Testimony before the

Senate Committee on Education

on

SB 465

by

Testimony provided on behalf of Sherri Edmundson– USD 103 Cheylin School District

Madam Chair and members of the committee:

We stand in support of Senate Bill 465 as it is presented today.

SB 465 - Authorizing school districts to levy an annual levy of up to two mills for the purposes of school building safety, security and compliance with the Americans with disabilities act and including such levy in the capital outlay state aid determination for such school districts.

Just having the ability to levy extra mills is huge for our district. It would allow us to address security and ADA concerns as they become concerns. After those issues are addressed, districts have the ability to lower the levy back.

Please consider voting to allow this bill.

Respectfully,

Sherri Edmundson
