

Journal of the House

NINETEENTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
Topeka, KS, Friday, February 4, 2005, 8:30 a.m.

The House met pursuant to adjournment with Speaker Mays in the chair.
The roll was called with 120 members present.
Reps. Freeborn and Novascone were excused on legislative business.
Reps. Kilpatrick and M. Miller were excused on excused absence by the Speaker.

Prayer by Chaplain Chamberlain:

Almighty God, as a long week comes to an end, we ask for your blessing of the work we have accomplished. We pray that every effort has brought glory to your name. We pray that every decision that we have made, every position that we have taken, and every vote that we have cast has honored your call upon our lives.

We thank you, Lord, for the competition of ideas and for the arguments that challenged the positions we hold dear. We trust that through the gift of honest debate we have had the opportunity to think deeply about the difficult questions that we confront and that we have heard your voice speak through our weaknesses.

We ask your mercy, O God, for those ways that we have failed to live up to your high calling. Draw us nearer to you and cleanse us of the things that distract us from your purpose and promise.

Now Lord, as we head home and to those we love, protect us on our journeys. Grant us a holy and healing Sabbath that we might return to our work next week refreshed by our rest. We ask these things of you, O Lord of the Sabbath and all other days. Amen.

The Pledge of Allegiance was led by Rep. S. Sharp.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Kuether, **HR 6011**, by Reps. Loyd and Kuether, as follows, was introduced and adopted:

HOUSE RESOLUTION No. 6011—

A RESOLUTION encouraging participation in the American Heart Association's Go Red for Women campaign.

WHEREAS, Friday, February 4, has been designated "National Wear Red Day for Women" by the American Heart Association. This action is part of the association's Go Red for Women campaign to raise awareness of cardiovascular disease, women's greatest killer, and to invite women to take charge of their heart health so as to be able to live a stronger, longer life; and

WHEREAS, Red is the American Heart Association's color for women and heart disease. The association is encouraging everyone to wear some red item of clothing on February 4 in support of all women who have experienced heart disease or stroke; and

WHEREAS, Heart disease and stroke claim more women's lives each year than the next seven causes of death combined, and nearly twice as many as all forms of cancer, including breast cancer. This endeavor, hopefully, will raise women's awareness of this problem. Although 90% of women feel they have some control over their health, only 27% believe their health is a top priority. This lack of urgency about their health contributes to the death of more than 500,000 American women every year; and

WHEREAS, Women who contact the American Heart Association will be provided with suggestions and information including a comprehensive brochure on heart disease and stroke risk factors, a red dress pin and information regarding free lifestyle programs to improve their health: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we support the efforts of the American Heart Association in reducing women's heart problems and urge

individual participation in the American Heart Association's Go Red for Women campaign; and

Be it further resolved: That the Chief Clerk of the House of Representatives provides an enrolled copy of this resolution to Kevin M. Walker, American Heart Association, 6800 W. 93rd Street, Overland Park, KS 66212.

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **HB 2109**. While I understand the concerns of those supporting this bill, I cannot justify risking the lives of Kansas children by easing the requirements of the child passenger safety act and the safety belt use act. A child can be just as seriously in a classic automobile as any other automobile. Child safety must come first.—
