

February 15, 2024

The Honorable Beverly Gossage, Chairperson
Senate Committee on Public Health and Welfare
300 SW 10th Avenue, Room 142-S
Topeka, Kansas 66612

Dear Senator Gossage:

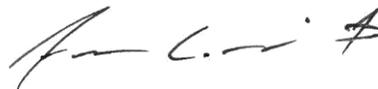

SUBJECT: Fiscal Note for SB 460 by Senate Committee on Public Health and Welfare

In accordance with KSA 75-3715a, the following fiscal note concerning SB 460 is respectfully submitted to your committee.

SB 460 would require the Secretary of Health and Environment, to adopt rules and regulations establishing anaphylaxis policies for schools and day care facilities, setting forth guidelines and procedures to be followed for the prevention of anaphylaxis and the response during a medical emergency resulting from anaphylaxis. The bill would make definitions and include specific requirements for the policies. The policies would be required to be forwarded to the Board of Education of each school district and each day care facility prior to July 1, 2025, which would then be required to be implemented within six months of receipt. The policies would be required to be updated at least once every three years.

According to the Kansas Department of Health and Environment and the Kansas State Board of Education, enactment of SB 460 would not have a fiscal effect on the operations of either agency.

Sincerely,

Adam C. Proffitt
Director of the Budget

cc: Gabrielle Hull, Department of Education
Amy Penrod, Department of Health & Environment
