

SESSION OF 2007

**SUPPLEMENTAL NOTE ON SENATE BILL NO. 53**

As Recommended by House Committee on  
Judiciary

**Brief\***

SB 53 would require a district court judge to release a judgment of record after it has been dormant for at least two years.

The bill will be placed on the Consent Calendar.

**Background**

Under current law, a clerk may release a judgment of record after it has been dormant for at least two years. This bill would shift the responsibility onto a judge of the district court.

The proponent of the bill included Pam Moses, Chief Clerk of the 27<sup>th</sup> Judicial District and representative of the Kansas Association of District Court Clerks and Administrators.

There was no testimony in opposition to the bill.

The Senate Committee concluded this bill is of a noncontroversial nature and placed it on the Consent Calendar.

The House Committee also received testimony from Pam Moses, and placed the bill on the Consent Calendar.

The fiscal note from the Division of Budget states, according to the Office of Judicial Administration, that the passage of this bill would have no fiscal effect.
