

CHAPTER 141

HOUSE BILL No. 2486

AN ACT concerning anatomical gifts; relating to first person donor registry; amending K.S.A. 2009 Supp. 65-3225 and 65-3239 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2009 Supp. 65-3225 is hereby amended to read as follows: 65-3225. (a) Subject to K.S.A. 2009 Supp. 65-3227, and amendments thereto, a donor or other person authorized to make an anatomical gift under K.S.A. 2009 Supp. 65-3223, and amendments thereto, may amend or revoke an anatomical gift by:

(1) A record signed by:

- (A) The donor;
- (B) the other person; or

(C) subject to subsection (b), another individual acting at the direction of the donor or the other person if the donor or other person is physically unable to sign; or

(2) a later-executed document of gift that amends or revokes a previous anatomical gift or portion of an anatomical gift, either expressly or by inconsistency.

(b) A record signed pursuant to subsection (a)(1)(C) must:

(1) Be witnessed by at least two adults, at least one of whom is a disinterested witness, who have signed at the request of the donor or the other person; and

(2) state that it has been signed and witnessed as provided in paragraph (1).

(c) Subject to K.S.A. 2009 Supp. 65-3227, and amendments thereto, a donor or other person authorized to make an anatomical gift under K.S.A. 2009 Supp. 65-3223, and amendments thereto, may revoke an anatomical gift by the destruction or cancellation of the document of gift, or the portion of the document of gift used to make the gift, with the intent to revoke the gift.

(d) A donor may amend or revoke an anatomical gift that was not made in a will by any form of communication during a terminal illness or injury addressed to at least two adults, at least one of whom is a disinterested witness.

(e) A donor who makes an anatomical gift in a will may amend or revoke the gift in the manner provided for amendment or revocation of wills or as provided in subsection (a).

(f) *A donor may revoke or amend an anatomical gift made by placing such individual's name on the first person consent organ and tissue donor registry by directly accessing the registry website or notifying the Kansas federally designated organ procurement organization to request the amendment or revocation. Withdrawal of such individual's consent to be listed in the registry does not constitute a refusal to make an anatomical gift of the individual's body or part.*

Sec. 2. K.S.A. 2009 Supp. 65-3239 is hereby amended to read as follows: 65-3239. (a) Information obtained under K.S.A. 8-247 and 8-1325, and amendments thereto, from the division of vehicles by the Kansas federally designated organ procurement organization shall be used for the purpose of establishing a statewide organ and tissue donor registry accessible to in-state recognized cadaveric organ and cadaveric tissue agencies for the recovery or placement of organs and tissue and to procurement agencies in another state when a Kansas resident is a donor of an anatomical gift and is not located in Kansas at the time of death or immediately before the death of the donor. No organ or tissue donation organization may obtain information from the organ and tissue donor registry for the purposes of fund-raising. Organ and tissue donor registry information shall not be further disseminated unless authorized in this section or by federal law. Dissemination of organ and tissue donor registry information may be made by the Kansas federally designated organ procurement organization to a recognized in-state procurement agency for other tissue recovery, or an out-of-state federally designated organ procurement agency. *An individual who agrees to have such individual's name in the first person consent organ and tissue donor registry has given full legal consent to the donation of any of such individual's organs or tissues upon such individual's death as recorded in the registry.*

(b) The Kansas federally designated organ procurement organization may acquire donor information from sources other than the division of vehicles.

(c) All costs associated with the creation and maintenance of the organ and tissue donor registry shall be paid by the Kansas federally designated organ procurement organization. Such organization shall also pay the costs of providing and maintaining the written information and educational materials required to be distributed under subsection (g) of K.S.A. 8-247, and amendments thereto, and under subsection (b) of K.S.A. 8-1325, and amendments thereto.

(d) An individual does not need to participate in the organ and tissue donor registry to be a donor of organs or tissue. The registry is to facilitate organ and tissue donations and not inhibit Kansans from being donors upon death.

(e) This section shall be a part of and supplemental to the revised uniform anatomical gift act.

Sec. 3. K.S.A. 2009 Supp. 65-3225 and 65-3239 are hereby repealed.

Sec. 4. This act shall take effect and be in force from and after its publication in the statute book.

Approved May 17, 2010.
