

Lucas Arnold, Proponent
HB2036

Please support 2036. We have three large military bases in Kansas that bring diversity of talent, perspective, and skillset to our labor force, but we lose transitioning veterans to Texas and Florida. The #1 and #2 States for veterans' benefits. Retaining this demographic of talent will support existing industry while posturing us to attract new industry to our state.

Thank You,

Lucas Arnold
Manager, Aftermarket Logistics
