The Honorable Brenda Landwehr, Chairperson
House Committee on Health and Human Services
300 SW 10th Avenue, Room 112-N
Topeka, Kansas 66612

Dear Representative Landwehr:

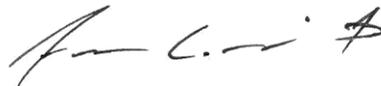

SUBJECT: Fiscal Note for HB 2276 by House Committee on Health and Human Services

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2276 is respectfully submitted to your committee.

HB 2276 would amend the Kansas Healing Arts Act to prohibit the performance or supervision of the performance of a pelvic, rectal, or prostate examination on an anesthetized or unconscious person unless an exception as listed in the bill was met. Violation of the provisions of the bill would constitute unprofessional conduct under the Act.

According to the Kansas State Board of Healing Arts, enactment of HB 2276 would not generate any revenue for the agency. There could be an increase in complaints, investigations, and litigation but the agency anticipates any related costs would be managed within existing resources.

Sincerely,

Adam Proffitt
Director of the Budget
