The meeting was called to order by Chairman Cloud at 9:07 a.m. The minutes of the previous meeting were approved.

The Chairman introduced Mr. Nick Kramer, Post Audit Division. Mr. Kramer was present to give the presentation on the Board of Nursing. After Mr. Kramer finished his presentation, he stated that Dr. Scibetta, Executive Administrator, Board of Nursing had gone over the report and had agreed with the various recommendations that were being offered. Chairman Cloud commented that basically this is an overview report. The general public will have an opportunity at future hearings of the subcommittees to state their views as the subcommittees get more deeply involved in the audits.

Three items of material were passed out to the Committee; the minutes of the January 19 meeting, next week's agenda and the subcommittee request form. The chairman went over the agenda with the Committee, prompting them to be familiar with Proposal No. 27, which pertains to HB 2013. He also stated that with the regular Committee meeting on Tuesdsay and Thursday and the subcommittees meeting on Monday, Wednesday and Friday, the amount of work to be done should flow smoothly. The Chairman encouraged the subcommittees to have on-site meetings with the agencies. Meet with them on their turf, so to speak in order to get the feel of the agency which is better accomplished by going to them and speaking with them.

Tomorrow the Committee will be hearing the review by the Post Audit Staff on the Department of Transportation.

The meeting was adjourned at 9:33 a.m.
