CONSIDERATION OF S. B. 401 - Certain health care providers defined as governmental employees for purposes involving civil actions alleging violations of civil rights laws

The Chairman explained S.B. 401 would add certain health care providers under the provisions of the tort claims act to the extent that they need defenses for claims of depravation of civil rights. This bill specifically covers health care providers at state correctional institutions.

Representative Crowell moved to report S.B. 401 favorably for passage. Representative Vancrum seconded the motion. The motion passed.

The Committee meeting was adjourned at 3:45 p.m.
