

SESSION OF 2010

**SUPPLEMENTAL NOTE ON  
SUBSTITUTE FOR HOUSE BILL NO. 2583**

As Recommended by House Committee on  
Judiciary

**Brief\***

Sub. for HB 2583 would amend the Open Records Act to provide that a public agency would not be required to disclose an individual's e-mail address, cell phone number, and other contact information which has been given to the public agency for the public agency's notification or communications which are widely distributed to the public.

**Background**

Representative Kay Wolf, sponsor, spoke in favor of the bill. Also appearing on the original bill in support of the measure were conferees from the cities of Prairie Village, Overland Park, and Lenexa; the Unified Government of Wyandotte County; and the League of Kansas Municipalities.

The original bill only dealt with e-mail addresses. The substitute bill includes e-mail addresses, cell phone numbers, and other contact information.

The fiscal note on the original bill indicates the fiscal effect would be difficult to estimate.
