

House Bill #2176

To the Senate Assessment and Taxation Committee:

I fully support the Senate Bill #2176. Udall Public Library has nearly as many patrons in the school district as in the city limits.

Please allow this bill to advance so our community can vote on it. This would be good for everyone in the school district as well as the city tax payers.

Sincerely,

Norma Ciskowski

Udall, KS 67146
