

Journal of the House

FIFTY-THIRD DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Friday, March 25, 2005, 10:00 a.m.

The House met pursuant to adjournment with Speaker Mays in the chair.
The roll was called with 124 members present.
Rep. Showalter was excused on verified illness.

Prayer by Chaplain Chamberlain:

God of might and power, God of heaven and earth, hear our prayer of praise and thanksgiving to you this day. You create, sustain, and sanctify all that has been, is, or ever more will be. You show us the way, the truth, and the life. You fill us with every good thing and provide for our every need. We lift our prayers to you who are God above all.

On this holy day, we confess to you that we oftentimes place other things before you. We yield to the temptation to think our way is your way and that our understanding is your understanding. We turn aside from thought about the things above, to dwell on the ways that we can get ahead on earth. We act as if we believe that the only things that matter are the things that we accomplish, the riches we accumulate, or the power that we acquire. And when we are caught with the apple in our mouths, we reach for the nearest fig leaf.

We haven't changed all that much, O God. But then you already know that. And so you offer grace to us through your self-giving love. May your grace cleanse us of our sin and may we live our lives here on earth as if we believe what you have told us about the life to be. Amen.

The Pledge of Allegiance was led by Rep. Mah.

REFERENCE OF BILLS AND CONCURRENT RESOLUTIONS

The following bills were referred to committees as indicated:

Appropriations: **SB 270**, **SB 272**, **SB 273**.

Committee of the Whole: **SB 295**.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Horst, **HR 6028**, A resolution in memory of Carol Edward Beggs, was adopted.

There being no objection, the following remarks by Rep. Horst are spread upon the journal:

Rep. Carol Beggs was one of thirty-five newly elected representatives in 1994. When we arrived in January, 1995, we were all desiring to change government for the better. Carol's efforts were centered around his interest in small business, perhaps because he was a small businessman. His time here showed that he also had a great interest in property tax fairness. This is evidenced by the amendment we included in a bill last night, the subject of which was connected to property taxation. He also was interested in promoting financial accountability in government, especially as it applied to K-12 education. Carol's serious side benefitted the people of Salina and the people of Kansas.

His colleagues in the House additionally benefitted from his humor and talent. When the moment in the House became tense, Carol would share his wit in the form of a dry humorous comment that always elicited chuckles from those nearby. The moment became less tense because of his humor.

On St. Patrick's Day his harmonica would come out of his pocket as he moved toward the podium to share his annual rendition of "Danny Boy." I'm sure that somewhere in the dome there will always be an echo of Carol's harmonica.

His contributions to Salina and to the State of Kansas were varied and many. We are better for those contributions and we are grateful that his wife, Betty, and his children and grandchildren were willing to share this gentle man with all of us.

Rep. Horst introduced Betty Beggs, wife of former Rep. Carol Beggs. Rep. Roth also addressed a few remarks to the members of the House.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. McCreary, **HCR 5017**, A concurrent resolution designating the Anthony 9/11 memorial as the official Kansas "9/11 memorial" for 2005 and 2006, was adopted.

There being no objection, the following remarks of Rep. McCreary are spread upon the Journal:

Excerpts from a letter by Barbara Spor O'Rourke

As the sister of fallen Firefighter Joseph P. Spor Jr., I am grateful for this opportunity to tell you what the Anthony Kansas Memorial means to our family. It's the stuff stories are made of. Your great mayor, John Schott, and his family and his constituency reached out to us in our darkest hour and reassured our family and all of those affected, that the United States was ONE in this attack and that we stood together as a nation. Although we are separated by 1300 miles, our hearts and spirits were joined as one.

Now, almost four years later, when we speak of the horrors and tragedy of 9/11, we always can finish our story about the good people of Kansas who cared and gave as patriotic Americans, a place whose people want to always remember the innocent victims and great heroes of September 11th.

Living in the New York City metropolitan area, I personally have not seen a 9/11 memorial that is of the magnitude of the Anthony Memorial. We wholeheartedly support the effort to designate the Anthony Memorial as the official Kansas Memorial. We know you are proud of your fellow citizens of Kansas for this tremendous feat. We are truly honored by this memorial and are forever grateful for your efforts.

CONSENT CALENDAR

Objection was made to **SB 26** appearing on the Consent Calendar; the bill was placed on the calendar under the heading of General Orders.

No objection was made to **SB 110** appearing on the Consent Calendar for the third day. The bills were advanced to Final Action on Bills and Concurrent Resolutions.

EXPLANATION OF VOTE

MR. SPEAKER: We vote no on **SB 33**. This bill represents an unnecessary extension of government regulation. Private parties should be allowed the freedom to contract and make business decisions without intrusive government control. Some of our most significant Kansas businesses like Sprint, Boeing and Westar oppose this legislation and at a time when we are trying to grow our economy, it makes little sense to stifle our business climate with increased litigation, more government mandates and less economic freedom. This legislation is bad for business and bad for Kansas. —KEVIN YODER, JEFF JACK, JIM MORRISON, SCOTT SCHWAB, STEPHANIE SHARP, DEAN NEWTON, DAN JOHNSON

EXPLANATIONS OF VOTE

MR. SPEAKER: What are the Riley County amendments? What "other" profiles are illegal? Don't worry, we will fix it all in conference. That does not make me rest easier. No other bills were passed as a blank check. You can brand me with whatever label you like, but I think the civil rights of the people of Kansas deserve better consideration. I ask that no one change their vote on my account, but when we have the last version, I do ask that you give it the proper scrutiny. I vote no on **SB 77**.—BILL OTTO

MR. SPEAKER: One racial profiling incident is one too many! Racial profiling tactics undermine the ability of law enforcement to enforce the law effectively; not to mention it violates civil rights.

Specifically, when an individual's race/ethnicity, religion, or any other element of intolerance/discrimination is used to establish a cause for suspicion of a crime, that individual, along with their family members, friends, and neighbors, who are our constituents, my constituents, lose trust in the integrity of law enforcement.

I applaud those who voted for this. I challenge those who did not to take the same step and be PROACTIVE, and NOT reactive. I vote yes on **SB 77**.—DELIA GARCIA
