All members were present, except Senator Donovan, who was excused

Committee staff present:

Lauren Douglass, Kansas Legislative Research Department
Robert Allison-Gallimore, Kansas Legislative Research Department

Others attending:

See attached list.

Committee Action:

The Chairman called the committee's attention to **SB 7 -- Driving under the influence.**

The Chairman explained that **SB 7** was the product of five years of study, hearings and hard work by many people. He stated that it probably would be costly to implement, but it is an issue that needs to be addressed. He added that the bill is necessary to protect public safety and that we need to have the courage to talk about tax increases or tax changes in order to pay for its implementation. The original fiscal note estimated a cost that exceeded \$10 million.

The Chairman announced that a Substitute Bill that pares down the original **SB 7** to the essential elements has been drafted.

Jason Thompson, Staff Revisor, reviewed the proposed Substitute Bill (Attachment 5).

The Chairman told the members of the committee that he would answer any questions they have concerning the proposed Substitute Bill.

Senator King asked, "How are prior test refusals treated?"

The Chairman responded, "Only actual convictions are counted for criminal penalties, but any prior test refusal is counted for administrative penalties.

Senator Pilcher-Cook asked, "What is the fiscal note?"

The Chairman responded, "A fiscal note will not be prepared until the Substitute Bill is introduced."

Senator Kelly asked, "What effect would there be if no provision, other than the central repository provision, is enacted?"

The Chairman responded, "Enactment of the central repository provision would be significant; it is critical to have that information. However, we need compliance capability in the field; the interlock provisions are important; and we need the regional alcohol and drug assessment center (RADAC) to provide a sound analytical tool to evaluate the offender."

Senator Lynn asked, "What would happen if the central repository provision, is not enacted?"

The Chairman responded, "We would have wasted a lot of our time."

Senator Kelly asked, "Are juvenile and adult offenders treated differently?"

Senator Bruce responded, "DUI offenses are traffic offenses. For the purpose of a traffic offense, anyone age 12 and above is treated as an adult. Anyone under age 12 is treated as a juvenile."

CONTINUATION SHEET

MINUTES OF THE Senate Judiciary Committee at 9:38 A.M. on March 15, 2011, in Room 548-S of the Capitol.

Senator Kelly expressed concern with the language in subsection (b) of K.S.A. 8-1008 (section 11). She asked, "Who is a provider authorized by SRS to provide evaluation? What criteria are used by SRS?"

Deb Stidem, SRS, responded, "The language is new, but SRS currently licenses individuals, entities and facilities."

Senator Kelly asked, "What criteria are used for licensure?"

Ms. Stidem responded, "There are criteria under the counselor licensure act that are under consideration for use as criteria for licensure of addiction counselors."

The Chairman called the committee's attention to the following written information and testimony submitted after the hearings on **SB 7**: DUI Portal/Repository information provided by KBI (Attachment 1); Gallonage Tax information provided by Senator Tim Owens (Attachment 2); Testimony in support of **SB 7** provided by Travis Elliot, Kansas Association of Court Services Officers (Attachment 3); Proposed amendment submitted by Helen Pedigo, Special Counsel to the Chief Justice of the Kansas Supreme Court (Attachment 4).

The Chairman also called the committee's attention to the original fiscal note and prison bed impact statement that had been prepared for **SB 7**. He also called the committees attention to the revised prison bed impact statement.

The Chairman announced that the committee would continue work on **SB 7** on March 16, 2011.

Meeting adjourned at 10:29 A.M. The next meeting is scheduled for March 16, 2011.

Kansas Bureau of Investigation DUI Portal/Repository Common Questions 2/08/2011

What are the major components that need to be built to provide the DUI portal that will be used by courts and prosecutors?

- An automated Kansas disposition reporting (KDR) capability at the KBI, for receiving electronic disposition reports from district and municipal courts.
- A DUI web portal that provides courts and prosecutors the ability to search Crime Incident/Arrest data from Kansas Incident Based Reporting System (KIBRS), Criminal History, and Driver History repositories simultaneously, view comprehensive information regarding previous DUI cases, and select those records to be included in a "certified" record to support DUI prosecution and sentencing.
- A subscription/notification service that will provide courts and prosecutors the ability to subscribe to an individual's criminal history record and be alerted should a new criminal event occur.

What must be done to build an effective electronic KDR gateway?

- Expand and modernize the existing disposition reporting gateway to: a) be functional for a larger number of agencies, b) collect additional information not currently maintained at the central repository, c) improve data validation processes, and d) be aligned with federal standards for automated information exchanges.
- Build error and exception handling mechanisms, so courts can review/correct electronically submitted information with minimal intervention from KBI data quality staff.
- Develop monitoring reports and tools to assist in identifying agencies that are not reporting arrests and/or dispositions.
- Develop technical documentation to aid courts in connecting and submitting data to the KDR gateway.
- Make performance improvements to the Criminal History Repository. Rather than manually entering thousands of new records over the course of several months, those records will now electronically enter the repository in real time. Because KCJIS has no funding support the KBI has been unable to improve central repository performance to meet the increased use it has experienced over the last 10 years. The system is therefore now severely strained. Without corresponding performance improvements an additional electronic reporting mechanism and hundreds of additional users will potentially disable the current system.

What must be done to build the DUI Portal for courts and prosecutors?

- While Criminal History has for years been available for searching via the KCJIS' "Master Search" functionality, DMV and KIBRS data have not. Search functionality of DMV data will be added as part of the KCJIS-DMV interface modernization project, but an interface with KIBRS data will need to be added to the master search function. Some elements of Criminal History will also need to be updated so all three datasets can be searched simultaneously.
- Names and other common identifiers will not always be consistent between all three data sets, largely because all three data sets are reported from different sources. The system will therefore need to provide courts and prosecutors the ability to search all data sets and select which records are to be included in the 'certified DUI record'.

Senate Judiciary
3-15-11
Attachment 1

- The KCJIS-DMV interface may need to be expanded to access more driver history than has been accounted for in the KCJIS-DMV Interface Modernization project.
- Both the DMV and KDR interfaces will have to be expanded to provide access to physical documents that have been scanned into each agency's respective document repositories. *It is important to note this particular capability will be heavily dependent upon courts and DMV being able to provide access to such documents. Their capacity to do so is unknown to KBI.*
- Because of inadequate funding for KCJIS through the years, the existing web site is bifurcated in terms of its technical structure. This must be resolved to integrate the new DUI portal with other systems.

What must be done to build a subscription/notification system?

- An efficient mechanism must be developed to monitor the 3 million-plus (and growing) arrest and criminal history records to detect the arrival of new events and notify the email the subscriber.
- Courts and prosecutors will need screens to a) review and/or clear new Alerts, b) manage which criminal records for which they want to receive an Alert.

What are the advantages of this new system beyond just DUI prosecution and sentencing?

- While the KDR Gateway is targeted toward DUI dispositions, there is no reason it shouldn't be used for all disposition reporting. This would greatly improve the functionality and timeliness of all reporting and data retrieval.
- It is anticipated district court information will come from one location (OJA), significantly reducing the disposition reporting requirement for county prosecutors.
- Improved automated processes and error handling mechanisms should result in fewer manual interventions to correct data; the system would assist the user entering accurate information by identifying and helping to correct mistakes.
- Monitoring mechanisms, which have previously been unavailable, will assist KBI staff and other interested parties in readily identifying which courts are/are not reporting dispositions to the central repository.
- All of the above will make Kansas criminal history information some of the most timely and complete in the nation. That has significant impact to the state in terms of criminal investigations, pre-sentencing investigations, parole eligibility reviews, pre-employment/licensing checks, firearm purchasing/licensing eligibility checks, and adoption eligibility checks.
- Similarly, an alerting subscription/notification system will be of tremendous value to criminal investigators, prosecutors for non-DUI criminal and/or civil cases, probation and parole officers, sheriff offices and prosecutors monitoring registered offenders, and both criminal and non-criminal agency employers.

Why is this so expensive, doesn't the central repository already exist?

- Arrest and disposition records do exist at the central repository, as does a connection to DMV records. However additional disposition information beyond what is already collected by the repository, has been requested, so the central repository must be expanded. Large-scale electronic disposition reporting must be built. Incident and arrest records, previously used primarily for only statistical purposes, must be put 'on-line' and made searchable. A 'one-stop shop' capability to assemble **only** the DUI related records does not exist and must be built. And finally the alerting, subscription/notification system that will monitor millions of arrest records for activity must be constructed.
- Further, like the aging air conditioner for which you can no longer find parts, some of the central repository infrastructure must be upgraded to current standards. Without consistent funding for essential on-going maintenance, such a cost is unfortunately inevitable anytime a significant enhancement is requested.

How long will this take?

- This is estimated as a 24 month project if managed as a single project.

- The electronic interface could be available 8-10 months after the project launches. The DUI portal will require approximately 10 months. And the remaining components about 12 months.

Can this be built in phases?

- Yes. One possibility would be to complete the detailed design and build the DUI portal first. Doing so would provide courts and prosecutors visibility into the arrest and disposition information that already exists and flows into the central repository daily. Furthermore the design effort would produce the specification for electronic disposition reporting, which could be built during a second phase of the project, thereby providing courts ample time to adopt the specification into their disparate systems
- Alternatively the electronic disposition reporting gateway could be built first. This would improve the speed at which dispositions are reported. However courts and prosecutors would have to use the existing capabilities of the KCJIS to locate and print records of interest until such time as reporting functionality specific to DUI records could be constructed. Not all records would be available (KIBRS would not), and a specific set of records that would constitute a 'certified DUI record' could not be produced. Furthermore, in building the gateway sufficient time must be allowed to fully evaluate the new disposition data being requested, build the specification, and for courts to incorporate the specification into their individual systems.
- To be most cost effective, the project must be committed to in its entirety even if it is built in phases. Much like a road construction project that is done in phases, there is a cost associated with moving the equipment to another job site only to return it a year later. Ideally the project would be conducted in a single, continuous effort, however the duration could be 2 or even 3 years in order to spread out the financial burden.

What would be the phases and costs of a 2 year project?

- The size of this project dictates it be a minimum two year project.
- Year 1 – \$1,150,000
 - Required infrastructure
 - KDR Gateway (does not imply all courts would be connected in year 1, only that the gateway would be built and available by the end of year 1)
 - Initial construction for DUI Portal
 - Initial construction for Subscription/Notification
- Year 2 – \$1,510,000
 - Completion of DUI Portal
 - Completion of Subscription/Notification

What would be the phases and costs of a 3 year project?

- To help alleviate the fiscal strain, the project could be extended over a 3 year time frame.
- Year 1 – \$550,000
 - Required infrastructure
 - KDR Gateway (does not imply all courts would be connected in year 1, only that the gateway would be built and available by the end of year 1)
- Year 2 – \$1,055,000
 - Initial construction for DUI Portal
 - Initial construction for Subscription/Notification
- Year 3 – \$1,055,000
 - Completion of DUI Portal
 - Completion of Subscription/Notification

Dear Chairman Owens and Committee Members:

The members of the Kansas Association of Court Services Officers (KACSO) would like to thank the committee for allowing us to present written testimony in support of SB 7 with one main amendment. SB 7 provides for all supervision of third offense DUIs to be through the Kansas Department of Corrections (KDOC) parole offices. KACSO believes supervision should be based on a certified risk assessment, such as the Level of Service Inventory - Revised edition (LSI-R).

KACSO is in agreement with the KDOC recommendation in their testimony on SB 7 dated January 27, 2011, recommending supervision on 3rd offense DUIs be through Court Services or Community Corrections based on the offender's risk and needs assessment. Kansas is moving more towards implementing Evidence Based Practices (EBP) in dealing with the supervision of offenders to help lower recidivism rates. Basing the supervision on this certified tool would allow the appropriate level of supervision for all offenders and allow supervision agencies to make the best use of their already limited resources. Inappropriate supervision may increase an offender's risk to reoffend. Court Services is in the process of scheduling training and certification of officers for the implementation of the LSI-R.

KACSO also agrees with the KDOC assessment that local supervision would be appropriate over parole supervision due to the ability of local courts to hold revocation proceedings in a timelier manner. Incarceration time imposed on these third offense DUI offenders would be at local facilities and Court Services and Community Corrections officers already routinely assist the courts in implementing and monitoring house arrest and work release.

Treatment programs of offenders would not be hindered by this change in supervision entities. Court Services and Community Corrections officers throughout the state already have relationships and communication in place with local treatment agencies that would allow the continuation of effective treatment practices.

For these reasons, please consider an amendment to SB 7 allowing the supervision of 3rd offense DUIs to be based on the proven effectiveness of the LSI-R. We believe this change would be in the best interest of offenders as well as the citizens of Kansas. Thank you.

Honorable Senator Tim Owens, Chair

Senate Bill 7 - DUI

Written Testimony in Support of KDOC Amendment and Amendment Request

February 8, 2011

Mr. Chairman, and committee members, after having the opportunity to review the KDOC amendment, we would generally agree in principle and would ask that the committee consider making the following slight changes:

Page 57, offenders would not be on a "release" supervision, but merely placed on supervision by the court. This amendment would strike the term "release" throughout the page, strike the phrase "in the custody of" on line 32 and, also in line 32, add the phrase "on supervision to" to "community correctional services or court services as determined by the court".

Page 31 of the bill relates to the alcohol and drug evaluation and when that should be done. The amendment would add K. S. A. 8-1567 to the list of third or subsequent convictions for which an alcohol and drug evaluation would not be done presentence. The reason is that the offender convicted of a third DUI will be sent to treatment and the assessment will be done as part of the treatment process. The offender convicted of a fourth and subsequent DUI will be going to prison, where assessment will take place. Either way, it is unnecessary to spend time and money doing an assessment presentence that will not be used.

Thank you for your consideration of these amendments and I'd be happy to answer questions that you may have.

 37 against the person by the sentencing court or under the diversion
 38 agreement. The \$150 assessment may be waived by the court, in whole or
 39 in part, or, in the case of diversion of criminal proceedings, by the
 40 prosecuting attorney, if the court or prosecuting attorney finds that the
 41 defendant is an indigent person. Except as otherwise provided in this
 42 subsection, the clerk of the court shall deposit all assessments received
 43 under this section in the alcohol and drug safety action fund of the court,

(Explanation: An offender convicted of a third DUI will be receiving an alcohol and drug evaluation as part of the third DUI treatment process. An offender convicted of a fourth or subsequent DUI will be going to prison, where assessment will be done. Requiring that an assessment be done presentence is unnecessary.)

(b) The licensing body may, after providing the licensee notice and an opportunity to be heard in accordance with the Kansas administrative procedure act, determine how the violation

described in subsection (a) will affect the licensee's professional license and may take any action authorized by law, including, but not limited to, alternative corrective measures in lieu of suspension, denial, termination or failure to renew the professional license of the licensee.

(c) Nothing in this section shall be construed to limit the authority of the division of vehicles of the department of revenue to restrict, revoke, suspend or deny a driver's license or commercial driver's license.

(d) As used in this section:

(1) "Licensee" means an individual who is or may be authorized to practice a profession in this state; and

(2) "professional licensing body" means an official, agency, board or other entity of the state which authorizes individuals to practice a profession in this state and issues a license, certificate, permit or other authorization to an individual so authorized.

New Sec. 2. (a) (1) Within a reasonable amount of time after a person is committed to the custody of the secretary of corrections for service of a sentence for a violation of K.S.A. 8-2,144 or 8-1567, and amendments thereto, the secretary of corrections shall enter into a written agreement with the inmate specifying treatment programs and other programs which the secretary determines the inmate shall satisfactorily complete in order to be prepared for early release pursuant to this section and K.S.A. 22-3717, and amendments thereto.

(2) The agreement shall be conditioned on the inmate's satisfactory conduct and attitude while incarcerated. If the secretary determines that the inmate's conduct, attitude or needs require modifications or additions to those programs which are set forth in the agreement, the secretary shall revise the agreement.

(3) The secretary shall agree that when the inmate satisfactorily completes the programs required by the agreement, or any revision thereof, the secretary shall report that fact in writing to the Kansas parole board.

(b) A copy of any agreement and any revisions thereof shall be entered into the inmate's record.

Sec. 10. K.S.A. 2010 Supp. 8-1001 is hereby amended to read as follows: 8-1001. (a) Any person who operates or attempts to operate a vehicle within this state is deemed to have given consent, subject to the provisions of this act, to submit to one or more tests of the person's blood, breath, urine or other bodily substance to determine the presence of alcohol or drugs. The testing deemed consented to herein shall include all quantitative and qualitative tests for alcohol and drugs. A person who is dead or unconscious shall be deemed not to have withdrawn the person's consent to such test or tests, which shall be administered in the manner provided by this

section.

(b) A law enforcement officer shall request a person to submit to a test or tests deemed consented to under subsection (a): (1) If the officer has reasonable grounds to believe the person was operating or attempting to operate a vehicle while under the influence of alcohol or drugs, or both, or to believe that the person was driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, or was under the age of 21 years while having alcohol or other drugs in such person's system; and one of the following conditions exists: (A) The person has been arrested or otherwise taken into custody for any offense involving operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both, or for a violation of K.S.A. 8-1567a, and amendments thereto, or involving driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, in violation of a state statute ~~or a~~ city ordinance or county resolution; or (B) the person has been involved in a vehicle accident or collision resulting in property damage or personal injury other than serious injury; or (2) if the person was operating or attempting to operate a vehicle and such vehicle has been involved in an accident or collision resulting in serious injury or death of any person and the operator could be cited for any traffic offense, as defined in K.S.A. 8-2117, and amendments thereto. The traffic offense violation shall constitute probable cause for purposes of paragraph (2). The test or tests under paragraph (2) shall not be required if a law enforcement officer has reasonable grounds to believe the actions of the operator did not contribute to the accident or collision. The law enforcement officer directing administration of the test or tests may act on personal knowledge or on the basis of the collective information available to law enforcement

officers involved in the accident investigation or arrest.

(c) If a law enforcement officer requests a person to submit to a test of blood under this section, the withdrawal of blood at the direction of the officer may be performed only by: (1) A person licensed to practice medicine and surgery, licensed as a physician's assistant, or a person acting under the direction of any such licensed person; (2) a registered nurse or a licensed practical nurse; (3) any qualified medical technician, including, but not limited to, an emergency medical technician-intermediate, mobile intensive care technician, an emergency medical technician-intermediate defibrillator, an advanced emergency medical technician or a paramedic, as those terms are defined in K.S.A. 65-6112, and amendments thereto, authorized by medical protocol or (4) a phlebotomist.

- (3) if the person refuses to submit to and complete a test, if the person meets the requirements of paragraph (2) of subsection (b).

(e) When so directed by a law enforcement officer through a written statement, the medical professional shall withdraw the sample as soon as practical and shall deliver the sample to the law enforcement officer or another law enforcement officer as directed by the requesting law enforcement officer as soon as practical, provided the collection of the sample does not jeopardize the person's life, cause serious injury to the person or seriously impede the person's

medical assessment, care or treatment. The medical professional authorized herein to withdraw the blood and the medical care facility where the blood is drawn may act on good faith that the requirements have been met for directing the withdrawing of blood once presented with the written statement provided for under this subsection. The medical professional shall not require the person to sign any additional consent or waiver form. In such a case, the person authorized to withdraw blood and the medical care facility shall not be liable in any action alleging lack of consent or lack of informed consent.

(f) Such sample or samples shall be an independent sample and not be a portion of a sample collected for medical purposes. The person collecting the blood sample shall complete the collection portion of a document provided by law enforcement.

(g) If a person must be restrained to collect the sample pursuant to this section, law enforcement shall be responsible for applying any such restraint utilizing acceptable law enforcement restraint practices. The collection of the urine sample shall be conducted out of the view of any person other than the persons supervising the collection of the sample and the person being tested, unless the right to privacy is waived by the person being tested. When possible, the supervising person shall be a law enforcement officer. The results of qualitative testing for drug presence shall be admissible in evidence and questions of accuracy or reliability shall go to the weight rather than the admissibility of the evidence. If the person is medically unable to provide a urine sample in such manner due to the injuries or treatment of the injuries, the same authorization and procedure as used for the collection of blood in subsections (d) and (e) shall apply to the collection of a urine sample.

(j) No law enforcement officer who is acting in accordance with this section shall be liable in any civil or criminal proceeding involving the action.

(k) Before a test or tests are administered under this section, the person shall be given oral and written notice that: (1) Kansas law requires the person to submit to and complete one or more tests of breath, blood or urine to determine if the person is under the influence of alcohol or drugs, or both;

(B) an alcohol concentration of .15 or greater, the person's driving privileges will be suspended for one year;

(6) if the person submits to and completes the test or tests and the test results show an alcohol concentration of .08 or greater, the person's driving privileges will be suspended for one year for the second, third or fourth occurrence and permanently revoked for a fifth or subsequent occurrence;

(7) if the person is less than 21 years of age at the time of the test request and submits to and completes the tests and the test results show an alcohol concentration of .08 or greater, the person's driving privileges will be suspended for one year except the person's driving privileges will be permanently revoked for a fifth or subsequent occurrence;

(8) refusal to submit to testing may be used against the person at any trial on a charge arising out of the operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both;

(9) the results of the testing may be used against the person at any trial on a charge arising out of the operation or attempted operation of a vehicle while under the influence of

alcohol or drugs, or both; and

(10) after the completion of the testing, the person has the right to consult with an attorney and may secure additional testing, which, if desired, should be done as soon as possible and is customarily available from medical care facilities willing to conduct such testing.

(l) If a law enforcement officer has reasonable grounds to believe that the person has been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, the person shall also be provided the oral and written notice pursuant to K.S.A. 8-2,145 and amendments thereto. Any failure to give the notices required by K.S.A. 8-1567a, and amendments thereto, shall not invalidate any action taken as a result of the requirements of this section.

(m) After giving the foregoing information, a law enforcement officer shall request the person to submit to testing. The selection of the test or tests shall be made by the officer. If the test results show a blood or breath alcohol concentration of .08 or greater, the person's driving privileges shall be subject to suspension, or suspension and restriction, as provided in K.S.A. 8-1002 and 8-1014, and amendments thereto.

(n) The person's refusal shall be admissible in evidence against the person at any trial on a charge arising out of the alleged operation or attempted operation of a vehicle while under

the influence of alcohol or drugs, or both.

(o) If a law enforcement officer had reasonable grounds to believe the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, and the test results show a blood or breath alcohol concentration of .04 or greater, the person shall be disqualified from driving a commercial motor vehicle, pursuant to K.S.A. 8-2,142, and amendments thereto. (p) An officer shall have probable cause to believe that the person operated a vehicle while under the influence of alcohol or drugs, or both, if the vehicle was operated by such person in such a manner as to have caused the death of or serious injury to a person. In such event, such test or tests may be made pursuant to a search warrant issued under the authority of K.S.A. 22-2502, and amendments thereto, or without a search warrant under the authority of K.S.A. 22-2501, and amendments thereto.

(q) Failure of a person to provide an adequate breath sample or samples as directed shall constitute a refusal unless the person shows that the failure was due to physical inability caused by a medical condition unrelated to any ingested alcohol or drugs.

(r) It shall not be a defense that the person did not understand the written or oral notice required by this section.

(s) No test results shall be suppressed because of technical irregularities in the consent or notice required pursuant to this act.

(t) Nothing in this section shall be construed to limit the admissibility at any trial of alcohol or drug concentration testing results obtained pursuant to a search warrant.

(D) (i) The sentencing judge shall impose the postrelease supervision period provided in subparagraph (d)(1)(A), (d)(1)(B) or (d)(1)(C), unless the judge finds substantial and compelling reasons to impose a departure based upon a finding that the current crime of conviction was sexually motivated. In that event, departure may be imposed to extend the postrelease supervision to a period of up to 60 months.

(ii) If the sentencing judge departs from the presumptive postrelease supervision period, the judge shall state on the record at the time of sentencing the substantial and compelling reasons for the departure. Departures in this section are subject to appeal pursuant to K.S.A. 21-4721, prior to its repeal, or section 301 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto.

(iii) In determining whether substantial and compelling reasons exist, the court shall consider:

Early discharge from postrelease supervision is **at the discretion of the parole board**.

(vii) Persons convicted of crimes deemed sexually violent or sexually motivated, shall be registered according to the offender registration act, K.S.A. 22-4901 through 22-4910, and amendments thereto.

(viii) Persons convicted of K.S.A. 21-3510 or 21-3511, prior to their repeal, or section 72 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall be required to participate in a treatment program for sex offenders during the postrelease supervision period.

(E) The period of postrelease supervision provided in subparagraphs (A) and (B) may be reduced by up to 12 months and the period of postrelease supervision provided in

subparagraph (C) may be reduced by up to six months based on the offender's compliance with conditions of supervision and overall performance while on postrelease supervision. The reduction in the supervision period shall be on an earned basis pursuant to rules and regulations adopted by the secretary of corrections.

(F) In cases where sentences for crimes from more than one severity level have been imposed, the offender shall serve the longest period of postrelease supervision as provided by this section available for any crime upon which sentence was imposed irrespective of the severity level of the crime. Supervision periods will not aggregate.

(G) Except as provided in subsection (u), persons convicted of a sexually violent crime committed on or after July 1, 2006, and who are released from prison, shall be released to a mandatory period of postrelease supervision for the duration of the person's natural life.

"Sexually motivated" means that one of the purposes for which the defendant committed the crime was for the purpose of the defendant's sexual gratification.

(e) If an inmate is sentenced to imprisonment for a crime committed while on parole or conditional release, the inmate shall be eligible for parole as provided by subsection (c), except that the Kansas parole board may postpone the inmate's parole eligibility date by assessing a penalty not exceeding the period of time which could have been assessed if the inmate's parole or conditional release had been violated for reasons other than conviction of a crime.

(f) If a person is sentenced to prison for a crime committed on or after July 1, 1993, while on probation, parole, conditional release or in a community corrections program, for a crime committed prior to July 1, 1993, and the person is not eligible for retroactive application of the sentencing guidelines and amendments thereto pursuant to K.S.A. 21-4724, prior to its repeal, and amendments thereto, the new sentence shall not be aggregated with the old sentence, but shall begin when the person is paroled or reaches the conditional release date on the old sentence. If the offender was past the offender's conditional release date at the time the new offense was committed, the new sentence shall not be aggregated with the old sentence but shall begin when the person is ordered released by the Kansas parole board or reaches the maximum sentence expiration date on the old sentence, whichever is earlier. The new sentence shall then be served as otherwise provided by law. The period of postrelease supervision shall be based on the new sentence, except that those offenders whose old sentence is a term of imprisonment for life, imposed pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, or an indeterminate sentence

5 124

with a maximum term of life imprisonment, for which there is no conditional release or maximum sentence expiration date, shall remain on postrelease supervision for life or until discharged from supervision by the Kansas parole board.

(g) Subject to the provisions of this section, the Kansas parole board may release on parole those persons confined in institutions who are eligible for parole when: (1) The board believes that the inmate should be released for hospitalization, for deportation or to answer the warrant or other process of a court and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate; or (2) the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement, and the board believes that the inmate is able and willing to fulfill the obligations of a law abiding citizen and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate. Parole shall not be granted as an award of clemency and shall not be considered a reduction of sentence or a pardon.

(h) The Kansas parole board shall hold a parole hearing at least the month prior to the month an inmate will be eligible for parole under subsections (a), (b) and (c). At least the month preceding the parole hearing, the county or district attorney of the county where the inmate was

notify pursuant to this section shall not be a reason to postpone a parole hearing. In the case of any inmate convicted of an off-grid felony or a class A felony the secretary of corrections shall give written notice of the time and place of the public comment session for such inmate at least one month preceding the public comment session to any victim of such inmate's crime or the victim's family pursuant to K.S.A. 74-7338, and amendments thereto. If notification is not given to such victim or such victim's family in the case of any inmate convicted of an off-grid felony or a class A felony, the board shall postpone a decision on parole of the inmate to a time at least 30 days after notification is given as provided in this section. Nothing in this section shall create a cause of action against the state or an employee of the state acting within the scope of the employee's employment as a result of the failure to notify pursuant to this section. If granted parole, the inmate may be released on parole on the date specified by the board, but not earlier than the date the inmate is eligible for parole under subsections (a), (b) and (c). At each parole hearing and, if parole is not granted, at such intervals thereafter as it determines appropriate, the Kansas parole board shall consider: (1) Whether the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement; and (2) all pertinent information regarding such inmate, including, but not limited to, the circumstances of the offense of the inmate; the presentence report; the previous social history and criminal record of the inmate; the conduct, employment, and attitude of the inmate in prison; the reports of such physical and mental examinations as have been made, including, but not limited to, risk factors revealed by any risk assessment of the inmate; comments of the victim and the victim's family including in person comments, contemporaneous comments and prerecorded comments made by any technological means;

comments of the public; official comments; any recommendation by the staff of the facility where the inmate is incarcerated; proportionality of the time the inmate has served to the sentence a person would receive under the Kansas sentencing guidelines for the conduct that resulted in the inmate's incarceration; and capacity of state correctional institutions.

(i) In those cases involving inmates sentenced for a crime committed after July 1, 1993, the parole board will review the inmates proposed release plan. The board may schedule a hearing if they desire. The board may impose any condition they deem necessary to insure public safety, aid in the reintegration of the inmate into the community, or items not completed under the agreement entered into under K.S.A. 75-5210a, and amendments thereto. The board may not advance or delay an inmate's release date. Every inmate while on postrelease supervision shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary.

(j) (1) Before ordering the parole of any inmate, the Kansas parole board shall have the inmate appear either in person or via a video conferencing format and shall interview the inmate unless impractical because of the inmate's physical or mental condition or absence from the institution. Every inmate while on parole shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary. Whenever the Kansas parole board formally considers placing an inmate on parole and no agreement has been entered into with the inmate under K.S.A. 75-5210a, and amendments thereto, the board shall notify the inmate in writing of the reasons for not granting parole. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the inmate has not satisfactorily completed the programs specified in the agreement, or any revision of such agreement, the board shall notify the inmate

in writing of the specific programs the inmate must satisfactorily complete before parole will be granted. If parole is not granted only because of a failure to satisfactorily complete such programs, the board shall grant parole upon the secretary's certification that the inmate has successfully completed such programs. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by such agreement, or any revision thereof, the board shall not require further program participation. However, if the board determines that other pertinent information regarding the inmate warrants the inmate's not being released on parole, the board shall state in writing the reasons for not granting the parole. If parole is denied for an inmate sentenced for a crime other than a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than one year after the denial unless the parole board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next three years or during the interim period of a deferral. In such case, the parole board may defer subsequent parole hearings for up to three years but any such deferral by the board shall require the board to state the basis for its findings. If parole is denied for an inmate sentenced for a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than three years after the denial unless the parole board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next 10 years or during the interim period of a deferral. In such case, the parole board may defer subsequent parole hearings for up to 10 years but any such deferral shall require the board to state the basis for its findings.

- (2) Inmates sentenced for a class A or class B felony who have not had a parole board

hearing in the five years prior to July 1, 2010, shall have such inmates' cases reviewed by the parole board on or before July 1, 2012. Such review shall begin with the inmates with the oldest deferral date and progress to the most recent. Such review shall be done utilizing existing resources unless the parole board determines that such resources are insufficient. If the parole board determines that such resources are insufficient, then the provisions of this paragraph are subject to appropriations therefor.

(k) Parolees and persons on postrelease supervision shall be assigned, upon release, to the appropriate level of supervision pursuant to the criteria established by the secretary of corrections.

(l) The Kansas parole board shall adopt rules and regulations in accordance with K.S.A. 77-415 et seq., and amendments thereto, not inconsistent with the law and as it may deem proper or necessary, with respect to the conduct of parole hearings, postrelease supervision reviews, revocation hearings, orders of restitution, reimbursement of expenditures by the state board of indigents' defense services and other conditions to be imposed upon parolees or releasees. Whenever an order for parole or postrelease supervision is issued it shall recite the conditions thereof.

(m) Whenever the Kansas parole board orders the parole of an inmate or establishes conditions for an inmate placed on postrelease supervision, the board:

(1) Unless it finds compelling circumstances which would render a plan of payment unworkable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision pay any transportation expenses resulting from returning the parolee or the person on postrelease supervision to this state to answer criminal charges or a

warrant for a violation of a condition of probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision;

(2) to the extent practicable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision make progress towards or successfully complete the equivalent of a secondary education if the inmate has not previously completed such educational equivalent and is capable of doing so;

(3) may order that the parolee or person on postrelease supervision perform community or public service work for local governmental agencies, private corporations organized not-for-profit or charitable or social service organizations performing services for the community;

(4) may order the parolee or person on postrelease supervision to pay the administrative fee imposed pursuant to K.S.A. 22-4529, and amendments thereto, unless the board finds compelling circumstances which would render payment unworkable; and

(5) unless it finds compelling circumstances which would render a plan of payment unworkable, shall order that the parolee or person on postrelease supervision reimburse the state for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the person. In determining the amount and method of payment of such sum, the parole board shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose. Such amount shall not exceed the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less, minus any previous payments for such services.

(n) If the court which sentenced an inmate specified at the time of sentencing the amount and the recipient of any restitution ordered as a condition of parole or postrelease supervision, the Kansas parole board shall order as a condition of parole or postrelease supervision that the inmate pay restitution in the amount and manner provided in the journal entry unless the board finds compelling circumstances which would render a plan of restitution unworkable.

(o) Whenever the Kansas parole board grants the parole of an inmate, the board, within ~~40~~ 14 days of the date of the decision to grant parole, shall give written notice of the decision to the county or district attorney of the county where the inmate was sentenced.

(p) When an inmate is to be released on postrelease supervision, the secretary, within 30 days prior to release, shall provide the county or district attorney of the county where the inmate was sentenced written notice of the release date.

(q) Inmates shall be released on postrelease supervision upon the termination of the prison portion of their sentence. Time served while on postrelease supervision will vest.

(r) An inmate who is allocated regular good time credits as provided in K.S.A. 22-3725, and amendments thereto, may receive meritorious good time credits in increments of not more than 90 days per meritorious act. These credits may be awarded by the secretary of corrections when an inmate has acted in a heroic or outstanding manner in coming to the assistance of another person in a life threatening situation, preventing injury or death to a person, preventing the destruction of property or taking actions which result in a financial savings to the state.

(s) The provisions of subsections (d)(1)(A), (d)(1)(B), (d)(1)(C) and (d)(1)(E) shall be applied retroactively as provided in subsection (t).

(t) For offenders sentenced prior to the effective date of this act who are eligible for modification of their postrelease supervision obligation, the department of corrections shall modify the period of postrelease supervision as provided for by this section for offenders convicted of severity level 9 and 10 crimes on the sentencing guidelines grid for nondrug crimes and severity level 4 crimes on the sentencing guidelines grid for drug crimes on or before September 1, 2000; for offenders convicted of severity level 7 and 8 crimes on the sentencing guidelines grid for nondrug crimes on or before November 1, 2000; and for offenders convicted of severity level 5 and 6 crimes on the sentencing guidelines grid for nondrug crimes and severity level 3 crimes on the sentencing guidelines grid for drug crimes on or before January 1, 2001.

(u) An inmate sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or section 267 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, for crimes committed on or after July 1, 2006, shall be placed on parole for life and shall not be discharged from supervision by the Kansas parole board. When the board orders the parole of an inmate pursuant to this subsection, the board shall order as a condition of parole that the inmate be electronically monitored for the duration of the inmate's natural life.

(v) Whenever the Kansas parole board or the court orders a person to be electronically monitored, the board or court shall order the person to reimburse the state for all or part of the cost of such monitoring. In determining the amount and method of payment of such sum, the board or court shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose.

(w) (1) Notwithstanding any other provision of law, the Kansas parole board may

5-132

release an inmate who has entered into an agreement pursuant to section 3, and amendments thereto, when the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by any agreement entered under section 3, and amendments thereto, or any revision of such agreement, and the board believes that the inmate is able and willing to fulfill the obligations of a law abiding citizen and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate. Release shall not be granted as an award of clemency and shall not be considered a reduction of sentence or a pardon.

(2) The board shall hold a hearing to determine whether such release will be granted. If the board determines that other pertinent information regarding the inmate warrants the inmate not being released, the board shall state in writing the reasons for not granting the release. If the board determines that release is appropriate, the inmate shall be released to a mandatory period of postrelease supervision pursuant to subsection (d)(1)(H).

P. 21-2

5-170

- 171 -

1-171

(b) Sentences expressed in the sentencing guidelines grid for nondrug crimes represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court's discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:

- (A) Prison sentence;
- (B) maximum potential reduction to such sentence as a result of good time; and
- (C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease

5-172

supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:

(A) Prison sentence; and

(B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q)

(g) The sentence for a violation of section 48 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of section 47 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(i) (1) The sentence for the violation of the felony provision of subsection (b)(1)(D) of K.S.A. 8-1567, subsection (b)(3) of section 49 of chapter 136 of the 2010 Session Laws of Kansas, subsections (b)(3) and (b)(4) of section 109 of chapter 136 of the 2010 Session Laws of

Kansas, section 223 of chapter 136 of the 2010 Session Laws of Kansas and section 227 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall be as provided by the specific mandatory sentencing requirements of that section and shall not be subject to the provisions of this section or section 288 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto.

(2) If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and section 288 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in section 109 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto.

(3) Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of subsection (b)(1)(D) of K.S.A. 8-1567, subsection (b)(3) of section 49 of chapter 136 of the 2010 Session Laws of Kansas, subsections (b)(3) and (b)(4) of section 109 of chapter 136 of the 2010 Session Laws of Kansas, section 223 and section 227 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for ~~felony~~ violations of subsection (b)(1)(D) of K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. (4) Notwithstanding the provisions of any other section, the sentencing court shall retain jurisdiction to modify the sentence imposed for the violation of subsection (b)(1)(D) of K.S.A. 8-1567, and amendments thereto.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The provisions of subsection (f)(1) of section 305 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall apply to a defendant sentenced under this subsection. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(p) The sentence for a felony violation of theft of property as defined in section 87 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in section 87 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, or burglary as defined in section 93 of chapter 136 of the 2010 Session Laws of Kansas; or the sentence for a violation of burglary as defined in subsection (a) of section 93 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, prior to their repeal, or theft of property as defined in section 87 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, or burglary as defined in section 93 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. (2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(2) The sentence imposed pursuant to paragraph (1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.
