

SESSION OF 2007

**SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2535**

As Recommended by House Committee on  
Social Services Budget

**Brief\***

HB 2535 would amend existing law relating to the deposit of license fees for the operation of adult care homes. The bill would direct that the funds are deposited into a newly created State Licensure Fee Fund, instead of into the State General Fund. The fund would be administered by the Kansas Department on Aging.

All moneys deposited into this Fund would be subject to appropriation.

**Background**

A representative of the Kansas Department on Aging spoke in support of the bill at the hearing.

The fiscal note prepared by the Division of the Budget indicated that passage of the bill would result in a decrease in State General Fund revenue of \$570,000 in FY 2008. The fiscal note also indicates that there is the potential that this decrease in revenue may be offset by a decrease in State General Fund expenditures at the Department on Aging, subject to appropriation.
