From: Senator Edward Heilly, Chairman

Congratulations to the new Chair
Person of the Senate Committee on
Federal & State Affairs.

For 14 years I chaired the committee
& for 28 years was a member of the
Committee. It is one of the
most important & productive
committees of the Kansas Legislature.
You are indeed fortunate to
have been selected to chair.

The files that have been left here
were retained primarily because
they deal with issues current
in the 88-92 Sessions. I
personally reviewed all the others &
many were given to the Spencer
Library at the University of Kansas
- Abortion, Death Penalty,
Parental Notification, liquor,
Gambling etc.
