All members were present except: Maag Conferees appearing before the Committee were: J. O. Adams, Assistant State Highway Engineer and Rep. William Novak The Committee considered the following items: H. B. 1158 - AN ACT RELATING TO MINIMUM SPEED ON HIGHWAYS. Mr. Novak introduced the bill because of the annoyance of traveling behind slow-moving vehicles. He suggested it might be amended on page 1, line 20, by adding after "and" the words "by any available means" - Mr. Adams said the Highway Department has some concern because in Kansas a "berm" is an extension of a fill - not a shoulder. Our best stabilized shoulders are not designed for continuous moving traffic Dr. Hughes suggested striking all after "opportunity" on page 1, line 19. No action was taken. HB 1070 - AN ACT PROVIDING FOR THE REVOCATION OF OPERATORS' OR CHAUFFEURS! LICENSE. The subcommittee presented the attached amendment. Mr. McMaster made a motion, second by Mr. Feleciano, that the present law be reinstated in the bill, and that we amend it by inserting a new Section 2, page 3, line 15 as follows: "New Sec. 2. Any person operating a motor vehicle with an operator's or chauffeur's license which has been revoked or suspended pursuant to K. S. A. 1972 Supp. 8-530, as amended, shall be guilty of a class D felony.", and by renumbering original sections 2 and 3 as sections 3 and 4, respectively. The motion carried. The purpose of the amendment is to bring our laws into a better reflection of what the law is. Mr. McMaster made a motion, second by Mr. Feleciano, that the bill, as amended, be reported favorably for passage to the Transportation and Utilities Committee. The motion carried. H. B. 1160 - AN ACT RELATING TO CERTAIN COUNTY LINE ROADS. The Chairman requested Mr. McMaster to bring a substitute bill to the committee for consideration. No statute now in existence is clear-cut on the problem. H. B. 1171 - AN ACT PROVIDING RESTRICTIONS ON LIGHTED LAMPS OR ILLUMINATING DEVICES. Mr. Reeves made a motion, second by Dr. Hughes, that H.
