

SESSION OF 2007

**SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2002**

As Amended by House Committee on  
Elections and Governmental Organization

**Brief\***

HB 2002, as amended by the House Committee, would modify the requirements in KSA 32-805 relating to members of the Kansas Wildlife and Parks Commission. The bill would require that one member of the Commission come from each Fish and Wildlife Administration Region, as established by the Department of Wildlife and Parks. The bill also would make several technical changes to the existing statutory language.

**Background**

HB 2002 was introduced as a way to correct a situation where, after filling a vacancy on the board, one part of the state was not represented on the Wildlife and Parks Commission. Proponents of the bill included Representatives Grant and Gatewood, who jointly sponsored the bill, and a representative of the Department of Wildlife and Parks. It was discussed that some of the clean up language was necessary in order to address situations where there may be more than one vacancy on the board.

No persons appeared in opposition to the bill.

The fiscal note for this bill indicated no fiscal impact.
