SB373

Proponent

Written Only

Chairman Thompson and Members of the senate Federal & State Affairs Committee,

I am submitting my testimony in support of SB373. I highly oppose taxpayer dollars going to fund lobbyists. A lot of money gets funneled through lobbyists to try and gain an advantage. Sometimes it's for the good of the people, sometimes it is for one's own personal gain. The one instance I feel is extremely bad is when those dollars are used to pay for lobbyists that goes against a citizen's bill they are fighting for to get through the legislature. I don't feel like the public's tax dollars need to be used in this way. Again, I am voicing my support for bill SB373.

Respectfully,

Brett Anderson
