HB2572

Neutral

Written Only

Chairman Proctor and members of the House Elections Committee:

I am writing as a neutral testimony for HB2572. I believe this is good in nature, but it is kind of confusing for both the voters and more work for the election office. I believe 2571 takes care of the problem by writing provisional on the back of the ballot. I would rather see 2571 go into effect than this one. Again I am neutral in support for HB2572.

Respectfully,
