Proponent sb209

Honorable Chairman and Committee Members

I am in favor of our elections ending at 7pm on election day. That includes all ballots be in by 7pm on election day.

Small Simple changes can improve election integrity .

Many are deciding not to vote. They believe their vote does not count.

We must address all avenues to improve voters hesitancy .

Please pass sb 209 out of committee.

Thank you

Debbie Detmer
