RECOMMENDED ADDITIONAL SENATE COMMITTEE AMENDMENTS TO SENATE BILL NO. 142

Sec. 3 -- Kansas Highway Patrol

- 1. Add \$1,089,205 and 25.0 FTE Troopers from the Vehicle Identification Number Fee Fund (created in S.B. 109), and transfer the motor vehicle inspection function to the Highway Patrol. The program is currently contracted by the Patrol to private designees and local communities which annually inspect approximately 120,000 vehicle identification numbers. The \$10 fee currently charged for the inspection by the designees would be deposited in the new fee fund resulting in annual receipts of \$1.2 million.
- 2. Reduce \$163,845 and 5.0 FTE Troopers from the State General Fund. Instead, five current Troopers would be funded from the VIN Fee Fund.

(The net result of Recommendations 1 and 2 is the addition of 20 Troopers.)

- 3. Delete \$208,444 and 5.0 FTE positions from the Emergency Medical Services (EMS) by not transferring the Emergency Medical Training Program from the Kansas University Medical Center to EMS. The deletion includes \$178,444 from the State General Fund and \$30,000 from training fees.
 - 4. Delete \$13,170 from the State General Fund from minicomputer and software rental. As a result, expenditures in each fiscal year (1987 and 1988) would be \$8,702.
- ** Total State General Fund Reduction: \$355,459.
