The Honorable Jeff Longbine, Chairperson
Senate Committee on Financial Institutions and Insurance
300 SW 10th Avenue, Room 546-S
Topeka, Kansas 66612

Dear Senator Longbine:

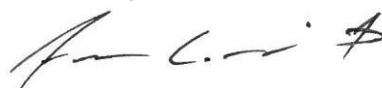

SUBJECT: Fiscal Note for SB 51 by Senate Committee on Financial Institutions and Insurance

In accordance with KSA 75-3715a, the following fiscal note concerning SB 51 is respectfully submitted to your committee.

SB 51 would amend the Technology-Enabled Fiduciary Financial Institutions Act. The bill would authorize the Office of the State Bank Commissioner to receive a state and national criminal history record check from a private entity if the Kansas Bureau of Investigations or the Federal Bureau of Investigations is unable to provide to the criminal history record check. The bill would require the criminal history record check to be kept confidential. The portions the bill dealing with confidentiality of public records would expire on July 1, 2028, unless the Kansas Legislature reenacts such portions.

The Office of the State Bank Commissioner indicates any fiscal effect of SB 51 could be absorbed within the agency's existing resources. The Kansas Bureau of Investigations indicates that any revenue the agency receives from the criminal history record check requests would be offset by operating expenditures related to staffing and maintenance of the repository system that generates the criminal history check. The Kansas Legislature indicates the bill would have no fiscal effect. Any fiscal effect associated with SB 51 is not reflected in *The FY 2024 Governor's Budget Report*.

Sincerely,

Adam Proffitt
Director of the Budget
