funding reduction for inmate programs over the past five fiscal years. Although the visitor centers have provided a useful service to inmates and their families, other priority inmate programs that have been reduced or eliminated should be restored first.

Selected Agencies**School Finance Plan**

Sections 43, 44, 45, and 46 have been line-item vetoed in their entirety.

These sections of the omnibus bill represent the Legislature's last unsuccessful attempt in passing a school finance plan. The sections make appropriations of State General Fund monies to the Department of Education for FY 2005, transfer funds from the State Highway Fund to the State General Fund at the end of FY 2005, and make appropriations for FY 2006 from the State General Fund for operating expenditures of the Division of Vehicles of the Department of Revenue and State Highway Patrol. Although there are provisions in these sections to lapse the appropriations and nullify the transfer if no school finance bill is passed, I veto these sections as a technical matter by removing unneeded language.

(a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(ix) The amount of any ad valorem taxes and assessments paid and the amount of any costs incurred for habitat management or construction and maintenance of improvements on real property, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,203 and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 2003 Supp. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to paragraph (xv) of subsection (c) of K.S.A. 79-32,117, and amendments thereto, or if such amounts are not already included in the federal adjusted gross income.

(c) There shall be subtracted from federal adjusted gross income:

(i) Interest or dividend income on obligations or securities of any authority, commission or instrumentality of the United States and its possessions less any related expenses directly incurred in the purchase of such obligations or securities, to the extent included in federal adjusted gross income but exempt from state income taxes under the laws of the United States.

(ii) Any amounts received which are included in federal adjusted gross income but which are specifically exempt from Kansas income taxation under the laws of the state of Kansas.

(iii) The portion of any gain or loss from the sale or other disposition of property having a higher adjusted basis for Kansas income tax purposes than for federal income tax purposes on the date such property was sold or disposed of in a transaction in which gain or loss was recognized for purposes of federal income tax that does not exceed such difference in basis, but if a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to that portion of such gain which is included in federal adjusted gross income.

(iv) The amount necessary to prevent the taxation under this act of any annuity or other amount of income or gain which was properly included in income or gain and was taxed under the laws of this state for a taxable year prior to the effective date of this act, as amended, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired

the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain.

MESSAGE FROM THE SENATE

Announcing the Senate herewith transmits the veto message from the Governor on **House Sub for SB 376**.

An act concerning certain public officers and employees; relating to use of unexpended campaign funds; relating to the reporting of lobbyist expenses related to such public officers and employees; amending K.S.A. 25-4142, 25-4148, 25-4151, 25-4157a and 46-269 and K.S.A. 2003 Supp. 25-4143 and repealing the existing sections,

which was received on May 20, 2004 and was read before the Senate on May 27, 2004.

Message to the Senate of the State of Kansas:

Pursuant to Article 2, §14 of the Kansas Constitution, I veto **SB 376**. Open government is essential to our democracy. Over the year's, transparency has been a bedrock principle of our state's campaign finance and ethics laws. As a public official, and a former member of the Governmental Ethics Commission, I believe the public is entitled to know what interest groups are seeking to influence state government by purchasing drinks, meals, and entertainment for elected officials, and how much those groups are spending. Senate Bill 376 would dim that transparency by removing a provision in current law that requires lobbyists to file reports when they purchase hospitality and or entertainment for legislative committees and when they pay expenses for legislators to attend conferences out of state. I believe the repeal of both provisions would deprive the public of important information.

Having said that, I want to make it clear that I support provisions in **SB 376** to clarify the circumstances under which candidates for public office may transfer campaign funds. I encourage the Legislature to revisit that issue in separate legislation

Proponents of **SB 376** have said it is also need to clarify that legislators whose districts have been altered by redistricting can spend campaign funds in existing accounts. However, I have been assured by both the Office of the Attorney General and the Governmental Ethics Commission that a veto of SB 376 would not create problems for any legislators whose districts were changed as a result of the 2002 Legislative redistricting. Any candidate who is running for the same seat, even if their district number changed as a result of redistricting, will be able to use existing funds to run for re-election.

KATHLEEN SEBELIUS
Governor

Dated: May 20, 2004

There being no motion to reconsidered the veto on **H. Sub. for SB 376**, the President ruled the veto sustained.

MESSAGE FROM THE SENATE

Announcing the Senate herewith transmits the veto message from the Governor on **SB 487**,

An act relating to taxation; concerning mineral severance tax; relating to disposition of revenue; creating the gas valuation depletion trust fund and providing for distribution of moneys therefrom; providing for the Ogallala public improvement district; amending K.S.A. 2003 Supp. 79-4227 and repealing the existing section,

which was received on May 13, 2004 and was read before the Senate on May 27, 2004.

Message to the Senate of the State of Kansas:

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto **SB 487**. **SB 487** has two major provisions that both deserve additional discussion by the Legislature.

The first provision establishes a trust fund for a few natural gas producing counties that will use state severance tax monies to help provide local property tax relief to those counties. Today, as we search for ways to fund critical programs within our current fiscal limitations, our focus, and any available state dollars must be directed toward higher priorities.

The second provision allows nine counties the option of creating a new higher education facility in conjunction with the Board of Regents. This provision can be of great value, but to guarantee that all residents of Southwest Kansas are included in the opportunity for a new facility, I believe the Legislature, Board of Regents, and regional stakeholders must engage in more discussion and planning.

I support and will continue to search for ways to strengthen the rural Kansas economy. However, I believe that a much more extensive analysis of both provisions in **SB 487** is needed because of their potential far-reaching consequences on the state budget and the future development of southwest Kansas. For these reasons I find it necessary to veto **SB 487**.

KATHLEEN SEBELIUS
Governor

Dated: May 13, 2004

There being no motion to reconsidered the veto on **SB 487**, the President ruled the veto sustained.
