The Honorable William Sutton, Chairperson
House Committee on Insurance
300 SW 10th Avenue, Room 218-N
Topeka, Kansas 66612

Dear Representative Sutton:

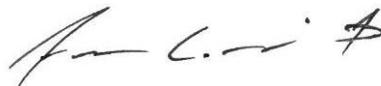

SUBJECT: Fiscal Note for HB 2097 by House Committee on Insurance

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2097 is respectfully submitted to your committee.

Under current law, an insurance company is required to make a written demand to an agent or broker in order to establish prima facie evidence that an agent or broker used or applied the premium for a purpose other than paying the company. HB 2097 would remove the requirement of a written demand to establish prima facie evidence.

The Kansas Insurance Department, the Kansas Department of Corrections, and the Kansas Judicial Branch all state that HB 2097 would not have a fiscal effect.

Sincerely,

Adam Proffitt
Director of the Budget
