MINUTES OF THE SENATE COMMITTEE ON JUDICIARY.

The meeting was called to order by Chairperson Jerry Moran at 11:00 a.m. on March 1, 1994 in Room 254-E of the Capitol.

All members were present except: Senator Brady (excused)

Committee staff present: Mike Heim, Legislative Research Department  
Gordon Self, Revisor of Statutes  
Darlene Thomas, Committee Secretary

Chairman Moran indicated there had been questions raised as to whether the Committee Report on HB 2578 reflected the actual action of the Committee. The Chairman said to his knowledge the Committee Report reflected the actions of the Committee. Senator Rock and Senator Parkinson, the originators of the motion to amend HB 2578 read and approved the Committee Report before it was signed and given to the Secretary of the Senate. Chairman Moran invited questions and discussion from the Committee.

Senator Rock stated his motion to amend HB 2578 to include provisions of the Virginia statue was a conceptual motion. He said he worked closely with the revisor to resolve statutory problems within the bill and not to have an unconstitutional bill that would have to be resolved in the courts at a future date.

A motion was made by Senator Parkinson, seconded by Senator Rock to confirm the Committee report. The motion carried.

The meeting adjourned at 11:30 a.m.
