

House Committee on Agriculture and Natural Resources

HB2541

Testimony

January 22, 2024

Dear Honorable Chair Rahjes and Members of the House Committee on Agriculture and Natural Resources,

I am writing to oppose the passing of HB2541 in its current form. As a concerned citizen, I do not see the need to create a fund from money designated to pay for services for everyday Kansans (the lottery) and funneling those funds to more government entities and non-government organizations (NGOs).

Furthermore, these funds would seek to promote initiatives already employed by family farmers and ranchers in their daily activities.

Thank you very much for your time, and for your service in the Legislature.

Sincerely,

Shanxi Omoniyi
