

SESSION OF 2010

SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2415

As Amended by Senate Committee on
Ways and Means

Brief*

HB 2415 would exempt the state universities from being required to sell, trade, or dispose of personal property owned by these institutions through State Surplus Property, and would give the Board of Regents oversight of the process.

Background

At the hearing before the House Committee on Education Budget, representatives of the Board of Regents, University of Kansas, Wichita State University, Fort Hays State University, Emporia State University, Pittsburg State University, and Kansas State University spoke in support of the bill. There were no opponents.

The Senate Committee on Ways and Means amended the bill to give the Board of Regents oversight of the process.

The Division of Budget fiscal note on the original version of the bill anticipates a minimal fiscal impact.
