Chairman Hayzlett opened the meeting on **SB 225**.

SB 225 – Renaming a portion of Interstate 70 as the Eisenhower/Truman Presidential highway

Chairman Hayzlett explained **SB 225** then without objection from the Committee, the Chairman sought discussion and action on **SB 225**. Representative Grant moved to remove the contents of SB 225 and replace with language which would allow the Secretary of Transportation to authorize transit buses to be operated on the right shoulders of highways in the state highway system in Wyandotte County. The bill also would require the commissioners of Wyandotte County to report to the Legislature concerning implementation and operation of the “bus on shoulder” program. This bill will be designated as H Sub for SB 225. The motion was seconded by Representative Montgomery and the motion carried.

There being no further business before the Committee, the meeting was adjourned.
