Journal of the House

FORTY-EIGHTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Tuesday, March 25, 2025, 10:00 a.m.

The House met pursuant to adjournment with Speaker Hawkins in the chair.

The roll was called with 125 members present.

Excused later: Reps. Brantley, Brownlee Paige and Winn.

Prayer by guest chaplain, Rev. Justin Panzer, President Kansas District of the Lutheran Church - Missouri Synod, Topeka, and guest of Rep. Howe.

In the Name of the Father and of the Son and of the Holy Spirit! Amen.

Almighty God, Your Word commands us to pray for our leaders that “we may lead a peaceful and quiet life, godly and dignified in every way.” (1 Timothy 2:2) It is from You that comes all rule and authority over the nations of the world for the punishment of evildoers and for the praise of those who do well.

To that end, guard, preserve, and direct the Kansas Legislators, specifically those in the House of Representatives, our Governor, and all Your servants, who make, administer, and judge the laws of this state and nation. Lead them to seek Your will. In all that they do, enable them, by Your Spirit, to pray, “Thy will be done.”

Heavenly Father, we gather today in the spirit of unity and service, seeking Your guidance and wisdom. We thank You for the gift of this new day and for the opportunity to serve the people of Kansas with hearts full of dedication and grace.

Lord Jesus, You are the Light of the world, the light that no darkness can ever overcome. Let all darkness that would seek to inhibit Your Word and silence Your people be put away. Let it not reign in this building now or ever. We boldly ask You to cast away the works of darkness. Bring all transgressors and those who are blinded and bound in the devil’s kingdom to know Christ, Your Son, by faith. You have come to shine in the darkness, to bring hope where there is despair, peace where there is conflict, and to lead us with Your truth.

As this session begins today, light the paths of those gathered here with Your wisdom and illuminate their minds with understanding. May Your light shine through their words and actions, that all they do here today may be in service to justice, truth, and the common good.

Guide them, Lord, as they work together, so that they may reflect Your love in their decisions and actions. Help them to act with compassion and humility, seeking the well-being of all people, especially those who are vulnerable or in

need. May they be instruments of Your peace, bringing light to places of division and darkness.

We commend ourselves to You, imploring You in the Name of Jesus Christ, our Lord and Savior, whom You have sent to shed His precious blood on the Cross and be bodily raised again from the grave for all people. In Christ's Name, we pray. Amen.

The Pledge of Allegiance was led by Rep. Moser.

MESSAGE FROM THE GOVERNOR
REGARDING SENATE BILL 4

The three-day grace period for mail ballots was a bipartisan solution approved by the Legislature in 2017 to address delays in processing of mail by the United States Postal Service, particularly in rural areas. The goal was to ensure that all Kansans had their votes counted, no matter where they lived.

Not only will removing the three-day grace period for mail ballots disenfranchise thousands of Kansas voters, but it also shows a lack of understanding of our elections in Kansas.

Implementing this will create confusion among county election officials, who will have to update policies and procedures on handling of mail ballots in a higher turnout election year.

This bill is an attack on rural Kansans who want to participate in the electoral process guaranteed by our Constitution. I will not sign legislation that deprives Kansans from having their vote counted.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 4.

A motion was made that **SB 2** be passed notwithstanding the Governor's veto. By vote of 30 Yeas and 10 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the Senate, voting in the affirmative, the bill passed.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote NO on **SB 2**. I have a college student who attends school out of town in a large city. Because of the slow postal system, I have to FedEx her her ballot, have her FedEx it back to me, and then put it in a drop box. We always complain about

college students not wanting to come back, and this is why. We don't respect them. – STEPHANIE SAWYER CLAYTON

MR. SPEAKER: I vote no on **SB 2**. I strongly oppose the plans to eliminate the 3-day grace period for mail in ballots. It is a blatant attempt of voter suppression that is not going unnoticed by Kansans, rural Kansans, disabled Kansans, college students, the elderly – they will all be disenfranchised. Shame on those who make it harder to vote rather than easier. It is un-American. – NIKKI McDONALD, KIRK HASKINS, LINDA FEATHERSTON, HEATHER MEYER, MARI-LYNN POSKIN, VIRGIL WEIGEL, CINDY NEIGHBOR, SUZANNE WIKLE, TOBIAS SCHLINGENSIEPEN

MR. SPEAKER: I believe the mark of a great leader can be open to conversations and responsive learning, which is why I've changed my position on **SB 2** to a YES vote. **SB 4** improves efficiency of canvassing and promotes integrity and public confidence in elections to ensure the delivery of timely and accurate results. Passing **SB 2** would align Kansas law with policy in a majority of states. According to NCSL, 32 states require ballots to be received on or before Election Day. Kansas' neighboring states all have ballot receipt deadlines similar or identical to the proposal in **SB 2**. – ANGEL ROESER

MR. SPEAKER: I vote no on **SB 2** override of the Governor's Veto. We put a rule in place in 2017 to allow a 3-day grace period of mailed advance ballots. To remove this provision causes voter uncertainty and confusion. I am a senior citizen, and we appreciate the extra time. As a representative of an university community I know that students appreciate the extra time. When the county mails a ballot to the home address and a family returns it to the student's university address there can be delays. Mr. Speaker I vote No to override the Governor on **SB 2**. – SYDNEY CARLIN

On motion of Rep. Corbet, the House recessed until 4:00 p.m.

Sec. 4. K.S.A. 8-132 is hereby amended to read as follows: 8-132. Notwithstanding the foregoing provisions of this subsection, whenever, in the discretion of the director of vehicles, it is determined that the license plates currently being issued and displayed are not deteriorating to the extent that their replacement is warranted, the director may adopt rules and regulations to extend the five-year issuance cycle provided for in this subsection by one year at a time, and in the same manner the director may further extend such cycle by one year at a time, successively as the director determines appropriate. If the cycle is extended at the expiration of the extended term, new license plates shall again be issued in the manner and for the term provided in such rules and regulations, except that the owner of a motor vehicle currently registered may continue to display the license plate currently being issued and displayed for a period not to exceed three registration years from the date of the expiration of the extended term. The \$40 fee shall be paid only once during the registration period for which such license plates were issued, and any subsequent renewals during the registration period shall be subject only to the registration fee prescribed by K.S.A. 8-143, and amendments thereto. Unless the letters or numbers designated by the applicant have been assigned to another vehicle, or unless the letters or numbers designated by the applicant have a profane, vulgar, lewd or indecent meaning or connotation, as determined by the director of vehicles, the division shall assign such letters or numbers to the applicant's vehicle, and the letters or numbers, or combination thereof, so assigned shall be deemed the registration number of such vehicle. The division of vehicles, in order to initiate a system of registering or reregistering passenger vehicles during any month of a calendar year, may register or reregister a passenger vehicle for less than a 12-month period, prorating the annual registration fee, when in the director's opinion such proration tends to fulfill the purpose of the monthly registration system.

In this case, the vehicle shall be registered by the division of vehicles in accordance with the system adopted.

Such decals shall be so constructed that once a decal has been affixed to a license plate, it cannot be removed without destroying the decal, and the surface of such decals shall be capable of reflecting light. Consistent with the foregoing, the director of vehicles shall prescribe the size of and material to be used in the production of such decals, and the director of vehicles shall designate the location on a number plate where such decal shall be affixed.

(f) (1) The owner of a vehicle may, at the time of such registration or reregistration, purchase a park and recreation motor vehicle permit. Such permit shall cost \$15 until such time as the amount for such permit is changed by rules and regulations of the

secretary of wildlife and parks.

(2) Such permit shall be nontransferable and shall expire on the date of expiration of the vehicle registration.

(3) Except as provided in subsection (f)(4), the county treasurer shall remit all such moneys paid to the county treasurer to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Journal of the House

FORTY-NINTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Wednesday, March 26, 2025, 10:00 a.m.

The House met pursuant to adjournment with Speaker Hawkins in the chair.

The roll was called with 123 members present.

Reps. Brantley and Poetter Parshall were excused on excused absence by the Speaker.

Present later: Rep. Poetter Parshall.

Excused later: Reps. Collins and Weigel.

Prayer by Chaplain Holmes:

Dear Father. We are rapidly winding down this session's duties for the people of Kansas.

It has been a good year!

It has been an interesting year! It has been a productive year!

Thank You for Your providential care throughout our time and work together.

I pray our State is in a better place because of our time and efforts.

As we each prepare to return home to our normal duties and routines,

help us to continue to enrich our lives with Your goodness.

The Apostle Paul of the New Testament says it this way,

“Finally brethren, whatever is true, whatever is honorable, whatever is right, whatever is pure, whatever is lovely, whatever is of good repute, if there is any excellence and anything worthy of praise, let your mind dwell on these things. And the God of peace shall be with you.”

I pray all the people these representatives have touched
throughout the past number of months will see them as
harbingers of light and encouragement.

Leaders who have shined light upon darkness and revealed themselves
as true servants of the people.

Might we never forget light always dispels darkness.

Darkness of thought, mind, and action has no power to influence us,
and for that we are eternally grateful.

Remind each of us Father we are to be light bearers,

pushing back any darkness which might threaten the peace

You wish for Your personal creation. Help us to remember to worship our Creator,
and not that which has been created.

Keep integrity our goal and honesty our life's treasure.

I now ask for Your blessings upon each one in this chamber.

Might Your goodness wrap itself around and even surprise them
with Your love and protection.
I ask this in Jesus Name. Amen.

The Pledge of Allegiance was led by Rep. Minnix.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Ellis are spread upon the Journal:

Good morning. I have the great honor to recognize a young lady from Oskaloosa High School, Holly Thacher, along with her mother, Shala. Oskaloosa is the school where I taught for 37 years. Holly is with us to receive an award for her achievement in the 2025 State Wrestling Tournament where she competed in the 120 pound weight class and took home the state championship. As this is Holly's senior year, the school is retiring her uniform, the singlet, which will be displayed at the school.

In 2024 as a junior, Holly injured her knee during the Fargo National Tournament, requiring surgery from which she experienced several complications. She missed the first few meets and lost her first four matches. But she didn't give up. She went on to complete the season successfully winning the state championship in the 115 pound weight class.

Not only did she win in 2024, but in 2023 in the 105 pound weight class, she won the state championship as a sophomore. But wait...there's more...in 2022 as a freshman, she won the state championship in the 101 pound weight class.

Holly is a great example to all of us...that commitment, dedication, hard work, and a winning attitude...are the keys to success. Holly says wrestling has taught her to be mentally tough even when things get hard.

At this time, I present Holly Thacher an Outstanding Achievement Award in Women's state wrestling...4 years in a row.

Rep. Ellis presented Miss Thacher with a framed House certificate in honor of her achievements.

The Black Bears defeated the Moundridge Wildcats in the 2025 2A State Championship game by a score of 56-42. This is the second boys basketball championship in school history. This is the 5th Final Four appearance, and 13th overall State Tournament appearance in school history. The Black Bears average margin of victory in the 2025 postseason was a staggering 29.8 points per game.

CONFERENCE COMMITTEE REPORT

MR. SPEAKER and MR. PRESIDENT: Your committee on conference on Senate amendments to **HB 2016** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 1, following line 6, by inserting:

"New Section 1. (a) No county election officer shall disqualify an individual from serving as a poll worker at any election on the basis of residency or registered voter status if such individual is a citizen of the United States and an active military member or the spouse or other dependent of an active military member.

(b) Nothing in this section shall be construed to limit or otherwise restrict any poll worker qualifications based on the age of the individual, except as provided in K.S.A.

25-2804, and amendments thereto.

(c) "Active military member" means any person with full-time duty status in the armed forces of the United States, including members of the national guard and reserve.

Sec. 2. K.S.A. 2024 Supp. 25-1122 is hereby amended to read as follows: 25-1122.

(a) Any registered voter may file with the county election officer where such person is a resident, or where such person is authorized by law to vote as a former precinct resident, an application for an advance voting ballot. The signed application shall be transmitted only to the county election officer by personal delivery, mail, facsimile or as otherwise provided by law.

(b) If the registered voter is applying for an advance voting ballot to be transmitted in person, the voter shall provide identification pursuant to K.S.A. 25-2908, and amendments thereto.

(c) If the registered voter is applying for an advance voting ballot to be transmitted by mail, the voter shall provide with the application for an advance voting ballot the voter's current and valid Kansas driver's license number, nondriver's identification card number or a photocopy of any other identification provided by K.S.A. 25-2908, and amendments thereto.

(d) A voter may vote a provisional ballot according to K.S.A. 25-409, and amendments thereto, if:

(1) The voter is unable or refuses to provide current and valid identification; or

(2) the name and address of the voter provided on the application for an advance voting ballot do not match the voter's name and address on the registration book. The voter shall provide a valid form of identification as defined in K.S.A. 25-2908, and amendments thereto, to the county election officer in person or provide a copy by mail or electronic means before the meeting of the county board of canvassers. At the meeting of the county board of canvassers the county election officer shall present copies of identification received from provisional voters and the corresponding provisional ballots. If the county board of canvassers determines that a voter's identification is valid and the provisional ballot was properly cast, the ballot shall be counted.

(e) No county election officer shall provide an advance voting ballot to a person who is requesting an advance voting ballot to be transmitted by mail unless:

(1) The county election official verifies that the signature of the person matches that on file in the county voter registration records, except that verification of the voter's signature shall not be required if a voter has a disability preventing the voter from signing. Signature verification may occur by electronic device or by human inspection. In the event that the signature of a person who is requesting an advance voting ballot does not match that on file, the county election officer shall attempt to contact the person and shall offer the person another opportunity to provide the person's signature for the purposes of verifying the person's identity. If the county election officer is unable to reach the person, the county election officer may transmit a provisional ballot, however, such provisional ballot may not be counted unless a signature is included therewith that can be verified; and

(2) the person provides such person's full Kansas driver's license number, Kansas nondriver's identification card number issued by the division of vehicles, or submits such person's application for an advance voting ballot and a copy of identification

provided by K.S.A. 25-2908, and amendments thereto, to the county election officer for verification. If a person applies for an advance voting ballot to be transmitted by mail but fails to provide identification pursuant to this subsection or the identification of the person cannot be verified by the county election officer, the county election officer shall provide information to the person regarding the voter rights provisions of subsection (d) and shall provide the person an opportunity to provide identification pursuant to this subsection. For the purposes of this act, Kansas state offices and offices of any subdivision of the state will allow any person seeking to vote by an advance voting ballot the use of a photocopying device to make one photocopy of an identification document at no cost.

(f) (1) Applications for advance voting ballots to be transmitted to the voter by mail shall be filed only at the following times:

(A) For the primary election occurring on the first Tuesday in August in both even-numbered and odd-numbered years, between April 1 of such year and the Tuesday of the week preceding such primary election;

(D) for question submitted elections occurring on the date of a primary or general election, the same as is provided for ballots for election of officers at such election;

(E) for question submitted elections not occurring on the date of a primary or general election, between the time of the first published notice thereof and the Tuesday of the week preceding such question submitted election, except that if the question submitted election is held on a day other than a Tuesday, the final date for mailing of advance voting ballots shall be one week before such election; and

(F) for any special election of officers, at such time as is specified by the secretary of state.

(2) The county election officer of any county may receive applications prior to the time specified in this subsection and hold such applications until the beginning of the prescribed application period. Such applications shall be treated as filed on that date.

(g) (1) Unless an earlier date is designated by the county election office, applications for advance voting ballots transmitted to the voter in person shall be filed on the Tuesday next preceding the election and on each subsequent business day until no later than ~~12:00~~ 12:00 noon on the day preceding such election. If the county election officer so provides, applications for advance voting ballots transmitted to the voter in person in the office of the county election officer also may be filed on the Saturday preceding the election. Upon receipt of any such properly executed application, the county election officer shall deliver to the voter such ballots and instructions as are provided for in this act.

(2) An application for an advance voting ballot filed by a voter who has a temporary illness or disability or who is not proficient in reading the English language or by a person rendering assistance to such voter may be filed during the regular advance ballot application periods until the close of the polls on election day.

(3) The county election officer may designate places other than the central county

election office as satellite advance voting sites. At any satellite advance voting site, a registered voter may obtain an application for advance voting ballots. Names and addresses shall remain so listed until the day of such election. The county election officer shall maintain a separate listing of the names and addresses of persons qualifying for permanent advance voting status. All such lists shall be available for inspection upon request in compliance with this subsection by any registered voter during regular business hours. The county election officer upon receipt of the applications shall enter upon a record kept by such officer the name and address of each applicant, which record shall conform to the list above required. Before inspection of any advance voting ballot application list, the person desiring to make the inspection shall provide to the county election officer identification in the form of driver's license or other reliable identification and shall sign a log book or application form maintained by the officer stating the person's name and address and showing the date and time of inspection. All records made by the county election officer shall be subject to public inspection, except that the voter identification information required by subsections (b) and (c) and the identifying number on ballots and ballot envelopes and records of such numbers shall not be made public.

(j) If a person on the permanent advance voting list fails to vote in four consecutive general elections, the county election officer may mail a notice to such voter. The notice shall inform the voter that the voter's name will be removed from the permanent advance voting list unless the voter renews the application for permanent advance voting status within 30 days after the notice is mailed. If the voter fails to renew such application, the county election officer shall remove the voter's name from the permanent advance voting list. Failure to renew the application for permanent advance voting status shall not result in removal of the voter's name from the voter registration list.

(k) (1) Any person who solicits by mail a registered voter to file an application for an advance voting ballot and includes an application for an advance voting ballot in such mailing shall include on the exterior of such mailing, and on each a page contained therein, except the application, in such mailing a clear and conspicuous label in 14-point 10-point font or larger that includes:

In no case shall the person who mails the application to the voter direct that the completed application be returned to such person.

(5) A violation of this subsection is a class C nonperson misdemeanor.

(1) (1) No person shall mail or cause to be mailed an application for an advance voting ballot, unless such person is a resident of this state or is otherwise domiciled in this state.

(2) Any individual may file a complaint in writing with the attorney general alleging a violation of this subsection. CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to **SB 269** submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill as printed with House Committee amendments, as follows: On page 1, by striking all in lines 7 through 36;

On page 2, by striking all in lines 1 through 3; following line 3, by inserting:

"New Section 1. (a) As used in this section:

(1) "Adjusted consumer price ratio" means the fiscal year consumer price index divided by the base year consumer price index.

(2) "Adjusted general revenue fund collections" means actual tax receipt revenues to the state general fund from the Kansas income tax act and the privilege tax imposed upon any national banking association, state bank, trust company or savings and loan association pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto.

(3) "Base year revenues" means actual tax receipt revenues to the state general fund for fiscal year 2024 in the amount of \$5,969,395,529 from the Kansas income tax act and the privilege tax imposed upon any national banking association, state bank, trust company or savings and loan association pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto.

(4) "Base year consumer price index" means a 12-month average of the not seasonally adjusted consumer price index for all urban consumers for fiscal year 2024.

(5) "Excess fiscal year general revenue fund collections" means the positive difference from subtracting the inflation adjusted base year revenues from the adjusted general revenue fund collections from the immediately preceding fiscal year.

(6) "Fiscal year consumer price index" means a 12-month average of the not seasonally adjusted consumer price index for all urban consumers for the immediately preceding fiscal year.

(7) "Inflation adjusted base year revenues" means the base year revenues multiplied by the adjusted consumer price ratio.

(b) Commencing on August 15, 2025, and every August 15 thereafter, the director of the budget, in consultation with the director of legislative research, shall determine whether the total fiscal year adjusted general revenue fund collections from the immediately preceding fiscal year are in excess of the inflation adjusted base year revenues and if the amount of moneys in the budget stabilization fund established pursuant to K.S.A. 75-6706, and amendments thereto, is equal to or exceeds 15% of the prior fiscal year's state tax receipt revenues to the state general fund. If the total fiscal year adjusted general revenue fund collections from the immediately preceding fiscal year are in excess of the inflation adjusted base year revenues and the amount of moneys in the budget stabilization fund is equal to or exceeds 15% of the prior fiscal year's state tax receipt revenues to the state general fund, the director of the budget shall certify to the secretary of revenue the existence of such excess and the amount of the excess.

(c) In the event that the secretary of revenue certifies that the adjusted general revenue fund collections from the immediately preceding fiscal year are in excess of the inflation adjusted base year revenues and the amount of moneys in the budget stabilization fund is equal to or exceeds 15% of the prior fiscal year's state tax receipt revenues to the state general fund, the secretary shall calculate and publish the income tax and privilege tax rate reduction as a result of the excess. In calculating the income tax rate reduction, the excess fiscal year general revenue fund collections shall be computed that would result in the reduction of the income tax rates pursuant to subsection (d) in an amount approximately equal to the rate reductions down to the nearest 0.01% to go into effect for the next tax year. In calculating the privilege tax rate reduction pursuant to subsection (d), the reduction shall be a corresponding rate reduction that is equal to the total percentage adjustment to the corporate income tax. Such rate reductions shall remain in effect unless further reduced pursuant to this section. The income tax brackets and taxable income thresholds prescribed in K.S.A. 79-32,110(a), and amendments thereto, shall be adjusted to reflect the changes in income tax rates.

(d) The secretary shall first compute the reduction of the income tax rates pursuant to K.S.A. 79-32,110(a), and amendments thereto, that decreases proportionally all tax rates in effect. Once the lower income tax rate is decreased to 4%, there shall be no further reductions to the lower income tax rate and further reductions shall only be applied to reduce the higher income tax rate in effect. Upon the higher income tax rate being decreased to 4%, no further reductions shall occur to K.S.A. 79-32,110(a), and amendments thereto. The secretary shall then compute decreases to:

(1) The surtax imposed pursuant to K.S.A. 79-32,110(c), and amendments thereto. The surtax shall be decreased until the combined normal and surtax rates equal 4% that are imposed pursuant to K.S.A. 79-32,110(c), and amendments thereto. Once the combined normal and surtax rates pursuant to K.S.A. 79-32,110(c), and amendments thereto, equal 4%, no further reductions shall occur;

(2) the normal tax imposed pursuant to K.S.A. 79-1107, and amendments thereto. The normal tax shall be decreased until the combined normal and surtax rates equal 2.6% that are imposed pursuant to K.S.A. 79-1107, and amendments thereto. Once the combined normal and surtax rates pursuant to K.S.A. 79-1107, and amendments thereto, equal 2.6%, no further reductions shall occur; and

(3) the normal tax imposed pursuant to K.S.A. 79-1108, and amendments thereto. The normal tax shall be decreased until the combined normal and surtax rates equal 2.62% that are imposed pursuant to K.S.A. 79-1108, and amendments thereto. Once the combined normal and surtax rates pursuant to K.S.A. 79-1108, and amendments thereto, equal 2.62%, no further reductions shall occur.

Sec. 2. K.S.A. 2024 Supp. 79-1107 is hereby amended to read as follows: 79-1107. (a) Every national banking association and state bank located or doing business within the state shall pay to the state for the privilege of doing business within the state a tax according to or measured by its net income for the next preceding taxable year to be computed as provided in this act. (b) The tax levied shall be in lieu of ad valorem taxes which might otherwise be imposed by the state or political subdivisions thereof upon shares of capital stock or the intangible assets of national banking associations and state banks.

(2) The treasurer shall retrospectively audit at least 10 withdrawals of matching funds under the program made during each of the calendar years 2025, 2026 and 2027 to determine whether each such withdrawal was a qualified withdrawal or a nonqualified withdrawal under K.S.A. 75-640 et seq., and amendments thereto. The treasurer shall notify any participant whose withdrawal was selected for audit and request such participant to provide to the treasurer any documentation and information deemed necessary by the treasurer to facilitate the audit and determine whether the withdrawal was a qualified withdrawal or a nonqualified withdrawal under K.S.A. 75-640 et seq., and amendments thereto. Any such amounts that remain due and unpaid after the date prescribed by the treasurer for the payment thereof shall be subject to interest at the rate of 5% per annum, compounded monthly, from the date prescribed by the treasurer for the payment thereof. Through this compact the member states seek to establish a regulatory framework that provides for a new multistate licensing program. Through this new licensing program, the member states seek to provide increased value and mobility to licensed cosmetologists in the member states, while ensuring the provision of safe, effective and reliable services to the public.

(b) This compact is designed to achieve the following objectives, which are ratified by the member states to this compact:

(3) ensure and encourage cooperation between member states in the licensure and regulation of the practice of cosmetology;

(4) support relocating military members and their spouses;

(2) investigative information that indicates that a licensee has engaged in fraud or represents an immediate threat to public health and safety, regardless of whether the licensee has been notified and had an opportunity to respond.

(k) "Data system" means a repository of information about licensees, including, but not limited to, license status, investigative information and adverse actions.

(l) "Disqualifying event" means any event that shall disqualify an individual from holding a multistate license under this compact, which the commission may by rule or order specify.

(z) "State licensing authority" means a member state's regulatory body responsible for issuing cosmetology licenses or otherwise overseeing the practice of cosmetology in that state.

ARTICLE 3—MEMBER STATE REQUIREMENTS

(a) To be eligible to join this compact and maintain eligibility as a member state, a state shall:

(1) License and regulate cosmetology;

(2) have a mechanism or entity in place to receive and investigate complaints about licensees practicing in that state;

(3) require that licensees within the state pass a cosmetology competency examination prior to being licensed to provide cosmetology services to the public in that state;

(4) require that licensees satisfy educational or training requirements in cosmetology prior to being licensed to provide cosmetology services to the public in that state;

(5) implement procedures for considering one or more of the following categories of information from applicants for licensure: Criminal history; disciplinary history; or background check. Such procedures may include the submission of information by applicants for the purpose of obtaining an applicant's background check as defined herein;

(6) participate in the data system, including through the use of unique identifying numbers;

(7) share information related to adverse actions with the commission and other member states, both through the data system and otherwise;

(8) notify the commission and other member states, in compliance with the terms of the compact and rules of the commission, of the existence of investigative information or current significant investigative information in the state's possession regarding a licensee practicing in that state;

(9) comply with such rules as may be enacted by the commission to administer the compact; and

(10) accept licensees from other member states as established herein.

(b) Member states may charge a fee for granting a license to practice cosmetology.

(c) Individuals not residing in a member state shall continue to be able to apply for a member state's single-state license as provided under the laws of each member state, except that the single-state license granted to these individuals shall not be recognized as granting a multistate license to provide services in any other member state.

(d) Nothing in this compact shall affect the requirements established by a member state for the issuance of a single-state license.

(e) A multistate license issued to a licensee by a home state to a resident of that state shall be recognized by each member state as authorizing a licensee to practice cosmetology in each member state.

(f) At no point shall the commission have the power to define the educational or professional requirements for a license to practice cosmetology. The member states shall retain sole jurisdiction over the provision of these requirements.

ARTICLE 4—MULTISTATE LICENSE

(a) To be eligible to apply to their home state's state licensing authority for an initial multistate license under this compact, a licensee must hold an active and unencumbered single-state license to practice cosmetology in such licensee's home state.

(b) Upon the receipt of an application for a multistate license, according to the rules of the commission, a member state's state licensing authority shall ascertain whether the applicant meets the requirements for a multistate license under this compact.

(c) If an applicant meets the requirements for a multistate license under this compact and any applicable rules of the commission, the state licensing authority in receipt of the application shall, within a reasonable time, grant a multistate license to that applicant and inform all member states of the grant of such multistate license.

(d) A multistate license to practice cosmetology issued by a member state's state licensing authority shall be recognized by each member state as authorizing the practice thereof as though that licensee held a single-state license to do so in each member state, subject to the restrictions herein.

(e) A multistate license granted pursuant to this compact may be effective for a definite period of time, concurrent with the licensure renewal period in the home state.

(f) To maintain a multistate license under this compact, a licensee shall:

(1) Agree to abide by the rules of the state licensing authority and the state scope of practice laws governing the practice of cosmetology of any member state where the licensee provides services;

(2) pay all required fees related to the application and process and any other fees that the commission may, by rule, require; and

(3) comply with any and all other requirements regarding multistate licenses that the commission may, by rule, provide.

(g) A licensee practicing in a member state is subject to all scope of practice laws governing cosmetology services in that state.

(h) The practice of cosmetology under a multistate license granted pursuant to this compact shall subject the licensee to the jurisdiction of the state licensing authority, the courts and the laws of the member state where the cosmetology services are provided.

ARTICLE 5—REISSUANCE OF A MULTISTATE LICENSE BY A NEW HOME STATE

(a) A licensee may hold a multistate license, issued by their home state, in only one member state at any given time.

(b) If a licensee changes such licensee's home state by moving between two member states:

(1) The licensee shall immediately apply for the reissuance of such multistate license in such licensee's new home state. The licensee shall pay all applicable fees and notify the prior home state in accordance with the rules of the commission;

(2) upon receipt of an application to reissue a multistate license, the new home state shall verify that the multistate license is active, unencumbered and eligible for reissuance under the terms of the compact and the rules of the commission. The multistate license issued by the prior home state shall be deactivated and all member states notified in accordance with the applicable rules adopted by the commission;

(3) if required for initial licensure, the new home state may require a background check as specified in the laws of that state, or the compliance with any jurisprudence requirements of the new home state; and

(4) notwithstanding any other provision of this compact, if a licensee does not meet the requirements set forth in this compact for the reissuance of a multistate license by the new home state, then such licensee shall be subject to the new home state requirements for the issuance of a single-state license in that state.

(c) If a licensee changes such licensee's primary state of residence by moving from a member state to a non-member state, or from a non-member state to a member state, then the licensee shall be subject to the state requirements for the issuance of a single-state license in the new home state.

(d) Nothing in this compact shall interfere with a licensee's ability to hold a single-state license in multiple states, except that, for the purposes of this compact, a licensee shall have only one home state and one multistate license.

(e) Nothing in this compact shall interfere with the requirements established by a member state for the issuance of a single-state license.

ARTICLE 6—AUTHORITY OF THE COMPACT COMMISSION AND MEMBER STATE LICENSING AUTHORITIES

(a) Nothing in this compact, nor any rule or regulation of the commission, shall be construed to limit, restrict or in any way reduce the ability of a member state to enact and enforce laws, rules or regulations related to the practice of cosmetology in that state where those laws, rules or regulations are not inconsistent with the provisions of this compact.

(b) Insofar as practicable, a member state's state licensing authority shall cooperate with the commission and with each entity exercising independent regulatory authority over the practice of cosmetology according to the provisions of this compact.

(c) Discipline shall be the sole responsibility of the state where cosmetology services are provided. Accordingly, each member state's state licensing authority shall be responsible for receiving complaints about individuals practicing cosmetology in that state and for communicating all relevant investigative information about any such adverse action to the other member states through the data system in addition to any other methods the commission may require by rule.

ARTICLE 7—ADVERSE ACTIONS

(a) A licensee's home state shall have exclusive power to impose an adverse action against a licensee's multistate license issued by the home state.

(b) A home state may take adverse action on a multistate license based on the investigative information, current significant investigative information or adverse action of a remote state.

(c) In addition to the powers conferred by state law, each remote state's state licensing authority shall have the power to:

(1) Take adverse action against a licensee's authorization to practice cosmetology through the multistate license in that member state, except that:

(A) Only the licensee's home state shall have the power to take adverse action against the multistate license issued by the home state; and

(B) for the purposes of taking adverse action, the home state's state licensing authority shall give the same priority and effect to reported conduct received from a remote state as it would if such conduct had occurred within the home state. In so doing, the home state shall apply its own state laws to determine the appropriate action;

(2) issue cease and desist orders or impose an encumbrance on a licensee's authorization to practice within that member state;

(3) complete any pending investigations of a licensee who changes their primary state of residence during the course of such an investigation. The state licensing authority shall also be empowered to report the results of such an investigation to the commission through the data system as described herein;

(4) issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses, as well as the production of evidence. Subpoenas issued by a state licensing authority in a member state for the attendance and testimony of witnesses or the production of evidence from another member state shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings before it. The issuing state licensing authority shall pay any witness fees, travel expenses, mileage and other fees required by the service statutes of the state where the witnesses or evidence are located;

(5) if otherwise permitted by state law, recover from the affected licensee the costs of investigations and disposition of cases resulting from any adverse action taken against that licensee; and

(6) take adverse action against the licensee's authorization to practice in that state based on the factual findings of another remote state.

(d) A licensee's home state shall complete any pending investigation of a cosmetologist who changes such licensee's primary state of residence during the course of the investigation. The home state shall also have the authority to take appropriate action and promptly report the conclusions of the investigations to the data system.

(e) If an adverse action is taken by the home state against a licensee's multistate license, the licensee's authorization to practice in all other member states shall be deactivated until all encumbrances have been removed from the home state license. All home state disciplinary orders that impose an adverse action against a licensee's multistate license shall include a statement that the cosmetologist's authorization to practice is deactivated in all member states during the pendency of the order.

(f) Nothing in this compact shall override a member state's authority to accept a licensee's participation in an alternative program in lieu of adverse action. A licensee's multistate license shall be suspended for the duration of the licensee's participation in any alternative program.

(g) Joint investigations.

(1) In addition to the authority granted to a member state by its respective scope of practice laws or other applicable state law, a member state may participate with other member states in joint investigations of licensees.

(2) Member states shall share any investigative, litigation or compliance materials in furtherance of any joint or individual investigation initiated under the compact.

ARTICLE 8—ACTIVE MILITARY MEMBERS AND THEIR SPOUSES

Active military members or their spouses shall designate a home state where the individual has a current license to practice cosmetology in good standing. The individual may retain their home state designation during any period of service when that individual or their spouse is on active duty assignment.

ARTICLE 9—ESTABLISHMENT AND OPERATION OF THE COSMETOLOGY LICENSURE COMPACT COMMISSION

(a) The compact member states create and establish a joint government agency whose membership consists of all member states that have enacted the compact, which

shall be known as the cosmetology licensure compact commission. The commission is an instrumentality of the compact member states acting jointly and not an instrumentality of any one state. The commission shall come into existence on or after the effective date of the compact as set forth in article 13.

(b) Membership, voting and meetings.

(1) Each member state shall have and be limited to one delegate selected by such member state's state licensing authority.

(2) The delegate shall be an administrator of the state licensing authority of the member state or their designee.

(3) The commission shall by rule or bylaw establish a term of office for delegates and may by rule or bylaw establish term limits.

(4) The commission may recommend removal or suspension of any delegate from office.

(5) A member state's state licensing authority shall fill any vacancy of its delegate occurring on the commission within 60 days of the vacancy. Each delegate shall be entitled to one vote on all matters that are voted on by the commission.

(6) The commission shall meet at least once during each calendar year. Additional meetings may be held as set forth in the bylaws. The commission may meet by telecommunication, video conference or other similar electronic means.

(c) The commission shall have the following powers:

(1) Establish the fiscal year of the commission;

(2) establish code of conduct and conflict of interest policies;

(3) adopt rules and bylaws;

(4) maintain the commission's financial records in accordance with the bylaws;

(5) meet and take such actions as are consistent with the provisions of this compact, the commission's rules and the bylaws;

(6) initiate and conclude legal proceedings or actions in the name of the commission, provided that the standing of any state licensing authority to sue or be sued under applicable law shall not be affected;

(7) maintain and certify records and information provided to a member state as the authenticated business records of the commission and designate an agent to do so on the commission's behalf;

(8) purchase and maintain insurance and bonds;

(9) borrow, accept or contract for services of personnel, including, but not limited to, employees of a member state;

(10) conduct an annual financial review;

(11) hire employees, elect or appoint officers, fix compensation, define duties, grant such individuals appropriate authority to carry out the purposes of the compact and establish the commission's personnel policies and programs relating to conflicts of interest, qualifications of personnel and other related personnel matters;

(12) as set forth in the commission rules, charge a fee to a licensee for the grant of a multistate license and thereafter, as may be established by commission rule, charge the licensee a multistate license renewal fee for each renewal period. Nothing herein shall be construed to prevent a home state from charging a licensee a fee for a multistate license or renewals of a multistate license or a fee for the jurisprudence requirement if the member state imposes such a requirement for the grant of a multistate license;

(13) assess and collect fees;

(14) accept any and all appropriate gifts, donations, grants of money, other sources of revenue, equipment, supplies, materials and services, and receive, utilize and dispose of the same, except that, at all times, the commission shall avoid any appearance of impropriety or conflict of interest;

(15) lease, purchase, retain, own, hold, improve or use any property, real, personal or mixed, or any undivided interest therein;

(16) sell, convey, mortgage, pledge, lease, exchange, abandon or otherwise dispose of any property real, personal or mixed;

(17) establish a budget and make expenditures;

(18) borrow money;

(19) appoint committees, including standing committees, composed of members, state regulators, state legislators or their representatives and consumer representatives and such other interested persons as may be designated in this compact and the bylaws;

(20) provide and receive information from, and cooperate with, law enforcement agencies;

(21) elect a chair, vice chair, secretary and treasurer and such other officers of the commission as provided in the commission's bylaws;

(22) establish and elect an executive committee, including a chair and a vice chair;

(23) adopt and provide an annual report to the member states;

(24) determine whether a state's adopted language is materially different from the model compact language such that the state would not qualify for participation in the compact; and

(25) perform such other functions as may be necessary or appropriate to achieve the purposes of this compact.

(d) The executive committee.

(1) The executive committee shall have the power to act on behalf of the commission according to the terms of this compact. The powers, duties and responsibilities of the executive committee shall include:

(A) Overseeing the day-to-day activities of the administration of the compact including compliance with the provisions of the compact, the commission's rules and bylaws and other such duties as deemed necessary;

(B) recommending to the commission changes to the rules or bylaws, changes to this compact legislation, fees charged to compact member states, fees charged to licensees and other fees;

(C) ensuring compact administration services are appropriately provided, including by contract;

(D) preparing and recommending the budget;

(E) maintaining financial records on behalf of the commission;

(F) monitoring compact compliance of member states and providing compliance reports to the commission;

(G) establishing additional committees as necessary;

(H) exercising the powers and duties of the commission during the interim between commission meetings, except for adopting or amending rules, adopting or amending bylaws and exercising any other powers and duties expressly reserved to the commission by rule or bylaw; and

(I) other duties as provided in the rules or bylaws of the commission.

(2) The executive committee shall be composed of up to seven voting members:

(A) The chair and vice chairperson of the commission and any other members of the commission who serve on the executive committee shall be voting members of the executive committee.

(B) Other than the chair, vice chair, secretary and treasurer, the commission shall elect three voting members from the current membership of the commission.

(C) The commission may elect ex officio, nonvoting members from a recognized national cosmetology professional association as approved by the commission. The commission's bylaws shall identify qualifying organizations and the manner of appointment if the number of organizations seeking to appoint an ex officio member exceeds the number of members specified in this article.

(3) The commission may remove any member of the executive committee as provided in the commission's bylaws.

(4) The executive committee shall meet at least annually.

(A) Annual executive committee meetings, as well as any executive committee meeting at which the commission does not take or intend to take formal action on a matter for which a commission vote would otherwise be required, shall be open to the public, except that the executive committee may meet in a closed, non-public session of a public meeting when dealing with any of the matters specified in article 9(f)(4).

(B) The executive committee shall give five business days advance notice of its public meetings, posted on its website and as determined to provide notice to persons with an interest in the public matters that the executive committee intends to address at those meetings.

(5) The executive committee may hold an emergency meeting when acting for the commission to:

(A) Meet an imminent threat to public health, safety or welfare;

(B) prevent a loss of commission or member state funds; or

(C) protect public health and safety.

(e) The commission shall adopt and provide an annual report to the member states.

(f) Meetings of the commission.

(1) All meetings of the commission that are not closed pursuant to article 9(f)(4) shall be open to the public. Notice of public meetings shall be posted on the commission's website at least 30 days prior to the public meeting.

(2) Notwithstanding article 9(f)(1), the commission may convene an emergency public meeting by providing at least 24 hours' prior notice on the commission's website and any other means as provided in the commission's rules for any of the reasons it may dispense with notice of proposed rulemaking under article 11(1). The commission's legal counsel shall certify that one of the reasons justifying an emergency public meeting has been met.

(3) Notice of all commission meetings shall provide the time, date and location of the meeting, and if the meeting is to be held or accessible via telecommunication, video conference, or other electronic means, the notice shall include the mechanism for access to the meeting.

(4) The commission may convene in a closed, non-public meeting for the commission to discuss:

(A) Non-compliance of a member state with its obligations under the compact;

(B) the employment, compensation, discipline or other matters, practices or procedures related to specific employees or other matters related to the commission's

internal personnel practices and procedures;

(C) current or threatened discipline of a licensee by the commission or by a member state's licensing authority;

(D) current, threatened or reasonably anticipated litigation;

(E) negotiation of contracts for the purchase, lease or sale of goods, services or real estate;

(F) accusing any person of a crime or formally censuring any person;

(G) trade secrets or commercial or financial information that is privileged or confidential;

(H) information of a personal nature if disclosure would constitute a clearly unwarranted invasion of personal privacy;

(I) investigative records compiled for law enforcement purposes;

(J) information related to any investigative reports prepared by or on behalf of or for use of the commission or other committee charged with responsibility of investigation or determination of compliance issues pursuant to the compact;

(K) legal advice;

(L) matters specifically exempted from disclosure to the public by federal or member state law; or

(M) other matters as adopted by the commission by rule. If a meeting, or portion of a meeting, is closed, the presiding officer shall state that such meeting will be closed and reference each relevant exempting provision, and such reference shall be recorded in the minutes.

(5) The commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken and the reasons therefore, including a description of the views expressed. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release only by a majority vote of the commission or order of a court of competent jurisdiction.

(g) Financing of the commission.

(1) The commission shall pay, or provide for the payment of, the reasonable expenses of its establishment, organization and ongoing activities.

(2) The commission may accept any and all appropriate sources of revenue, donations and grants of money, equipment, supplies, materials and services.

(3) The commission may levy on and collect an annual assessment from each member state and impose fees on licensees of member states to whom it grants a multistate license to cover the cost of the operations and activities of the commission and its staff, which shall be in a total amount sufficient to cover its annual budget as approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount for member states shall be allocated based upon a formula that the commission shall adopt by rule.

(4) The commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same, nor shall the commission pledge the credit of any member states, except by and with the authority of such member state.

(5) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the financial review and accounting procedures established under its bylaws. All receipts and disbursements of funds handled by the commission shall be subject to an annual

financial review by a certified or licensed public accountant, and the report of the financial review shall be included in and become part of the annual report of the commission.

(h) Qualified immunity, defense and indemnification.

(1) The members, officers, executive director, employees and representatives of the commission shall be immune from suit and liability, both personally and in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred, within the scope of commission employment, duties or responsibilities, except that nothing in this paragraph shall be construed to protect any such person from suit or liability for any damage, loss, injury or liability caused by the intentional or willful or wanton misconduct of that person. The procurement of insurance of any type by the commission shall not in any way compromise or limit such immunity granted in this paragraph.

(2) The commission shall defend any member, officer, executive director, employee and representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or as determined by the commission that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities, except that nothing in this paragraph shall be construed to prohibit such person from retaining their own counsel at their own expense and that the actual or alleged act, error or omission did not result from such person's intentional or willful or wanton misconduct.

(3) The commission shall indemnify and hold harmless any member, officer, executive director, employee and representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities, if the actual or alleged act, error or omission did not result from the intentional or willful or wanton misconduct of that person.

(4) Nothing in this compact shall be construed as a limitation on the liability of any licensee for professional malpractice or misconduct, which shall be governed solely by any other applicable state laws.

(5) Nothing in this compact shall be interpreted to waive or otherwise abrogate a member state's state action immunity or state action affirmative defense with respect to antitrust claims under the Sherman antitrust act of 1890, the Clayton act 15 U.S.C. §§ 17-27 or any other state or federal antitrust or anticompetitive law or regulation.

(6) Nothing in this compact shall be construed to be a waiver of sovereign immunity by the member states or by the commission.

ARTICLE 10—DATA SYSTEM

(a) The commission shall provide for the development, maintenance, operation and utilization of a coordinated database and reporting system.

(b) The commission shall assign each applicant for a multistate license a unique identifier, as determined by the rules of the commission.

(c) Notwithstanding any other provision of state law to the contrary, a member state shall submit a uniform data set to the data system on all individuals to whom this compact is applicable as required by the rules of the commission, including:

- (1) Identifying information;
- (2) licensure data;
- (3) adverse actions against a license and information related thereto;
- (4) non-confidential information related to alternative program participation, the beginning and ending dates of such participation and other information related to such participation;
- (5) any denial of application for licensure and the reason for such denial, excluding the reporting of any criminal history record information when prohibited by law;
- (6) the existence of investigative information;
- (7) the existence of current significant investigative information; and
- (8) other information that may facilitate the administration of this compact or the protection of the public, as determined by the rules of the commission.

(d) The records and information provided to a member state pursuant to this compact or through the data system, when certified by the commission or an agent thereof, shall constitute the authenticated business records of the commission and be entitled to any associated hearsay exception in any relevant judicial, quasi-judicial or administrative proceedings in a member state.

(e) The existence of current significant investigative information and the existence of investigative information pertaining to a licensee in any member state shall only be available to other member states.

(f) It shall be the responsibility of the member states to monitor the database to determine whether adverse action has been taken against such a licensee or license applicant. Adverse action information pertaining to a licensee or license applicant in any member state shall be available to any other member state.

(g) Member states contributing information to the data system may designate information that shall not be shared with the public without the express permission of the contributing state.

(h) Any information submitted to the data system that is subsequently expunged pursuant to federal law or the laws of the member state contributing the information shall be removed from the data system.

ARTICLE 11—RULEMAKING

(a) The commission shall adopt reasonable rules in order to effectively and efficiently implement and administer the purposes and provisions of the compact. A rule shall be invalid and have no force or effect only if a court of competent jurisdiction holds that the rule is invalid because the commission exercised its rulemaking authority in a manner that is beyond the scope and purposes of the compact, the powers granted under this compact or based upon another applicable standard of review.

(b) The rules of the commission shall have the force of law in each member state, except that where the rules of the commission conflict with the laws of the member state that establish the member state's scope of practice laws governing the practice of cosmetology as held by a court of competent jurisdiction, the rules of the commission shall be ineffective in such state to the extent of the conflict.

(c) The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this article and the rules adopted thereunder. Rules shall become binding as of

the date specified by the commission for each rule.

(d) If a majority of the legislatures of the member states rejects a rule or a portion of a rule, by enactment of a statute or resolution in the same manner used to adopt the compact within four years of the date of adoption of the rule, then such rule shall have no further force and effect in any member state or to any state applying to participate in the compact.

(e) Rules shall be adopted at a regular or special meeting of the commission.

(f) Prior to adoption of a proposed rule, the commission shall hold a public hearing and allow persons to provide oral and written comments, data, facts, opinions and arguments.

(g) Prior to adoption of a proposed rule by the commission and at least 30 days in advance of the meeting at which the commission will hold a public hearing on the proposed rule, the commission shall provide a notice of proposed rulemaking:

(1) On the website of the commission or other publicly accessible platform;
(2) to persons who have requested notice of the commission's notices of proposed rulemaking; and
(3) in such other way as the commission may by rule specify.

(h) The notice of proposed rulemaking shall include:

(1) The time, date and location of the public hearing at which the commission will hear public comments on the proposed rule and, if different, the time, date and location of the meeting where the commission will consider and vote on the proposed rule;

(2) if the hearing is held via telecommunication, video conference or other electronic means, the commission shall include the mechanism for access to the hearing in the notice of proposed rulemaking;

(3) the text of the proposed rule and the reason therefor;

(4) a request for comments on the proposed rule from any interested person; and

(5) the manner in which interested persons may submit written comments.

(i) All hearings shall be recorded. A copy of the recording and all written comments and documents received by the commission in response to the proposed rule shall be available to the public.

(j) Nothing in this article shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this article.

(k) The commission shall, by majority vote of all members, take final action on the proposed rule based on the rulemaking record and the full text of the rule.

(1) The commission may adopt changes to the proposed rule if the changes do not enlarge the original purpose of the proposed rule.

(2) The commission shall provide an explanation of the reasons for substantive changes made to the proposed rule as well as reasons for substantive changes not made that were recommended by commenters.

(3) The commission shall determine a reasonable effective date for the rule. Except for an emergency as provided in article 11(l), the effective date of the rule shall not be earlier than 45 days after the commission issues notice that it has adopted or amended such rule.

(l) Upon determination that an emergency exists, the commission may consider and adopt an emergency rule with five days' notice, with opportunity to comment, except the usual rulemaking procedures provided in the compact and this article shall be

retroactively applied to the rule as soon as reasonably possible, not later than 90 days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that shall be adopted immediately to:

- (1) Meet an imminent threat to public health, safety or welfare;
- (2) prevent a loss of commission or member state funds;
- (3) meet a deadline for the adoption of a rule that is established by federal law or rule; or
- (4) protect public health and safety.

(m) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule for purposes of correcting typographical errors, errors in format, errors in consistency or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

(n) No member state's rulemaking requirements shall apply under this compact.

ARTICLE 12—OVERSIGHT, DISPUTE RESOLUTION AND ENFORCEMENT

(a) Oversight.

(1) The executive and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to implement the compact.

(2) Venue is proper and judicial proceedings by or against the commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing in this compact shall affect or limit the selection or propriety of venue in any action against a licensee for professional malpractice, misconduct or any such similar matter.

(3) The commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the compact and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the commission service of process shall render a judgment or order void as to the commission, this compact or adopted rules.

(b) Default, technical assistance and termination.

(1) If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or adopted rules, the commission shall provide written notice to the defaulting state. The notice of default shall describe the default, the proposed means of curing the default, any other action that the commission may take and offer training and specific technical assistance regarding the default.

(2) The commission shall provide a copy of the notice of default to the other member states.

(3) If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the delegates of

the member states, and all rights, privileges and benefits conferred on that state by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(4) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, the defaulting state's state licensing authority and each of the member states' state licensing authority.

(5) A state that has been terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(6) Upon the termination of a state's membership from this compact, such state shall immediately provide notice to all licensees who hold a multistate license within that state of such termination. The terminated state shall continue to recognize all licenses granted pursuant to this compact for a minimum of 180 days after the date of said notice of termination.

(7) The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact unless agreed upon in writing between the commission and the defaulting state.

(8) The defaulting state may appeal the action of the commission by petitioning the United States district court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorney fees.

(c) Dispute resolution.

(1) Upon request by a member state, the commission shall attempt to resolve disputes related to the compact that arise among member states and between member and non-member states.

(2) The commission shall adopt a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

(d) Enforcement.

(1) The commission, in the reasonable exercise of its discretion, shall enforce the provisions of this compact and the commission's rules.

(2) By majority vote as provided by commission rule, the commission may initiate legal action against a member state in default in the United States district court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its adopted rules. The relief sought may include both injunctive relief and damages. In the event that judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney fees. The remedies in this compact shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or the defaulting member state's law.

(3) A member state may initiate legal action against the commission in the United States district court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its adopted rules. The relief sought may include both injunctive relief and damages. In the event that judicial enforcement is necessary, the prevailing party shall

be awarded all costs of such litigation, including reasonable attorney fees.

(4) No individual or entity other than a member state may enforce this compact against the commission.

ARTICLE 13—EFFECTIVE DATE, WITHDRAWAL AND AMENDMENT

(a) The compact shall come into effect on the date that the compact statute is enacted into law in the seventh member state. On or after the effective date of the compact, the commission shall convene and review the enactment of each of the charter member states to determine if the statute enacted by each such charter member state is materially different than the model compact statute.

(1) A charter member state whose enactment is found to be materially different from the model compact statute shall be entitled to the default process set forth in article 12.

(2) If any member state is later found to be in default, or is terminated or withdraws from the compact, the commission shall remain in existence, and the compact shall remain in effect even if the number of member states should be fewer than seven.

(3) Member states enacting the compact subsequent to the charter member states shall be subject to the process set forth in article 9(c)(24) to determine if such enactments are materially different from the model compact statute and whether the enactments qualify for participation in the compact.

(4) All actions taken for the benefit of the commission or in furtherance of the purposes of the administration of the compact prior to the effective date of the compact or the commission coming into existence shall be considered to be actions of the commission unless specifically repudiated by the commission.

(5) Any state that joins the compact shall be subject to the commission's rules and bylaws as they exist on the date that the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the date that the compact becomes law in that state.

(b) Any member state may withdraw from this compact by enacting a statute repealing that state's enactment of the compact.

(1) A member state's withdrawal shall not take effect until 180 days after enactment of the repealing statute.

(2) Withdrawal shall not affect the continuing requirement of the withdrawing state's state licensing authority to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal.

(3) Upon the enactment of a statute withdrawing from this compact, a state shall immediately provide notice of such withdrawal to all licensees within that state. Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing state shall continue to recognize all licenses granted pursuant to this compact for a minimum of 180 days after the date of such notice of withdrawal.

(c) Nothing contained in this compact shall be construed to invalidate or prevent any licensure agreement or other cooperative arrangement between a member state and a non-member state that does not conflict with the provisions of this compact.

(d) This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

ARTICLE 14—CONSTRUCTION AND SEVERABILITY

(a) This compact and the commission's rulemaking authority shall be liberally

construed so as to effectuate the purposes and the implementation and administration of the compact. Provisions of the compact expressly authorizing or requiring the adoption of rules shall not be construed to limit the commission's rulemaking authority solely for those purposes.

(b) The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is held by a court of competent jurisdiction to be contrary to the constitution of any member state, a state seeking participation in the compact or of the United States or the applicability thereof to any government, agency, person or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this compact and the applicability thereof to any other government, agency, person or circumstance shall not be affected thereby.

(c) Notwithstanding article 14(b), the commission may deny a state's participation in the compact or terminate a member state's participation in the compact, in accordance with the requirements of article 12, if the commission determines that a constitutional requirement of a member state is a material departure from the compact. Otherwise, if this compact shall be held to be contrary to the constitution of any member state, the compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

ARTICLE 15—CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS

(a) Nothing in this compact shall prevent or inhibit the enforcement of any other law of a member state that is not inconsistent with the compact.

(b) Any laws, statutes, regulations or other legal requirements in a member state in conflict with the compact are superseded to the extent of the conflict.

(c) All permissible agreements between the commission and the member states are binding in accordance with their terms.

Sec. 4.

SECTION 1—PURPOSE

In order to strengthen access to medical services and in recognition of the advances in the delivery of medical services, the participating states of the PA licensure compact have allied in common purpose to develop a comprehensive process that complements the existing authority of state licensing boards to license and discipline PAs and seeks to enhance the portability of a license to practice as a PA while safeguarding the safety of patients. This compact allows medical services to be provided by PAs, via the mutual recognition of the licensee's qualifying license by other compact-participating states. This compact also adopts the prevailing standard for PA licensure and affirms that the practice and delivery of medical services by the PA occurs where the patient is located at the time of the patient encounter and, therefore, requires the PA to be under the jurisdiction of the state licensing board where the patient is located. State licensing boards that participate in this compact retain the jurisdiction to impose adverse action against a compact privilege in that state issued to a PA through the procedures of this compact. The PA licensure compact will alleviate burdens for military families by allowing active duty military personnel and their spouses to obtain a compact privilege based on having an unrestricted license in good standing from a participating state.

SECTION 2—DEFINITIONS

As used in this compact:

(a) "Adverse action" means any administrative, civil, equitable or criminal action

permitted by a state's laws that is imposed by a licensing board or other authority against a PA license, application for licensure or compact privilege such as license denial, censure, revocation, suspension, probation, monitoring of the licensee or restriction on the licensee's practice.

SECTION 3—STATE PARTICIPATION IN THIS COMPACT

(a) To participate in this compact, a participating state shall:

(3) have a mechanism in place for receiving and investigating complaints against licensees and applicants for licensure;

SECTION 4—COMPACT PRIVILEGE

(a) To exercise the compact privilege, a licensee shall:

(1) Have graduated from a PA program accredited by the accreditation review commission on education for the physician assistant, inc., or other programs authorized by commission rule;

(A) if a licensee has had a limitation or restriction on a license or compact privilege due to an adverse action, two years shall have elapsed from the date on which the

license or compact privilege is no longer limited or restricted due to the adverse action;

(B) if a compact privilege has been revoked or is limited or restricted in a participating state for conduct that would not be a basis for disciplinary action in a participating state in which the licensee is practicing or applying to practice under a compact privilege, that participating state shall have the discretion not to consider such action as an adverse action requiring the denial or removal of a compact privilege in that state;

(8) notify the compact commission that the licensee is seeking the compact privilege in a remote state;

(9) meet any jurisprudence requirement of a remote state in which the licensee is seeking to practice under the compact privilege and pay any fees applicable to satisfying the jurisprudence requirement; and

(10) report to the commission any adverse action taken by a nonparticipating state within 30 days after such adverse action is taken.

(b) The compact privilege shall be valid until the expiration or revocation of the qualifying license unless terminated pursuant to an adverse action. The licensee shall comply with the requirements of subsection (a) to maintain the compact privilege in a remote state. If the participating state takes adverse action against a qualifying license, the licensee shall lose the compact privilege in any remote state in which the licensee has a compact privilege until the licensee meets the following conditions:

(1) The license is no longer limited or restricted; and

(2) two years have elapsed from the date on which the license is no longer limited or restricted due to the adverse action.

(c) Once a restricted or limited license satisfies the requirements of subsection (b), the licensee shall meet the requirements of subsection (a) to obtain a compact privilege in any remote state.

(d) For each remote state in which a PA seeks authority to prescribe controlled substances, the PA shall satisfy all the requirements imposed by such state in granting or renewing such authority.

SECTION 5—DESIGNATION OF THE STATE FROM WHICH THE LICENSEE IS APPLYING FOR A COMPACT PRIVILEGE

Upon a licensee's application for a compact privilege, the licensee shall identify to the commission the participating state from which the licensee is applying, in accordance with applicable rules adopted by the commission and subject to the following requirements:

(a) When applying for a compact privilege, the licensee shall provide the commission with the address of the licensee's primary residence and, thereafter, shall immediately report to the commission any change in the address of the licensee's primary residence; and

(b) when applying for a compact privilege, the licensee is required to consent to accept service of process by mail at the licensee's primary residence on file with the commission with respect to any action brought against the licensee by the commission or a participating state, including a subpoena, with respect to any action brought or investigation conducted by the commission or a participating state.

SECTION 6—ADVERSE ACTIONS

(a) A participating state in which a licensee is licensed shall have exclusive power to impose adverse action against the qualifying license issued by that participating state.

(b) In addition to the other powers conferred by state law, a remote state shall have the authority, in accordance with existing state due process law, to:

(1) Take adverse action against a PA's compact privilege within that state to remove a licensee's compact privilege or take other action necessary under applicable law to protect the health and safety of its citizens; and

(2) issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses as well as the production of evidence. Subpoenas issued by a licensing board in a participating state for the attendance and testimony of witnesses or the production of evidence from another participating state shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of such court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage and other fees required by the service statutes of the state in which the witnesses or evidence is located.

(c) Notwithstanding subsection (b)(2), subpoenas shall not be issued by a participating state to gather evidence of conduct in another state that is lawful in such other state for the purpose of taking adverse action against a licensee's compact privilege or application for a compact privilege in the participating state.

(d) Nothing in this compact shall be deemed to authorize a participating state to impose discipline against a PA's compact privilege or to deny an application for a compact privilege in that participating state for the individual's otherwise lawful practice in another state.

(e) For purposes of taking adverse action, the participating state that issued the qualifying license shall give the same priority and effect to reported conduct received from any other participating state as it would if the conduct had occurred within the participating state that issued the qualifying license. The participating state shall apply its own state laws to determine appropriate action.

(f) A participating state, if otherwise permitted by state law, may recover from the affected PA the costs of investigations and disposition of cases resulting from any adverse action taken against that PA.

(g) A participating state may take adverse action based on the factual findings of a remote state if the participating state follows its own procedures for taking the adverse action.

(h) Joint investigations.

(1) In addition to the authority granted to a participating state by such state's PA laws and regulations or other applicable state law, any participating state may participate with other participating states in joint investigations of licensees.

(2) Participating states shall share any investigative, litigation or compliance materials in furtherance of any joint or individual investigation initiated under this compact.

(i) If an adverse action is taken against a PA's qualifying license, the PA's compact privilege in all remote states shall be deactivated until two years have elapsed after all restrictions have been removed from the state license. All disciplinary orders by the participating state that issued the qualifying license that impose adverse action against a PA's license shall include a statement that the PA's compact privilege is deactivated in all participating states during the pendency of the order.

(j) If any participating state takes adverse action, it promptly shall notify the

administrator of the data system.

SECTION 7—ESTABLISHMENT OF THE PA LICENSURE COMPACT
COMMISSION

(a) The participating states hereby create and establish a joint government agency and national administrative body known as the PA licensure compact commission. The commission is an instrumentality of the compact states acting jointly and not an instrumentality of any one state. The commission shall come into existence on or after the effective date of the compact as set forth in section 11(a).

(b) Membership, voting and meetings.

(1) Each participating state shall have and be limited to one delegate selected by such participating state's licensing board or, if such participating state has more than one licensing board, selected collectively by the participating state's licensing boards.

(15) establish a budget and make expenditures;

(16) borrow money;

(17) appoint committees, including standing committees composed of members, state regulators, state legislators or their representatives, consumer representatives and such other interested persons as may be designated in this compact and the bylaws;

(18) provide and receive information from, and cooperate with, law enforcement agencies;

(19) elect a chairperson, vice chairperson, secretary and treasurer and such other officers of the commission as provided in the commission's bylaws;

(20) reserve for itself, in addition to those reserved exclusively to the commission under the compact, powers that the executive committee shall not exercise;

(21) approve or disapprove a state's participation in the compact based upon its determination as to whether the state's compact legislation materially departs from the model compact language;

(22) prepare and provide to the participating states an annual report; and

(23) perform such other functions as may be necessary or appropriate to achieve the purposes of this compact, consistent with the state regulation of PA licensure and practice.

(d) Meetings of the commission.

(1) All meetings of the commission that are not closed pursuant to this subsection shall be open to the public. Notice of public meetings shall be posted on the commission's website at least 30 days prior to the public meeting.

(2) Notwithstanding subsection (d)(1), the commission may convene a public meeting by providing at least 24 hours' prior notice on the commission's website and any other means as provided in the commission's rules for any of the reasons it may dispense, with notice of proposed rulemaking under section 9(l).

(3) The commission may convene in a closed, nonpublic meeting or nonpublic part of a public meeting to receive legal advice or to discuss:

(A) Noncompliance of a participating state with its obligations under this compact;

(B) the employment, compensation, discipline or other matters, practices or procedures related to specific employees or other matters related to the commission's internal personnel practices and procedures;

(C) any current, threatened or reasonably anticipated litigation;

(D) the negotiation of contracts for the purchase, lease or sale of goods, services or real estate;

(E) the accusation of any individual of a crime or the formal censure any

(H) the disclosure of investigative records compiled for law enforcement purposes;

(I) the disclosure of information related to any investigative reports prepared by or on behalf of or for use of the commission or other committee charged with the responsibility of investigation or determination of compliance issues pursuant to this compact;

(J) legal advice; or

(K) any matters specifically exempted from disclosure by federal or a participating state's statutes.

(4) If a meeting, or portion of a meeting, is closed pursuant to subsection (d)(3), the chairperson of the meeting or the chairperson's designee shall certify that the meeting or portion of the meeting may be closed and shall reference each relevant exempting provision.

(5) The commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, including a description of the views expressed. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the commission or order of a court of competent jurisdiction.

(e) Financing of the commission.

(1) The commission shall pay, or provide for the payment of, the reasonable expenses of its establishment, organization and ongoing activities.

(2) The commission may accept any and all appropriate revenue sources, donations and grants of money, equipment, supplies, materials and services.

(3) The commission may levy on and collect an annual assessment from each participating state and may impose compact privilege fees on licensees of participating states to which a compact privilege is granted to cover the cost of the operations and activities of the commission and its staff. Such assessment shall be in a total amount sufficient to cover the commission's annual budget as approved by the commission each year for which revenue is not provided by other sources. The aggregate annual assessment amount levied on participating states shall be allocated based upon a formula to be determined by commission rule. Compact privileges and such compact privilege's associated fees shall be governed as follows:

(A) A compact privilege expires when the licensee's qualifying license in the participating state from which the licensee applied for the compact privilege expires; and

(B) if the licensee terminates the qualifying license through which the licensee applied for the compact privilege before its scheduled expiration and the licensee has a qualifying license in another participating state, the licensee shall inform the commission that it is changing to that participating state through which it applies for a compact privilege to that participating state and pay to the commission any compact privilege fee required by commission rule.

(4) The commission shall not incur obligations of any kind prior to securing the

funds adequate to meet such obligations, nor shall the commission pledge the credit of any of the participating states, except by and with the authority of the participating state.

(5) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the financial review and accounting procedures established under its bylaws. All receipts and disbursements of funds handled by the commission shall be subject to an annual financial review by a certified or licensed public accountant, and the report of the financial review shall be included in and become part of the annual report of the commission.

(f) The executive committee.

(1) The executive committee shall have the power to act on behalf of the commission according to the terms of this compact and commission rules.

(2) The executive committee shall be composed of nine members described as follows:

(A) Seven voting members who are elected by the commission from the current membership of the commission;

(B)(i)(a) one ex officio, nonvoting member from a recognized national PA professional association; and

(H) perform other duties as provided in the commission's rules or bylaws.

(6) All meetings of the executive committee at which it votes or plans to vote on matters in exercising the powers and duties of the commission shall be open to the public and public notice of such meetings shall be given as public meetings of the commission are given.

(7) The executive committee may convene in a closed, nonpublic meeting for the

same reasons that the commission may convene in a nonpublic meeting as set forth in subsection (d)(3), and shall announce the closed meeting as the commission is required to do under subsection (d)(4) and keep minutes of the closed meeting as the commission is required to do under subsection (d)(5).

(g) Qualified immunity, defense and indemnification.

(1) The members, officers, executive director, employees and representatives of the commission shall be immune from suit and liability, both personally and in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred or that the individual against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities. Nothing in this paragraph shall be construed to protect any such individual from suit or liability for any damage, loss, injury or liability caused by the intentional or willful or wanton misconduct of such individual. The procurement of insurance of any type by the commission shall not in any way compromise or limit the immunity granted hereunder.

(2) The commission shall defend any member, officer, executive director, employee, and representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities or as determined by the commission that the individual against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities. Nothing herein shall be construed to prohibit such individual from retaining such individual's own counsel at the individual's own expense or that the actual or alleged act, error or omission did not result from the individual's intentional, willful or wanton misconduct.

(3) The commission shall indemnify and hold harmless any member, officer, executive director, employee or representative of the commission for the amount of any settlement or judgment obtained against that individual arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities or that such individual had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities, if the actual or alleged act, error or omission did not result from the intentional or willful or wanton misconduct of that individual.

(4) Venue is proper and judicial proceedings by or against the commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses in any proceedings as authorized by commission rules.

(5) Nothing in this compact shall be construed as a limitation on the liability of any licensee for professional malpractice or misconduct, which shall be governed solely by any other applicable state laws.

(6) Nothing in this compact shall be construed to designate the venue or jurisdiction to bring actions for alleged acts of malpractice, professional misconduct, negligence or other such civil action pertaining to the practice of a PA. All such matters shall be determined exclusively by state law other than this compact.

(7) Nothing in this compact shall be interpreted to waive or otherwise abrogate a participating state's state action immunity or state action affirmative defense with

respect to antitrust claims under the Sherman act, Clayton act or any other state or federal antitrust or anticompetitive law or regulation.

(8) Nothing in this compact shall be construed to be a waiver of sovereign immunity by the participating states or by the commission.

SECTION 8—DATA SYSTEM

(a) The commission shall provide for the development, maintenance, operation and utilization of a coordinated data and reporting system containing licensure, adverse action and the reporting of the existence of significant investigative information on all licensed PAs and applicants that are denied a license in participating states.

(b) Notwithstanding any other state law to the contrary, a participating state shall submit a uniform data set to the data system on all PAs to whom this compact is applicable, utilizing a unique identifier, as required by the rules of the commission, including:

- (1) Identifying information;
- (2) licensure data;
- (3) adverse actions against a license or compact privilege;
- (4) any denial of application for licensure and the reason for such denial, excluding the reporting of any criminal history record information where such reporting is prohibited by law;
- (5) the existence of significant investigative information; and
- (6) other information that may facilitate the administration of this compact, as determined by the rules of the commission.

(c) Significant investigative information pertaining to a licensee in any participating state shall only be available to other participating states.

(d) The commission shall promptly notify all participating states of any adverse action taken against a licensee or an individual applying for a license that has been reported to such commission. Such adverse action information shall be available to any other participating state.

(e) Participating states contributing information to the data system may, in accordance with state or federal law, designate information that shall not be shared with the public without the express permission of the contributing state. Notwithstanding any such designation, such information shall be reported to the commission through the data system.

(f) Any information submitted to the data system that is subsequently expunged pursuant to federal law or the laws of the participating state contributing the information shall be removed from the data system upon reporting of such by the participating state to the commission.

(g) The records and information provided to a participating state pursuant to this compact or through the data system, when certified by the commission or an agent thereof, shall constitute the authenticated business records of the commission and shall be entitled to any associated hearsay exception in any relevant judicial, quasi-judicial or administrative proceedings in a participating state.

SECTION 9—RULEMAKING

(a) The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Commission rules shall become binding as of the date specified by the commission for each rule.

(b) The commission shall adopt reasonable rules in order to effectively and

efficiently implement and administer this compact and achieve its purposes. A commission rule shall be invalid and have no force or effect only if a court of competent jurisdiction holds that the rule is invalid because the commission exercised its rulemaking authority in a manner that is beyond the scope of the purposes of this compact, the powers granted hereunder or based upon another applicable standard of review.

(c) The rules of the commission shall have the force of law in each participating state, except that where the rules of the commission conflict with the laws of the participating state that establish the medical services, a PA may perform in the participating state, as held by a court of competent jurisdiction, and the rules of the commission shall be ineffective in that state to the extent of the conflict.

(d) If a majority of the legislatures of the participating states rejects a commission rule, by enactment of a statute or resolution in the same manner used to adopt this compact within four years of the date of adoption of the rule, then such rule shall have no further force and effect in any participating state or to any state applying to participate in the compact.

(e) Commission rules shall be adopted at a regular or special meeting of the commission.

(f) Prior to adoption of a final rule by the commission and at least 30 days in advance of the meeting at which the rule will be considered and voted upon, the commission shall file a notice of proposed rulemaking:

(1) On the commission's website or other publicly accessible platform;
(2) to persons who have requested notice of the commission's notices of proposed rulemaking; and

(3) in such other ways as the commission may specify by rule.

(g) The notice of proposed rulemaking shall include:

(1) The time, date and location of the public hearing on the proposed rule and the proposed time, date and location of the meeting in which the proposed rule will be considered and voted upon;

(2) the text of and the reason for the proposed rule;

(3) a request for comments on the proposed rule from any interested person and the date by which written comments must be received; and

(4) the manner in which interested persons may submit notice to the commission of their intention to attend the public hearing or provide any written comments.

(h) Prior to adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions and arguments, which shall be made available to the public.

(i) If the hearing is to be held via electronic means, the commission shall publish the mechanism for access to the electronic hearing.

(1) All persons wishing to be heard at the hearing shall, as directed in the notice of proposed rulemaking published not less than five business days before the scheduled date of the hearing, notify the commission of their desire to appear and testify at the hearing.

(2) Hearings shall be conducted in a manner that provides each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(3) All hearings shall be recorded. A copy of the recording and the written comments, data, facts, opinions and arguments received in response to the proposed

rulemaking shall be made available to a person upon request.

(4) Nothing in this section shall be construed as requiring a separate hearing on each proposed rule. Proposed rules may be grouped for the convenience of the commission at hearings required by this section.

(j) Following the public hearing, the commission shall consider all written and oral comments timely received.

(k) The commission shall, by majority vote of all delegates, take final action on the proposed rule and shall determine the effective date of the rule, if adopted, based on the rulemaking record and the full text of the rule.

(1) If adopted, the rule shall be posted on the commission's website.

(2) The commission may adopt changes to the proposed rule if the changes do not expand the original purpose of the proposed rule.

(3) The commission shall provide an explanation on its website of the reasons for any substantive changes made to the proposed rule as well as reasons for any substantive changes not made that were recommended by commenters.

(4) The commission shall determine a reasonable effective date for the rule. Except for an emergency as provided in subsection (l), the effective date of the rule shall be not sooner than 30 days after the commission issued the notice that it adopted the rule.

(l) Upon the determination that an emergency exists, the commission may consider and adopt an emergency rule with 24 hours' prior notice, without the opportunity for comment or hearing, except that the usual rulemaking procedures provided in this compact and in this section shall be retroactively applied to the rule as soon as reasonably possible but in no event later than 90 days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that shall be adopted immediately by the commission in order to:

(1) Address an imminent threat to public health, safety or welfare;

(2) prevent a loss of commission or participating state funds;

(3) meet a deadline for the adoption of a commission rule that is established by federal law or rule; or

(4) protect public health and safety.

(m) The commission, or an authorized committee of the commission, may direct revisions to a previously adopted commission rule for purposes of correcting typographical errors, errors in format, errors in consistency or grammatical errors. Public notice of any revisions shall be posted on the commission's website. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made as set forth in the notice of revisions and delivered to the commission prior to the end of the notice period. If no challenge is made, the revision shall take effect without further action. If the revision is challenged, the revision shall not take effect without the approval of the commission.

(n) No participating state's rulemaking requirements shall apply under this compact.

SECTION 10—OVERSIGHT, DISPUTE RESOLUTION AND ENFORCEMENT

(a) Oversight.

(1) The executive and judicial branches of state government in each participating state shall enforce this compact and take all actions necessary and appropriate to implement the compact.

(2) Venue is proper and judicial proceedings by or against the commission shall be

brought solely and exclusively in a court of competent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses to the extent that it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a licensee for professional malpractice, misconduct or any such similar matter.

(3) The commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the compact or the commission's rules and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the commission with service of process shall render a judgment or order in such proceeding void as to the commission, this compact or commission rules.

(b) Default, technical assistance and termination.

(1) If the commission determines that a participating state has defaulted in the performance of its obligations or responsibilities under this compact or the commission rules, the commission shall provide written notice to the defaulting state and other participating states. The notice shall describe the default, the proposed means of curing the default and any other action that the commission may take and shall offer remedial training and specific technical assistance regarding the default.

(2) If a state in default fails to cure the default, the defaulting state may be terminated from this compact upon an affirmative vote of a majority of the delegates of the participating states, and all rights, privileges and benefits conferred by this compact upon such state may be terminated on the effective date of termination. A cure of the default shall not relieve the offending state of obligations or liabilities incurred during the period of default.

(3) Termination of participation in this compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature and to the licensing board of each of the participating states.

(4) A state that has been terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(5) The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from this compact, unless agreed upon in writing between the commission and the defaulting state.

(6) The defaulting state may appeal its termination from the compact by the commission by petitioning the United States district court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney fees.

(7) Upon the termination of a state's participation in the compact, the state shall immediately provide notice to all licensees within that state of such termination:

(A) Licensees who have been granted a compact privilege in that state shall retain the compact privilege for 180 days following the effective date of such termination; and

(B) licensees who are licensed in that state who have been granted a compact privilege in a participating state shall retain the compact privilege for 180 days unless the licensee also has a qualifying license in a participating state or obtains a qualifying

license in a participating state before the 180-day period ends, in which case, the compact privilege shall continue.

(c) Dispute resolution.

(1) Upon request by a participating state, the commission shall attempt to resolve disputes related to this compact that arise among participating states and between participating and nonparticipating states.

(2) The commission shall adopt a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

(d) Enforcement.

(1) The commission, in the reasonable exercise of its discretion, shall enforce the provisions of this compact and rules of the commission.

(2) If compliance is not secured after all means to secure compliance have been exhausted, by majority vote, the commission may initiate legal action in the United States district court for the District of Columbia or the federal district where the commission has its principal offices against a participating state in default to enforce compliance with the provisions of this compact and the commission's adopted rules and bylaws. The relief sought may include both injunctive relief and damages. In the event that judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney fees.

(3) The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

(e) Legal action against the commission.

(1) A participating state may initiate legal action against the commission in the United States district court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its rules. The relief sought may include both injunctive relief and damages. In the event that judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney fees.

(2) No person other than a participating state shall enforce this compact against the commission.

SECTION 11—DATE OF IMPLEMENTATION OF THE PA LICENSURE
COMPACT COMMISSION

(a) This compact shall come into effect on the date that this compact statute is enacted into law in the seventh participating state.

(1) On or after the effective date of the compact, the commission shall convene and review the enactment of each of the states that enacted the compact prior to the commission convening, called charter-participating states, to determine if the statute enacted by each such charter-participating state is materially different than the model compact.

(A) A charter-participating state whose enactment is found to be materially different from the model compact shall be entitled to the default process set forth in section 10(b).

(B) If any participating state later withdraws from the compact or its participation is terminated, the commission shall remain in existence and the compact shall remain in effect even if the number of participating states should be fewer than seven. Participating states enacting the compact subsequent to the commission convening shall be subject to the process set forth in section 7(c)(21) to determine if their enactments

are materially different from the model compact and whether they qualify for participation in the compact.

(2) Participating states enacting the compact subsequent to the seven initial charter-participating states shall be subject to the process set forth in section 7(c)(21) to determine if their enactments are materially different from the model compact and whether they qualify for participation in the compact.

(3) All actions taken for the benefit of the commission or in furtherance of the purposes of the administration of the compact prior to the effective date of the compact or the commission coming into existence shall be considered to be actions of the commission unless specifically repudiated by the commission.

(b) Any state that joins this compact shall be subject to the commission's rules and bylaws as they exist on the date that this compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day that this compact becomes law in that state.

(c) Any participating state may withdraw from this compact by enacting a statute repealing the same.

(1) A participating state's withdrawal shall not take effect until 180 days after enactment of the repealing statute. During the 180-day period, all compact privileges that were in effect in the withdrawing state and were granted to licensees licensed in the withdrawing state shall remain in effect. If any licensee licensed in the withdrawing state is also licensed in another participating state or obtains a license in another participating state within the 180 days, the licensee's compact privileges in other participating states shall not be affected by the passage of the 180 days.

(2) Withdrawal shall not affect the continuing requirement of the state licensing board of the withdrawing state to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal.

(3) Upon the enactment of a statute withdrawing a state from this compact, the state shall immediately provide notice of such withdrawal to all licensees within that state. Such withdrawing state shall continue to recognize all licenses granted pursuant to this compact for a minimum of 180 days after the date of such notice of withdrawal.

(d) Nothing contained in this compact shall be construed to invalidate or prevent any PA licensure agreement or other cooperative arrangement between participating states and between a participating state and nonparticipating state that does not conflict with the provisions of this compact.

(e) This compact may be amended by the participating states. No amendment to this compact shall become effective and binding upon any participating state until it is enacted materially in the same manner into the laws of all participating states as determined by the commission.

SECTION 12—CONSTRUCTION AND SEVERABILITY

(a) This compact and the commission's rulemaking authority shall be liberally construed so as to effectuate the purposes and the implementation and administration of the compact. Provisions of the compact expressly authorizing or requiring the adoption of rules shall not be construed to limit the commission's rulemaking authority solely for those purposes.

(b) The provisions of this compact shall be severable, and if any phrase, clause, sentence or provision of this compact is held by a court of competent jurisdiction to be contrary to the constitution of any participating state, a state seeking participation in the

compact or of the United States, or the applicability thereof to any government, agency, person or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this compact and the applicability thereof to any other government, agency, person or circumstance shall not be affected thereby.

(c) Notwithstanding the provisions of this subsection or subsection (b), the commission may deny a state's participation in the compact or, in accordance with the requirements of section 10(b), terminate a participating state's participation in the compact, if it determines that a constitutional requirement of a participating state is, or would be with respect to a state seeking to participate in the compact, a material departure from the compact. Otherwise, if this compact shall be held to be contrary to the constitution of any participating state, the compact shall remain in full force and effect as to the remaining participating states and in full force and effect as to the participating state affected as to all severable matters.

SECTION 13—BINDING EFFECT OF COMPACT

(a) Nothing herein prevents the enforcement of any other law of a participating state that is not inconsistent with this compact.

(b) Any laws in a participating state in conflict with this compact are superseded to the extent of the conflict.

(c) All agreements between the commission and the participating states are binding in accordance with their terms.";

And by renumbering sections accordingly;

On page 1, in the title, in line 1, after "concerning" by inserting "public health";

Also on page 1, in the title, in line 4, after "privileges" by inserting "; relating to the practice of cosmetology; enacting the cosmetology licensure compact; relating to physician assistants; enacting the physician assistant licensure compact to provide interstate practice privileges";

Prayer by guest chaplain, Pastor Rickey Bolden, guest of Rep. Lewis.

Dear Jesus,

This morning, I lift each of these leaders to you, those entrusted with the responsibility of guiding their communities and this nation.

May they lead with compassion, integrity, and justice, always prioritizing the needs of the people they serve. Inspire them to be peacemakers, fostering unity and understanding.

In a world often divided by differences, I pray that these leaders engage in conversations with respect and kindness. Teach them to listen to one another with open hearts and minds, valuing one another's perspective as unique reflections of your creation.

May these men and women seek common ground and solutions that honor the dignity of one another, even amidst disagreement. Help them to remember that their words have power, therefore, guide them to use their words to build bridges rather than walls.

Jesus, I pray that these leaders find rest and renewal in you. That they draw strength from your presence as they navigate the challenges of leadership.

In Jesus

Amen

The Pledge of Allegiance was led by Rep. Oropeza.

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on House Substitute for **SB 126**. Even though this is a tax that the hospitals impose on themselves, I still view this as technically being a tax increase, and when I ran for office, I pledged that I would never vote in favor of a tax increase. Also, I don't necessarily think that we can depend on federal Medicaid money when the current administration is considering cutting Medicaid. Lastly, I would support passing the 340B legislation as an alternative to this bill to help our rural hospitals. — BRETT FAIRCHILD

CONFERENCE COMMITTEE REPORT

EXPLANATION OF VOTE

MR. SPEAKER: I vote against the motion to adopt the CCR for **Sub HB 2240**. I am uncomfortable with the portion of this bill that causes legislative overreach into

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on the CCR for **S Sub for HB 2228**. By not having any hearing or any opportunity to ask questions about this bill or have any opportunity to properly vet this bill, it is a slap in the face to every member who occupies a seat in this House. It is disgraceful. — JERRY STOGSDILL

If the commission finds that the failure or violation has not been cured upon expiration of the 30 days or upon a later deadline granted by the commission, or if the alleged violation is of such a nature that it cannot be cured, the commission may proceed to suspend or revoke the licensee's license pursuant to subsection (~~h~~)(j). Nothing in this subsection shall be construed to preclude the commission from imposing a fine pursuant to subsection (~~h~~)(j) even if the violation is cured within 30 days or such other period as provided by the commission.

(~~h~~)(l) If an applicant for a facility owner license proposes to construct a racetrack facility and the commission determines that such license should be issued to the applicant, the commission shall issue to the applicant a facility owner license conditioned on the submission by the licensee to the commission, within a period of time prescribed by the commission, of a commitment for financing the construction of the racetrack facility by a financial institution or other source, subject to approval by the commission. (~~h~~)(m) If a facility owner licensee's license authorizes the construction of a dual racetrack facility, such license shall be conditioned on the completion of such facility within a time specified by the commission. If, within the time specified by the commission, the licensee has not constructed a dual racetrack facility in accordance with the plans submitted to the commission pursuant to subsection (e), the commission,

~~(n)~~(o) The grant or denial of an original facility owner license or facility manager license shall not be subject to the Kansas administrative procedure act. Such grant or denial shall be a matter to be determined in the sole discretion of the commission, whose decision shall be final upon the grant of a license to one of two or more competing applicants without the necessity of a hearing on the denial of a license to each other competing applicant. Any action for judicial review of such decision shall be by appeal to the supreme court in accordance with the Kansas judicial review act, except that the scope of review shall be limited to whether the action of the commission was arbitrary or capricious or constituted an abuse of discretion. All competing applicants for the facility owner license or facility manager license shall be parties to such appeal. Any such appeal shall have priority over other cases except those having statutory priority.

~~(o)~~(p) The commission may adopt rules and regulations regulating crossover employment between facility manager licensees and facility owner licensees and organization licensees.

CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to **SB 42** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with House Committee amendments, as follows:

On page 5, following line 20, by inserting:

"Sec. 12. K.S.A. 40-108 is hereby amended to read as follows: 40-108. ~~The commissioner of insurance shall make an annual report to the governor of the general conduct and condition of the insurance companies, including fraternal benefit societies, doing business in this state.~~ The commissioner of insurance shall make an annual report of the general conduct and condition of the insurance companies, including fraternal benefit societies, doing business in this state and shall publish such report on the department's website. The commissioner of insurance shall keep and preserve in a permanent form a full record of the commissioner's proceedings, including a concise statement of the condition of each company reported, visited or examined by the commissioner.

Sec. 13. K.S.A. 2024 Supp. 40-2,125 is hereby amended to read as follows: 40-2,125. (a) If the commissioner determines after notice and opportunity for a hearing that any person has engaged or is engaging in any act or practice constituting a violation of any provision of Kansas insurance statutes or any rule and regulation or order thereunder, the commissioner may, in the exercise of discretion, order any one or more of the following:

(1) Payment of a monetary penalty of not more than \$1,000 for each and every act or violation, unless the person knew or reasonably should have known that such person was in violation of the Kansas insurance statutes or any rule and regulation or order thereunder, in which case the penalty shall be not more than \$2,000 for each and every act or violation;

(2) suspension or revocation of the person's license or certificate if such person knew or reasonably should have known that such person was in violation of the Kansas insurance statutes or any rule and regulation or order thereunder; or

(3) that such person cease and desist from the unlawful act or practice and take such affirmative action ~~as that~~, in the judgment of the commissioner, will carry out the purposes of the violated or potentially violated provision.

(b) If any person fails to file any report or other information with the commissioner as required by statute or fails to respond to any proper inquiry of the commissioner, the commissioner, after notice and opportunity for hearing, may impose a civil penalty of up to \$1,000, for each violation or act, along with an additional penalty of up to \$500 for each week thereafter that such report or other information is not provided to the commissioner.

(c) If the commissioner makes written findings of fact that there is a situation involving an immediate danger to the public health, safety or welfare or the public interest will be irreparably harmed by delay in issuing an order under subsection (a)(3), the commissioner may issue an emergency temporary cease and desist order. Such

order, even when not an order within the meaning of K.S.A. 77-502, and amendments thereto, shall be subject to the same procedures as an emergency order issued under K.S.A. 77-536, and amendments thereto. Upon the entry of such an order, the commissioner shall promptly notify the person subject to the order that: (1) ~~the~~ Such order has been entered; (2) the reasons therefor; and (3) that upon written request within 15 days after service of the order, the matter will be set for a hearing, which shall be conducted in accordance with the provisions of the Kansas administrative procedure act. If no hearing is requested and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing to the person subject to the order, shall, by written findings of fact and conclusions of law vacate, modify or make permanent the order.

(d) For purposes of this section:

(1) The funds shall be the property of the person or persons entitled to them under the provisions of the escrow, settlement or closing agreement and shall be segregated for each depository by escrow, settlement or closing in the records of the title insurance agent in a manner that permits the funds to be identified on an individual basis;

All funds deposited for real estate closings, including closings involving refinances of existing mortgage loans, which exceed \$2,500 shall be in one of the following forms:

Sec. 16. K.S.A. 2024 Supp. 40-2404 is hereby amended to read as follows: 40-2404. The following are hereby defined as unfair methods of competition and unfair or deceptive acts or practices in the business of insurance:

(1) *Misrepresentations and false advertising of insurance policies.* Making, issuing, circulating or causing to be made, issued or circulated, any estimate, illustration, circular, statement, sales presentation, omission or comparison that:

(a) Misrepresents the benefits, advantages, conditions or terms of any insurance policy;

(b) misrepresents the dividends or share of the surplus to be received on any insurance policy;

(c) makes any false or misleading statements as to the dividends or share of surplus previously paid on any insurance policy;

(d) is misleading or is a misrepresentation as to the financial condition of any person, or as to the legal reserve system upon which any life insurer operates;

(e) uses any name or title of any insurance policy or class of insurance policies misrepresenting the true nature thereof;

(f) is a misrepresentation for the purpose of inducing or tending to induce the lapse, forfeiture, exchange, conversion or surrender of any insurance policy;

(g) is a misrepresentation for the purpose of effecting a pledge or assignment of or effecting a loan against any insurance policy; or

(h) misrepresents any insurance policy as being shares of stock.

(2) *False information and advertising generally.* Making, publishing, disseminating, circulating or placing before the public, or causing, directly or indirectly, to be made, published, disseminated, circulated or placed before the public, in a

newspaper, magazine or other publication, or in the form of a notice, circular, pamphlet, letter or poster, or over any radio or television station, or in any other way, an advertisement, announcement or statement containing any assertion, misrepresentation or statement with respect to the business of insurance or with respect to any person in the conduct of such person's insurance business, that is untrue, deceptive or misleading.

(3) *Defamation.* Making, publishing, disseminating or circulating, directly or indirectly, or aiding, abetting or encouraging the making, publishing, disseminating or circulating of any oral or written statement or any pamphlet, circular, article or literature that is false, or maliciously critical of or derogatory to the financial condition of any person, and that is calculated to injure such person.

(4) *Boycott, coercion and intimidation.* Entering into any agreement to commit, or by any concerted action committing, any act of boycott, coercion or intimidation resulting in or tending to result in unreasonable restraint of the business of insurance, or by any act of boycott, coercion or intimidation monopolizing or attempting to monopolize any part of the business of insurance.

(5) *False statements and entries.* (a) Knowingly filing with any supervisory or other public official, or knowingly making, publishing, disseminating, circulating or delivering to any person, or placing before the public, or knowingly causing directly or indirectly, to be made, published, disseminated, circulated, delivered to any person, or placed before the public, any false material statement of fact as to the financial condition of a person.

(b) Knowingly making any false entry of a material fact in any book, report or statement of any person or knowingly omitting to make a true entry of any material fact pertaining to the business of such person in any book, report or statement of such person.

(6) *Stock operations and advisory board contracts.* Issuing or delivering or permitting agents, officers or employees to issue or deliver, agency company stock or other capital stock, or benefit certificates or shares in any common-law corporation, or securities or any special or advisory board contracts or other contracts of any kind promising returns and profits as an inducement to insurance. Nothing herein shall prohibit the acts permitted by K.S.A. 40-232, and amendments thereto.

(7) *Unfair discrimination.* (a) Making or permitting any unfair discrimination between individuals of the same class and equal expectation of life in the rates charged for any contract of life insurance or life annuity or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of such contract.

(b) Making or permitting any unfair discrimination between individuals of the same class and of essentially the same hazard in the amount of premium, policy fees or rates charged for any policy or contract of accident or health insurance or in the benefits payable thereunder, ~~or~~ in any of the terms or conditions of such contract; or in any other manner whatever.

(c) Refusing to insure, ~~or~~ refusing to continue to insure, ~~or~~ limiting the amount, extent or kind of coverage available to an individual; or charging an individual a different rate for the same coverage solely because of blindness or partial blindness. With respect to all other conditions, including the underlying cause of the blindness or partial blindness, persons who are blind or partially blind shall be subject to the same standards of sound actuarial principles or actual or reasonably anticipated experience as are sighted persons. Refusal to insure includes denial by an insurer of disability

insurance coverage on the grounds that the policy defines "disability" as being presumed in the event that the insured loses such person's eyesight. However, an insurer may exclude from coverage disabilities consisting solely of blindness or partial blindness when such condition existed at the time the policy was issued.

(d) Refusing to insure, ~~or~~ refusing to continue to insure; or limiting the amount, extent or kind of coverage available for accident and health and life insurance to an applicant who is the proposed insured ~~or charge~~, charging a different rate for the same coverage ~~or~~, excluding or limiting coverage for losses or denying a claim incurred by an insured as a result of abuse based on the fact that the applicant who, is the proposed insured, is, has been, or may be the subject of domestic abuse, except as provided in subsection (7)(d)(v). ~~"Abuse"~~ As used in this paragraph, "abuse" means one or more acts defined in K.S.A. 60-3102, and amendments thereto, between family members, current or former household members; or current or former intimate partners.

(i) An insurer ~~may shall~~ not ask an applicant for life or accident and health insurance who is the proposed insured if the individual is, has been or may be the subject of domestic abuse, or seeks, has sought or had reason to seek medical or psychological treatment or counseling specifically for abuse, protection from abuse or shelter from abuse.

(ii) Nothing in this section shall be construed to prohibit a person from declining to issue an insurance policy insuring the life of an individual who is, has been or has the potential to be the subject of abuse if the perpetrator of the abuse is the applicant or would be the owner of the insurance policy.

(iii) No insurer that issues a life or accident and health policy to an individual who is, has been or may be the subject of domestic abuse shall be subject to civil or criminal liability for the death or any injuries suffered by that individual as a result of domestic abuse.

(iv) No person shall refuse to insure, refuse to continue to insure, limit the amount, extent or kind of coverage available to an individual or charge a different rate for the same coverage solely because of physical or mental condition, except where the refusal, limitation or rate differential is based on sound actuarial principles.

(v) Nothing in this section shall be construed to prohibit a person from underwriting or rating a risk on the basis of a preexisting physical or mental condition, even if such condition has been caused by abuse, provided that:

(A) The person routinely underwrites or rates such condition in the same manner with respect to an insured or an applicant who is not a victim of abuse;

(B) the fact that an individual is, has been or may be the subject of abuse may not be considered a physical or mental condition; and

(C) such underwriting or rating is not used to evade the intent of this section or any other provision of the Kansas insurance code.

(vi) Any person who underwrites or rates a risk on the basis of preexisting physical or mental condition as set forth in subsection (7)(d)(v), shall treat such underwriting or rating as an adverse underwriting decision pursuant to K.S.A. 40-2,112, and amendments thereto.

(vii) The provisions of this paragraph shall apply to all policies of life and accident and health insurance issued in this state after the effective date of this act and all existing contracts that are renewed on or after the effective date of this act.

(e) Refusing to insure, or refusing to continue to insure, or limiting the amount,

extent or kind of coverage available for life insurance to an individual, or charging an individual a different rate for the same coverage, solely because of such individual's status as a living organ donor. With respect to all other conditions, persons who are living organ donors shall be subject to the same standards of sound actuarial principles or actual or reasonably anticipated experience as are persons who are not organ donors.

(8) *Rebates.* (a) Except as otherwise expressly provided by law, knowingly permitting, offering to make or making any contract of life insurance, life annuity or accident and health insurance, or agreement as to such contract other than as plainly expressed in the insurance contract issued thereon; paying, allowing, giving or offering to pay, allow or give, directly or indirectly, as inducement to such insurance, or annuity, any rebate of premiums payable on the contract, any special favor or advantage in the dividends or other benefits thereon, or any valuable consideration or inducement whatever not specified in the contract; or giving, selling, purchasing or offering to give, sell or purchase as inducement to such insurance contract or annuity or in connection therewith, any stocks, bonds or other securities of any insurance company or other corporation, association or partnership, or any dividends or profits accrued thereon, or anything of value whatsoever not specified in the contract.

(b) Nothing in subsection (7)(a) or (8)(a) shall be construed as including within the definition of discrimination or rebates any of the following practices:

(i) In the case of any contract of life insurance or life annuity, paying bonuses to policyholders or otherwise abating their premiums in whole or in part out of surplus accumulated from nonparticipating insurance. Any such bonuses or abatement of premiums shall be fair and equitable to policyholders and for the best interests of the company and its policyholders;

(ii) in the case of life insurance policies issued on the industrial debit plan, making allowance to policyholders who have continuously for a specified period made premium payments directly to an office of the insurer in an amount that fairly represents the saving in collection expenses;

(iii) readjustment of the rate of premium for a group insurance policy based on the loss or expense experience thereunder, at the end of the first or any subsequent policy year of insurance thereunder, which may be made retroactive only for such policy year;

(iv) engaging in an arrangement that would not violate section 106 of the bank holding company act amendments of 1972, as interpreted by the board of governors of the federal reserve system or section 5(q) of the home owners' loan act;

(v) the offer or provision by insurers or producers, by or through employees, affiliates or third-party representatives, of value-added products or services at no or reduced cost when such products or services are not specified in the policy of insurance if the product or service:

- (A) Relates to the insurance coverage; and
- (B) is primarily designed to satisfy one or more of the following:
 - (1) Provide loss mitigation or loss control;
 - (2) reduce claim costs or claim settlement costs;
 - (3) provide education about liability risks or risk of loss to persons or property;
 - (4) monitor or assess risk, identify sources of risk or develop strategies for eliminating or reducing risk;
 - (5) enhance health;
 - (6) enhance financial wellness through items such as education or financial

planning services;

(7) provide post-loss services;

(8) (a) incentivize behavioral changes to improve the health or reduce the risk of death or disability of a customer;

(b) as used in this section, "customer" means a policyholder, potential policyholder, certificate holder, potential certificate holder, insured, potential insured or applicant; or

(9) assist in the administration of the employee or retiree benefit insurance coverage.

(C) The cost to the insurer or producer offering the product or service to any given customer shall be reasonable in comparison to such customer's premiums or insurance coverage for the policy class.

(D) If the insurer or producer is providing the product or service offered, the insurer or producer shall ensure that the customer is provided with contact information, upon request, to assist the customer with questions regarding the product or service.

(E) The commissioner may adopt rules and regulations when implementing the permitted practices set forth in this section to ensure consumer protection. Such rules and regulations, consistent with applicable law, may address, among other issues, consumer data protections and privacy, consumer disclosure and unfair discrimination.

(F) The availability of the value-added product or service shall be based on documented objective criteria and offered in a manner that is not unfairly discriminatory. The documented criteria shall be maintained by the insurer or producer and produced upon request by the commissioner.

(G) (1) If an insurer or producer does not have sufficient evidence but has a good-faith belief that the product or service meets the criteria in subsection (8)(b)(v)(B), the insurer or producer may provide the product or service in a manner that is not unfairly discriminatory as part of a pilot or testing program for not more than one year. An insurer or producer shall notify the commissioner of such a pilot or testing program offered to consumers in this state prior to launching and may proceed with the program unless the commissioner objects within 21 days of notice.

(2) If the insurer or producer is unable to determine sufficient evidence within the one-year pilot or testing period, the insurer or producer may request that such pilot or testing period be extended for such additional time as necessary to determine if the product or service meets the criteria described in subsection (8)(b)(v)(B). Upon such a request, the commissioner may grant an extension of a specified time.

(vi) An insurer or a producer may:

(A) Offer or give non-cash gifts, items or services, including meals to or charitable donations on behalf of a customer, in connection with the marketing, sale, purchase or retention of contracts of insurance, as long as the cost does not exceed an amount determined to be reasonable by the commissioner per policy year per term. The offer shall be made in a manner that is not unfairly discriminatory. The customer shall not be required to purchase, continue to purchase or renew a policy in exchange for the gift, item or service.

(B) Conduct raffles or drawings to the extent permitted by state law, as long as there is no financial cost to entrants to participate, the drawing or raffle does not obligate participants to purchase insurance, the prizes are not valued in excess of a reasonable amount determined by the commissioner and the drawing or raffle is open to the public. The raffle or drawing shall be offered in a manner that is not unfairly

discriminatory. The customer shall not be required to purchase, continue to purchase or renew a policy in exchange for the gift, item or service.

(c) An insurer, producer or representative of an insurer or producer shall not offer or provide insurance as an inducement to the purchase of another policy.

(9) *Unfair claim settlement practices.* It is an unfair claim settlement practice if any of the following or any rules and regulations pertaining thereto are either committed flagrantly and in conscious disregard of such provisions, or committed with such frequency as to indicate a general business practice:

(a) Misrepresenting pertinent facts or insurance policy provisions relating to coverages at issue;

(b) failing to acknowledge and act reasonably promptly upon communications with respect to claims arising under insurance policies;

(c) failing to adopt and implement reasonable standards for the prompt investigation of claims arising under insurance policies;

(d) refusing to pay claims without conducting a reasonable investigation based upon all available information;

(e) failing to affirm or deny coverage of claims within a reasonable time after proof of loss statements have been completed;

(f) not attempting in good faith to effectuate prompt, fair and equitable settlements of claims in which liability has become reasonably clear;

(g) compelling insureds to institute litigation to recover amounts due under an insurance policy by offering substantially less than the amounts ultimately recovered in actions brought by such insureds;

(h) attempting to settle a claim for less than the amount to which a reasonable person would have believed that such person was entitled by reference to written or printed advertising material accompanying or made part of an application;

(i) attempting to settle claims on the basis of an application that was altered without notice to, or knowledge or consent of the insured;

(j) making claims payments to insureds or beneficiaries not accompanied by a statement setting forth the coverage under which payments are being made;

(k) making known to insureds or claimants a policy of appealing from arbitration awards in favor of insureds or claimants for the purpose of compelling them to accept settlements or compromises less than the amount awarded in arbitration;

(l) delaying the investigation or payment of claims by requiring an insured, claimant or the physician of either to submit a preliminary claim report and then requiring the subsequent submission of formal proof of loss forms, both of which submissions contain substantially the same information;

(m) failing to promptly settle claims, where liability has become reasonably clear, under one portion of the insurance policy coverage in order to influence settlements under other portions of the insurance policy coverage; or

(n) failing to promptly provide a reasonable explanation of the basis in the insurance policy in relation to the facts or applicable law for denial of a claim or for the offer of a compromise settlement.

(10) Failure to respond to an inquiry. An insurer's failing, upon receipt of any inquiry from the insurance department concerning a complaint or inquiry related to a particular matter, within 14 calendar days of receipt of such inquiry to furnish the department with an adequate response to such inquiry.

~~(10)~~(11) *Failure to maintain complaint handling procedures.* Failure of any person, who is an insurer on an insurance policy, to maintain a complete record of all the complaints that it has received since the date of its last examination under K.S.A. 40-222, and amendments thereto; but, except that no such records shall be required for complaints received prior to the effective date of this act. The record shall indicate the total number of complaints, their classification by line of insurance, the nature of each complaint, the disposition of the complaints, the date each complaint was originally received by the insurer and the date of final disposition of each complaint. For purposes of this ~~subsection~~ section, "complaint" means any written communication primarily expressing a grievance related to the acts and practices set out in this section.

~~(11)~~(12) *Misrepresentation in insurance applications.* Making false or fraudulent statements or representations on or relative to an application for an insurance policy, for the purpose of obtaining a fee, commission, money or other benefit from any insurer, agent, broker or individual.

~~(12)~~(13) *Statutory violations.* Any violation of any of the provisions of K.S.A. 40-216, 40-276a, 40-2,155 or 40-1515, and amendments thereto.

~~(13)~~(14) *Disclosure of information relating to adverse underwriting decisions and refund of premiums.* Failing to comply with the provisions of K.S.A. 40-2,112, and amendments thereto, within the time prescribed in such section.

~~(14)~~(15) *Rebates and other inducements in title insurance.* (a) No title insurance company or title insurance agent, or any officer, employee, attorney, agent or solicitor thereof, may pay, allow or give, or offer to pay, allow or give, directly or indirectly, as an inducement to obtaining any title insurance business, any rebate, reduction or abatement of any rate or charge made incident to the issuance of such insurance, any special favor or advantage not generally available to others of the same classification, or any money, thing of value or other consideration or material inducement. ~~The words "Charge made incident to the issuance of such insurance" includes, without limitations, escrow, settlement and closing charges.~~

(b) No insured named in a title insurance policy or contract nor any other person directly or indirectly connected with the transaction involving the issuance of the policy or contract, including, but not limited to, mortgage lender, real estate broker, builder, attorney or any officer, employee, agent representative or solicitor thereof, or any other person may knowingly receive or accept, directly or indirectly, any rebate, reduction or abatement of any charge, or any special favor or advantage or any monetary consideration or inducement referred to in subsection ~~(14)(a)~~ (15)(a).

(c) Nothing in this section shall be construed as prohibiting:

(i) The payment of reasonable fees for services actually rendered to a title insurance agent in connection with a title insurance transaction;

(ii) the payment of an earned commission to a duly appointed title insurance agent for services actually performed in the issuance of the policy of title insurance; or

(iii) the payment of reasonable entertainment and advertising expenses.

(d) Nothing in this section prohibits the division of rates and charges between or among a title insurance company and its agent, or one or more title insurance companies and one or more title insurance agents, if such division of rates and charges does not constitute an unlawful rebate under the provisions of this section and is not in payment of a forwarding fee or a finder's fee.

(e) As used in subsections ~~(14)(e)~~ (15)(e) through ~~(14)(i)~~ (15)(i), unless the context

otherwise requires:

(i) "Associate" means any firm, association, organization, partnership, business trust, corporation or other legal entity organized for profit in which a producer of title business is a director, officer or partner thereof, or owner of a financial interest; the spouse or any relative within the second degree by blood or marriage of a producer of title business who is a natural person; any director, officer or employee of a producer of title business or associate; any legal entity that controls, is controlled by, or is under common control with a producer of title business or associate; and any natural person or legal entity with whom a producer of title business or associate has any agreement, arrangement or understanding or pursues any course of conduct, the purpose or effect of which is to evade the provisions of this section.

(ii) "Financial interest" means any direct or indirect interest, legal or beneficial, where the holder thereof is or will be entitled to 1% or more of the net profits or net worth of the entity in which such interest is held. Notwithstanding the foregoing, an interest of less than 1% or any other type of interest shall constitute a "financial interest" if the primary purpose of the acquisition or retention of that interest is the financial benefit to be obtained as a consequence of that interest from the referral of title business.

(iii) "Person" means any natural person, partnership, association, cooperative, corporation, trust or other legal entity.

(iv) "Producer of title business" or "producer" means any person, including any officer, director or owner of 5% or more of the equity or capital or both of any person, engaged in this state in the trade, business, occupation or profession of:

(A) Buying or selling interests in real property;

(B) making loans secured by interests in real property; or

(C) acting as broker, agent, representative or attorney for a person who buys or sells any interest in real property or who lends or borrows money with such interest as security.

(v) "Refer" means to direct or cause to be directed or to exercise any power or influence over the direction of title insurance business, whether or not the consent or approval of any other person is sought or obtained with respect to the referral.

(f) No title insurer or title agent may accept any order for, issue a title insurance policy to, or provide services to, an applicant if it knows or has reason to believe that the applicant was referred to it by any producer of title business or by any associate of such producer, where the producer, the associate, or both, have a financial interest in the title insurer or title agent to which business is referred unless the producer has disclosed to the buyer, seller and lender the financial interest of the producer of title business or associate referring the title insurance business.

(g)(i) No title insurer or title agent may accept an order for title insurance business, issue a title insurance policy, or receive or retain any premium, or charge in connection with any transaction if: ~~(i) (A)~~ (A) The title insurer or title agent knows or has reason to believe that the transaction will constitute controlled business for that title insurer or title agent; and ~~(ii) (B)~~ (B) 70% or more of the closed title orders of that title insurer or title agent during the 12 full calendar months immediately preceding the month in which the transaction takes place is derived from controlled business. ~~The prohibitions contained in this paragraph shall not apply to transactions involving real estate located in a county that has a population, as shown by the last preceding decennial census, of 10,000 or~~

less:

(ii) Paragraph (g) shall become effective on and after January 1, 2026.

(h) Within 90 days following the end of each business year, as established by the title insurer or title agent, each title insurer or title agent shall file with the department of insurance and any title insurer with which the title agent maintains an underwriting agreement, a report executed by the title insurer's or title agent's chief executive officer or designee, under penalty of perjury, stating the percent of closed title orders originating from controlled business. The failure of a title insurer or title agent to comply with the requirements of this section, at the discretion of the commissioner, shall be grounds for the suspension or revocation of a license or other disciplinary action, with the commissioner able to mitigate any such disciplinary action if the title insurer or title agent is found to be in substantial compliance with competitive behavior as defined by federal housing and urban development statement of policy 1996-2.

(i) (1) No title insurer or title agent may accept any title insurance order or issue a title insurance policy to any person if it knows or has reason to believe that such person was referred to it by any producer of title business or by any associate of such producer, where the producer, the associate, or both, have a financial interest in the title insurer or title agent to which business is referred unless the producer has disclosed in writing to the person so referred the fact that such producer or associate has a financial interest in the title insurer or title agent, the nature of the financial interest and a written estimate of the charge or range of charges generally made by the title insurer or agent for the title services. Such disclosure shall include language stating that the consumer is not obligated to use the title insurer or agent in which the referring producer or associate has a financial interest and shall include the names and telephone numbers of not less than three other title insurers or agents that operate in the county in which the property is located. If fewer than three insurers or agents operate in that county, the disclosure shall include all title insurers or agents operating in that county. Such written disclosure shall be signed by the person so referred and must have occurred prior to any commitment having been made to such title insurer or agent.

(2) No producer of title business or associate of such producer shall require, directly or indirectly, as a condition to selling or furnishing any other person any loan or extension thereof, credit, sale, property, contract, lease or service, that such other person shall purchase title insurance of any kind through any title agent or title insurer if such producer has a financial interest in such title agent or title insurer.

(3) No title insurer or title agent may accept any title insurance order or issue a title insurance policy to any person it knows or has reason to believe that the name of the title company was pre-printed in the sales contract, prior to the buyer or seller selecting that title company.

(4) Nothing in this paragraph shall prohibit any producer of title business or associate of such producer from referring title business to any title insurer or title agent of such producer's or associate's choice, and, if such producer or associate of such producer has any financial interest in the title insurer, from receiving income, profits or dividends produced or realized from such financial interest, ~~so long as if:~~

(a) Such financial interest is disclosed to the purchaser of the title insurance in accordance with paragraphs (i)(1) through (i)(4);

(b) the payment of income, profits or dividends is not in exchange for the referral of business; and

(c) the receipt of income, profits or dividends constitutes only a return on the investment of the producer or associate.

(5) Any producer of title business or associate of such producer who violates the provisions of paragraphs (i)(2) through (i)(4), or any title insurer or title agent who accepts an order for title insurance knowing that it is in violation of paragraphs (i)(2) through (i)(4), in addition to any other action that may be taken by the commissioner of insurance, shall be subject to a fine by the commissioner in an amount equal to five times the premium for the title insurance and, if licensed pursuant to K.S.A. 58-3034 et seq., and amendments thereto, shall be deemed to have committed a prohibited act pursuant to K.S.A. 58-3602, and amendments thereto, and shall be liable to the purchaser of such title insurance in an amount equal to the premium for the title insurance.

(6) Any title insurer or title agent that is a competitor of any title insurer or title agent that, subsequent to the effective date of this act, has violated or is violating the provisions of this paragraph, shall have a cause of action against such title insurer or title agent and, upon establishing the existence of a violation of any such provision, shall be entitled, in addition to any other damages or remedies provided by law, to such equitable or injunctive relief as the court deems proper. In any such action under this subsection, the court may award to the successful party the court costs of the action together with reasonable attorney fees.

(7) The commissioner shall also require each title agent to provide core title services as required by the real estate settlement procedures act.

(j) The commissioner shall adopt any rules and regulations necessary to carry out the provisions of this act.

~~(15)~~(16) *Disclosure of nonpublic personal information.* (a) No person shall disclose any nonpublic personal information contrary to the provisions of title V of the Gramm-Leach-Bliley act of 1999-~~public law 106-102~~. The commissioner may adopt rules and regulations necessary to carry out this subsection. Such rules and regulations shall be consistent with and not more restrictive than the model regulation adopted on September 26, 2000, by the national association of insurance commissioners entitled "Privacy of consumer financial and health information regulation".

(b) Nothing in this subsection shall be deemed or construed to authorize the promulgation or adoption of any regulation that preempts, supersedes or is inconsistent with any provision of Kansas law concerning requirements for notification of, or obtaining consent from, a parent, guardian or other legal custodian of a minor relating to any matter pertaining to the health and medical treatment for such minor.

Sec. 17. K.S.A. 40-2253 is hereby amended to read as follows: 40-2253. (a) The commissioner of insurance shall devise universal forms to be utilized by every insurance company, including health maintenance organizations where applicable, offering any type of accident and sickness policy covering individuals residing in this state for the purpose of receiving every claim under such policy by persons covered thereunder. In the preparation of such forms, the commissioner may confer with representatives of insurance companies, health maintenance organizations, trade associations and other interested parties. Upon completion and final adoption of such forms by the commissioner, the commissioner shall notify those companies affected by sending them a copy of such forms and an explanation of the requirements of this section. Every such company shall implement utilization of such forms not later than

six months following the date of the commissioner's notification.

(b) An accident and sickness insurer may not refuse to accept a claim submitted on duly promulgated uniform claim forms. An insurer may accept claims submitted on any other form.

(c) An accident and sickness insurer does not violate subsection (a) by using a document that the accident and sickness insurer has been required to use by the federal government or the state.

~~(d) The commissioner of insurance shall report to the governor and to the legislature, no later than the commencement of the 1993 regular session of the Kansas legislature, regarding the development of uniform electronic data interchange formats and standards, along with a proposed plan, including an analysis of the cost impact thereof.~~

Sec. 18. K.S.A. 40-3807 is hereby amended to read as follows: 40-3807. Such funds shall be immediately remitted to the person or persons entitled thereto, or shall be deposited promptly in a fiduciary account established and maintained by the administrator in a federally or state-insured financial institution. A separate fiduciary account shall be maintained by the administrator for each payor and shall not contain funds collected or held by the administrator on behalf of multiple payors. The written agreement between the administrator and the payor shall provide for the administrator to periodically render an accounting to the payor detailing all transactions performed by the administrator pertaining to the business of the payor, and the written agreement between the payor and the administrator shall include specifications of this reporting.

(b) The administrator shall keep copies of all records of any fiduciary account maintained or controlled by the administrator, and, upon request of a payor, shall furnish the payor with copies of such records pertaining to deposits and withdrawals on behalf of the payor. If charges or premiums so deposited have been collected on behalf of or for more than one payor, or for the payment of claims associated with more than one policy, the administrator shall keep records clearly recording the deposits in and withdrawals from the account on behalf of each payor and relating to each policyholder.

(c) The administrator shall not pay any claim by withdrawals from a fiduciary account in which premiums or charges are deposited. Withdrawals from a fiduciary account shall be made as provided in the written agreement between the administrator and the payor, and only for the following purposes: (1) Remittance to an insurer entitled thereto; (2) deposit in an account maintained in the name of the payor; (3) transfer to and deposit in a claims paying account, with claims to be paid as provided in subsection (d); (4) payment to a group policyholder for remittance to the payor entitled thereto; (5) payment to the administrator of its earned commissions, fees or charges; (6) remittance of return premiums to the person or persons entitled thereto; or (7) payment to other service providers as authorized by the payor.

(d) All claims paid by the administrator from funds collected on behalf of or for a payor shall be paid only as authorized by the payor. Payments from an account maintained or controlled by the administrator may be made for the following purposes including the payment of claims: (1) Payment of valid claims; (2) payment of expenses associated with the handling of claims to the administrator or to other service providers

approved by the payor; (3) remittance to the payor, or transfer to a successor administrator as directed by the payor, for the purpose of paying claims and associated expenses; and (4) return of funds held as collateral or prepayment, to the person entitled to those funds, upon a determination by the payor that those funds are no longer necessary to secure or facilitate the payment of claims and associated expenses.

Sec. 19. K.S.A. 40-3809 is hereby amended to read as follows: 40-3809. (a) Where the services of an administrator are utilized, the administrator shall provide a written notice, approved by the payor, to covered individuals advising them of the identity of and relationship among the administrator, the policyholder and the payor.

(b) When an administrator collects funds, the reason for collection of each item shall be identified to the insured party and each item shall be shown separately from any premium. Additional charges may not be made for services to the extent the services have already been paid for by the payor.

(c) The administrator shall disclose to the payor all charges, fees and commissions that the administrator receives arising from services it provides for the payor, including any fees or commissions paid by payors providing reinsurance or stop-loss insurance.

(d) An administrator shall disclose to the commissioner any bankruptcy petition filed by or on behalf of such administrator pursuant to chapter 9 or chapter 11 of the United States bankruptcy code at the time such filing is made."

EXPLANATION OF VOTE

MR. SPEAKER: I vote NO on **HCR 5011**: This is not property tax relief. It's fools gold. Local officials will be forced to raise mill levies to make up for the valuation cap. KLRD estimates the countywide mill levy will go up 30 mills on average. This will cause Motor Vehicle Taxes to go up because they are based on the countywide average mill levy. It also screws up our property tax system based on fair value market. This takes us away from market value and makes our systems very unfair. – TOM SAWYER, BRIAN BERGKAMP, JO ELLA HOYE, DAN OSMAN, LINDSAY VAUGHN, RUI XU, CINDY NEIGHBOR, VIRGIL WEIGEL, SUSAN RUIZ, FORD CARR, JOHN ALCALA, ANGELA MARTINEZ, LYNN MELTON, MELISSA OROPEZA, STEPHANIE SAWYER CLAYTON, VALDENIA WINN, WANDA BROWNLEE PAIGE, BROOKLYNNE MOSLEY, SYDNEY CARLIN, JERRY STOGSDILL, PAM CURTIS, SILAS MILLER

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote NO on **SB 125**. My constituents value Special Education funding. A school district that I serve has Phase I and Phase II budget priority hires pending on the funding in this budget. SB 125 will likely cost students in my district a new Technology/Engineering Design teacher, orchestra program, and occupational therapist. I would prefer to fund these classroom opportunities over the AI surveillance of our children. I vote NO. — JO ELLA HOYE

MR. SPEAKER: I am a reluctant NO vote on **SB 125**. The spending levels this year are more sustainable than the vast increases seen in the last three years. The process has improved and real effort has been made by the legislature to take “ownership” of the process and results. However, as I look at the financial trajectory it is clear trouble looms. The Kansas SGF budget is structurally imbalanced. We are spending \$800 million to \$1.0 billion more than we take in. The longer we wait the harder the problem is to fix. Thus my NO vote. — PAUL WAGGONER

(a) A search warrant shall be issued only upon the oral or written statement, including those conveyed or received by electronic communication, of ~~any person a law enforcement officer~~ under oath or affirmation-which that states facts sufficient to show probable cause that a crime has been, is being or is about to be committed and which particularly describes a person, place or means of conveyance to be searched and things to be seized. Any statement ~~which that~~ is made orally shall be either taken down by a certified shorthand reporter, sworn to under oath and made part of the application for a search warrant, or recorded before the magistrate from whom the search warrant is requested and sworn to under oath. Any statement orally made shall be reduced to writing as soon thereafter as possible. If the magistrate is satisfied that grounds for the application exist or that there is probable cause to believe that they exist, the magistrate may issue a search warrant for:

(1) The search or seizure of the following:

(A) Anything that can be seized under the fourth amendment of the United States constitution;

(B) anything ~~which that~~ has been used in the commission of a crime, or any contraband or any property ~~which that~~ constitutes or may be considered a part of the

evidence, fruits or instrumentalities of a crime under the laws of this state, any other state or of the United States. The term "fruits" as used in this act shall be interpreted to include any property into which the thing or things unlawfully taken or possessed may have been converted;

(C) any person who has been kidnapped in violation of the laws of this state or who has been kidnapped in another jurisdiction and is now concealed within this state;

(D) any human fetus or human corpse;

(E) any biological material, DNA, cellular material, blood, hair or fingerprints;

(F) any person for whom a valid felony arrest warrant has been issued in this state or in another jurisdiction; or

(G) (i) any information concerning the user of an electronic communication service; any information concerning the location of electronic communications systems, including, but not limited to, towers transmitting cellular signals involved in any wire communication; and any other information made through an electronic communications system; or

(ii) the jurisdiction granted in this paragraph shall extend to information held by entities registered to do business in the state of Kansas, submitting to the jurisdiction thereof, and entities primarily located outside the state of Kansas if the jurisdiction in which the entity is primarily located recognizes the authority of the magistrate to issue the search warrant; or

(2) the installation, maintenance and use of a tracking device.

(b) (1) The search warrant under subsection (a)(2) shall authorize the installation and use of the tracking device to track and collect tracking data relating to a person or property for a specified period of time, not to exceed 30 days from the date of the installation of the device.

(2) The search warrant under subsection (a)(2) may authorize the retrieval of the tracking data recorded by the tracking device during the specified period of time for authorized use of such tracking device within a reasonable time after the expiration of such warrant, for good cause shown.

(3) The magistrate may, for good cause shown, grant one or more extensions of a search warrant under subsection (a)(2) for the use of a tracking device, not to exceed 30 days each.

(c) Before ruling on a request for a search warrant, the magistrate may require the affiant to appear personally and may examine under oath the affiant and any witnesses that the affiant may produce. Such proceeding shall be taken down by a certified shorthand reporter or recording equipment and made part of the application for a search warrant.

(d) For a warrant executed prior to July 1, 2014, affidavits or sworn testimony in support of the probable cause requirement of this section or search warrants for tracking devices shall not be made available for examination without a written order of the court, except that such affidavits or testimony when requested shall be made available to the defendant or the defendant's counsel for such disposition as either may desire.

(e) (1) For a warrant executed on or after July 1, 2014, affidavits or sworn testimony in support of the probable cause requirement of this section or search warrants for tracking devices shall not be open to the public until the warrant has been executed. After the warrant has been executed, such affidavits or sworn testimony shall be made available to:

(A) The defendant or the defendant's counsel, when requested, for such disposition as either may desire; and

(B) any person, when requested, in accordance with the requirements of this subsection.

(2) Any person may request that affidavits or sworn testimony be disclosed by filing such request with the clerk of the court. The clerk of the court shall promptly notify the defendant or the defendant's counsel, the prosecutor and the magistrate that such request was filed. The prosecutor shall promptly notify any victim.

(3) Within five business days after receiving notice of a request for disclosure from the clerk of the court, the defendant or the defendant's counsel and the prosecutor may submit to the magistrate, under seal, either:

(A) Proposed redactions, if any, to the affidavits or sworn testimony and the reasons supporting such proposed redactions; or

(B) a motion to seal the affidavits or sworn testimony and the reasons supporting such proposed seal.

(4) The magistrate shall review the requested affidavits or sworn testimony and any proposed redactions or motion to seal submitted by the defendant, the defendant's counsel or the prosecutor. The magistrate shall make appropriate redactions, or seal the affidavits or sworn testimony, as necessary to prevent public disclosure of information that would:

(A) Jeopardize the physical, mental or emotional safety or well-being of a victim, witness, confidential source or undercover agent, or cause the destruction of evidence;

(B) reveal information obtained from a court-ordered wiretap or from a search warrant for a tracking device that has not expired;

(H) reveal the name of any minor;

(I) reveal any date of birth, personal or business telephone number, driver's license number, nondriver's identification number, social security number, employee identification number, taxpayer identification number, vehicle identification number or financial account information; or

(J) constitute a clearly unwarranted invasion of personal privacy. As used in this subparagraph, "clearly unwarranted invasion of personal privacy" means revealing information that would be highly offensive to a reasonable person and is totally unrelated to the alleged crime that resulted in the issuance of the search warrant, including information totally unrelated to the alleged crime that may pose a risk to a person or property and is not of legitimate concern to the public. The provisions of this subparagraph shall only be used to redact and shall not be used to seal affidavits or

sworn testimony.

(5) Within five business days after receiving proposed redactions or a motion to seal from the defendant, the defendant's counsel or the prosecutor, or within 10 business days after receiving notice of a request for disclosure, whichever is earlier, the magistrate shall either:

(A) Order disclosure of the affidavits or sworn testimony with appropriate redactions, if any; or

(B) order the affidavits or sworn testimony sealed and not subject to public disclosure.

(6) (A) If the magistrate orders disclosure of the affidavits or sworn testimony with appropriate redactions, if any, to any person in accordance with the requirements of this subsection, then such affidavits or sworn testimony shall become part of the court record and shall be accessible to the public.

(B) If the magistrate orders the affidavits or sworn testimony sealed and not subject to public disclosure in accordance with the requirements of this subsection, then such affidavits or sworn testimony shall become part of the court record that is not accessible to the public.

(C) Any request for disclosure of affidavits or sworn testimony in accordance with the requirements of this subsection shall become part of the court record and shall be accessible to the public, regardless of whether the magistrate orders disclosure with appropriate redactions, if any, or sealing of the requested affidavit or sworn testimony.

(2) "electronic communication service" and "electronic communication system" have the meaning as defined in K.S.A. 22-2514, and amendments thereto;

(3) "tracking data" means information gathered or recorded by a tracking device;

(4) "tracking device" means an electronic or mechanical device that permits a person to remotely determine or track the position or movement of a person or object. "Tracking device" includes, but is not limited to, a device that stores geographic data for subsequent access or analysis and a device that allows for the real-time monitoring of movement; and

(5) "victim" shall include any victim of an alleged crime that resulted in the issuance of the search warrant, or, if the victim is deceased, the victim's family, as defined in K.S.A. 74-7335, and amendments thereto.

(g) Nothing in this section shall be construed as requiring a search warrant for cellular location information in an emergency situation pursuant to K.S.A. 22-4615, and amendments thereto.";

On page 10, following line 12, by inserting:

"Sec. 8. K.S.A. 22-2807 is hereby amended to read as follows: 22-2807. (a) If a defendant fails to appear as directed by the court and guaranteed by an appearance bond, the court in which the bond is deposited shall declare a forfeiture of the bail and issue a warrant for the defendant's arrest. If the defendant is charged with a felony offense, the sheriff shall enter such warrant into the national crime information center's index within 14 days of issuance of the warrant and, upon request, the court shall make a copy of the warrant available to a compensated surety who deposited the bond on behalf of the defendant. ~~If such warrant is not entered into such index, the sheriff shall~~

notify the court thereof.

(b) An appearance bond may only be forfeited by the court upon a failure to appear. If a defendant violates any other condition of bond, the bond may be revoked and the defendant remanded to custody. An appearance bond is revoked by the execution of a warrant for a defendant's arrest for a violation of a bond condition. The magistrate shall promptly set a new bond pursuant to requirements of K.S.A. 22-2802, and amendments thereto.

(c) (1) The court may direct that a forfeiture be set aside, upon such conditions as the court may impose, if it appears that justice does not require the enforcement of the forfeiture.

(2) The court shall direct that a forfeiture be set aside, ~~upon such conditions as the court may impose~~, if:

(A) The surety can prove that the defendant is incarcerated somewhere within the United States prior to judgment of default by providing to the court a written statement, signed by the surety under penalty of perjury, setting forth ~~details of the facts substantiating~~ such incarceration;

(B) the warrant required to be issued by subsection (a) was not issued within 14 days of the forfeiture;

(C) a warrant that is required to be entered into the national crime information center's index pursuant to subsection (a) was not entered within 14 days of issuance ~~or provided by the court to the surety upon request pursuant to subsection (a)~~, unless there is good cause shown for the failure to enter such warrant into the index ~~or provide such warrant to the compensated surety; or~~

(D) ~~the defendant has been arrested outside of this state and the prosecuting attorney has declined to proceed with extradition; or~~

(E) ~~the defendant was not held subject to an immigration detainer when the bond was posted and the surety can prove that the defendant has been deported from the United States prior to judgment of default by providing to the court a written statement, signed by the surety under penalty of perjury, setting forth the facts substantiating the deportation.~~

(3) Upon the defendant's return, the surety may be ordered to pay the costs of such return.

(d) When a forfeiture has not been set aside, the court shall on motion enter a judgment of default and execution may issue thereon. If the forfeiture has been decreed by a district magistrate judge and the amount of the bond exceeds the limits of the civil jurisdiction prescribed by law for a district magistrate judge, the judge shall notify the chief judge in writing of the forfeiture and the matter shall be assigned to a district judge who, on motion, shall enter a judgment of default. By entering into a bond the obligors submit to the jurisdiction of any court having power to enter judgment upon default and irrevocably appoint the clerk of that court as their agent upon whom any papers affecting their liability may be served. Their liability may be enforced on motion without the necessity of an independent action. The motion and notice thereof may be served on the clerk of the court, who shall ~~forthwith~~ promptly mail copies to the obligors to their last known addresses. No judgment may be entered against the obligor in an appearance bond until more than 60 days after notice is served as provided ~~herein in this section~~. No judgment may be entered against the obligor in an appearance bond more than two years after a defendant's failure to appear.

(e) After entry of judgment pursuant to subsection (d), the court;

(1) May remit such judgment in whole or in part under the conditions applying to the setting aside of forfeiture in subsection (c); and

(2) shall remit a portion of the amount of the appearance bond to the obligor if the defendant is returned to custody within the following number of days after judgment is entered, as follows:

(A) 90% if the defendant is returned to custody within 90 days;

(B) 75% if the defendant is returned to custody within 91 to 180 days; and

(C) 50% if the defendant is returned to custody within 181 to 270 days.

Sec. 9. K.S.A. 2024 Supp. 22-2809b is hereby amended to read as follows: 22-2809b. (a) As used in this section:

(1) "Compensated surety" means any person who or entity that is organized under the laws of the state of Kansas that, as surety, issues appearance bonds for compensation, posts bail for four or more persons in a calendar year, is responsible for any forfeiture and is liable for appearance bonds written by such person's or entity's authorized agents. A "compensated surety" is either an insurance agent surety, a property surety or a bail agent.

(2) "Insurance agent surety" means a compensated surety licensed by the insurance commissioner to issue surety bonds or appearance bonds in this state and who represents an authorized insurance company. An "insurance agent surety" may have other insurance agent sureties working with or for such surety.

(3) "Property surety" means a compensated surety who secures appearance bonds by property pledged as security. A "property surety" may be a person or entity and may authorize bail agents to act on behalf of the "property surety" in writing appearance bonds.

(4) "Bail agent" means a person authorized by a compensated surety to execute surety bail bonds on such surety's behalf.

(5) "Appearance bond premium" means the fee charged by a compensated surety for posting an appearance bond.

(b) Every compensated surety shall submit an application to the chief judge of the judicial district, or the chief judge's designee, in each judicial district where such surety seeks to act as a surety. A compensated surety shall not act as a surety in such judicial district prior to approval of such application.

(1) The application shall include, but is not limited to, the following information for each insurance agent surety, property surety or bail agent:

(A) A copy of the applicant's Kansas driver's license or nondriver's identification card;

(B) a statement, made under penalty of perjury, that the applicant is a resident of this state and is not prohibited by K.S.A. 22-2809a(c), and amendments thereto, from acting as a surety; and

(C) a certificate of continuing education compliance in accordance with subsection (g).

(2) The application for each insurance agent surety also shall include:

(A) A copy of the qualifying power of attorney certificates issued to such surety by any insurance company;

(B) a current and valid certificate of license from the insurance department; and

(C) a current and valid certificate of authority from the insurance department.

(3) The application for each property surety also shall include:

(A) A list of all bail agents authorized by such property surety to write appearance bonds on such property surety's behalf and all documentation from such bail agents demonstrating compliance with subsection (b)(1); and

(B) an affidavit describing the property by which such property surety proposes to justify its obligations and the encumbrances thereon, and all such surety's other liabilities. The description shall include a valuation of the property described therein. If the valuation is not readily evident, an appraisal of the property may be required and, if required, shall be incorporated into the affidavit.

(4) The chief judge of the judicial district may require, as a qualification for initial or continued authorization in the judicial district, a compensated surety to submit to a state and national criminal history record check. The fingerprints shall be used to identify the individual and to determine whether the individual has a record of criminal history in this state or any other jurisdiction. The chief judge or the chief judge's designee is authorized to submit the fingerprints to the Kansas bureau of investigation and the federal bureau of investigation for a state and national criminal history record check. The chief judge or the chief judge's designee may use the information obtained from fingerprinting and the criminal history record check for purposes of verifying the identification of the individual and for making an official determination of the qualifications for authorization in the judicial district. Disclosure or use of any information received by the chief judge or the chief judge's designee for any purpose other than the purposes provided for in this paragraph shall be a class A nonperson misdemeanor. The Kansas bureau of investigation may charge a reasonable fee for conducting a criminal history record check, and the individual seeking initial or continued authorization under this section shall pay the costs of fingerprinting and the state and national criminal history record check.

(c) A property surety authorized to act as a surety in a judicial district pursuant to subsection (b) shall be allowed outstanding appearance bonds in the state of Kansas not to exceed an aggregate amount that is 15 times the valuation of the property described in subsection (b)(3). Such property surety shall not write any single appearance bond that exceeds 35% of the total valuation of the property described in subsection (b)(3).

(d) (1) A compensated surety shall:

(A) Charge a minimum appearance bond premium of 10% of the face amount of the appearance bond;

(B) only post a bond after the compensated surety has received at least $\frac{1}{2}$ of the required minimum appearance bond premium in one of the following forms:

(i) Currency of the United States paid to the compensated surety prior to the execution of an appearance bond;

(ii) a check delivered to a compensated surety that shall be properly payable when delivered and promptly deposited in the compensated surety's bank account;

(iii) a credit or debit card transaction if the compensated surety obtains authorization from the card issuer for the amount due and an approval number from the card issuer; or

(iv) a bank or wire transfer or other electronic funds transfer including, but not limited to, peer-to-peer transfer, if such transfer occurs prior to the execution of the appearance bond; and

(C) be physically present when the bond is posted and sign the bond at the jail.

(2) A compensated surety shall enter into a premium financing agreement for any unpaid minimum appearance bond premium amount. A compensated surety shall not provide a loan for the portion of the minimum appearance bond premium required by subsection (d)(1)(B). A compensated surety shall not be an owner, in whole or in part, or in any way affiliated with any financial institution making loans for the portion of the minimum appearance bond premium required by subsection (d)(1)(B).

(e) (1) Each judicial district may, by local rule, require additional information from any compensated surety and establish what property is acceptable for bonding purposes under subsection (b)(3).

(2) A judicial district shall not require any compensated surety to apply for authorization in such judicial district more than once per year, but may require additional reporting from any compensated surety in its discretion. If the judicial district does not require an annual application, each compensated surety or bail agent shall provide a certificate of continuing education compliance in accordance with subsection (g) to the judicial district each year.

(3) A judicial district shall not decline authorization for a compensated surety solely on the basis of type of compensated surety.

(f) (1) Nothing in this section shall be construed to require the chief judge of the judicial district, or the chief judge's designee, to authorize any compensated surety to act as a surety in such judicial district if the judge or designee finds, in such person's discretion, that such authorization is not warranted.

(2) (A) If such authorization is granted, the chief judge of the judicial district, or the chief judge's designee, may terminate or suspend the authorization at any time. Reasons for terminating or suspending such authorization include, but are not limited to:

- (i) Filing false statements with the court;
- (ii) failing to charge the minimum appearance bond premium as required by this section;
- (iii) paying a fee or rebate or giving or promising anything of value to a jailer, law enforcement officer, any person who has the power to arrest or hold a person in custody or any public official or employee in order to secure a settlement, compromise, remission or reduction of the amount of any appearance bond, forfeiture or estreatment, or to secure or delay an appearance bond;
- (iv) paying a fee or rebate or giving or promising anything of value, other than reward payments for information relating to the apprehension of fugitives, to an inmate in exchange for a business referral;
- (v) requiring or accepting anything of value from a principal other than the appearance bond premium, except that the compensated surety may accept collateral security or other indemnity to secure the face amount of the bond;
- (vi) intentionally failing to promptly return collateral security to the principal when the principal is entitled to return of such security;
- (vii) knowingly employing or otherwise compensating for any appearance bond related work, any person who has been convicted of a felony unless such conviction has been expunged, other than reward payments for information relating to the apprehension of fugitives; or
- (viii) failing to pay any forfeiture judgment within 30 days of the filing of the journal entry of judgment.

(B) The judge or the judge's designee may investigate claims of violations described in subparagraph (A). If the chief judge makes a finding that a violation has occurred, the chief judge may suspend or terminate the authorization of the compensated surety.

(C) If the authorization is suspended for 30 days or more, the chief judge shall make a record describing the length of the suspension and the underlying cause and provide such record to the surety. Such surety, upon request, shall be entitled to a hearing within 30 days after the suspension is ordered.

(D) If the authorization is terminated, the chief judge shall make a record describing the underlying cause and provide such record to the surety. Such surety, upon request, shall be entitled to a hearing within 30 days after the termination is ordered.

(3) If an authorized compensated surety does not comply with the continuing education requirements in subsection (g), the chief judge of the judicial district, or the chief judge's designee, may allow a conditional authorization to continue acting as a surety for 90 days. If such compensated surety does not comply with the continuing education requirements in subsection (g) within 90 days, such conditional authorization shall be terminated and such compensated surety shall not act as a surety in such judicial district.

(g) (1) Every compensated surety shall obtain at least eight hours of continuing education credits during each 12-month period.

(2) The Kansas bail agents association shall either provide or contract for a minimum of eight hours of continuing education classes to be held at least once annually in each congressional district and may provide additional classes in its discretion. The chief judge in each judicial district may provide a list of topics to be covered during the continuing education classes. A schedule of such classes shall be publicly available. The association shall not charge more than \$300 annually for the eight hours of continuing education classes, and the cost of any class with less than eight hours of continuing education may be prorated accordingly. Any fee charged for attending continuing education classes shall not be increased or decreased based upon a compensated surety's membership or lack of membership in the association.

(3) Upon completion of at least eight hours of continuing education credits during each 12-month period by a compensated surety, the Kansas bail agents association shall issue a certificate of continuing education compliance to such surety. The certificate shall be prepared and delivered to the compensated surety within 30 days of such surety's completion of the continuing education requirements. The certificate shall show in detail the dates and hours of each course attended, along with the signature of the Kansas bail agents association official attesting that all continuing education requirements have been completed.

(4) Any continuing education credits used to comply with conditional authorization pursuant to subsection (f)(3) shall not be applied towards compliance in the current 12-month period or any subsequent 12-month period.";

and amendments thereto, are met.

Such hearing, in the court's discretion, may be conducted in a courtroom, a treatment facility or at some other suitable place. The time fixed in the order shall in no event be earlier than seven days or later than 21 days after the date of the filing of the petition. The court may consolidate this hearing with the trial upon the original petition filed pursuant to K.S.A. 59-3058, 59-3059, 59-3060 or 59-3061, and amendments thereto, or with the trial provided for in the care and treatment act for mentally ill persons or the care and treatment act for persons with an alcohol or substance abuse problem, if the petition also incorporates the allegations required by, and is filed in compliance with, the provisions of either of those acts.

(2) An order requiring that the proposed ward or ward appear at the time and place of the hearing on the petition unless the court makes a finding prior to the hearing that the presence of the proposed ward or ward will be injurious to the person's health or welfare, that the proposed ward's or ward's impairment is such that the person could not meaningfully participate in the proceedings or that the proposed ward or ward has filed with the court a written waiver of such ward's right to appear in person. In any such case, the court shall enter in the record of the proceedings the facts upon which the court has found that the presence of the proposed ward or ward at the hearing should be excused. Notwithstanding the foregoing provisions of this subsection, if the proposed ward or ward files with the court at least one day prior to the date of the hearing a written notice stating the person's desire to be present at the hearing, the court shall order that the person must be present at the hearing.

(3) An order appointing an attorney to represent the proposed ward or ward. The court shall give preference, in the appointment of this attorney, to any attorney who has represented the proposed ward or ward in other matters, if the court has knowledge of that prior representation. The proposed ward, or the ward with the consent of the ward's conservator, if one has been appointed, shall have the right to engage an attorney of the proposed ward's or ward's choice and, in such case, the attorney appointed by the court shall be relieved of all duties by the court. Any such order shall expire immediately after the hearing upon the petition, or as the court may otherwise specify, or upon the discharge of the proposed ward or ward by the head of the treatment facility, if the proposed ward or ward is discharged prior to the time at which the order would otherwise expire.

(3) For good cause shown, an order of continuance of the hearing.

(4) For good cause shown, an order of advancement of the hearing.

(5) For good cause shown, an order changing the place of the hearing.

(e) The hearing on the petition shall be held at the time and place specified in the court's order issued pursuant to subsection (c), unless an order of advancement, continuance or a change of place of the hearing has been issued pursuant to subsection (d). The petitioner and the proposed ward or ward shall each be afforded an opportunity to appear at the hearing, to testify and to present and cross-examine witnesses. If the hearing has been consolidated with a trial being held pursuant to either the care and treatment act for mentally ill persons or the care and treatment act for persons with an alcohol or substance abuse problem, persons not necessary for the conduct of the proceedings may be excluded as provided for in those acts. The hearing shall be conducted in as informal a manner as may be consistent with orderly procedure. The court shall have the authority to receive all relevant and material evidence which may be offered, including the testimony or written report, findings or recommendations of any professional or other person who has examined or evaluated the proposed ward or ward pursuant to any order issued by the court pursuant to subsection (d). Such evidence shall not be privileged for the purpose of this hearing.

(f) Upon completion of the hearing, if the court finds by clear and convincing evidence that the criteria set out in K.S.A. 39-1803, 59-2946(e), 59-29b46(i) or 76-12b03, and amendments thereto, are met, and after a careful consideration of reasonable alternatives to admission of the proposed ward or ward to a treatment facility, the court may enter an order granting such authority to the temporary guardian or guardian as is appropriate, including continuing authority to the guardian to readmit the ward to an appropriate treatment facility as may later become necessary. Any such grant of continuing authority shall expire two years after the date of final discharge of the ward from such a treatment facility if the ward has not had to be readmitted to a treatment facility during that two-year period of time. Thereafter, any such grant of continuing authority may be renewed only after the filing of another petition seeking authority in compliance with the provision of this section.

(g) Nothing herein shall be construed so as to prohibit the head of a treatment facility from admitting a proposed ward or ward to that facility as a voluntary patient if the head of the treatment facility is satisfied that the proposed ward or ward at that time has the capacity to understand such ward's illness and need for treatment, and to consent to such ward's admission and treatment. Upon any such admission, the head of the treatment facility shall give notice to the temporary guardian or guardian as soon as

possible of the ward's admission, and shall provide to the temporary guardian or guardian copies of any consents the proposed ward or ward has given. Thereafter, the temporary guardian or guardian shall timely either seek to obtain proper authority pursuant to this section to admit the proposed ward or ward to a treatment facility and to consent to further care and treatment, or shall otherwise assume responsibility for the care of the proposed ward or ward, consistent with the authority of the temporary guardian or guardian, and may arrange for the discharge from the facility of the proposed ward or ward, unless the head of the treatment facility shall file a petition requesting the involuntary commitment of the proposed ward or ward to that or some other facility.

Any trailer, semitrailer or travel trailer owned by a nonresident of this state and based in another state that is properly registered and licensed in the state of residence of the owner or in the state where based, may be operated in this state without being registered or licensed in this state if the truck or truck tractor propelling the same is properly registered and licensed in this state, or is registered and licensed in some other state and is entitled to reciprocal privileges of operation in this state, but this provision shall not apply to any trailer or semitrailer owned by a nonresident of this state when such trailer or semitrailer is owned by a person who has proportionately registered and licensed a fleet of vehicles under the provisions of K.S.A. 8-1,101 through 8-1,123, and amendments thereto, or under the terms of any reciprocal or proration agreement made pursuant thereto.

At the option of the owner, any trailer, semitrailer or pole trailer, with a gross weight of more than 12,000 pounds, may be issued a multi-year registration for a five-year period upon payment of the appropriate registration fee. The fee for a five-year registration of such trailer shall be five times the annual fee for such trailer. If the annual registration fee is increased during the multi-year registration period, the owner of the trailer with such multi-year registration shall be subject to the amount of the increase of the annual registration fee for the remaining calendar years of such multi-

When the owner of any trailer, semitrailer or pole trailer registered under this multi-year provision transfers or assigns the title, or interest thereto, the registration of such trailer shall expire. The owner shall remove the license plate from such trailer and forward the license plate to the division of vehicles or may have such license plate assigned to another trailer, semitrailer or pole trailer upon the payment of fees required by law. Any owner of a trailer, semitrailer or pole trailer where the multi-year registration fee has been paid and the trailer is sold, junked, repossessed, foreclosed by a mechanic's lien or title transferred by operation of law, and the registration thereon is not going to be transferred to another trailer, may secure a refund for the registration fee for the remaining calendar years by making application to the division of vehicles on a form and in the manner prescribed by the director of vehicles. The secretary of revenue may adopt such rules and regulations necessary to implement the multi-year registration of such trailers, semitrailers and pole trailers.

(c) Any truck or truck tractor having a gross weight of 4,000 pounds or over, using solid tires, shall pay a license fee of double the amount herein charged. The annual fees herein provided for trucks, truck tractors and trailers not subject to K.S.A. 8-134a, and amendments thereto, shall be due January 1 of each year and payable on or before the last day of February in each year. If the fee is not paid by such date a penalty of \$1 shall be added to the fee charged herein for each month or fraction thereof and until December 31 of each registration year. The annual registration fee for all passenger vehicles and vehicles subject to K.S.A. 8-134a, and amendments thereto, shall be due on or before the last day of the month in which the registration plate expires and shall be due for other vehicles as provided by K.S.A. 8-134, and amendments thereto. If the registration fee is not paid by such date a penalty of \$1 shall be added to the fee charged herein for each month or fraction thereof until such registration fee is paid. Members of the armed forces of the United States shall be permitted to apply for registration at any time and be subject to registration fee, less penalties, applicable at the time the application is made. If any motorcycle, motorized bicycle, trailer, semitrailer, travel trailer, or pole trailer is either purchased or acquired after the anniversary or renewal date in any registration year there shall immediately become due and payable a registration fee as follows: If purchased or acquired between the anniversary or renewal date of any registration year and the first six months of such registration year, the annual fee provided herein; if purchased or acquired during the last six months of any registration year, 50% of such annual fee. If any truck or truck tractor, except trucks subject to K.S.A. 8-134a, and amendments thereto, is purchased or acquired prior to April 1 of any year the fee shall be the annual fee provided herein, but if such truck or truck tractor is purchased or acquired after the end of March of any year, the license fee for such year shall be reduced $\frac{1}{12}$ for each calendar month which has elapsed since the beginning of the year. If any truck registered for a gross weight of 12,000 pounds or less or passenger vehicle is purchased or acquired and less than 12 months remain in the registration period, the fee shall be $\frac{1}{12}$ of the annual fee for each calendar month remaining in the registration period.

has remained unpaid after it became due and payable; and in addition thereto shall be subject to such other punishment as is provided in this act. Upon the transfer of motorcycles, motorized bicycles, passenger vehicles, trailers, semitrailers, trucks or truck tractors, on which registration fees have been paid for the year in which the transfer is made, either: (1) To a corporation by one or more persons, solely in exchange for stock or securities in such corporation; or (2) by one corporation to another corporation when all of the assets of such corporation are transferred to the other corporation, then in either case, paragraph (1) or (2) the corporation shall be exempt from the payment of registration fees on such vehicles for the year in which such transfer is made. Applications for transfer or registration shall be accompanied by a fee of \$1.50. When the registration of a vehicle has expired at midnight on the last day of any registration year, and such vehicle is not thereafter operated upon the highways, any application for renewal of registration made subsequent to the anniversary or renewal date of any registration year following the expiration of such registration and for succeeding registration years in which such vehicle has not been registered shall be accompanied by an affidavit of nonoperation and nonuse, and such application for renewal or registration shall be received by the division of vehicles upon payment of the proper fees for the current registration year and without penalty.

(e) Any nonresident of Kansas purchasing a vehicle from a Kansas resident and desiring to secure registration on the vehicle in the state of such person's residence may make application in the office of any county treasurer for a sixty-day temporary registration. The county treasurer upon presentation of evidence of ownership in the applicant and evidence the sales tax has been paid, if due, shall charge and collect a fee of \$3 for each sixty-day temporary license and issue a sticker or paper registration as may be determined by the director of vehicles, and the registration so issued shall be valid for a period of 60 days from the date of issuance.

(f) Any owner of any motor vehicle that is subject to taxation under the provisions of article 51 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or any other truck or truck tractor where the annual registration fee has been paid and the vehicle is sold, junked, repossessed, foreclosed by a mechanic's lien or title transferred by operation of law, and the registration thereon is not going to be transferred to another vehicle may secure a refund for the registration fee for the remaining portion of the year by making application to the division of vehicles on a form and in the manner prescribed by the director of vehicles, accompanied by all license plates and attachments issued in connection therewith. If the owner of the registration becomes deceased and the vehicle is not going to be used on the highway, and title is not being currently transferred, the proper representative of the estate shall be entitled to the refund. The refund shall be made only for the period of time remaining in the registration year from the date of completion and filing of the application with and delivery of the license plate and attachments to the division of vehicles. Where the registration is secured under a quarterly payment annual registration fee, as provided for in K.S.A. 8-143a, and amendments thereto, such refund shall be made on the quarterly fee paid and unused and all remaining quarterly payments shall be canceled. Any truck or truck tractor having the registration fee paid on quarterly payment basis, all quarterly payments due or a fraction of quarterly payment due shall be paid before title may be transferred, except that in case of death, the filing of the application and returning of the license plate and attachment shall cancel the remaining annual payments due. Whenever

a truck or truck tractor, where the registration is secured on a quarterly payment of the annual registration, the one repossessing the truck or truck tractor, or foreclosing by a mechanic's lien, or securing title by court order, the mortgagor or the assigns of the mortgagor, or the one securing title may pay the balance due on date of application for title, but the payments for the remaining portion of the year shall not be canceled unless application is made and the license plate and attachments are surrendered. Nothing in this subsection shall apply when registration is secured under the provisions of K.S.A. 8-1,101 through 8-1,123, and amendments thereto. Notwithstanding any of the foregoing provisions of this section, no refund shall be made under the provisions of this section where the amount thereof does not exceed \$5. The division of vehicles shall furnish such blank forms as may be required under the provisions of this subsection as it deems necessary to be completed by the applicant. Whenever a registration which has been secured on a quarterly basis shall be canceled as provided in this subsection, the division of vehicles shall notify the county treasurer issuing the original registration of such cancellation so that the county treasurer may, and the county treasurer shall cancel the registration of such vehicle in the county treasurer's office and release any lien issued in connection with such registration.

(g) Every owner of a travel trailer designed for or intended to be moved upon any highway in this state shall, before the same is so moved, apply for and obtain the proper registration thereof as provided in this act, except when such unit is permitted to be moved under the special provisions relating to secured parties, manufacturers, dealers and nonresidents contained in this act. At the time of registering any travel trailer for the purpose of moving any such vehicle upon any highway in this state, the owner thereof shall indicate on the registration form whether or not such vehicle is being moved permanently to a location outside of the county in which such vehicle is being registered. No such vehicle which the owner thereof intends to move to a permanent location outside the boundaries of such county shall be registered for movement on the highways of this state until all taxes levied against such vehicle have been paid. A copy of such registration form shall be sent to the county clerk or assessor of the county to which such vehicle is being moved. "New Sec. 12. (a) The commissioner is hereby authorized to select and announce the version of insurance calculations, instructions promulgated by the NAIC or other documents required by the NAIC that shall be in effect for the next calendar year. Not later than December 1 of each year, the commissioner shall cause such announcement to be published in the Kansas register.

(b) Calculations and instructions include, but are not limited to, risk-based capital instructions, as used in K.S.A. 40-2c01, and amendments thereto, risk-based capital

managed care instructions, as used in K.S.A. 40-2d01, and amendments thereto, and group capital calculation instructions, as used in K.S.A. 40-3302, and amendments thereto.

Sec. 13. K.S.A. 40-112 is hereby amended to read as follows: 40-112. (a) For the purpose of maintaining the insurance department and the payment of expenses incident thereto, there is hereby established the insurance department service regulation fund in the state treasury, which shall be administered by the commissioner of insurance. All expenditures from the insurance department service regulation fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the commissioner of insurance or by a person or persons designated by the commissioner.

(b) ~~On and after the effective date of this act January 1, 2026, all fees received by the commissioner of insurance pursuant to any statute and 1% of taxes received pursuant to K.S.A. 40-252, and amendments thereto, shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the insurance department service regulation fund.~~

(c) Except as otherwise provided by this section, the commissioner of insurance shall make an annual assessment on each group of affiliated insurers whose certificates of authority to do business in this state are in good standing at the time of the assessment. The total amount of all such assessments for a fiscal year shall be equal to the amount sufficient ~~which that~~, when combined with the total amount to be credited to the insurance department service regulation fund pursuant to subsection (b) is equal to the amount approved by the legislature to fund the insurance company regulation program. With respect to each group of affiliated insurers, such assessment shall be in proportion to the amount of total assets of the group of affiliated insurers as reported to the commissioner of insurance pursuant to K.S.A. 40-225, and amendments thereto, for the immediately preceding calendar year, shall not be less than \$500 and shall not be more than the amount equal to .0000015 of the amount of total assets of the group of affiliated insurers or \$25,000, whichever is less. The total assessment for any fiscal year shall not increase by any amount greater than 15% of the total budget approved by the legislature to fund the insurance company regulation program for the fiscal year immediately preceding the fiscal year for which the assessment is made. In the event the total amount of the assessment would be less than the aggregate amount resulting by assessing the \$500 minimum on each insurer, the commissioner may establish a lower minimum to be assessed equally on each insurer.

(d) If, by the laws of any state other than Kansas or by the retaliatory laws of any state other than Kansas, any insurer domiciled in Kansas shall be required to pay any fee or tax in such other state of licensure, and the fee or tax is due and payable either because the insurance department service regulation fee imposed by this section on insurers licensed in Kansas and organized or domiciled in such other state is greater than the comparable fee or tax assessed in such other state, or such other state has no comparable fee or tax but requires payment on a retaliatory basis, then to the extent such fee or tax amounts are legally due and are paid in such other state, any insurer domiciled in Kansas may claim a dollar-for-dollar credit for such fees paid against insurer's annual premium taxes due the state of Kansas under K.S.A. 40-252, and

amendments thereto, or privilege fee due the state of Kansas under K.S.A. 40-3213, and amendments thereto, but such credit shall only be calculated on the amount ~~which that~~ would not have been required to be paid in such other state of licensure in the absence of the existence of the insurance department service regulation fee imposed by this section, and in no event shall the credit permitted by this section exceed 90% of the insurer's annual premium tax or privilege fee due the state of Kansas. The insurance commissioner shall prescribe the forms for reporting such credits.

(e) Assessments payable under this section shall be past due if not paid to the insurance department within 45 days of the billing date of such assessment. A penalty equal to 10% of the amount assessed shall be imposed upon any past due payment and the total amount of the assessment and penalty shall bear interest at the rate of 1.5% per month or any portion thereof.

(f) When there exists in the insurance department service regulation fund a deficiency ~~which that~~ would render such fund temporarily insufficient during any fiscal year to meet the insurance department's funding requirements, the commissioner of insurance shall certify the amount of the insufficiency. Upon receipt of any such certification, the director of accounts and reports shall transfer an amount of moneys equal to the amount so certified from the state general fund to the insurance department service regulation fund. On June 30 of any fiscal year during which an amount or amounts are certified and transferred under this subsection, the director of accounts and reports shall provide for the repayment of the amounts so transferred and shall transfer the amount equal to the total of all such amounts transferred during the fiscal year from the insurance department service regulation fund to the state general fund.

(g) Any unexpended balance in the insurance department service regulation fund at the close of a fiscal year shall remain credited to the insurance department service regulation fund for use in the succeeding fiscal year and shall be used to reduce future assessments or to accommodate cash flow demands on the fund.

(h) The commissioner of insurance shall exempt the assessment of any insurer ~~which that~~, as of December 31 of the calendar year preceding the assessment, has a surplus of less than two times the minimum amount of surplus required for a certificate of authority on and after May 1, 1994, and ~~which~~ is subject to the premium tax or privilege fee liability imposed on insurers organized under the laws of this state. The commissioner of insurance may also exempt or defer, in whole or in part, the assessment of any other insurer if, in the opinion of the commissioner of insurance, immediate payment of the total assessment would be detrimental to the solvency of the insurer.

(i) As used in this section:

(1) "Affiliates" or "affiliated" has the meaning ascribed by K.S.A. 40-3302, and amendments thereto;

(2) "group" or "group of affiliated insurers" means the affiliated insurers of a group and also includes an individual, unaffiliated insurer; and

For the purposes of this subsection, an insurer is not considered to be authorized, admitted or eligible to engage in the business of insurance only in this state if the insurer directly or indirectly writes or assumes insurance in any other manner in another state~~ (A) Except as provided hereunder, the ultimate controlling person of every insurer subject to registration shall concurrently file with the registration an annual group capital calculation as directed by the lead state commissioner. United States insurance groups that operate in that jurisdiction.

(B) Notwithstanding the provisions of K.S.A. 40-3305, and amendments thereto, a lead state commissioner shall require the group capital calculation for the United States operations of any non-United States based insurance holding company system if, after any necessary consultation with other supervisors or officials, it is deemed appropriate by the lead state commissioner for prudential oversight and solvency monitoring purposes or for ensuring the competitiveness of the insurance marketplace.

(C) Notwithstanding the exemptions from filing the group capital calculation stated in K.S.A. 40-3305, and amendments thereto, the lead state commissioner has the discretion to exempt the ultimate controlling person from filing the annual group capital calculation or to accept a limited group capital filing or report in accordance with criteria specified by the commissioner in regulation.

Any change to the NAIC liquidity stress test framework or to the data year for which the scope criteria are to be measured shall be effective on January 1 of the year following the calendar year in which such changes are adopted. Insurers meeting at least one threshold of the scope criteria are considered scoped into the NAIC liquidity stress test framework for the specified data year, unless the lead state insurance commissioner, in consultation with the NAIC financial stability task force or its successor, determines that such insurer should not be scoped into the framework for that data year. Similarly, insurers that do not trigger at least one threshold of the scope criteria are considered scoped out of the NAIC liquidity stress test framework for the specified data year, unless the lead state insurance commissioner, in consultation with the NAIC financial stability task force or its successor, determines that the insurer should be scoped into the framework for that data year.

(ii) The lead state insurance commissioner, in consultation with the financial stability task force or its successor, shall assess the concerns of regulators that wish to avoid having insurers scoped in and out of the NAIC liquidity stress test framework on a frequent basis as part of the determination for an insurer.

- (6) the insurer's surplus as regards policyholders following any transactions, dividends or distributions to shareholder affiliates shall be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.

(b) (1) If an insurer subject to this act is deemed by the commissioner of insurance to be in a hazardous financial condition as defined by K.S.A. 40-222d, and amendments thereto, or a condition that would be grounds for supervision, conservation or a delinquency proceeding, then the commissioner may require the insurer to secure and maintain either a deposit, held by the commissioner, or a bond, as determined by the insurer at the insurer's discretion, for the protection of the insurer for the duration of the contract or agreement or the existence of the condition for which the commissioner required the deposit or the bond.

(2) In determining whether a deposit or a bond is required, the commissioner shall consider whether concerns exist with respect to the affiliated person's ability to fulfill the contract or agreement if the insurer were to be put into liquidation. Once the insurer is deemed to be in a hazardous financial condition or a condition that would be grounds for supervision, conservation or a delinquency proceeding and a deposit or bond is necessary, the commissioner shall have the discretion to determine the amount of the deposit or bond, not to exceed the value of the contract or agreement in any one year, and whether such deposit or bond should be required for a single contract, multiple contracts or a contract only with a specific person;

(c) All records and data of the insurer held by an affiliate are and shall remain the property of the insurer, are subject to control of the insurer, are identifiable and are segregated or readily capable of segregation, at no additional cost to the insurer from all other persons' records and data. All records and data that are otherwise the property of the insurer, in whatever form maintained, including, but not limited to, claims and claim files, policyholder lists, application files, litigation files, premium records, rate books, underwriting manuals, personnel records, financial records or similar records within the possession, custody or control of the affiliate shall remain the property of the insurer. At the request of the insurer, the affiliate shall provide that the receiver may obtain a complete set of all records of any type that pertain to the insurer's business, obtain

access to the operating systems upon which the data is maintained, obtain the software that runs those systems either through assumption of licensing agreements or otherwise and restrict the use of the data by the affiliate if it is not operating the insurer's business. The affiliate shall provide a waiver of any landlord lien or other encumbrance to provide the insurer with access to all records and data in the event of the affiliate's default under a lease or other agreement; and

(d) Premiums or other funds belonging to the insurer that are collected or held by an affiliate shall be deemed the exclusive property of and subject to the control of such insurer. Any right of offset in the event that an insurer is placed into receivership shall be subject to K.S.A. 40-3605 et seq., and amendments thereto.

~~(b)(c)~~ The following transactions involving a domestic insurer and any person in such insurer's insurance holding company system, including amendments or modifications of affiliate agreements previously filed pursuant to this section, may not be entered into unless the insurer has notified the commissioner of insurance in writing of such insurer's intention to enter into such transaction at least 30 days prior thereto, or such shorter period as the commissioner of insurance may permit, and the commissioner of insurance has not disapproved such transaction within such period.

(1) Sales, purchases, exchanges, loans or extensions of credit, guarantees or investments provided such transactions are equal to or exceed:

(A) With respect to nonlife insurers, the lesser of 3% of the insurer's admitted assets or 25% of surplus as regards policyholders; or

(B) with respect to life insurers, 3% of the insurer's admitted assets, each as of December 31 immediately preceding.

(2) Loans or extensions of credit to any person who is not an affiliate, ~~where if~~ the insurer makes such loans or extensions of credit with the agreement or understanding that the proceeds of such transactions, in whole or in substantial part, are to be used to make loans or extensions of credit to, purchase assets of, or make investments in; any affiliate of the insurer making such loans or extensions of credit ~~provided if~~ such transactions are equal to or exceed:

(A) With respect to nonlife insurers, the lesser of 3% of the insurer's admitted assets or 25% of surplus as regards policyholders;

(B) with respect to life insurers, 3% of the insurer's admitted assets, each as of December 31 immediately preceding.

(3) Reinsurance agreements or modifications thereto, including:

(A) All reinsurance pooling agreements; and

(B) agreements in which the reinsurance premium or a change in the insurer's liabilities, or the projected reinsurance premium or a projected change in the insurer's liabilities in any of the next three consecutive years equals or exceeds 5% of the insurer's surplus as regards policyholders, as of December 31 immediately preceding, including those agreements ~~which that~~ may require as consideration the transfer of assets from an insurer to a nonaffiliate, if an agreement or understanding exists between the insurer and nonaffiliate that any portion of such assets will be transferred to one or more affiliates of the insurer;

(4) all management agreements, service contracts, tax allocation agreements and all cost-sharing arrangements; and

(5) any material transactions, specified by rules and regulations, ~~which that~~ the commissioner of insurance determines may adversely affect the interests of an insurer's

policyholders.

Nothing ~~herein~~ contained in this subsection shall be deemed to authorize or permit any transactions ~~which, that~~ in the case of an insurer not a member of the same insurance holding company system, would be otherwise contrary to law.

~~(e)(f)~~ A domestic insurer ~~may shall~~ not enter into transactions ~~which that~~ are part of a plan or series of like transactions with persons within the insurance holding company system if the purpose of those separate transactions is to avoid the threshold amount required under this section and thus avoid the review that would occur otherwise. If the commissioner of insurance determines that such separate transactions were entered into over any 12-month period for such purpose, the commissioner of insurance may exercise authority under K.S.A. 40-3311, and amendments thereto.

~~(e)(g)~~ The commissioner of insurance, in reviewing transactions pursuant to subsection ~~(b)(e)~~, shall consider whether the transactions comply with the standards set forth in subsection (a), and whether such transactions may adversely affect the interests of policyholders.

~~(e)(h)~~ The commissioner of insurance shall be notified within 30 days of any investment of the domestic insurer in any one corporation if the total investment in such corporation by the insurance holding company system exceeds 10% of such corporation's voting securities.

~~(e)(i)~~ A transaction subject to approval by the commissioner of insurance pursuant to K.S.A. 40-3304, and amendments thereto, shall not be subject to the requirements of this section.

~~(e)(j)~~ (1) No insurer subject to registration under K.S.A. 40-3305, and amendments thereto, shall pay any extraordinary dividend or make any other extraordinary distribution to such insurer's shareholders until:

(A) 30 days after the commissioner of insurance has received notice of the declaration thereof and has not within such period disapproved such payment; or

(B) the commissioner of insurance has approved such payment within such 30-day period.

(2) (A) For purposes of this section, an extraordinary dividend or distribution includes any dividend or distribution of cash or other property, the fair market value of which, together with that of other dividends or distributions made within the preceding 12 months, exceeds the greater of:

(i) 10% of such insurer's surplus as regards policyholders as of December 31 immediately preceding; or

(ii) the net gain from operations of such insurer, if such insurer is a life insurer, or the net income, if such insurer is not a life insurer, not including realized capital gains for the 12-month period ending December 31 ~~immediately next~~ preceding, but shall not include pro rata distributions of any class of the insurer's own securities.

(B) In determining whether a dividend or distribution is extraordinary, an insurer, other than a life insurer, may carry forward net income from the previous two calendar years that has not already been paid out as dividends. ~~This carry-forward carryforward~~ shall be computed by taking the net income from the second and third preceding calendar years, not including realized capital gains, less dividends paid in the second and immediately preceding calendar years.

(C) An extraordinary dividend or distribution shall also include any dividend or distribution made or paid out of any funds other than earned surplus arising from the

insurer's business, as defined in K.S.A. 40-233, and amendments thereto. The provisions of K.S.A. 40-233, and amendments thereto, shall not be construed so as to prohibit an insurer, subject to registration under K.S.A. 40-3305, and amendments thereto, from making or paying an extraordinary dividend or distribution in accordance with this section.

(3) Notwithstanding any other provisions of law, an insurer may declare an extraordinary dividend or distribution ~~which that~~ is conditional upon the approval of the commissioner of insurance. No declaration shall confer any rights upon shareholders until:

(A) The commissioner of insurance has approved the payment of such dividend or distribution; or

(B) the commissioner of insurance has not disapproved such payment within the 30-day period referred to above.

~~(h)(k)~~ (1) Notwithstanding the control of a domestic insurer by any person, the officers and directors of the insurer shall not thereby be relieved of any obligation or liability to which they would otherwise be subject by law, and the insurer shall be managed so as to assure its separate operating identity consistent with this act.

(2) Nothing herein shall preclude a domestic insurer from having or sharing a common management or cooperative or joint use of personnel, property or services with one or more other persons under arrangements meeting the standards of K.S.A. 40-3306, and amendments thereto.

(i) For purposes of this act, in determining whether an insurer's surplus as regards policyholders is reasonable in relation to the insurer's outstanding liabilities and adequate to such insurer's financial needs, the following factors, among others, shall be considered:

(1) The size of the insurer as measured by such insurer's assets, capital and surplus, reserves, premium writings, insurance in force and other appropriate criteria;

(2) the extent to which the insurer's business is diversified among the several lines of insurance;

(3) the number and size of risks insured in each line of business;

(4) the extent of the geographical dispersion of the insurer's insured risks;

(5) the nature and extent of the insurer's reinsurance program;

(7) the recent past and projected future trend in the size and performance of the insurer's surplus as regards policyholders;

(8) the surplus as regards policyholders maintained by other comparable insurers;

(9) the adequacy of the insurer's reserves;

(10) the quality and liquidity of investments in affiliates. The commissioner of insurance may treat any such investment as a disallowed asset for purposes of determining the adequacy of surplus as regards policyholders whenever in the judgment of the commissioner of insurance such investment so warrants; and

(11) the quality of the insurer's earnings and the extent to which the reported earnings include extraordinary items.

Sec. 22. K.S.A. 40-3307 is hereby amended to read as follows: 40-3307. (b) (1) The commissioner of insurance may order any insurer registered under K.S.A. 40-3305, and amendments thereto, to produce such records, books or other information in the possession of the insurer or its affiliates as are reasonably necessary to determine compliance with this act.

(2) To determine compliance with this act, the commissioner of insurance may order any insurer registered under K.S.A. 40-3305, and amendments thereto, to produce information not in the possession of the insurer, if the insurer can obtain access to such information pursuant to contractual relationships, statutory obligations or another method. In the event that the insurer cannot obtain the information requested by the commissioner of insurance, the insurer shall provide the commissioner of insurance a detailed explanation of the reason that the insurer cannot obtain the information and the identity of the holder of information. Whenever it appears to the commissioner of insurance that the detailed explanation is without merit, the commissioner of insurance may require, after notice and hearing, the insurer to pay a penalty of not more than \$1,000 for each day's delay; or may suspend or revoke the license of the insurer.

(c) The commissioner of insurance may retain at the registered insurer's expense such attorneys, actuaries, accountants and other experts not otherwise a part of the staff of the commissioner of insurance as the commissioner of insurance shall determine to be reasonably necessary to assist in the conduct of the examination under subsection (a). Any persons so retained shall be under the direction and control of the commissioner of insurance and shall act in a purely advisory capacity.

(d) Each registered insurer producing examination records, books and papers pursuant to subsection (a) shall be liable for and shall pay the expense of such examination in accordance with K.S.A. 40-223 and ~~K.S.A.~~ 40-253, and amendments thereto.

(e) The commissioner of insurance shall have the power to issue subpoenas, administer oaths and examine under oath any person for purposes of determining compliance with this section. Upon the failure or refusal of any person to obey a subpoena, the commissioner of insurance may petition a court of competent jurisdiction, and upon proper showing, the court may enter an order compelling the witness to appear and testify or produce documentary evidence. Failure to obey the court order shall be punishable as contempt of court. Every person subpoenaed shall be obliged to attend as a witness at the place specified in the subpoena, when subpoenaed, anywhere within the state. Such subpoenaed person shall be entitled to the same fees and mileage, if claimed, as a witness in K.S.A. 28-125, and amendments thereto. Fees, mileage and actual expense, if any, necessarily incurred in securing the attendance and testimony of witnesses shall be itemized, charged against and paid by the company being examined.

Sec. 23. K.S.A. 40-3308 is hereby amended to read as follows: 40-3308. (a) Documents, materials or other information obtained by or disclosed to the commissioner of insurance or any other person in the course of an examination or investigation made pursuant to K.S.A. 40-3307, and amendments thereto, and all

In making such determination, the commissioner of insurance also shall take into consideration any potential adverse consequences of the disclosure thereof.

(2) For purposes of the information reported and provided to the commissioner pursuant to K.S.A. 40-3304 through 40-3307, and amendments thereto, the commissioner shall maintain the confidentiality of the:
