

SESSION OF 2007

SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2549

As Amended by House Committee on
Taxation

Brief*

HB 2549, as amended, would relax a requirement that county appraisers be notified within 30 days of the acquisition or sale of vessels for purposes of determining property tax liability to instead require only that notification be made prior to December 20.

Background

The original bill, which was requested for introduction and supported by Representative Lee Tafanelli, would have eliminated the requirement that notification be given to the county appraisers within 30 days.

The House Committee amended the bill to replace that requirement with the December 20 notification provision.

The bill has no fiscal impact for the state.
