

Senate Committee on Federal and State Affairs  
SB 366

Proponent Testimony  
January 20, 2024

Dear Honorable Chair Thompson and Members of the Senate Committee on Federal and State Affairs,

I am submitting my testimony in favor of SB 366, which would prohibit the mailing of advance voting ballot applications to voters, with the exception of a county election official “pursuant to a request by the voter.”

From my personal experience, I have often received a number of advance voting ballot applications in election years when I was not planning to vote in advance, but in person on Election Day.

I am also concerned about the possible fraud implications, not to mention the wasted paper and resources, from multiple advance voting ballots.

Thank you very much for your time, and for your service in the Legislature.

Sincerely,  
Shanxi Omoniyi  
KS Senate District 10
