Testimony on S.B. 293
Before the
House Assessment and Taxation Committee

by
Dr. Bill Curtis, Assistant Executive Director
Kansas Association of School Boards

Mr. Chairman and members of the Committee, we appreciate the opportunity to appear before you on behalf of the 300 member boards of education of the Kansas Association of School Boards. Senate Bill 293 was introduced last session at the request of the Kansas Association of School Boards. Two years ago the KASB Delegate Assembly took action supporting the enactment of legislation to permit local school districts to lease all or part of a school building without losing the tax-exempt status of that building. S.B. 293 as amended accomplishes that goal.

S.B. 293 does limit school districts in that the building may only be leased to those types of organizations mentioned in lines 39 and 40.

We urge you to support this measure. Thank you for your consideration.
