No hearing shall be granted to an applicant where such applicant's license, registration or certificate is subject to such automatic revocation or suspension, except for the purpose of establishing the fact of revocation or suspension of the applicant's license, registration or certificate by the applicant's state of residence or jurisdiction in which the applicant held a license, registration or certificate.

(h) In the event the licensing body determines that the license, registration or certificate currently held by an applicant under subsection (c)(2) or the work experience or private credential held by an applicant under subsections (e) or (f), who is a military spouse or military servicemember does not authorize a similar scope of practice as the license, registration or certification issued by the licensing body of this state, the licensing body shall issue a temporary permit for a limited period of time to allow the applicant to lawfully practice the applicant's occupation while completing any specific requirements that are required in this state for licensure, registration or certification that were not required in the state, district or territory of the United States in which the applicant was licensed, registered, certified or otherwise credentialed, unless the licensing body finds, based on specific grounds, that issuing a temporary permit would jeopardize the health and safety of the public.

(i) In the event the licensing body determines that the license, registration or certification currently held by an applicant under subsection (c)(2) or the work experience or private credential held by an applicant under subsections (e) or (f), who is not a military spouse or military servicemember, does not authorize a similar scope of practice as the license, registration or certification issued by the licensing body of this

state, the licensing body may issue a temporary permit for a limited period of time to allow the applicant to lawfully practice the applicant's occupation while completing any specific requirements that are required in this state for licensure, registration or certification that was not required in the state, district or territory of the United States in which the applicant was licensed, registered, certified or otherwise credentialed, unless the licensing body finds, based on specific grounds, that issuing a temporary permit would jeopardize the health and safety of the public.

(j) Any testing, continuing education or training requirements administered under subsection (d), (h) or (i) shall be limited to Kansas law that regulates the occupation and that are materially different from or additional to the law of another state, or shall be limited to any materially different or additional body of knowledge or skill required for the occupational license, registration or certification in Kansas.

(k) A licensing body may grant licensure, registration, certification or a temporary permit to any person who meets the requirements under this section but was separated from such military service under less than honorable conditions or with a general discharge under honorable conditions.

(l) Nothing in this section shall be construed to apply in conflict with or in a manner inconsistent with federal law or a multistate compact, or a rule or regulation or a reciprocal or other applicable statutory provision that would allow an applicant to receive a license. Nothing in this section shall be construed as prohibiting a licensing body from denying any application for licensure, registration or certification, or declining to grant a temporary or probationary license, if the licensing body determines that granting the application may jeopardize the health and safety of the public.

(m) Nothing in this section shall be construed to be in conflict with any applicable Kansas statute defining the scope of practice of an occupation. The scope of practice as provided by Kansas law shall apply to applicants under this section.

(n) Notwithstanding any other provision of law, during a state of emergency declared by the legislature, a licensing body may grant a temporary emergency license to practice any profession licensed, certified, registered or regulated by the licensing body to an applicant whose qualifications the licensing body determines to be sufficient to protect health and safety of the public and may prohibit any unlicensed person from practicing any profession licensed, certified, registered or regulated by the licensing body.

(o) Not later than January 1, 2025, licensing bodies shall provide paper-based and verified electronic credentials to persons regulated by the licensing body. A licensing body may prescribe the format or requirements of the electronic credential to be used by the licensing body. Any statutory or regulatory requirement to display, post or produce a credential issued by a licensing body may be satisfied by the proffer of an electronic credential authorized by the licensing body. A licensing body may use a third-party electronic credential system that is not maintained by the licensing body.

(p) On or before January 1, 2025, and subject to appropriations therefore, the secretary of administration shall develop and implement a uniform or singular license verification portal for the purpose of verifying or reporting license statuses such as credentials issued, renewed, revoked or suspended by licensing bodies or that have expired or otherwise changed in status. The secretary of administration may utilize the services or facilities of a third party for the central electronic record system. The central electronic record system shall comply with the requirements adopted by the information

(6) individuals with disabilities employed by each certified business during the previous fiscal year.

(k) When a state agency is receiving bids to purchase passenger motor vehicles, such agency shall follow the procedures prescribed in subsection (c)(2), except in the

case where one of the responsible bidders offers motor vehicles that are assembled in Kansas. In such a case, 3% of the bid of the responsible bidder that offers motor vehicles assembled in Kansas shall be subtracted from the bid amount, and that amount shall be used to determine the lowest bid pursuant to subsection (c)(2). This subsection shall only apply to bids that match the exact motor vehicle specifications of the agency purchasing passenger motor vehicles.

(l) The secretary of administration shall certify that a business meets the requirements for a certified business as defined in subsection (g), and shall recertify such business as having met such requirements every three years thereafter.

Sec. 14. K.S.A. 2024 Supp. 79-4502 is hereby amended to read as follows: 79-4502. As used in this act, unless the context clearly indicates otherwise:

(a) "Income" means the sum of adjusted gross income under the Kansas income tax act effective for tax year 2013 and thereafter without regard to any modifications pursuant to K.S.A. 79-32,117(b)(xx) through (xxiii) and (c)(xx), and amendments thereto, maintenance, support money, cash public assistance and relief, not including any refund granted under this act, the gross amount of any pension or annuity, including all monetary retirement benefits from whatever source derived, including but not limited to, all payments received under the railroad retirement act, except disability payments, payments received under the federal social security act, except that for determination of what constitutes income such amount shall not exceed 50% of any such social security payments and shall not include any social security payments to a claimant who prior to attaining full retirement age had been receiving disability payments under the federal social security act in an amount not to exceed the amount of such disability payments or 50% of any such social security payments, whichever is greater, all dividends and interest from whatever source derived not included in adjusted gross income, workers compensation and the gross amount of "loss of time" insurance. Income does not include gifts from nongovernmental sources or surplus food or other relief in kind supplied by a governmental agency, nor shall net operating losses and net capital losses be considered in the determination of income. Income does not include veterans disability compensation. Income does not include disability payments received under the federal social security act.

(b) "Household" means a claimant, a claimant and spouse who occupy the homestead or a claimant and one or more individuals not related as husband and wife who together occupy a homestead.

(c) "Household income" means all income received by all persons of a household in a calendar year while members of such household.

(d) "Homestead" means the dwelling, or any part thereof, owned and occupied as a residence by the household and so much of the land surrounding it, as defined as a home site for ad valorem tax purposes, and may consist of a part of a multi-dwelling or multi-purpose building and a part of the land upon which it is built or a manufactured home or mobile home and the land upon which it is situated. "Owned" includes a vendee in possession under a land contract, a life tenant, a beneficiary under a trust and one or more joint tenants or tenants in common.

(e) "Claimant" means a person who has filed a claim under the provisions of this act and was, during the entire calendar year preceding the year in which such claim was filed for refund under this act, except as provided in K.S.A. 79-4503, and amendments thereto, both domiciled in this state and was:

- (1) For purposes of a claim under K.S.A. 79-4508, and amendments thereto:
- (A) A person having a disability;
 - (B) a person who is 55 years of age or older;
 - (C) a disabled veteran;
 - (D) the surviving spouse of a deceased member of the armed forces who died in the line of duty during a period of active service; or
 - (E) a person other than a person included under subparagraph (A), (B), (C) or (D) having one or more dependent children under 18 years of age residing at the person's homestead during the calendar year immediately preceding the year in which a claim is filed under this act; or
- (2) for purposes of a claim under K.S.A. 2024 Supp. 79-4508a, and amendments thereto:
- (A) A person who is 65 years of age or older; or
 - (B) a disabled veteran.

The surviving spouse of a disabled veteran who was receiving benefits pursuant to subsection (e)(1)(C) at the time of the veterans' death, shall be eligible to continue to receive benefits until such time the surviving spouse remarries.

When a homestead is occupied by two or more individuals and more than one of the individuals is able to qualify as a claimant, the individuals may determine between them as to whom the claimant will be. If they are unable to agree, the matter shall be referred to the secretary of revenue whose decision shall be final.

(f) "Property taxes accrued" means property taxes, exclusive of special assessments, delinquent interest and charges for service, levied on a claimant's homestead in 1979 or any calendar year thereafter by the state of Kansas and the political and taxing subdivisions of the state. When a homestead is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a member of claimant's household, "property taxes accrued" is that part of property taxes levied on the homestead that reflects the ownership percentage of the claimant's household. For purposes of this act, property taxes are "levied" when the tax roll is delivered to the local treasurer with the treasurer's warrant for collection. When a claimant and household own their homestead part of a calendar year, "property taxes accrued" means only taxes levied on the homestead when both owned and occupied as a homestead by the claimant's household at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the household as its homestead in the year. When a household owns and occupies two or more different homesteads in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the household as its homestead during the year. Whenever a homestead is an integral part of a larger unit such as a multi-purpose or multi-dwelling building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the homestead is of the total value. For the purpose of this act, the word "unit" refers to that parcel of property covered by a single tax statement of which the homestead is a part.

(g) "Disability" means:

(1) Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, and an individual shall be determined to be under a disability only if the

physical or mental impairment or impairments are of such severity that the individual is not only unable to do the individual's previous work but cannot, considering age, education and work experience, engage in any other kind of substantial gainful work which exists in the national economy, regardless of whether such work exists in the immediate area in which the individual lives or whether a specific job vacancy exists for the individual, or whether the individual would be hired if application was made for work. For purposes of the preceding sentence (with respect to any individual), "work which exists in the national economy" means work which exists in significant numbers either in the region where the individual lives or in several regions of the country; for purposes of this subsection, a "physical or mental impairment" is an impairment that results from anatomical, physiological or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques; or

(2) blindness and inability by reason of blindness to engage in substantial gainful activity requiring skills or abilities comparable to those of any gainful activity in which the individual has previously engaged with some regularity and over a substantial period of time.

(h) "Blindness" means central visual acuity of $20/200$ or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for the purpose of this paragraph as having a central visual acuity of $20/200$ or less.

(i) "Disabled veteran" means a person who is a resident of Kansas and who:

(1) Served in the active military, naval, air or space service, including those groups and individuals listed under 38 C.F.R. § 3.7, and who was discharged or released therefrom under an honorable discharge or a general discharge under honorable conditions;

(2) received a disability that was incurred or aggravated in the line of duty in the active military, naval, air or space service, including those groups and individuals listed under 38 C.F.R. § 3.7; and

(3) has a service-connected evaluation percentage equal to or greater than 50%, pursuant to 38 U.S.C. § 1101 et seq. or 10 U.S.C. § 1201 et seq.";

Also on page 8, in line 39, by striking "K.S.A. 65-6121 and 65-6149a and"; also in line 39, by striking "65-"; in line 40, by striking all before "are" and inserting "8-160, 8-1,221, 8-243, 8-1324, 32-934, 48-3406, 48-3601, 50-676, 73-201, 73-230, 73-1239, 73-1244, 75-3740 and 79-4502";

And by renumbering sections accordingly;

On page 1, in the title, in line 1, by striking all after "concerning"; by striking all in lines 2 through 9; in line 10, by striking all before the semicolon and inserting "veterans and military; modifying the definition of veteran and disabled veteran; adding a citation to the code of federal regulations to definitions of veteran and disabled veteran; removing the active requirement from military servicemembers for occupational licensure"; in line 11, by striking all before the second "K.S.A."; also in line 11, by striking all after "Supp."; in line 12, by striking all before the second "and" and inserting "8-160, 8-1,221, 8-243, 8-1324, 32-934, 48-3406, 48-3601, 50-676, 73-201, 73-230, 73-1239, 73-1244, 75-3740 and 79-4502";

Journal of the House

FIFTY-FIRST DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Thursday, April 10, 2025, 9:00 a.m.

The House met pursuant to adjournment with Speaker pro tempore Carpenter in the chair.

The roll was called with 125 members present.
Excused later: Rep. Alcala.

Prayer by Chaplain Holmes:

Dear Father.

We are about to finish up our work for this Session.

I thank You for the leadership which has led and directed this respected body.

Our Speaker, Dan Hawkins has been diligent in giving insightful direction,
especially when difficult decisions had to be made.

Our Majority leader Chris Croft and Minority leader Brandon Woodard
have been consistent as well as diligent in fulfilling their individual responsibilities.

Thank you for men and women who are willing to work,
many times outside their comfort zones, to advance legislation that benefits all.

I also pray Your blessings upon each Representative as they return home.

Your Word challenges us in the 139th division of the Book of Psalms where we read,
“Search me O God, and know my heart; Try me and know my anxious thoughts; and
see if there be any hurtful way in me, and lead me in the way everlasting.”

As we invest the last number of hours in this Session,
might we each search our individual hearts.

Where there are anxious thoughts, allow Your peace to prevail.

If there are areas of hurt or lack of forgiveness for real or perceived transgressions,
give us a spirit of humility,

realizing we are never perfect in any of our extended actions.

I pray for anyone who may continue to harbor ill will toward any of their colleagues.

Peace is Your gift to all who wrestle with differing opinions.

I would be remiss in not asking your blessings upon the wonderful staff
which have given of their time and talents throughout the last number of months.

They have been quietly helpful in ways too numerous to mention.

I ask this in Jesus Name. Amen.

The Pledge of Allegiance was led by Rep. McNorton.

MESSAGE FROM THE GOVERNOR

The following message from the Governor regarding **HB 2027**, which will become law without the governor's signature, was received and read.

"The Legislature passed the so-called HOPE Act in 2015, severely restricting Kansans' ability to access social service programs like SNAP food assistance, TANF cash assistance, and childcare assistance.

"The HOPE Act was wrong then, and it remains wrong now. Legislators are only trying to put lipstick on a pig, and I refuse to associate myself with the HOPE Act. Now, more than ever, the Legislature should look for ways to support working Kansas families rather than further shredding the safety net that gives Kansans a bridge back to self-sufficiency."

MESSAGE FROM THE GOVERNOR

The following message from the Governor regarding **HB 2106**, which will become law without the governor's signature, was received and read.

"I support stopping foreign influence in our elections so that Kansans can decide what's best for Kansas. Federal law already prohibits foreign nationals from contributing to federal, state, or local elections. If the Legislature had crafted something similar for Kansas, I would have signed it. But this bill goes too far. I cannot sign a bill that takes away the ability of Kansans and Kansas businesses to support elections if they accept money from overseas for any purpose, not just those related to elections.

"Forcing Kansans to choose between accepting financial support for any reason or surrendering their voice in the political process is wrong. This bill potentially exposes our state to litigation for its limitations on speech and association, possibly violating First Amendment protections in the U.S. Constitution as well as possible equal protection violations of the 14th Amendment of the U.S. Constitution on account of disparate treatment of the people and businesses in Kansas based on whether they have international operations or support."

MESSAGE FROM THE GOVERNOR

The following message from the Governor regarding **HB 2101**, which will become law without the governor's signature, was received and read.

"I have long been a proponent of local control, allowing local elected officials to make decisions for the communities they live in and were elected to represent. "However, I am concerned that a guaranteed income program would exacerbate the current problem of disproportionately high local property taxes.

"Therefore, I will allow House Bill 2101 to become law without my signature."

MESSAGE FROM THE GOVERNOR

The following message from the Governor regarding **HB 2020**, which will become law without the governor's signature, was received and read.

"While I strongly support processes to ensure that our voter rolls are regularly updated to ensure accuracy and eligibility, I am concerned that this legislation does not specifically address possible conflict between federal and state law with regard to the potential removal of individuals by the secretary of state.

"Specifically, this bill creates a system for regular removal of people on the voter rolls but fails to carve out protections provided under federal law and could disenfranchise eligible voters by not giving them enough time to remedy the issue.

"Given my concerns regarding potential conflicts with federal law, this bill will become law without my signature."

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2033**, AN ACT concerning education; relating to at-risk educational programs; including programs and services provided by nonprofit organizations accredited by the international multisensory structured language education council as approved at-risk educational programs; amending K.S.A. 2024 Supp. 72-5153 and repealing the existing section. was received and read.

"While I believe that we must do everything possible to support at-risk students, this legislation is unnecessary because its goal has already been achieved by the State Board of Education. In February, the Kansas State Board of Education added programs provided by the proponents of this bill to the list of approved at-risk evidence-based programs.

"Additionally, in K.S.A 72-5153, the Legislature has explicitly provided the authority to identify and approve these programs to the State Board of Education. Thus, it is the job of the Board to vet and approve at-risk programs and service providers. If program providers want to serve at-risk students, they should work in partnership with the Board.

“Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2033.”

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2284**, AN ACT concerning the department of administration; relating to the procurement of managed care organizations for the Kansas program of medical assistance; requiring adoption of policies. was received and read.

“The bill, in its original form, contained several helpful provisions that I supported and would have improved transparency and accountability overall. However, as amended, this bill is now unworkable and opens the state up to costly and protracted litigation.

“Additionally, this bill is a dramatic overreach by the Legislature into the role of the Executive branch, which is charged with administering and executing policy. It also overreaches into the Judicial branch by removing the courts from the process entirely and vesting that duty squarely with the Legislature’s ad hoc “appeals committee” — a move that calls into question the very constitutionality of this bill by denying the rights of ‘judicial review’ to those involved.

“However, most alarmingly, this bill creates a haphazard procurement process that does nothing to mitigate conflicts of interest among legislators and creates an environment that is rife for exploitation and graft — exactly the opposite of what the existing process, overseen by the Department of Administration, is designed to do. I am happy to work with the Legislature next year on a clean bill that addresses some of the underlying concerns without creating all the legal, ethical and constitutional challenges of this current version of the bill.

“Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2284.”

The following message with the Governor's objection to **HB 2291**, AN ACT creating the regulatory relief division within the office of the attorney general; establishing the general regulatory sandbox program to waive or suspend administrative rules and regulations for program participants; amending K.S.A. 75-4319 and repealing the existing section. was received and read.

“Although I support the intent of this bill to foster an environment where our businesses can thrive, I have concerns regarding the lawmaking power of the advisory committee established in this legislation. Granting an advisory committee the authority to overrule existing law without proper oversight could lead to problematic decision-making and open the door to special interests doing an end-run around the legislative process.

"Additionally, this bill blocks any transparency in relation to the applications submitted for review which further exacerbates my concerns regarding the role of special interests.

"Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2291."

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2217**, AN ACT concerning the attorney general; relating to the office of the inspector general and the powers, duties and responsibilities thereof; expanding the power of the inspector general to investigate and audit all state cash, food and health assistance programs; amending K.S.A. 75-7427 and repealing the existing section. was received and read.

"It is very unclear what problem, if any, this bill is attempting to solve. Expanding the inspector general's authority to audit and investigate all state cash, food, and health assistance programs is completely redundant, inefficient, and a waste of taxpayer dollars.

"Within the Kansas Department for Children and Families, there already exists a Fraud Investigations Unit that conducts this work with experts who have specific knowledge of how these programs work and what federal and state laws require. This bill also removes statutory protections for participants' data and health privacy.

"It makes no sense from a legal, policy, or fiscal standpoint to make this change.

"Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2217."

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2311**, AN ACT concerning children and minors; relating to the secretary for children and families; prohibiting the secretary from adopting and enforcing policies for placement, custody or appointment of a custodian that may conflict with sincerely held religious or moral beliefs regarding sexual orientation or gender identity; creating a right of action for violations against the secretary for children and families. was received and read.

The top priority of the Kansas Department for Children and Families should be adhering to the "best interest of the child" standard. Legislation like this detracts from this standard and stands in the way of best serving those in the child welfare system.

Children in need of care already face unique and complex challenges. I will not sign legislation that could further complicate their lives.

I also have concerns that this bill could expose the state to frivolous lawsuits and hinder the agency by taking time and resources away from critical services.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2311."

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2028**, AN ACT concerning wildlife; relating to hunting and fishing and hunting and fishing licenses; requiring the Kansas department of wildlife and parks to offer discounted resident senior combination hunting and fishing passes to residents of this state who are 65 years of age or older; increasing the maximum age to qualify for Kansas kids lifetime combination hunting and fishing licenses and removing the expiration date for such licenses; prohibiting nonresidents from hunting migratory waterfowl during certain times and places; increasing fees for migratory waterfowl stamps; amending K.S.A. 32-939 and K.S.A. 2024 Supp. 32-988 and 32-9,101 and repealing the existing sections; reviving and amending K.S.A. 32-9,100 and repealing the revived section; also repealing K.S.A. 32-9,100, as amended by section 64 of chapter 7 of the 2023 Session Laws of Kansas was received and read.

While this bill touches on a variety of hunting and fishing issues, I am particularly concerned with how this bill severely limits non-Kansas residents from hunting waterfowl on public lands. More specifically, this prohibition could have a detrimental impact on the prosperity of our communities and businesses by denying the many positive outcomes from the economic activity generated by non-residents coming into our state for hunting purposes.

I will not support a bill that could harm the economic vitality of rural Kansas communities across the state.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2028.

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2062**, AN ACT concerning children and families; relating to orders of child support; providing for child support for unborn children from the date of conception and including the direct medical and pregnancy-related expenses of the mother; requiring the court to consider the value of retirement accounts when determining support orders; eliminating the exemption and retirement moneys from claims to fulfill child support obligations; providing for an income tax exemption for unborn and stillborn children; amending K.S.A. 20-165, 23-2205, 23-3001 and 23-3002 and K.S.A. 2024 Supp. 60-2308 and 79-32,121 and repealing the existing sections. was received and read.

At first glance, this bill may appear to be a proposal to support pregnant women and families.

However, this bill is yet another attempt by special interest groups and extremist lawmakers to ignore the will of Kansans and insert themselves into the lives of those making private medical decisions. It is a place where this Legislature has become all too comfortable - particularly for those who espouse freedom from government overreach.

The motives behind this bill are clear. Instead of helping pregnant women and families, the Legislature chose to pass a bill that connects the issue to a woman's constitutional rights. This bill is a dismissal of the will of the majority of Kansans who

voted overwhelmingly in 2022 to keep politicians out of the private medical decisions made between a woman and her doctor.

Furthermore, the provisions of this bill are questionable, and it is surprising it has been put forward. There are legitimate worries surrounding its implications, and I encourage special interest groups and their legislative supporters to reflect on the broader impact of their actions.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2062.

THE GOVERNOR'S OFFICE

BY THE GOVERNOR LAURA KELLY
DATED April 9, 2025

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **S Sub for HB 2228**, AN ACT concerning contingent fee contracts for legal services; relating to contracts entered into for legal services by a political subdivision; requiring an open meeting before a political subdivision may approve such a contract; requiring the attorney general to approve such contract before such contract becomes effective. was received and read.

As a strong supporter of local control, I believe that decisions around legal services should be handled by the local elected leaders who are on the ground and best know their communities' needs. I do also believe there are times when the attorney general must work to safeguard the state's interest in issues that cannot be adequately litigated by a local entity on behalf of the entire state.

There should be additional work on this legislation to develop clearer language around the attorney general's engagement. Also, the retroactivity language should be removed to eliminate the perception that this bill is targeted at a specific action rather than sound policy. Until those issues are addressed, I cannot sign this legislation.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Substitute for House Bill 2228.

THE GOVERNOR'S OFFICE

BY THE GOVERNOR LAURA KELLY
DATED April 9, 2025

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **S Sub for HB 2240**, AN ACT concerning public assistance; requiring approval by an act of the legislature prior to any state agency seeking or implementing any public assistance program waiver or other authorization from the federal government that expands eligibility for any public assistance program, increases cost to the state or makes certain changes in services for persons with intellectual or developmental disabilities; authorizing approval of such waivers, other authorizations or changes by the legislative coordinating council when the legislature is not in session. was received and read.

Senate Substitute for House Bill 2240 is an unconstitutional overreach by the Legislature into the executive branch attempting to create an unlawful administration of the state's Medicaid program with the legislative branch.

Our doctrine of independent governmental branches is firmly entrenched in the United States and Kansas constitutional law and significant intrusion by one branch into

the duties of another has been held to be unlawful. There is little question in my mind that this represents such an intrusion.

Additionally, we estimate that the process established in this bill would require hundreds of hours of taxpayer-funded work and research by legislative staff to implement even the most basic of changes. Since the federal government issues various administrative changes almost daily, it jeopardizes the very functioning of the underlying programs.

Thousands of Kansans rely on these programs, including children, pregnant women, individuals with disabilities, and low-income seniors. This bill and the subsequent backlog that it would create threatens food and medical assistance benefits for our most vulnerable Kansans at a time of increased inflation and overall financial uncertainty.

Kansas already has very strict eligibility rules and significant verification requirements for these programs. For these reasons and many more, I cannot and will not support this bill.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Substitute for House Bill 2240.

THE GOVERNOR'S OFFICE

BY THE GOVERNOR LAURA KELLY
DATED April 9, 2025

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **S Sub for HB 2382**, AN ACT concerning education; requiring school districts to include a human fetal development presentation as part of the curriculum for any course that addresses human growth, human development or human sexuality; authorizing the state board of education to establish the rate of compensation for members of the state board; amending K.S.A. 72-253 and repealing the existing section. was received and read.

This bill is convoluted, manipulative, and wrong for a number of reasons.

It undermines the authority of the Kansas State Board of Education and local school boards, who are vested with the duty and responsibility to set and enforce curricula for our schools, no matter the subject.

The Board, teachers, and administrators put in significant effort to create curricula and lesson plans. This legislation undermines their autonomy and replaces the expertise of trained professionals with the desires of special interest groups and the politicians that enable them.

Additionally, this bill fails to establish standards to ensure the information included in the program is evidence-based. But it is not surprising, as the goal of this bill is not to educate developing and impressionable young minds - it is to push a specific agenda without proper research to back it up.

As policy makers and parents, we should demand that our children are provided with highquality, relevant, researched, and age-appropriate educational experiences free from ideological prejudice. House Bill 2382 falls short of that goal. For these reasons, I cannot and will not support this bill.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Substitute for House Bill 2382.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote NO on the motion to override the veto of **HB 2062**. This bill claims to help women seek additional child support, but it has the potential to gut our child support services office in DCF. The Federal Office of Child Support Enforcement provides 66% of the funding for our state child support services. The Federal Government establishes parentage after a live birth occurs. If Kansas changes our process to begin in utero, then we are not in line with federal guidelines. Without the assistance of the Federal Title IV-D program, mothers could be left on their own to seek child support orders without the support that currently exists. I vote NO. – JO ELLA HOYE

MR. SPEAKER: I vote NO on **HB 2062**. Article 2, Section 16 of the Kansas Constitution states that no bill shall have more than one subject. This bill covers both child support and tax breaks, and I cannot support something that is unconstitutional. Thank you. – STEPHANIE SAWYER CLAYTON

MR. SPEAKER: I proudly vote YES to override the Governor's veto of **HB 2062**. Whatever happened to meeting in the middle? Why the vociferous attacks on a simple bill that merely states the biologically obvious? The opponents of this bill are insincere. On the one hand they said the effect of **HB 2062** is already in statute, but on the other they state this bill is a threat to society and the constitution. I see this measure as one with real merit for both the future mothers and children of Kansas. I am voting in their best interest by voting Yes. – PAUL WAGGONER

MR. SPEAKER: This bill purports to address the financial burdens of pregnancy and parenthood, but in reality, it creates more confusion than it actually helps. There are proven, meaningful ways to support women and families: we could expand the child tax exemption, create a child tax credit, expand Medicaid, increase food and childcare assistance and access to affordable housing. The real goal of this bill is to further codify fetal personhood and advance an anti-abortion agenda. Therefore, I vote NO and stand with the Governor's veto of **HB 2062** and with Kansans who voted to keep our government out of their private healthcare decisions. – LINDSAY VAUGHN, TOBIAS SCHLINIGENSIEPEN

MR. SPEAKER: I vote no on the motion to override **HB 2062**. First and foremost, 66% - representing every single precinct — of voters in my district said they wanted to be in charge of their own healthcare decisions in 2022. I cannot count the number of constituents who shared their concerns about being able to save their wife's/their friend's/their neighbor's life in the event of a pregnancy emergency. Child support for pregnancy expenses is already law. We do not need to endanger pregnant people's lives nor threaten their ability to have a family to help our fellow Kansans— LINDA FEATHERSTON

EXPLANATION OF VOTE

MR. SPEAKER: I vote NO on the motion to override the veto of **HB 2382**. The Kansas Constitution grants curriculum authority to the Kansas State Board of Education. This is another attempt by the legislature to overreach our authority by mandating curriculum. This mandate seems especially inappropriate, because it will force school districts to show students a video or high-definition ultrasound of human embryological development starting in Kindergarten every year until graduation. Gestation, fertilization, womb, sperm, implant, uterus, embryo, fetus, quickening — maybe this is appropriate for Kindergarteners, maybe not. We should leave that decision to the State Board, local school districts, educators, and parents. — JO ELLA HOYE

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote NO on the motion to override the veto of **HB 2311**. The Department for Children and Families adheres to the "best interest of the child" standard. It is wrong to keep children in homes where they are not accepted or are in some way being pressured to change their sexual orientation. This bill allows families to sue DCF for actual damages and injunctive relief. I have great concerns that a family could pursue injunctive relief that includes the return of a child to that home. There is no reason to give an adult this kind of power over a child when it just wasn't the right fit. — JO ELLA HOYE, LINDSAY VAUGHN, RUI XU

MR. SPEAKER: I vote YES to override the Governor on **HB 2311**. The idea that politicians control DCF's ability to act in the best interests of children is a clear violation of our scope of government — politicians don't decide placement. **HB 2311** will ensure that all youth live with compatible families. We have an opportunity to protect available and qualified family-based foster homes who are qualified and willing to help, and no family should be discriminated against based on values that are shared in and out of religious groups. This bill will help achieve timely legal placement for foster children by increasing the number of foster families — a clear win for Kansas. — ANGEL ROESER, PATRICK PENN

MESSAGE FROM THE GOVERNOR

The following message from the Governor regarding **S Sub for HB 2056**, which will become law without the governor's signature, was received and read.

MESSAGE FROM THE GOVERNOR

REGARDING SENATE SUB FOR HOUSE BILL 2056

While this bill cleans up some of the ambiguity and uncertainty regarding the crime of impersonating an election official, it is still unclear about what actions are prohibited. It uses the term "engaging in conduct" but only provides one specific example, making it still difficult to discern what is allowed and what could lead to criminal charges.

Kansans should be given every opportunity to exercise their constitutional right to vote, and I have concerns this bill would have a chilling effect on organizations that support voter engagement. This is an ambiguity either the courts or the Legislature need to fix.

This bill will become law without my signature, and I hope in the future the Legislature can provide greater clarity to protect Kansans' constitutional right to vote.

MESSAGE FROM THE SENATE

Announcing the Senate here with transmits the veto message from the Governor, together with the enrolled copy of **SB 5**, AN ACT concerning elections; relating to the transparency in revenues underwriting elections act; prohibiting the use of funds provided by the United States government for the conduct of elections and election-related activities unless approved by the legislature; amending K.S.A. 25-2436 and repealing the existing section., which was received on March 26, 2025, and read on April 10, 2025

MESSAGE FROM THE GOVERNOR**REGARDING SENATE BILL 5**

Restricting federal funds for elections and election-related activities without legislative approval is not just unnecessary micromanagement; it undermines our ability to conduct secure and efficient elections.

Some legislators have voiced concerns about voter fraud and foreign interference, but state and local election officials would be much more capable of

addressing these threats if they received necessary funding from Congress. It doesn't make sense to turn down these resources that make our local elections in Kansas safe, secure, and accurate.

Given that the Legislature only convenes for three months each year, how can we expect them to approve funding when they are not available year-round? Instead of obstructing our electoral process, lawmakers should concentrate on the real issues impacting Kansans, rather than complicating the management of election funds.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 5.

A motion was made that **SB 5** be passed notwithstanding the Governor's veto. By vote of 31 Yeas and 9 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the Senate, voting in the affirmative, the bill passed.

MESSAGE FROM THE SENATE

Announcing the Senate here with transmits the veto message from the Governor, together with the enrolled copy of **Sub Bill for SB 29**, AN ACT concerning public health; removing the authorization for a county or joint board of health or local health officer to prohibit public gatherings when necessary for the control of infectious or contagious diseases; amending K.S.A. 65-119 and 65-129b and K.S.A. 2024 Supp. 65-101 and repealing the existing sections., which was received on April 3, 2025 and read on April 10, 2025.

MESSAGE FROM THE GOVERNOR

REGARDING VETO OF SUBSTITUTE FOR SENATE BILL 29

Taking away the authority of public health officials to prohibit public gatherings and issue quarantines when necessary for the control of infectious or contagious disease directly contradicts effective, evidence-based health intervention advice and would put the health and safety of Kansans at unnecessary risk.

While this legislation is likely motivated by the politics coming out of the recent pandemic, it would cause actual harm in efforts to mitigate current outbreaks related to measles, tuberculosis and other infectious diseases.

I will not sign legislation that hampers public health professionals' ability to take reasonable, measured steps to limit the spread of dangerous infections and protect the health of the communities they are entrusted to serve.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Substitute for Senate Bill 29.

A motion was made that **Sub Bill for SB 29** be passed notwithstanding the Governor's veto. By vote of 31 Yeas and 9 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the Senate, voting in the affirmative, the bill passed.

MESSAGE FROM THE SENATE

Announcing the Senate here with transmits the veto message from the Governor, together with the enrolled copy of **SB 269**, AN ACT concerning taxation; relating to income and privilege taxes; providing that future tax rate decreases be contingent on exceeding revenue estimates and retaining a certain amount in the budget stabilization fund; amending K.S.A. 2024 Supp. 79-1107, 79-1108 and 79-32,110 and repealing the existing sections., which was received on April 9, 2025, and read on April 10, 2025.

MESSAGE FROM THE GOVERNOR**REGARDING VETO OF SENATE BILL 269**

I have proposed and supported tax cuts when they are implemented responsibly and benefit the people of Kansas, especially those who need it most. This bill ignores Kansas families at a time of rising costs and inflation in favor of hundreds of millions of dollars in giveaways to corporations and the wealthy.

Make no mistake, should this bill become law, it will put the state back on the path toward the failed Brownback tax experiment: the four-day school weeks, the budget cuts, and the crumbling roads and bridges that came with it.

The income tax cuts made possible by this bill could cost the state up to \$1.3 billion annually. The triggers for those tax cuts are such that as soon as the state sees an uptick in revenue, taxes will be automatically cut regardless of any other economic factors or policy and budgetary considerations.

We've been down this road before, and we can't afford to go back to failed tax experiments and policies that will stifle economic opportunity for everyday Kansans and thwart efforts to ensure a sustainable water supply essential to our rural communities. I sincerely hope the Legislature listens to the people of Kansas and rethinks priorities on tax policy.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 269.

A motion was made that **SB 269** be passed notwithstanding the Governor's veto. By vote of 30 Yeas and 10 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the Senate, voting in the affirmative, the bill passed.

MESSAGE FROM THE SENATE

Announcing the Senate here with transmits the veto message from the Governor, together with the enrolled copy of **SB 14**, AN ACT concerning the state budget; providing for a continuous budget until amended, lapsed or eliminated by the legislature; providing temporary reallocations; establishing conditions and limitations therefor; repealing section 1 of 2025 Senate Bill No. 14., which was received on March 26, 2025 and read on April 10, 2025.

MESSAGE FROM THE GOVERNOR**REGARDING SENATE BILL 14**

Kansas entered statehood on January 29, 1861. Since that time, every single Legislature has managed to pass a budget that became law. In fact, technically speaking, it's the Legislature's only constitutionally required job.

If this Legislature cannot do what every previous legislature has been able to do since our founding—through periods of war, famine, pandemic, recession, the Dust Bowl, and even the Great Depression—then they will have to do it over my veto because I will not sanction it, nor will the people of Kansas.

This bill is the latest attempt at legislative overreach into the executive branch and is really nothing more than an invitation to government dysfunction—just like we see in Washington, D.C. Is that what we want for Kansas?

I am confident that this Legislature will be able to continue the tradition of completing their constitutionally mandated duties, within the constitutionally mandated timeframe just as every one of their predecessors has been able to do.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 14.

A motion was made that **SB 14** be passed notwithstanding the Governor's veto. By vote of 31 Yeas and 9 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the Senate, voting in the affirmative, the bill passed.

MESSAGE FROM THE SENATE

Announcing the Senate here with transmits the veto message from the Governor, together with the enrolled copy of **SB 79**, AN ACT concerning public assistance; relating to food assistance; directing the secretary for children and families to request a waiver from the supplemental nutrition assistance program that would allow the state to prohibit purchase of candy and soft drinks with food assistance; amending K.S.A. 2024 Supp. 39-709 and repealing the existing sections., which was received on April 3, 2025 and read on April 10, 2025.

MESSAGE FROM THE GOVERNOR

REGARDING VETO OF SENATE BILL 79

This bill is simply wrong. Not only would it make it more difficult for Kansans to access the food they need to feed their families, it would also harm Kansas businesses.

The waiver required by this bill is confusing and will cause problems for our grocers and small businesses. Under the definition in that waiver, Kansas businesses would be mandated to stop accepting food assistance benefits for protein bars, trail mix, and other food products many would consider “healthy.” Meanwhile, items like Twix, Kit Kat, and Twizzlers would still be eligible for purchase using food assistance benefits. It's nonsensical.

I support the idea that Kansans should eat healthier. However, changes to the SNAP food assistance program should be made at the federal level, not on a patchwork, state-by-state basis.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 79.

A motion was made that **SB 79** be passed notwithstanding the Governor's veto. By vote of 29 Yeas and 11 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the Senate, voting in the affirmative, the bill passed.

EXPLANATION OF VOTE

MR. SPEAKER: I vote NO on the motion to override the veto of **SB 29**. I refuse to give up hope that neighbors care about each other enough to make small sacrifices to protect the health and safety of our communities. Five years ago, we were sitting at home with shaggy hair or root issues coddling our sourdough starters if we were fortunate enough to have avoided suffering or death due to COVID-19. We can keep playing politics with mass gatherings and quarantines five years after that crisis began, or we can move forward as we respond to active measles and tuberculosis outbreaks in Kansas. Restrictions on public health departments could end up costing Kansans their lives. – JO ELLA HOYE

MESSAGE FROM THE SENATE

Announcing a line item veto message from the Governor, together with the enrolled copy of **SB 125**, AN ACT making and concerning appropriations for the fiscal years ending June 30, 2025, June 30, 2026, and June 30, 2027, for state agencies; authorizing and directing payment of certain claims against the state; authorizing certain capital improvement projects, assessments and fees; authorizing certain transfers; imposing certain restrictions and limitations; directing or authorizing certain disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 2024 Supp. 2-223, 12-1775a, 12-5256, 65-180, 74-50,107, 74-8711, 74-99b34, 76-775, 76-7,107, 76-7,155, 76-7,157, 79-2989, 79-3425i, 79-34,171, 79-4804 and 82a-955 and repealing the existing sections., received on April 9, 2025 and read on April 10, 2025.

MESSAGE FROM THE GOVERNOR**REGARDING SENATE BILL 125**

While I appreciate the Legislature's bipartisan work to craft Senate Bill 125, I have serious concerns with how this budget endangers our state's long-term fiscal health and jeopardizes our ability to fund the essential programs and services that matter most to Kansas families.

This budget will put Kansas in the red by fiscal year 2028. The Legislature will adjourn this year before the release of spring Consensus Revenue estimates, meaning we won't fully understand the actual fiscal impact of this budget until after the Legislature has left town. This is reckless and irresponsible policy making. Kansas families don't set their household budgets without an accurate picture of their finances, and the state shouldn't either.

Given the ongoing economic uncertainty we are experiencing, I urge the Legislature to seriously consider revisiting this budget. We've spent the last seven years doing the hard work necessary to get Kansas back on the right fiscal track. We risk losing all of that progress and returning to the dark days of four-day school weeks and crumbling roads and bridges if we don't correct the structural imbalance we are currently facing.

This budget also falls short on education. Our families and teachers rely on state funding to ensure they have the resources necessary to provide Kansas kids with the best education possible. Instead of increasing those investments, this budget cuts existing and future funding for programs that help our students and teachers succeed. This budget eliminates critical funding for teacher professional development programs and literacy training, both of which will ensure we are preparing our students for lifelong academic and workforce success. While I appreciate the \$10 million increase for Special Education included in this budget, this funding is roughly \$62 million short of keeping us on the path to fully funding our state obligation on Special Education. Kansas kids deserve better.

Additionally, this budget contains provisions that effectively decrease BASE state aid funding for public schools. That is unacceptable. While I have corrected this via a line-item veto, I remain extremely concerned about the future of education funding in Kansas. The Legislature must stop playing games with school finance, especially when it underfunds our public schools and could land the state back in court, relitigating issues we've worked to solve in a bipartisan manner.

I am also concerned that this budget does nothing to help Kansas families at a time of rising costs and rampant inflation. For example, this budget does not include my proposal to cut costs for families by covering the cost of reduced-lunch school meals for our kids, nor does it include funding to address rising healthcare costs by expanding Medicaid. Not only will expanding Medicaid make it easier and more affordable for Kansas families to access healthcare, it would also have substantial economic benefits for Kansans. Expansion would bring billions of dollars into the state and would especially benefit our rural communities. I will not stop encouraging the Legislature to do the right thing and expand Medicaid so that Kansans can get the affordable healthcare they need.

Last year, I encouraged the Legislature to put forth proposals that have been vetted and approved through the regular appropriations process. Unfortunately, the Legislature did not heed my advice. This budget includes proposals added at the last-minute that did not go through the public vetting process necessary to ensure they are an efficient and appropriate use of taxpayer dollars. I once again urge the Legislature to ensure budget proposals are transparently and rigorously reviewed prior to inclusion in the budget.

Despite my overall concerns, I appreciate that this budget does make investments in programs that improve state resources for Kansans. I also appreciate that this budget continues our recent trend of investing in economic development, workforce initiatives, and our higher education system, all of which play a role in making Kansas a national leader in economic development. This budget also continues to invest in water quality and quantity – issues that we must address to secure the long-term success of our state.

I look forward to working with the Legislature to address our long-term fiscal health and make investments that will provide Kansans the resources they need to prosper without risking the future of our state.

Therefore, pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return Senate Bill 125 with my signature approving the bill, except for the items enumerated below.

Legislature — AI Project

Sec. 35 (a) has been line-item vetoed in its entirety.

While I welcome efforts to make government services more efficient and am willing to work with the Legislature to do so, I do not want to leave those decisions in the hands of an AI computer program that would have access to Kansans' personal financial and medical information. Additionally, given the state's fiscal outlook, this work to find

efficiencies should be done by the Legislature through the use of existing staff and resources, not a new appropriation of taxpayer dollars.

Attorney General —KEY Fund Transfer

Sec. 40(d) and Sec. 41(g) have been line-item vetoed in their entirety.

This annual transfer from the Kansas Endowment for Youth Fund is unnecessary. The agency has continuously received this transfer to comply with the Master Tobacco Settlement but does not expend the entirety of the transfer each year. From previous transfers, the agency currently has enough funds to cover these compliance costs for at least two more years.

Retaining these funds in the Kansas Endowment for Youth Fund will ensure greater sustainability of funds for our state’s early childhood programs; this is especially critical given the Tobacco Settlement receipts continue to decrease, threatening the long-term sustainability of this essential funding source.

State Treasurer — Pregnancy Compassion Awareness Program

The portion of Sec. 46(a) that reads as follows has been line item vetoed:

Pregnancy compassion awareness program.....\$3,000,000

Provided, That expenditures shall be made by the above agency from such account during fiscal year 2026 to continue the statewide program, previously known as the alternatives to abortion program, to enhance and increase resources that promote childbirth instead of abortion to women facing unplanned pregnancies and to offer a full range of services, including pregnancy support centers, adoption assistance and maternity homes: Provided further, That the program shall include only the following services: Counseling and mentoring; care coordination for prenatal services, including connecting clients to health programs; providing educational materials and information about pregnancy and parenting; referrals to county and social service programs, including child care, transportation, housing and state and federal benefit programs; classes on life skills, budgeting, parenting, stress management, job training, job placement and obtaining a GED certificate; providing material items, including, but not limited to, car seats, cribs, maternity clothes, infant diapers and formula; and support groups in maternity homes: And provided further, That program services shall be made available to any Kansas resident who is a pregnant woman, the biological father of an unborn child, the biological or adoptive parent or legal guardian of a child 24 months of age or younger, a program participant who has experienced the loss of a child or a parent or legal guardian of a pregnant child who is a program participant: And provided further, That the provision and delivery of services under the program shall be dependent on participant needs as assessed by the nonprofit organization providing the services and not otherwise prioritized by any state agency: And provided further, That program services shall be available to participants only during pregnancy and continuing for up to 24 months after birth of the child: And provided further, That the state treasurer shall continue to contract with the nonprofit organization that was awarded such contract in fiscal year 2025 to provide services under the pregnancy

compassion awareness program, and such nonprofit organization shall subcontract with existing pregnancy centers, adoption agencies, maternity homes and social service organizations to provide program services to promote childbirth instead of abortion: And provided further, That such contract extension shall be for a term not longer than one year: And provided further, That the selected contractor and any subcontractors may provide services in addition to the enumerated program services, but such services shall not be funded through the pregnancy compassion awareness program: And provided further, That the state treasurer shall include as a condition of the contract extension with the nonprofit organization selected to provide program services: (1) The assessment of an administrative fine for failure to satisfy program requirements, including required reporting, or for the intentional or reckless misuse of any funds awarded by the terms of such contract, and such fine shall be in the amount of 10% of the funds awarded by the terms of such contract and shall be deposited into the state treasury in accordance with the provisions of K.S.A. 75-4215, and amendments thereto, to the credit of the state general fund; and (2) that such nonprofit organization shall submit a report to the legislature and the state treasurer on or before June 30, 2026, on the administration of the program during fiscal year 2026, including: The number of clients; the number of clients who participated in case management services; the number of case management hours provided to clients; the number of clients engaged in educational services or job training and placement activities; the number of newborns who were born to program participants; the number of such newborns placed for adoption; the number of fathers who participated in program services; the number of client satisfaction surveys completed; and any other information that shows the success of the contractor's administration of the program: And provided further, That the state treasurer shall establish the pregnancy compassion public awareness program to be administered by the same nonprofit organization contracted with to provide pregnancy compassion awareness program services: And provided further, That the purpose of the public awareness program is to help pregnant women who are at risk of having abortions to be made aware of the pregnancy compassion awareness program services: And provided further, That the public awareness program shall include the development and promotion of a website that provides a geographically indexed list of available pregnancy compassion awareness program services and nonprofit subcontractors that provide services: And provided further, That the public awareness program may include, but shall not be limited to, the use of television, radio, outdoor advertising, newspapers, magazines, other print media and the internet to provide information about the pregnancy compassion awareness program services and subcontractors: And provided further, That, to the greatest extent possible, the secretary for children and families shall supplement and match moneys appropriated for the pregnancy compassion awareness program with federal and other public and private moneys, and such moneys shall be prioritized to be used preferentially for the program and the public awareness program and be transferred from the special revenue fund or funds of the Kansas department for children and families as identified by the secretary for children and families to the pregnancy compassion awareness program account to be expended for such programs: Provided, however, That the pregnancy compassion awareness program and the pregnancy compassion public awareness program and any moneys appropriated or expended therefor shall not be used to perform, induce, assist in the performing or inducing of or refer for abortions, and moneys appropriated or expended

for such programs shall not be granted to organizations or affiliates of organizations that perform, induce, assist in the performing or inducing of or refer for abortions.

I continue to believe that housing the pregnancy crisis center program in the Office of the State Treasurer is inappropriate and simply politically motivated. Additionally, Kansas women facing unplanned pregnancies deserve meaningful support from medical professionals who can provide evidence-based guidance, not from largely unregulated pregnancy resource centers. Kansans told the Legislature in August of 2022 that their private medical decisions should remain between them and their physician, and this appropriation is an attempt to subvert the will of the people.

State Treasurer —Duplicative Talent Attraction Program

Sec. 46(c) and Sec. 47 have been line-item vetoed in their entirety.

I agree we must invest state resources to attract talented workers to Kansas so that our workforce can keep pace with the historic levels of economic development occurring in the state. Unfortunately, the Legislature decided to defund an existing program at the Department of Commerce, Love, Kansas Program that does just that. It is highly inefficient to create a new, unvetted program with no guardrails in an agency that has nothing to do with workforce development or talent attraction. Instead of duplicating work already being done, the resources provided to this program should have gone towards enhancing the Department of Commerce's ongoing efforts to attract talented workers to Kansas.

Kansas Department of Administration —Docking State Office Building Expenditures

Sec. 62(d) and Sec. 63(w) have been line-item vetoed in their entirety.

The Legislature has already approved funding for the Docking State Office Building, and the project is nearing completion. Adding another level of bureaucratic approval for expenditures and transfers at this stage is needless and redundant, the height of government inefficiency. I am committed to the Docking State Office Building opening in a timely manner, and this proposal would create an unnecessary roadblock that could hamper this goal and waste taxpayer resources.

Kansas Department of Administration — Press Office Lease Costs

Sec. 63(x) has been line-item vetoed in its entirety.

Freedom of the press is one of the bedrocks of a free and open democratic society. This item appears to be targeted at the Kansas Capitol press corps to stymie their ability to effectively report on the actions occurring in the people's house. Provisions like this set a dangerous precedent and undermine one of the core principles enshrined in the U.S. Constitution. Instead of imposing barriers for the press to do their job in an efficient manner, the Legislature should look for ways to make the lawmaking process more transparent.

Kansas Lottery —Legislative Interference in Sports Gaming

Sec. 72 (b) and Sec. 73 (f) have been line-item vetoed in their entirety.

Robust processes are in place to negotiate any contract extension or renewal of existing sports wagering agreements. Inserting the Legislature into these negotiations would unnecessarily complicate the complex legal processes already in place to facilitate potential changes to the State's sports wagering agreements.

Kansas Department of Commerce – Purple UAS

The portion of Sec. 76(a) that reads as follows has been line-item vetoed:

Purple UAS certification innovation grant account.....\$1,000,000

Provided, That expenditures in an amount of not less than \$500,000 shall be made by the above agency from such account during fiscal year 2026 to provide a grant to the national institute for aviation research at Wichita state university to research and create an accurate and comprehensive checklist necessary for blue unmanned aircraft systems (UAS) compliance, which shall include the United States department of defense requirements for maintenance of supply chain security necessary for manufacturers of such department of defense drone technology: Provided further, That, national institute for aviation research shall include specific recommendations to Kansas state university Salina for the creation of a purple UAS public safety and commercial credentialing process: And provided further, That expenditures in an amount of not less than \$500,000 shall be made by the above agency from such account during fiscal year 2026 to provide a grant to Kansas state university Salina to create a purple UAS public safety and commercial credentialing process for credentialing drones for commercial and public safety use: Provided, however, That if such expenditures are not expended by January 1, 2026, on such date, any remaining moneys in such account are hereby lapsed: And provided further, That the above agency shall prepare and submit a report to the legislature on the purple UAS public safety and commercial credentialing process by January 20, 2026.

The Department of Commerce did not request this item and it did not go through the agency vetting process. While I appreciate the intent of this item to provide additional funding for emerging technology in the aviation sector, I cannot ignore the deficiencies in the process that led to this being included in the budget. I encourage the Legislature to work with interested parties to resubmit this proposal as an official agency budget request next year.

Kansas Department of Commerce – Arts Commission Restrictions

The portion of Sec. 76(b) that reads as follows has been line-item vetoed:

Provided further, That expenditures shall not be made by the above agency from such account during fiscal year 2026 to employ persons on a contractual basis in order to ensure that the maximum amount of dollars may be distributed to Kansas communities for arts grants: And provided further, That expenditures shall be made by the above agency from such account during fiscal year 2026 to award matching grant funds: And

provided further, That an amount of not to exceed 60% of grant moneys shall be awarded to applicants for matching grant funds located in counties with a population of 85,000 or less as of the 2020 census: And provided further, That an amount of not to exceed 40% of grant moneys shall be awarded to applicants for matching grant funds located in counties with a population of more than 85,000 as of the 2020 census.

I'm proud that in recent years we have been able to reinvest in the Kansas Arts Commission. KAC enhances the role the arts play in all levels of education, community service, workforce development and quality of life in our state. This proviso would restrict the Commission's ability to issue grants. It would also bar it from using contractual support, which would likely require additional state employees to cover work the Commission currently partners with contractors to complete. Changing the structure of how the Commission works would cause inefficiencies and grow government.

Kansas Department of Health and Environment – Diseases Control

The portion of Sec. 83(a) that reads as follows has been line item vetoed:

Provided further, That expenditures in an amount of not less than \$250,000 shall be made by the above agency from such account during fiscal year 2026 to provide for efforts to control and prevent transmission of tuberculosis or other infectious and contagious diseases as designated by the secretary of health and environment pursuant to K.S.A. 65-128, and amendments thereto, including screening, diagnosis and treatment.

The portion of Sec. 83(a) that reads as follows has been line item vetoed:

Provided further, That expenditures in an amount of not to exceed \$96,000 shall be made by the above agency from such account for fiscal year 2026 to provide for efforts to control and prevent transmission of tuberculosis, including screening, diagnosis and treatment.

These provisos are poorly written and cause confusion regarding the funding for disease control and prevention that KDHE can use. The agency deserves clear and direct guidance from the Legislature to ensure adequate funding for these efforts, especially during the ongoing tuberculosis and measles outbreaks. The ability to screen, diagnose, and treat these contagious diseases is crucial to keeping Kansans safe and healthy.

Kansas Department of Health and Environment – Cerebral Palsy Research

The portion of Sec. 83(a) that reads as follows has been line item vetoed:

Cerebral palsy research.....\$263,000

The intent behind this budget proviso is unclear. It was not requested by any state agency. I encourage all stakeholders to work with the relevant agencies to get this vetted through the agency budget request process and resubmit next year.

Kansas Department of Health and Environment – Dental Services

The portion of Sec. 83(a) that reads as follows has been line item vetoed:

Donated dental services.....\$55,000

I support expanding access to dental services. However, there is already funding in the base budget for these types of services included in this proviso.

Kansas Department of Health and Environment – 12-month Medicaid continuous eligibility

Sec. 84(e) and Sec. 85(o) have been line-item vetoed in their entirety.

These sections will ultimately cost the state taxpayers approximately \$3.5 to \$4.3 million annually by causing the Kansas Department of Health and Environment to add additional staff to implement the policy required by this proviso. The state will not see the cost savings projected by the Legislature because federal regulation dictates that these caregivers and parents cannot be denied healthcare coverage without individual review. This proviso would require the agency to unnecessarily unenroll and then reenroll individuals. It is a highly inefficient, administratively burdensome, costly process.

Kansas Department of Aging and Disability Services – Continuation of SPARK Funding

The portion of Sec. 88(a) that reads as follows has been line item vetoed:

Aging services grants (039-00-1000-3006).....\$140,000

Provided, That expenditures in an amount of not less than \$140,000 shall be made by the above agency from such account during fiscal year 2025 to provide in-home services to low-income older individuals who would be able to remain in their homes for independence and self-sufficiency if such individuals received such services.

The portion of Sec. 89(a) that reads as follows has been line item vetoed:

Provided further, That expenditures in an amount of not less than \$540,000 shall be made by the above agency from such account during fiscal year 2026 to provide in-home services to low-income older individuals who would be able to remain in their homes for independence and self-sufficiency if such individuals received such services.

I have always supported services that promote self-sufficiency and independence for the elderly. They keep older adults in their communities and prevents nursing home stays, saving taxpayer dollars in the long run. However, these provisos will continue to fund a pilot program that was initially funded by one-time federal grants. The state cannot shoulder the burden of ongoing costs created by lapsed federal funding. It is simply unsustainable.

Kansas Department of Aging and Disability Services – Lapsed Funding

Sec. 89(aa) has been vetoed in its entirety

2024 S.B. 28 allocated funding for different types of entities to transform into Certified

Community Behavioral Health Clinics over the course of four years. The lapse in funding outlined in this section reverses the progress that the KDADS has made in executing the intent of last year's appropriation. This is not only a waste of resources, but it is also wholly inefficient.

Kansas Department for Aging and Disability Services – Larned Contract Staffing

Sec. 90 has been line-item vetoed in its entirety.

The patients and the surrounding community at Larned State Hospital will be the ones directly impacted by the elimination of funding for contract agency nursing staff. This maneuver will further strain the existing healthcare workforce, leading to a lack of capacity to care for these patients. Investing in recruiting and retaining our healthcare workforce, especially at these facilities, would be more beneficial and help relieve the reliance on contract nursing. In addition, the State could be at risk of losing significant federal funding if we are not able to meet the patient to staff ratios required by CMS.

Kansas Department for Children and Families – Interpreter Services

The portion of Sec. 92(a) that reads as follows has been line item vetoed:

Provided further, That expenditures in an amount of not less than \$375,000 shall be made by the above agency from such account during fiscal year 2026 to provide for additional deaf and hard of hearing services.

Interpreter services, especially in government functions, are necessary to ensure every Kansan can be informed. However, I have significant concerns over the current limited geographic scope of interpreter services in Kansas. They are not structured in a way that ensures interpreter services are easily accessible and equally affordable in high-user areas. I encourage all relevant stakeholders to reconsider this proposal next year with a plan to widen its capabilities across the state.

Department of Education —Online Curriculum

Sec. 96(n) has been line-item vetoed in its entirety.

It is not the Legislature's role to dictate our schools' curricula. The State Board of Education has the constitutional authority and responsibility to determine curricula for our schools. It is wrong for the Legislature to sweep existing funds that are essential for the agency to function and direct them to expend funds on a particular curriculum and programs not vetted or recommended by the State Board.

Department of Education—SparkWheel

Sec. 96(p) has been line-item vetoed in its entirety.

While I would have considered additional funds for SparkWheel, funding an increase from existing department resources threatens the ability of the agency to conduct its core functions. As the Legislature considered this funding item, budget subcommittees recommended new funding to support SparkWheel's expansion. While that position was not included in the final budget, it was a more responsible way to support this program.

Department of Education—Conditioning CPI-U Funding Increases

Sec. 96(s) has been line-item vetoed in its entirety.

School districts should strive to purchase and maintain AEDs within their academic buildings. I urge all districts to consider using the existing funds from their general funds or Capital Outlay Fund to purchase these devices. Districts and stakeholders should work with the Department of Education to determine how best to cover these costs through their existing resources.

I am extremely troubled by the Legislature’s attempt to fund this priority through the appropriation from the BASE state aid per pupil increases required by the Supreme Court of Kansas’s rulings in the *Gannon* case. The Court was clear: to remain in constitutional compliance, the State must increase the BASE state aid by a rolling average of the consumer price increase index. These increased funds are intended to account for cost increases to provide the basic level of instruction for all students in public schools. In effect, this proviso decreases the state BASE aid amount to a level lower than required by the *Gannon* rulings—creating an appropriation of funding that likely violates that ruling and constitutionally underfunds our schools.

If the Legislature is serious about providing increased funding for the purchase of AEDs at schools, they should fund this initiative using different resources—rather than threatening to send the state back to court over school finance and siphoning off funding that would allow us to fully fund schools in accordance with the Kansas Constitution.

Kansas State University Extension Systems and Agriculture Research Programs—Double Funding

Sec. 108(c) has been line-item vetoed in its entirety.

This project was double funded with both State General Funds and Economic Development Initiative Funds (EDIF). This veto retains the funding for this project using State General Funds but eliminates the duplicative funding through EDIF.

Wichita State University—Dentistry Feasibility Study

The portion of Sec. 116(a) that reads as follows has been line item-vetoed:

Dentistry feasibility study.....\$750,000

Prior to the 2026 legislative session, stakeholders from both higher education and the dentistry profession should come together to discuss the feasibility of developing a dental school in Kansas. Through this collaborative discussion, a more comprehensive strategy could be crafted to determine how the state, higher education, and the profession can partner on this project, should it be deemed in the best interest of the state.

Kansas Board of Regents—Scholarship Lapses

Sec. 118(h) and Sec. 118(i) have been line-item vetoed in their entirety.

These scholarship funds are critical for students and workforce development. By

lapsing these funds, the Legislature will undermine and negate their own hard work to ensure that higher education is affordable for more Kansans and that our businesses’ workforce needs are addressed.

Department of Corrections—O’Connell Children’s Shelter

The portion of Sec. 121(a) that reads as follows has been line-item vetoed:

And provided further, That expenditures in an amount of not less than \$1,000,000 shall be made by the above agency from such account during fiscal year 2026 to provide for services to families at the O’Connell children’s shelter in Lawrence, Kansas.

While I support providing services to Kansas youth who need assistance, the funding in this section of the proviso is allocated toward one specific entity. The direct allocation of these funds circumvents the established grant process and the rigorous agency review that allows any qualified and interested entity to apply, ensuring that services provided are the best quality at the best price. We have made great progress towards eliminating “no-bid contracts” recently. We should not take an unnecessary step backwards.

Kansas Bureau of Investigation — DNA Analysis

The portion of Sec. 129(a) that reads as follows has been line-item vetoed:

Forensic DNA analysis.....\$500,000

Provided, That expenditures shall be made by the above agency from such account during fiscal year 2026 to provide for forensic genetic genealogy DNA analysis for the purposes of solving violent crimes and identifying human remains.

The KBI did not request this item through the normal appropriations process. While the intent of this enhancement is admirable, it needs to go through the agency request process so it could be thoroughly vetted. I encourage the KBI to request this item in next year’s budget so it can be appropriately reviewed to ensure the state gets the best return on investment possible for these services.

State 911 Board – Mapping Grant Program

Sec. 135(a) has been line-item vetoed in its entirety.

Ensuring the safety of Kansans is one of my top priorities. However, the agency indicates it does not currently have the capacity to enact the program as described in the bill. Additionally, this program would require additional investments by the Legislature over the next several fiscal years to provide complete funding. It is unclear that the Legislature can meet this obligation given the financial picture ahead.

State Finance Council – ARPA Funds

Sec. 153, Sec. 156 and Sec. 158 have been line-item vetoed in their entirety.

These provisions create extra red tape and bureaucracy over the allocation of American Rescue Plan Act (ARPA) relief funds. Additionally, the federal requirements around the use of these funds are complex, and the state is limited in how they can be spent. The

state would be best served if those funding decisions were guided by the experts in the Kansas Office of Recovery.

State Finance Council – 2027 State General Fund Reduction

The portion of Sec. 159(a) that reads as follows has been line-item vetoed.

(2) On July 1, 2026, of each amount appropriated or reappropriated for a state agency for the fiscal year ending June 30, 2027, by this act or other appropriation act of the 2025 or 2026 regular session of the legislature from the state general fund, that is identified as operating expenditures, including salaries and wages, contractual services, commodities and capital outlay, the sum equal to 1.5% of the aggregate amount of such operating expenditures is hereby lapsed.

Given the state's fiscal outlook, I understand the Legislature's desire to find efficiencies in state government by implementing targeted State General Fund reductions, which is why I am leaving the fiscal year 2026 reduction in place. However, it does not make sense to decrease agency funding for fiscal year 2027 when we don't have a good sense of where the state will be financially. I am willing to revisit reductions next session when we will have a better understanding of the state's fiscal outlook for 2027.

State Finance Council – State Highway Fund Cut

Sec. 159(b) has been line-item vetoed in its entirety.

I am proud to have worked with the Legislature in a bipartisan manner over the last 7 years to stop extraordinary transfers from the State Highway Fund. This item would reverse that progress by redirecting funding to uses beyond the intended scope of the State Highway Fund. The Bank of KDOT closed three years ago and should remain closed.

Kansas State University Veterinary Medical Center—Bonding Authority

Sec. 177(b) has been line-item vetoed in its entirety.

Throughout my administration, it has been a key priority to eliminate debt and invest one-time funds in one-time projects. We have successfully partnered with the Legislature to pay down debt and limit ongoing budgetary costs. I fear this project backtracks on this progress.

I urge Kansas State University to continue collaborating with stakeholders to develop a comprehensive plan for funding a new Animal Diagnostic Laboratory.

Kansas Highway Patrol—Jabara Airport Hangar

Sec. 187(h) and Sec. 188 have been line-item vetoed in their entirety.

The Kansas Highway Patrol has requested funding to purchase and operate a hangar at the Colonel James Jabara Airport in Wichita. Rather than fund the original request, the Legislature appropriated funds for the agency to work with a third-party entity that

would own the hangar rather than the agency. This funding structure would cost the state considerably more over the long term than would the agency's original request. I will direct the Kansas Highway Patrol to identify alternative solutions for the Legislature to consider next session.

A motion was made that, notwithstanding the Governor's objection, all line item vetoes be reconsidered.

By a vote of 30 Yeas and 10 Nays, the motion having received the required two-thirds constitutional majority vote of the members elected or appointed to the Senate, voting in the affirmative, the line items did pass.

On motion of Rep. Croft, the House recessed until 4:45 p.m.

Journal of the House

FIFTY-SECOND DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Friday, April 11, 2025, 9:00 a.m.

The House met pursuant to adjournment with Speaker Hawkins in the chair.

The roll was called with 122 members present.
Reps. Carr and Poskin were excused on verified illness.
Rep. Alcala was excused on excused absence by the Speaker.
Excused later: Rep. Neighbor.

Prayer by Chaplain Holmes:

Dear Father.

Many things are about to change for most in this room,
as they look forward to returning home and enjoying some relaxation and a new normal.

The past number of months have been filled with
committee meetings, deliberation, debate, and decision making.

Exhausting hours was often their normal.

Your Word declares in Matthew 25:21

“Well done good and faithful servant, you were faithful with a few things,
I will put you in charge of many things.”

I applaud their faithfulness

as they were put in charge of directing our State in a myriad of areas.
Across Kansas, many would echo just such words to describe their appreciation
of the time and talent invested by these Representatives.

I pray each would know and realize they have indeed done well.

It has been a good session, and much good has been achieved.

Their work will not be finished when they return home.

I pray the words of Saint Paul to the churches of the Galatian region would resonate.

“And let us not lose heart in doing good,

for in due time we shall reap if we do not grow weary.

So then while we have opportunity, let us do good to all.”

For those who have grown weary, I pray new strength into their lives.

For the one who may have encountered some discouragement at times,

I pray Your goodness to bless them.

For those who have found themselves in emotional distress or turmoil
because of decisions made contrary to their desires,

I pray Your peace to envelope them.

And, for those who feel their efforts have accomplished much,
I pray personal humility would guard them.
As we have experienced Your blessings and kindness, remind us,
if You would O' God of your faithfulness, Your love and your protection.
In the name of The Father and The Son and The Holy Spirit
I Pray Amen.

The Pledge of Allegiance was led by Rep. Long.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Schlingensiepen, are spread upon the Journal:

Rep. Schlingensiepen was joined on the floor by Reps. Haskins and Borjon.

On March 27, 2025, the No. 5-ranked Washburn University Men's Basketball Team completed an outstanding season by playing in the Final Four of the NCAA Division II Men's Basketball Championship, ending their historic season with a 30-4 record.

The victory over No. 10-ranked Lenoir-Rhyne University on March 25, 2025, in the Elite Eight earned the Ichabods a spot in the Final Four and gave Ichabod Head Coach Brett Ballard his 200th career win as a coach.

The Ichabods won the NCAA Division II Central Regional defeating No. 17-ranked Minnesota State University Moorhead 93-65.

The Ichabods won the MIAA regular season title becoming the second team in program history to reach the 30-win mark.

Senior guard Jacob Hanna earned NABC All-District first team honors and NCAA Central Region Tournament Most Outstanding Player, sophomore guard Jack Bachelor earned NABC All-District second team honors and NCAA Central Region All-Tournament Team, and Coach Ballard was named Region Coach of the Year, as well as MIAA Coach of the Year.

Five Ichabods earned all-MIAA honors including Jacob Hanna and Jack Bachelor on the first team, sophomore Brayden Shorter on the second team, senior Andrew Orr on the third team and senior Michael Keegan on the all-MIAA Defensive team.

The players and coaches of the 2024-25 team will be remembered in the long and storied history of the Washburn Men's Basketball program: Now, Therefore, let us give them a rousing applause.

The team was presented with a framed House certificate in honor of their accomplishments.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Carlin are spread upon the Journal:

I would like us to recognize the Manhattan High School Chamber Orchestra.

In 2022, they participated in the WorldStrides Heritage Festival Chamber Orchestra competition in New Orleans. Their performance earned them a first-place finish. While there they also performed the National Anthem for an NBA game. Their place in New Orleans, and a re-qualifying audition last year is allowing them to travel to New York for the WorldStrides Band and Orchestra Festival at Carnegie Hall. They will perform on Saturday, April 19th at 9:00 pm.

The Manhattan High Orchestra is directed by Mr. Cody Toll. 83 members will be making the upcoming trip to New York. High school trips are so memorable for the students, this one more so, as they only travel once every three years for competition. I invited them to be in the Chamber with us today, but Director Toll felt they needed to spend time practicing so they were fully prepared for the upcoming events.

Rep. Carlin plans to present the orchestra with a framed House certificate at a later date.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Reavis are spread upon the Journal:

To the Speaker, the leadership of both parties, my colleagues from across the state and from every community in our society; I am excited to present a great example of toughness and grit, demonstrated by our youth in a challenging and competitive environment. They are a true example of ‘ad astra per aspera,’ through hardships to the stars.

Maur Hill - Mount Academy (MH - MA) is a Catholic, co-ed, college-preparatory high school developed to model a college campus atmosphere. As a boarding school, students experience a challenging and safe learning environment with a structured and supportive program for a student’s success. Rooted in the Catholic faith and Midwestern values, Maur Hill - Mount Academy, takes a proven approach to education resulting in academic advancement and personal development that challenges and inspires every student. Graduates leave MH - MA well-prepared for their next steps into college and life as responsible, independent, and engaged members of the global community.

MH - MA enrolls over 150 students in grades nine through 12 from across the United States and around the world, representing a variety of cultures and backgrounds. Students from all faith backgrounds are welcome to attend the school.

Four years ago, Maur Hill - Mount Academy started their mock trial program. Mock trial is a national program in which students prepare for a trial based upon either a criminal or civil court case. Students act as lawyers and witnesses to simulate the trial process. In competitions, the students compete against different schools regardless of their size classification.

The state championship is made up of schools of all sizes from across the state of Kansas. In March, the Ravens captured their 3rd consecutive state championship. In other words, this team from a small 2A school took down everyone else regardless of size! This team will be representing the state of Kansas in Phoenix Arizona this May at the national championship for the 3rd year in a row!

Last year, at the national competition in Delaware, Maur Hill-Mount Academy alumni, Anthony Wurtz, was selected as one of the top 10 potential young lawyers in the United States.

Members of the current state championship team are Andrew Schramp, Hayden Lickhart, Isabel Kautz, Joshua Campbell, Isaac Trotter, Katie Madden and Hannah Humburg. The Ravens are mentored by Coach Jeffrey Schremmer, retired District Court Judge, Martin Asher and Teacher/Coach Katie Asher. We are also joined by the President and ‘architect of success’ for the school, David Trotter. Other members of the school’s mock trial team are in the gallery. They are Anthony Russell, Kamran Maghsoodi, Audrey Hill, Luke Harris, Katherine Jirak, Lillian Werring, and Anthony Russel-Weppler.

Please join me in congratulating them on this exceptional achievement and give them our prayers for success at the national competition!

Rep. Reavis presented the students with a framed House certificate in honor of their accomplishments.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Featherston are spread upon the Journal:

Rep. Featherston was joined by the Johnson County delegation at the well to recognize the JCCC Women's Basketball team.

I am pleased to serve a district that includes one of the key institutions for higher education in our state: Johnson County Community College. Today we are honoring JCCC's National Champion Women's Basketball Team! This team brought the NJCAA championship back to Kansas when they defeated Pima Arizona Community College in the national championship game on March 22. They finished their season 34-1 under Head Coach Ben Conrad who was just named Coach of the Year. We are honored to have players and coaches with us here on the floor and up in the gallery today: Jamya McPherson, Heaven Smith, Mia Smith, Kara Strickland, Paige Cheffey, Layla Scott, Brianna Gist, Karlee Ellick, Katie Jones, Head Coach Ben Conrad, Taliyah Scott, Yar Manyiel, Aa'Mya Stacker, Maizen Williams, Aryanna Grassity, Amaya Marshall, Emma Nally, Korrie Holcer, Jocelyn Moore, Katie Reihmann, Josh Boland, Beth Hembree, Carlos Moore, Anthony Tompkins, Athletic Director.

Congratulations to this special team for putting an incredible mark on the 50-year tradition of women's basketball at JCCC. Thank you for dedication and hard work to bring the crown back to the great state of Kansas.

Rep. Featherston presented the team with a framed House certificate in honor of their accomplishments.

WHEREAS, Beyond the diamond, Jackie Robinson used his celebrity status to expand human rights, including improving working conditions as the Vice President for Personnel at Chock Full O'Nuts, speaking at the 1963 March on Washington civil rights rally and being a co-founder of a Black-owned and operated bank and construction company to financially aid the Black community and provide housing for low-income people; and

WHEREAS, In 1997, MLB formally retired his uniform number, 42, across all Major League teams, which was the first time any professional athlete in any sport received such an honor. Today, MLB has adopted the annual tradition of "Jackie Robinson Day" on April 15 where every player wears the number 42 to honor Jackie Robinson's achievements on and off the field: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we recognize April 15, 2025, as Jackie Robinson Day; and

Be it further resolved: That we honor Jackie Robinson for his accomplishments in baseball, the United States Army and in furthering civil rights across the country; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send enrolled copies of this resolution to Major General Monté L. Rone, Commanding General, 1st Infantry Division and Fort Riley, Speaker Hawkins and Representative Penn.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Penn are spread upon the Journal:

Today, I am joined by the Fort Riley Garrison Commander, Colonel Nunziato. COL Gerald "Jerry" Nunziato, Jr. commissioned through the Reserve Officer Training Corps at Youngstown State University in 2000. He served as an Armor and Signal Corps Officer before transitioning to a Special Operations Civil Affairs Officer in 2007.

COL Nunziato has held numerous leadership positions at every level, ranging from Platoon Leader through Deputy Brigade Command, serving in a wide spectrum of assignments from tactical to strategic level commands. His career has spanned both conventional and special operations, with joint assignments in NATO and JSOC. His overseas assignments include South Korea and Turkey, with multiple deployments to Iraq and Afghanistan.

Sir, we are deeply grateful for your presence here today and cherish the strong relationship between this Legislature and your Post, as we work together to ensure the safety, opportunity, and prosperity of the Soldiers, Civilians, and Families of the "Big Red One" on your Post. Thank you for being here.

Jack Roosevelt Robinson (January 31, 1919 – October 24, 1972) was an American professional baseball player who became the first African-American to play in Major League Baseball (MLB) in the modern era. Robinson broke the color line when he started at first base for the Brooklyn Dodgers on April 15, 1947. The Dodgers signing

Robinson heralded the end of racial segregation in professional baseball, which had relegated black players to the Negro leagues since the 1880s.

Born in Cairo, Georgia, Robinson was raised in Pasadena, California. A four-sport student athlete at Pasadena Junior College and the University of California, Los Angeles, he was better known for football than he was for baseball, becoming a star college player with the UCLA Bruins football team. Following his college career, Robinson was drafted for service during World War II and served at Fort Riley, KS, but was court-martialed for refusing to sit at the back of a segregated Army bus, eventually being honorably discharged. Afterwards, he signed with the Kansas City Monarchs of the Negro leagues, where he caught the eye of Branch Rickey, general manager of the Brooklyn Dodgers, who thought he would be the perfect candidate for breaking the color line in MLB.

During his 10-year MLB career, Robinson won the inaugural Rookie of the Year Award in 1947, was an All-Star for six consecutive seasons from 1949 through 1954, and won the National League (NL) Most Valuable Player Award in 1949—the first black player so honored. Robinson played in six World Series and contributed to the Dodgers' 1955 World Series championship. He was inducted into the Baseball Hall of Fame in 1962 in his first year of eligibility.

Robinson's character, his use of nonviolence, and his talent challenged the traditional basis of segregation that had then marked many other aspects of American life. He influenced the culture of and contributed significantly to the civil rights movement. Robinson also was the first black television analyst in MLB and the first black vice president of a major American corporation, Chock full o'Nuts. In the 1960s, he helped establish the Freedom National Bank, an African-American-owned financial institution based in Harlem, New York. After his death in 1972, Robinson was posthumously awarded the Congressional Gold Medal and Presidential Medal of Freedom in recognition of his achievements on and off the field. In 1997, MLB retired his uniform number, 42, across all Major League teams; he was the first professional athlete in any sport to be so honored. MLB also adopted a new annual tradition, "Jackie Robinson Day", for the first time on April 15, 2004, on which every player on every team wears no. 42.

Now you see why it has been a distinct and absolute personal honor of mine to not only serve our citizens in this hallowed Chamber, but to also do so while sitting in cherished Seat #42 for my past 3 Sessions.

I finally want to convey brief, additional Greetings from Wichita City Councilman Brandon Johnson, who wanted to personally attend today's recognition in the spirit of honor, integrity, and bipartisanship, but could not as official duties call him away: "It is an honor to celebrate the legacy of Jackie Robinson. His impact is still being felt throughout our country.

Here in Wichita, League 42, named after Mr. Robinson is continuing to inspire generations of young people to be more like Jackie and learn to play the game that he dominated.

It has been so inspiring to see Wichitans, Kansans, and people from all across America support league 42 after the Jackie Robinson Statue was stolen last year.

Because of the good in people, because of what Jackie Robinson inspired, the statue was replaced and stands even taller than it did before.

Thank you to the members of the legislature who supported honoring Jackie Robinson Day.”

Thank you, Mr. Speaker, for this opportunity to honor the magnificent legacy of on of nation’s treasured heroes. And thank you, Body, for joining us in fully supporting this Resolution to Recognize April 15th as Jackie Robinson Day in our great State of Kansas.

EXPLANATION OF VOTE

MR. SPEAKER: I reluctantly vote YES to override the Governors veto of **SB 125**. Individual vetoes should be handled separately and with consideration for each individual item. Bundling this veto override was a bad move and the reason it failed on the initial vote. The money for the K-State lab is excessive and duplicative and should have been axed. The money for the pregnancy care and maternity centers was definitely needed and I fully support it. Very different issues that should never have been grouped together. The Kansas House and the voters in my district deserves better than this legislative manipulation. – PAUL WAGGONER, BRIAN BERGKAMP, SHAWN CHAUNCEY, STEVE HUEBERT

The probationary period shall not exceed six months. Upon completion of the probationary period, the license, certification or

registration shall become a non-probationary license, certification or registration.

(d) Any applicant who has not been in the active practice of the occupation during the two years preceding the application for which the applicant seeks a license, registration or certification under subsection (c)(2) may be required to complete such additional testing, training, monitoring or continuing education as the Kansas licensing body may deem necessary to establish the applicant's present ability to practice in a manner that protects the health and safety of the public, as provided by subsection (j).

(e) Upon submission of a complete application, an applicant may receive an occupational license, registration or certification based on the applicant's work experience in another state, if the applicant:

No hearing shall be granted to an applicant where such applicant's license, registration or certificate is subject to such automatic revocation or suspension, except for the purpose of establishing the fact of revocation or suspension of the applicant's license, registration or certificate by the applicant's state of residence or jurisdiction in which the applicant held a license, registration or certificate.

(h) In the event the licensing body determines that the license, registration or certificate currently held by an applicant under subsection (c)(2) or the work experience or private credential held by an applicant under subsections (e) or (f), who is a military spouse or military servicemember does not authorize a similar scope of practice as the license, registration or certification issued by the licensing body of this state, the licensing body shall issue a temporary permit for a limited period of time to allow the applicant to lawfully practice the applicant's occupation while completing any specific requirements that are required in this state for licensure, registration or certification that

(i) In the event the licensing body determines that the license, registration or certification currently held by an applicant under subsection (c)(2) or the work experience or private credential held by an applicant under subsections (e) or (f), who is not a military spouse or military servicemember, does not authorize a similar scope of practice as the license, registration or certification issued by the licensing body of this state, the licensing body may issue a temporary permit for a limited period of time to allow the applicant to lawfully practice the applicant's occupation while completing any specific requirements that are required in this state for licensure, registration or certification that was not required in the state, district or territory of the United States in which the applicant was licensed, registered, certified or otherwise credentialed, unless the licensing body finds, based on specific grounds, that issuing a temporary permit would jeopardize the health and safety of the public.

Nothing in this section shall be construed as prohibiting a licensing body from denying any application for licensure, registration or certification, or declining to grant a temporary or probationary license, if the licensing body determines that granting the application may jeopardize the health and safety of the public.

(m) Nothing in this section shall be construed to be in conflict with any applicable Kansas statute defining the scope of practice of an occupation. The scope of practice as provided by Kansas law shall apply to applicants under this section.

(n) Notwithstanding any other provision of law, during a state of emergency declared by the legislature, a licensing body may grant a temporary emergency license to practice any profession licensed, certified, registered or regulated by the licensing body to an applicant whose qualifications the licensing body determines to be sufficient to protect health and safety of the public and may prohibit any unlicensed person from practicing any profession licensed, certified, registered or regulated by the licensing body.

EXPLANATIONS OF VOTE

MR. SPEAKER: My no vote reflects my dissatisfaction with our governor and segments of her administrative staff who have quietly placed faith based child care care in positions of over regulation and disadvantage. This can not continue period exclamation point! However, this bill benefits child care overall, therefore I respectfully request to change my vote to yes on **HB 2045** to help the children. – TIMOTHY JOHNSON

MR. SPEAKER: I vote Nay on the conference committee report brief on **HB 2045**. I oppose it for three reasons. 1.) Rather than seeking to outsource young children's care to paid professionals, policy should seek to help parents spend more time caring for their children themselves, especially in the first five years of life. 2.) No child-care providers have contacted me in support. 3.) I have grown weary of voting on conference committee reports, rather than bills. More time should be granted for all members and their constituents to fully digest policy bills. – STEVEN HOWE

MR. SPEAKER: I vote no on **HB 2045**. I strongly support the creation of the Office of Early Childhood and will work with the administration and others to ensure its success. However, I cannot support the provisions in this bill related to vaccines for children in child care and unlicensed care. I will continue to advocate for every family who needs child care to have access to affordable and high-quality care for their young children. – SUZANNE WIKLE, LINDA FEATHERSTON, SILAS MILLER, ANGELA MARTINEZ, LYNN MELTON, MELISSA OROPEZA, RUI XU, JERRY STOGSDILL, LINDSAY VAUGHN

MR. SPEAKER: As a strong supporter of early childhood initiatives, I vote yes on the motion to adopt the CCR for **HB 2045**. While I have some concerns about inadequate vaccination requirements, this bill streamlines agencies to provide increased availability and investment in childcare will enable more parents to enter the workforce. Dollars spent on early childhood development are always wise investments. – NIKKI McDONALD

CONFERENCE COMMITTEE REPORT

MR. SPEAKER and MR. PRESIDENT: Your committee on conference on Senate amendments to **HB 2231** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 1, following line 11, by inserting:

(a) At the end of fiscal year 2028, the director of the budget, in consultation with the director of legislative research, shall certify the amount of actual corporate income tax receipt revenues generated pursuant to K.S.A. 79-32,110(c), and amendments thereto, that is in excess of the prior fiscal year's corporate income tax receipts. The certified amount shall be computed in dollars by the secretary for a reduction rounded down to the nearest 0.1% in the corporate income tax rate, if any, to go into effect for the next tax year that would reduce the corporate income tax rate in an amount approximately equal to the amount computed by the secretary. The secretary shall reduce the normal tax on corporations. Such rate reductions shall remain in effect unless further reduced pursuant to law.

(b) The secretary shall publish by October 1, 2028, the new income tax rates to take effect for all taxable years commencing after December 31, 2028.

(b) The initial exemption request shall identify the property for which the exemption is requested and state, in detail, the legal and factual basis for the exemption claimed.

(c) The request for exemption shall be filed with the county appraiser of the county

where such property is principally located.

(d) After a review of the exemption request, and after a preliminary examination of the facts as alleged, the county appraiser shall recommend that the exemption request either be granted or denied, and, if necessary, that a hearing be held. If a denial is recommended, a statement of the controlling facts and law relied upon shall be included on the form.

(e) The county appraiser, after making such written recommendation, shall file the request for exemption and the recommendations of the county appraiser with the state board of tax appeals. With regard to a request for exemption from property tax pursuant to the provisions of K.S.A. 79-201g and 82a-409, and amendments thereto, not filed with the board of tax appeals by the county appraiser on or before the effective date of this act, if the county appraiser recommends the exemption request be granted, the exemption shall be provided in the amount recommended by the county appraiser and the county appraiser shall not file the request for exemption and recommendations of the county appraiser with the state board of tax appeals. The county clerk or county assessor shall annually make such adjustment in the taxes levied against the real property as the owner may be entitled to receive under the provisions of K.S.A. 79-201g, and amendments thereto, as recommended by the county appraiser, beginning with the first period, following the date of issue of the certificate of completion on which taxes are regularly levied, and during the years which the landowner is entitled to such adjustment.

(f) Upon receipt of the request for exemption, the board shall docket the same and notify the applicant and the county appraiser of such fact.

(g) After examination of the request for exemption and the county appraiser's recommendation related thereto, the board may fix a time and place for hearing, and shall notify the applicant and the county appraiser of the time and place so fixed. A request for exemption pursuant to: (1) Section 13 of article 11 of the constitution of the state of Kansas; or (2) K.S.A. 79-201a *Second*, and amendments thereto, for property constructed or purchased, in whole or in part, with the proceeds of revenue bonds under the authority of K.S.A. 12-1740 through 12-1749, and amendments thereto, prepared in accordance with instructions and assistance which shall be provided by the department of commerce, shall be deemed approved unless scheduled for hearing within 30 days after the date of receipt of all required information and data relating to the request for exemption, and such hearing shall be conducted within 90 days after such date. The provisions of this subsection shall be applicable to all requests for exemptions filed in accordance with subsection (a) after June 30, 2017.

Sec. 4. K.S.A. 79-1129 is hereby amended to read as follows: 79-1129. (a) Except as otherwise specifically provided, a financial institution whose business activity is taxable both within and without this state shall allocate and apportion its net income as provided in this act. All items of nonbusiness income, income which is not includable in the apportionable income tax base, shall be allocated pursuant to the provisions of

K.S.A. 79-3274 through 79-3278 and amendments thereto. A financial institution organized under the laws of a foreign country, the commonwealth of Puerto Rico, or a territory or possession of the United States whose effectively connected income, as defined under the federal internal revenue code, is taxable both within this state and within another state, other than the state in which it is organized, shall allocate and apportion its net income as provided in this act and its apportionment factors shall include the part of its property, payroll and receipts that is related to its apportionable income.

(b)(1) For taxable years commencing prior to January 1, 2027, all business income shall be apportioned as follows:

All business income, income which is includable in the apportionable income tax base, shall be apportioned to this state by multiplying such income by the apportionment percentage. The apportionment percentage is determined by adding the taxpayer's receipts factor, as described in K.S.A. 79-1130, and amendments thereto, property factor, as described in K.S.A. 79-1131, and amendments thereto, and payroll factor, as described in K.S.A. 79-1132, and amendments thereto, together and dividing the sum by three. If one of the factors is missing, the two remaining factors are added and the sum is divided by two. If two of the factors are missing, the remaining factor is the apportionment percentage. A factor is missing if both its numerator and denominator are zero, but it is not missing merely because its numerator is zero.

(2) For tax years commencing on or after January 1, 2027, all business income shall be apportioned to this state by multiplying the business income by the receipts factor.

(c) Each factor shall be computed according to the method of accounting, cash or accrual basis, used by the taxpayer for the taxable year.

(d) If the allocation and apportionment provisions of this act do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the secretary of revenue may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

- (1) Separate accounting;
- (2) the exclusion of any one or more of the factors;
- (3) the inclusion of one or more additional factors which will fairly represent the taxpayer's business activity in this state; or
- (4) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(e) In the event a combined report is utilized to determine the Kansas income attributable to a unitary group of financial institutions, the financial institutions in the combined group shall include only those institutions which have a branch or office in Kansas.

(f)(1) There shall be allowed as a deduction an amount computed in accordance with this subsection.

(2) As of July 1, 2025, only publicly traded companies, including affiliated corporations participating in the filing of a publicly traded company's financial statements prepared in accordance with generally accepted accounting principles, shall be eligible for this deduction.

(3) If the provisions of this section result in an aggregate increase in the taxpayer's net deferred tax liability or an aggregate decrease in the taxpayer's net deferred tax asset, or an aggregate change from a net deferred tax asset to a net deferred tax liability,

the taxpayer shall be entitled to a deduction, as determined in this subsection. For the purposes of this section, the term "taxpayer" includes a unitary group of businesses that is required to file a combined report. The deferred tax impact deduction provided under this section for a unitary group of businesses that is required to file a combined report shall be calculated using unitary net deferred tax assets and liabilities and deducted against unitary group income.

(4) A taxpayer shall be entitled to a deferred tax impact deduction from the taxpayer's net business income before apportionment equal to the amount necessary to offset the increase in the net deferred tax liability or decrease in the net deferred tax asset, or aggregate change from a net deferred tax asset to a net deferred tax liability. Such increase in the net deferred tax liability, decrease in the net deferred tax asset or the aggregate change from a net deferred tax asset to a net deferred tax liability shall be computed based on the change that would result from the imposition of the single sales factor requirements pursuant to this section, excluding the deduction provided under this paragraph, as of the end of the tax year prior to tax year 2025. The amount of the deduction shall equal the annual deferred tax deduction amount set forth in paragraph (5).

(5) The annual deferred tax deduction amount shall be calculated as follows:

(A) The deferred tax impact determined in paragraph (4) shall be divided by the privilege tax rate in effect for the tax year pursuant to K.S.A. 79-1107 and 79-1108, and amendments thereto;

(B) the resulting amount shall be further divided by the Kansas apportionment factor that was used by the taxpayer in the calculation of the deferred tax assets and deferred tax liabilities as provided in this subsection; and

(C) the result multiplied by $\frac{1}{10}$ shall represent the total net deferred tax deduction available for the first tax year beginning on or after January 1, 2035, and the next nine successive tax years.

(6) The deduction calculated under paragraph (5) shall not be adjusted as a result of any events subsequent to such calculation, including, but not limited to, any disposition or abandonment of assets. Such deduction shall be calculated without regard to any tax liabilities under the federal internal revenue code and shall not alter the tax basis of any asset. If the deduction under this section is greater than the taxpayer's net business income before apportionment, any excess deduction shall be carried forward and applied as a deduction for future tax years until fully utilized.

(7) At the discretion of the taxpayer, the taxpayer shall be allowed to claim other available tax credits before claiming the deferred tax deduction calculated under this section. Any deferred tax deduction calculated under this section not claimed on a return shall be carried forward and applied as a deduction for future tax years until fully utilized.

(8) Any taxpayer intending to claim a deduction under this subsection shall file a statement with the secretary on or before July 1, 2027, specifying the total amount of the deduction that the taxpayer claims. The statement shall be made on such form and in such manner as prescribed by the secretary and shall contain such information or calculations as the secretary may specify. No deduction shall be allowed under this section for any taxable year except to the extent claimed in the manner prescribed on or before July 1, 2027.

(9) For purposes of this subsection:

(A) "Net deferred tax liability" means deferred tax liabilities that exceed the deferred tax assets of the taxpayer, as computed in accordance with generally accepted accounting principles.

(B) "Net deferred tax asset" means that deferred tax assets exceed the deferred tax liabilities of the taxpayer, as computed in accordance with generally accepted accounting principles.

Sec. 5. K.S.A. 79-3279 is hereby amended to read as follows: 79-3279. (a) For tax years commencing before January 1, 2027, all business income of railroads and interstate motor carriers of persons or property ~~for hire~~ for hire shall be apportioned to this state by multiplying the business income by a fraction, in the case of railroads, the numerator of which is the freight car miles in this state and the denominator of which is the freight car miles everywhere, and, in the case of interstate motor carriers, the numerator of which is the total number of miles operated in this state and the denominator of which is the total number of miles operated everywhere.

(b) For tax years commencing before January 1, 2027, all business income of any other taxpayer shall be apportioned to this state by one of the following methods:

(1) By multiplying the business income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three; or

(2) at the election of a qualifying taxpayer, by multiplying the business income by a fraction, the numerator of which is the property factor plus the sales factor, and the denominator of which is two.

(A) For purposes of this subsection (b)(2), a qualifying taxpayer is any taxpayer whose payroll factor for a taxable year exceeds 200% of the average of the property factor and the sales factor. Whenever two or more corporations are engaged in a unitary business and required to file a combined report, the fraction comparison provided by this subsection (b)(2) shall be calculated by using the payroll factor, property factor and sales factor of the combined group of unitary corporations.

(B) An election under this subsection (b)(2) shall be made by including a statement with the original tax return indicating that the taxpayer elects to apply the apportionment method under this subsection (b)(2). The election shall be effective and irrevocable for the taxable year of the election and the following nine taxable years. The election shall be binding on all members of a unitary group of corporations. Notwithstanding the above, the secretary of revenue may upon the request of the taxpayer, grant permission to terminate the election under this subsection (b)(2) prior to expiration of the ten-year period.

(3) At the election of a qualifying telecommunications company, by multiplying the business income by a fraction, the numerator of which is the information carrying capacity of wire and fiber optic cable available for use in this state, and the denominator of which is the information carrying capacity of wire and fiber optic cable available for use everywhere during the tax year.

(A) For purposes of this subsection (b)(3), a qualifying telecommunications company is a telecommunications company that is a qualifying taxpayer under ~~paragraph (A) of subsection (b)(2)~~ (b)(2)(A).

(B) A qualifying telecommunications company shall make the election under this ~~subsection (b)(3) paragraph~~ subsection (b)(3) paragraph in the same manner as provided under ~~paragraph (B) of subsection (b)(2)~~ (b)(2)(B).

(4) At the election of a distressed area taxpayer, by multiplying the business income by the sales factor. The election shall be made by including a statement with the original tax return indicating that the taxpayer elects to apply this apportionment method. The election may be made only once, it must be made on or before December 31, 1999 and it shall be effective for the taxable year of the election and the following nine taxable years for so long as the taxpayer maintains the payroll amount prescribed by ~~subsection (i) of K.S.A. 79-3271(j)~~, and amendments thereto.

(5) At the election of the taxpayer made at the time of filing of the original return, the qualifying business income of any investment funds service corporation organized as a corporation or S corporation which maintains its primary headquarters and operations or is a branch facility that employs at least 100 individuals on a full-time equivalent basis in this state and has any investment company fund shareholders resided in this state shall be apportioned to this state as provided in this subsection, as follows:

(A) By multiplying the investment funds service corporation's qualifying business income from administration, distribution and management services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company's fund shareholders resided in this state at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company's fund shareholders everywhere at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year.

(B) A separate computation shall be made to determine the qualifying business income from each fund of each investment company. The qualifying business income from each investment company shall be multiplied by the fraction calculated pursuant to paragraph (A) for each fund of such investment company.

(C) The qualifying portion of total business income of an investment funds service corporation shall be determined by multiplying such total business income by a fraction, the numerator of which is the gross receipts from the provision of management, distribution and administration services to or on behalf of an investment company, and the denominator of which is the gross receipts of the investment funds service company. To the extent an investment funds service corporation has business income that is not qualifying business income, such business income shall be apportioned to this state pursuant to subsection (b)(1).

(D) For tax year 2002, the tax liability of an investment funds service corporation that has elected to apportion its business income pursuant to paragraph (5) shall be increased by an amount equal to 50% of the difference of the amount of such tax liability if determined pursuant to subsection (b)(1) less the amount of such tax liability determined with regard to paragraph (5).

(E) When an investment funds service corporation is part of a unitary group, the business income of the unitary group attributable to the investment funds service corporation shall be determined by multiplying the business income of the unitary group by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three. The property factor is a fraction, the numerator of which is the average value of the investment funds service

corporation's real and tangible personal property owned or rented and used during the tax period and the denominator of which is the average value of the unitary group's real and tangible personal property owned or rented and used during the tax period. The payroll factor is a fraction, the numerator of which is the total amount paid during the tax period by the investment funds service corporation for compensation, and the denominator of which is the total compensation paid by the unitary group during the tax period. The sales factor is a fraction, the numerator of which is the total sales of the investment funds service corporation during the tax period, and the denominator of which is the total sales of the unitary group during the tax period.

(F) A taxpayer seeking to make the election available pursuant to subsection (b)(5) ~~of K.S.A. 79-3279, and amendments thereto,~~ shall only be eligible to continue to make such election if the taxpayer maintains at least 95% of the Kansas employees in existence at the time the taxpayer first makes such an election.

(6) At the election of a qualifying taxpayer, by multiplying such taxpayer's business income by the sales factor. The election shall be made by including a statement with the original tax return indicating that the taxpayer elects to apply this apportionment method. The election may be made only once and must be made on or before the last day of the taxable year during which the investment described in paragraph (A) is placed in service, but not later than December 31, 2009, and it shall be effective for the taxable year of the election and the following nine taxable years or for so long as the taxpayer maintains the wage requirements set forth in paragraph (A). If the qualifying taxpayer is a member of a unitary group of corporations, all other members of the unitary group doing business within this state shall apportion their business income to this state pursuant to subsection (b)(1).

(A) For purposes of this subsection, a qualifying taxpayer is any taxpayer making an investment of \$100,000,000 for construction in Kansas of a new business facility identified under the North American industry classification system (NAICS) subsectors of 31-33, as assigned by the secretary of the department of labor, employing 100 or more new employees at such facility after July 1, 2007, and prior to December 31, 2009, and meeting the following requirements for paying such employees higher-than-average wages within the wage region for such facility:

(i) The taxpayer's new Kansas business facility with 500 or fewer full-time equivalent employees will provide an average wage that is above the average wage paid by all Kansas business facilities that share the same assigned NAICS category used to develop wage thresholds and that have reported 500 or fewer employees to the Kansas department of labor on the quarterly wage reports;

(ii) the taxpayer's new Kansas business facility with 500 or fewer full-time equivalent employees is the sole facility within its assigned NAICS category that has reported wages for 500 or fewer employees to the Kansas department of labor on the quarterly wage reports;

(iii) the taxpayer's new Kansas business facility with more than 500 full-time equivalent employees will provide an average wage that is above the average wage paid by all Kansas business facilities that share the same assigned NAICS category used to develop wage thresholds and that have reported more than 500 employees to the Kansas department of labor on the quarterly wage reports;

(iv) the taxpayer's new Kansas business facility with more than 500 full-time equivalent employees is the sole facility within its assigned NAICS category that has

reported wages for more than 500 employees to the Kansas department of labor on the quarterly wage reports, in which event it shall either provide an average wage that is above the average wage paid by all Kansas business facilities that share the same assigned NAICS category and that have reported wages for 500 or fewer employees to the Kansas department of labor on the quarterly wage reports, or be the sole Kansas business facility within its assigned NAICS category that has reported wages to the Kansas department of labor on the quarterly wage reports;

(v) the number of NAICS digits to use in developing each set of wage thresholds for comparison purposes shall be determined by the secretary of commerce;

(vi) the composition of wage regions used in connection with each set of wage thresholds shall be determined by the secretary of commerce; and

(vii) alternatively, a taxpayer may wage-qualify its new Kansas business facility if, after excluding the headcount and wages reported on the quarterly wage reports to the Kansas department of labor for employees at that new Kansas business facility who own five percent or more equity in the taxpayer, the average wage calculated for the taxpayer's new Kansas business facility is greater than or equal to 1.5 times the aggregate state-wide average wage paid by industries covered by the employment security law based on data maintained by the secretary of labor.

(B) For the purposes of the wage requirements in paragraph (A), the number of full-time equivalent employees shall be determined by dividing the number of hours worked by part-time employees during the pertinent measurement interval by an amount equal to the corresponding multiple of a 40-hour work week and adding the quotient to the average number of full-time employees.

(C) When the qualifying taxpayer is part of a unitary group, the business income of the unitary group attributable to the qualifying taxpayer shall be determined by multiplying the business income of the unitary group by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three. The property factor is a fraction, the numerator of which is the average value of the qualifying taxpayer's real and tangible personal property owned or rented and used during the tax period and the denominator of which is the average value of the unitary group's real and tangible personal property owned or rented and used during the tax period. The payroll factor is a fraction, the numerator of which is the total amount paid during the tax period by the qualifying taxpayer for compensation, and the denominator of which is the total compensation paid by the unitary group during the tax period. The sales factor is a fraction, the numerator of which is the total sales of the qualifying taxpayer during the tax period, and the denominator of which is the total sales of the unitary group during the tax period.

(D) For purposes of this subsection, the secretary of revenue, upon a showing of good cause and after receiving a certification by the secretary of commerce of substantial compliance with provisions of this subsection (b)(6), may extend any required performance date provided in this subsection (b)(6) for a period not to exceed six months.

(e) For tax years commencing on or after January 1, 2027, all business income shall be apportioned to this state by multiplying the business income by the sales factor.

(d) Any taxpayer having previously made an election pursuant to subsection (b)(2) shall be permitted to apportion income through the use of the single sales factor.

(e) (1) There shall be allowed as a deduction an amount computed in accordance

with this subsection.

(2) As of July 1, 2025, only publicly traded companies, including affiliated corporations participating in the filing of a publicly traded company's financial statements prepared in accordance with generally accepted accounting principles, shall be eligible for this deduction.

(3) If the provisions of this section result in an aggregate increase in the taxpayer's net deferred tax liability or an aggregate decrease in the taxpayer's net deferred tax asset, or an aggregate change from a net deferred tax asset to a net deferred tax liability, the taxpayer shall be entitled to a deduction, as determined in this subsection. For the purposes of this section, the term "taxpayer" includes a unitary group of businesses that is required to file a combined report. The deferred tax impact deduction provided under this section for a unitary group of businesses that is required to file a combined report shall be calculated using unitary net deferred tax assets and liabilities and deducted against unitary group income.

(4) A taxpayer shall be entitled to a deferred tax impact deduction from the taxpayer's net business income before apportionment equal to the amount necessary to offset the increase in the net deferred tax liability or decrease in the net deferred tax asset, or aggregate change from a net deferred tax asset to a net deferred tax liability. Such increase in the net deferred tax liability, decrease in the net deferred tax asset or the aggregate change from a net deferred tax asset to a net deferred tax liability shall be computed based on the change that would result from the imposition of the single sales factor requirements pursuant to this section, excluding the deduction provided under this paragraph, as of the end of the tax year prior to tax year 2025. The amount of the deduction shall equal the annual deferred tax deduction amount set forth in paragraph (5).

(5) The annual deferred tax deduction amount shall be calculated as follows:

(A) The deferred tax impact determined in paragraph (4) shall be divided by the income tax rate for corporations in effect for the tax year pursuant to K.S.A. 79-32,110, and amendments thereto;

(B) the resulting amount shall be further divided by the Kansas apportionment factor that was used by the taxpayer in the calculation of the deferred tax assets and deferred tax liabilities as provided in this subsection; and

(C) the result multiplied by $\frac{1}{10}$ shall represent the total net deferred tax deduction available for the first tax year beginning on or after January 1, 2035, and the next nine successive tax years.

(6) The deduction calculated under paragraph (5) shall not be adjusted as a result of any events subsequent to such calculation, including, but not limited to, any disposition or abandonment of assets. Such deduction shall be calculated without regard to any tax liabilities under the federal internal revenue code and shall not alter the tax basis of any asset. If the deduction under this section is greater than the taxpayer's net business income before apportionment, any excess deduction shall be carried forward and applied as a deduction for future tax years until fully utilized.

(7) At the discretion of the taxpayer, the taxpayer shall be allowed to claim other available tax credits before claiming the deferred tax deduction calculated under this section. Any deferred tax deduction calculated under this section not claimed on a return shall be carried forward and applied as a deduction for future tax years until fully utilized.

(8) Any taxpayer intending to claim a deduction under this subsection shall file a statement with the secretary on or before July 1, 2027, specifying the total amount of the deduction that the taxpayer claims on such form and in such manner as prescribed by the secretary and shall contain such information or calculations as the secretary may specify. No deduction shall be allowed under this section for any taxable year except to the extent claimed in the manner prescribed on or before July 1, 2027.

If the state or states of assignment of receipts or net gains cannot be reasonably approximated, such assignment of receipts shall be excluded from the denominator of the sales factor.

Each party state and subdivision thereof may make the same election available to taxpayers additional to those specified in this paragraph.

(3) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if (1) in that state he is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax, or (2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

(4) Rents and royalties from real or tangible personal property, capital gains, interest, dividends or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in paragraphs 5 through 8 of this article.

(5) (a) Net rents and royalties from real property located in this state are allocable to this state.

(b) Net rents and royalties from tangible personal property are allocable to this state: (1) If and to the extent that the property is utilized in this state, or (2) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(c) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(6) (a) Capital gains and losses from sales of real property located in this state are allocable to this state.

(b) Capital gains and losses from sales of tangible personal property are allocable to this state if (1) the property had a situs in this state at the time of the sale, or (2) the

taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(c) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(7) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

(8) (a) Patent and copyright royalties are allocable to this state: (1) If and to the extent that the patent or copyright is utilized by the payer in this state, or (2) if and to the extent that the patent copyright is utilized by the payer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(b) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(c) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(9) All business income shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three.

(10) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period.

(11) Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals.

(12) The average value of property shall be determined by averaging the values at the beginning and ending of the tax period but the tax administrator may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property.

(13) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the tax period by the taxpayer for compensation and the denominator of which is the total compensation paid everywhere during the tax period.

(14) Compensation is paid in this state if:

(a) The individual's service is performed entirely within the state;

(b) The individual's service is performed both within and without the state, but the service performed without the state is incidental to the individual's service within the state; or

(c) Some of the service is performed in the state and (1) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in the state, or (2) the base of operations or the place from which the service is

directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state.

(15) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the tax period, and the denominator of which is the total sales of the taxpayer everywhere during the tax period.

(16) Sales of tangible personal property are in this state if:

(a) The property is delivered or shipped to a purchaser, other than the United States government, within this state regardless of the f.o.b. point or other conditions of the sale; or

(b) The property is shipped from an office, store, warehouse, factory, or other place of storage in this state and (1) the purchaser is the United States government or (2) the taxpayer is not taxable in the state of the purchaser.

(17) Sales, other than sales of tangible personal property, are in this state if:

(a) The income-producing activity is performed in this state; or

(b) The income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(18) If the allocation and apportionment provisions of this article do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the tax administrator may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

(a) Separate accounting;

(b) The exclusion of any one or more of the factors;

(c) The inclusion of one or more additional factors which will fairly represent the taxpayer's business activity in this state; or

(d) The employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

ARTICLE V.—Elements of Sales and Use Tax Laws

(1) *Tax credit.* Each purchaser liable for a use tax on tangible personal property shall be entitled to full credit for the combined amount or amounts of legally imposed sales or use taxes paid by him with respect to the same property to another state and any subdivision thereof. The credit shall be applied first against the amount of any use tax due the state, and any unused portion of the credit shall then be applied against the amount of any use tax due a subdivision.

(2) *Exemption certificates, vendors may rely.* Whenever a vendor receives and accepts in good faith from a purchaser a resale or other exemption certificate or other written evidence of exemption authorized by the appropriate state or subdivision taxing authority, the vendor shall be relieved of liability for a sales or use tax with respect to the transaction.

ARTICLE VI.—The Commission

(1) *Organization and management.* (a) The multistate tax commission is hereby established. It shall be composed of one "member" from each party state who shall be the head of the state agency charged with the administration of the types of taxes to which this compact applies. If there is more than one such agency the state shall provide

by law for the selection of the commission member from the heads of the relevant agencies. State law may provide that a member of the commission be represented by an alternate but only if there is on file with the commission written notification of the designation and identity of the alternate. The attorney general of each party state or his designee, or other counsel if the laws of the party state specifically provide, shall be entitled to attend the meetings of the commission, but shall not vote. Such attorneys general, designees, or other counsel shall receive all notices of meetings required under paragraph (1) (e) of this article.

(b) Each party state shall provide by law for the selection of representatives from its subdivisions affected by this compact to consult with the commission member from that state.

(c) Each member shall be entitled to one vote. The commission shall not act unless a majority of the members are present, and no action shall be binding unless approved by a majority of the total number of members.

(d) The commission shall adopt an official seal to be used as it may provide.

(e) The commission shall hold an annual meeting and such other regular meetings as its bylaws may provide and such special meetings as its executive committee may determine. The commission bylaws shall specify the dates of the annual and any other regular meetings, and shall provide for the giving of notice of annual, regular and special meetings. Notices of special meetings shall include the reasons therefor and an agenda of the items to be considered.

(f) The commission shall elect annually, from among its members, a chairman, a vice-chairman and a treasurer. The commission shall appoint an executive director who shall serve at its pleasure, and it shall fix his duties and compensation. The executive director shall be secretary of the commission. The commission shall make provision for the bonding of such of its officers and employees as it may deem appropriate.

(g) Irrespective of the civil service, personnel or other merit system laws of any party state, the executive director shall appoint or discharge such personnel as may be necessary for the performance of the functions of the commission and shall fix their duties and compensation. The commission bylaws shall provide for personnel policies and programs.

(h) The commission may borrow, accept or contract for the services of personnel from any state, the United States, or any other governmental entity.

(i) The commission may accept for any of its purposes and functions any and all donations and grants of money, equipment, supplies, materials and services, conditional or otherwise, from any governmental entity, and may utilize and dispose of the same.

(j) The commission may establish one or more offices for the transacting of its business.

(k) The commission shall adopt bylaws for the conduct of its business. The commission shall publish its bylaws in convenient form, and shall file a copy of the bylaws and any amendments thereto with the appropriate agency or officer in each of the party states.

(l) The commission annually shall make to the governor and legislature of each party state a report covering its activities for the preceding year. Any donation or grant accepted by the commission or services borrowed shall be reported in the annual report of the commission, and shall include the nature, amount and conditions, if any, of the donation, gift, grant or services borrowed and the identity of the donor or lender. The

commission may make additional reports as it may deem desirable.

(2) *Committees.* (a) To assist in the conduct of its business when the full commission is not meeting, the commission shall have an executive committee of seven members, including the chairman, vice-chairman, treasurer and four other members elected annually by the commission. The executive committee, subject to the provisions of this compact and consistent with the policies of the commission, shall function as provided in the laws of the commission.

(b) The commission may establish advisory and technical committees, membership on which may include private persons and public officials, in furthering any of its activities. Such committees may consider any matter of concern to the commission, including problems of special interest to any party state and problems dealing with particular types of taxes.

(c) The commission may establish such additional committees as its bylaws may provide.

(3) *Powers.* In addition to powers conferred elsewhere in this compact, the commission shall have power to:

(a) Study state and local tax systems and particular types of state and local taxes.

(b) Develop and recommend proposals for an increase in uniformity or compatibility of state and local tax laws with a view toward encouraging the simplification and improvement of state and local tax law and administration.

(c) Compile and publish information as in its judgment would assist the party states in implementation of the compact and taxpayers in complying with state and local tax laws.

(d) Do all things necessary and incidental to the administration of its functions pursuant to this compact.

(4) *Finance.* (a) The commission shall submit to the governor or designated officer or officers of each party state a budget of its estimated expenditures for such period as may be required by the laws of that state for presentation to the legislature thereof.

(b) Each of the commission's budget of estimated expenditures shall contain specific recommendations of the amounts to be appropriated by each of the party states. The total amount of appropriations requested under any such budget shall be apportioned among the party states as follows: One-tenth in equal shares; and the remainder in proportion of the amount of revenue collected by each party state and its subdivisions from income taxes, capital stock taxes, gross receipts taxes, sales and use taxes. In determining such amounts, the commission shall employ such available public sources of information as, in its judgment, present the most equitable and accurate comparisons among the party states. Each of the commission's budgets of estimated expenditures and requests for appropriations shall indicate the sources used in obtaining information employed in applying the formula contained in this paragraph.

(c) The commission shall not pledge the credit of any party state. The commission may meet any of its obligations in whole or in part with funds available to it under paragraph (1) (i) of this article: *Provided*, That the commission takes specific action setting aside such funds prior to incurring any obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it under paragraph (1) (i), the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.

(d) The commission shall keep accurate accounts of all receipts and disbursements.

The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. All receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the commission.

(e) The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the party states and by any persons authorized by the commission.

(f) Nothing contained in this article shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the commission.

ARTICLE VII.—Uniform Regulations and Forms

(1) Whenever any two or more party states, or subdivisions of party states, have uniform or similar provisions of law relating to an income tax, capital stock tax, gross receipts tax, sales or use tax, the commission may adopt uniform regulations for any phase of the administration of such law, including assertion of jurisdiction to tax, or prescribing uniform tax forms. The commission may also act with respect to the provisions of article IV of this compact.

(2) Prior to the adoption of any regulation, the commission shall:

(a) As provided in its bylaws, hold at least one public hearing on due notice to all affected party states and subdivisions thereof and to all taxpayers and other persons who have made timely request of the commission for advance notice of its regulation-making proceedings.

(b) Afford all affected party states and subdivisions and interested persons an opportunity to submit relevant written data and views, which shall be considered fully by the commission.

(3) The commission shall submit any regulations adopted by it to the appropriate officials of all party states and subdivisions to which they might apply. Each such state and subdivision shall consider any such regulation for adoption in accordance with its own laws and procedures.

ARTICLE VIII.—Interstate Audits

(1) This article shall be in force only in those party states that specifically provide therefor by statute.

(2) Any party state or subdivision thereof desiring to make or participate in an audit of any accounts, books, papers, records or other documents may request the commission to perform the audit on its behalf. In responding to the request, the commission shall have access to and may examine, at any reasonable time, such accounts, books, papers, records, and other documents and any relevant property or stock of merchandise. The commission may enter into agreements with party states or their subdivisions for assistance in performance of the audit. The commission shall make charges, to be paid by the state or local government or governments for which it performs the service, for any audits performed by it in order to reimburse itself for the actual costs incurred in making the audit.

(3) The commission may require the attendance of any person within the state

where it is conducting an audit or part thereof at a time and place fixed by it within such state for the purpose of giving testimony with respect to any account, book, paper, document, other record, property or stock of merchandise being examined in connection with the audit. If the person is not within the jurisdiction, he may be required to attend for such purpose at any time and place fixed by the commission within the state of which he is a resident: *Provided*, That such state has adopted this article.

(4) The commission may apply to any court having power to issue compulsory process for orders in aid of its powers and responsibilities pursuant to this article and any and all such courts shall have jurisdiction to issue such orders. Failure of any person to obey any such order shall be punishable as contempt of the issuing court. If the party or subject matter on account of which the commission seeks an order is within the jurisdiction of the court to which application is made, such application may be to a court in the state or subdivision on behalf of which the audit is being made or a court in the state in which the object of the order being sought is situated. The provisions of this paragraph apply only to courts in a state that has adopted this article.

(5) The commission may decline to perform any audit requested if it finds that its available personnel or other resources are insufficient for the purpose or that, in the terms requested, the audit is impracticable of satisfactory performance. If the commission, on the basis of its experience, has reason to believe that an audit of a particular taxpayer, either at a particular time or on a particular schedule, would be of interest to a number of party states or their subdivisions, it may offer to make the audit or audits, the offer to be contingent on sufficient participation therein as determined by the commission.

(6) Information obtained by any audit pursuant to this article shall be confidential and available only for tax purposes to party states, their subdivisions or the United States. Availability of information shall be in accordance with the laws of the states or subdivisions on whose account the commission performs the audit, and only through the appropriate agencies or officers of such states or subdivisions. Nothing in this article shall be construed to require any taxpayer to keep records for any period not otherwise required by law.

(7) Other arrangements made or authorized pursuant to law for cooperative audit by or on behalf of the party states or any of their subdivisions are not superseded or invalidated by this article.

(8) In no event shall the commission make any charge against a taxpayer for an audit.

(9) As used in this article, "tax," in addition to the meaning ascribed to it in article II, means any tax or license fee imposed in whole or in part for revenue purposes.

ARTICLE IX.—Arbitration

(1) Whenever the commission finds a need for settling disputes concerning apportionments and allocations by arbitration, it may adopt a regulation placing this article in effect, notwithstanding the provisions of article VII.

(2) The commission shall select and maintain an arbitration panel composed of officers and employees of state and local governments and private persons who shall be knowledgeable and experienced in matters of tax law and administration.

(3) Whenever a taxpayer who has elected to employ article IV, or whenever the laws of the party state or subdivision thereof are substantially identical with the relevant

provisions of article IV, the taxpayer, by written notice to the commission and to each party state or subdivision thereof that would be affected, may secure arbitration of an apportionment or allocation, if he is dissatisfied with the final administrative determination of the tax agency of the state or subdivision with respect thereto on the ground that it would subject him to double or multiple taxation by two or more party states or subdivisions thereof. Each party state and subdivision thereof hereby consents to the arbitration as provided herein, and agrees to be bound thereby.

(4) The arbitration board shall be composed of one person selected by the taxpayer, one by the agency or agencies involved, and one member of the commission's arbitration panel. If the agencies involved are unable to agree on the person to be selected by them, such person shall be selected by lot from the total membership of the arbitration panel. The two persons selected for the board in the manner provided by the foregoing provisions of this paragraph shall jointly select the third member of the board. If they are unable to agree on the selection, the third member shall be selected by lot from among the total membership of the arbitration panel. No member of a board selected by lot shall be qualified to serve if he is an officer or employee or is otherwise affiliated with any party to the arbitration proceeding. Residence within the jurisdiction of a party to the arbitration proceeding shall not constitute affiliation within the meaning of this paragraph.

(5) The board may sit in any state or subdivision party to the proceeding, in the state of the taxpayer's incorporation, residence or domicile, in any state where the taxpayer does business, or in any place that it finds most appropriate for gaining access to evidence relevant to the matter before it.

(6) The board shall give due notice of the times and places of its hearings. The parties shall be entitled to be heard, to present evidence, and to examine and cross-examine witnesses. The board shall act by majority vote.

(7) The board shall have power to administer oaths, take testimony, subpoena and require the attendance of witnesses and the production of accounts, books, papers, records, and other documents, and issue commissions to take testimony. Subpoenas may be signed by any member of the board. In case of failure to obey a subpoena, and upon application by the board, any judge of a court of competent jurisdiction of the state in which the board is sitting or in which the person to whom the subpoena is directed may be found may make an order requiring compliance with the subpoena, and the court may punish failure to obey the order as a contempt. The provisions of this paragraph apply only in states that have adopted this article.

(8) Unless the parties otherwise agree the expenses and other costs of the arbitration shall be assessed and allocated among the parties by the board in such manner as it may determine. The commission shall fix a schedule of compensation for members of arbitration boards and of other allowable expenses and costs. No officer or employee of a state or local government who serves as a member of a board shall be entitled to compensation therefor unless he is required on account of his service to forego the regular compensation attaching to his public employment, but any such board member shall be entitled to expenses.

(9) The board shall determine the disputed apportionment or allocation and any matters necessary thereto. The determinations of the board shall be final for purposes of making the apportionment or allocation, but for no other purpose.

(10) The board shall file with the commission and with each tax agency represented

in the proceeding: The determination of the board; the board's written statement of its reasons therefor; the record of the board's proceedings; and any other documents required by the arbitration rules of the commission to be filed.

(11) The commission shall publish the determinations of boards together with the statements of the reasons therefor.

(12) The commission shall adopt and publish rules of procedure and practice and shall file a copy of such rules and of any amendment thereto with the appropriate agency or officer in each of the party states.

(13) Nothing contained herein shall prevent at any time a written compromise of any matter or matters in dispute, if otherwise lawful, by the parties to the arbitration proceeding.

ARTICLE X.—Entry Into Force and Withdrawal

(1) This compact shall enter into force when enacted into law by any seven states. Thereafter, this compact shall become effective as to any other state upon its enactment thereof. The commission shall arrange for notification of all party states whenever there is a new enactment of the compact.

(2) Any party state may withdraw from this compact by enacting a statute repealing the same. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

(3) No proceeding commenced before an arbitration board prior to the withdrawal of a state and to which the withdrawing state or any subdivision thereof is a party shall be discontinued or terminated by the withdrawal, nor shall the board thereby lose jurisdiction over any of the parties to the proceeding necessary to make a binding determination therein.

ARTICLE XI.—Effect on Other Laws and Jurisdiction

Nothing in this compact shall be construed to:

(a) Affect the power of any state or subdivision thereof to fix rates of taxation, except that a party state shall be obligated to implement article III (2) of this compact.

(b) Apply to any tax or fixed fee imposed for the registration of a motor vehicle or any tax on motor fuel, other than a sales tax: *Provided*, That the definition of "tax" in article VIII (9) may apply for the purposes of that article and the commission's powers of study and recommendation pursuant to article VI (3) may apply.

(c) Withdraw or limit the jurisdiction of any state or local court or administrative officer or body with respect to any person, corporation or other entity or subject matter, except to the extent that such jurisdiction is expressly conferred by or pursuant to this compact upon another agency or body.

(d) Supersede or limit the jurisdiction of any court of the United States.

ARTICLE XII.—Construction and Severability

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the

applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters.";

(pp) the board of county commissioners of Jackson county, for the purposes of K.S.A. 12-187(b)(41), and amendments thereto, may fix such rate at a percentage that is equal to the sum of the rate otherwise allowed pursuant to this section, plus 0.25%";

On page 19, in line 23, after "year" by inserting ", except that the apportionment pursuant to this provision shall not change between July 1, 2025, and December 31, 2026";

On page 21, in line 11, by striking the first "and" and inserting a comma; also in line 11, after "(39)" by inserting ", (40) and (41)";

On page 22, following line 9, by inserting:

"Sec. 4. K.S.A. 79-3651 is hereby amended to read as follows: 79-3651. (a) For the purpose of the proper administration of the Kansas retailers' sales tax act and to prevent evasion of the tax imposed thereunder, it shall be presumed that all gross receipts from the sale of tangible personal property or enumerated services are subject to tax until the contrary is established. The burden of proving that a sale is not subject to tax is upon the seller unless the seller takes from the purchaser an exemption certificate to the effect that the property or service purchased is not subject to tax.

(b) An exemption certificate shall relieve the seller from collecting and remitting tax if the seller has obtained the required identifying information as determined by the director, from the purchaser and the reason for claiming the exemption at the time of purchase and has maintained proper records of exempt transactions pursuant to

~~subsection (a)~~ of K.S.A. 79-3609(a), and amendments thereto, and provided them to the director when requested, except that no such relief from liability shall apply to a seller who: Fraudulently fails to collect the tax; solicits purchasers to participate in the unlawful claim of an exemption; accepts an exemption certificate claiming an entity based exemption when the subject of the transaction is actually received by the purchaser at a location operated by the seller and the director provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available. The seller shall obtain the same information for proof of a claimed exemption regardless of the medium in which the transaction occurred. The purchaser improperly claiming an exemption shall remain liable for the nonpayment of tax.

(c) The exemption certificate shall be substantially in such form as the director may prescribe. The seller shall use the standard form for claiming an exemption electronically as adopted by the director. A seller may require a purchaser to provide a copy of the purchaser's sales tax registration certificate with a resale certificate as a condition for honoring the purchaser's resale exemption claim, except that in the case of drop shipment sales into this state, the third party vendor may claim a resale exemption based on an exemption certificate provided by its customer, re-seller, or any other information acceptable to the secretary available to the third party vendor evidencing qualification for a resale exemption, regardless of whether the customer, re-seller, is registered to collect and remit sales and use tax in this state. A purchaser is not required to provide a signature to claim an exemption from tax unless a paper exemption certificate is used. A seller is relieved of liability for the tax otherwise applicable if it obtains a blanket exemption certificate for a purchaser with which the seller has a recurring business relationship. Such blanket certificate need not be renewed or updated by the seller for exemption certificate information or data elements when there is a recurring business relationship between the buyer and seller. For purposes of this subsection, a recurring business relationship exists when a period of no more than 12 months elapses between sales transactions.

(d) To lawfully present a resale exemption certificate the purchaser must be engaged in the business of selling property or services of the same kind that is purchased, hold a registration certificate, except as otherwise permitted in subsection (c) for drop shipment sales into this state, and at the time of purchase, either intend to resell the property in the regular course of business or be unable to ascertain whether the property will be resold or used for some other purpose. A resale exemption certificate may be used for resale of services to tangible personal property and not for services to real property.

(e) Any person who issues a resale certificate or other exemption certificate in order to unlawfully avoid payment of tax for business or personal gain shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than \$1,000 or imprisonment for not more than one year, or by both. In addition, if the director determines that a person issued a resale certificate in order to unlawfully avoid payment of tax for business or personal gain, the director shall increase any penalty that is due from the person under K.S.A. 79-3615, and amendments thereto, by \$250 or 10 times the tax due, whichever is greater, on each transaction where the misuse of a resale certificate occurred.

(f) Exemption certificates issued by an entity claiming a specific exemption under K.S.A. 79-3606, and amendments thereto, based on the status of the entity shall bear the

name, address of the entity and identification number issued to the entity pursuant to K.S.A. 79-3692, and amendments thereto. Such certificate shall be signed by an authorized person of the nonprofit entity, if in paper form, and contain the tax identification number of the entity. The certificate shall be substantially in such form as the director may prescribe. A seller may require that payments be made on an exempt entity's check, warrant, voucher or charged to the entity's account as a condition for honoring the entity's exemption claim.

(g) It shall be the duty of every person who purchases tangible personal property or services that are taxable under this act to pay the full amount of tax that is lawfully due to the retailer making the sale. Any person who willfully and intentionally refuses to pay such tax to the retailer shall be guilty of a misdemeanor and upon conviction shall be punished and fined as provided by ~~subsection (g)~~ of K.S.A. 79-3615(h), and amendments thereto.

(h) On and after July 1, 2024, notwithstanding any provisions to the contrary in this section or any other provision of law, purchasers claiming an exemption pursuant to K.S.A. 79-3606(rrrr), and amendments thereto, shall not be required to provide an exemption certificate or form to the seller, and the seller shall not be required to receive and maintain a completed exemption certificate or form for such exempt transactions. If the seller in the ordinary course of business believes that the service qualifies for the exemption pursuant to K.S.A. 79-3606(rrrr), and amendments thereto, the seller shall be relieved from collecting and remitting the tax and shall not have the burden of proving that the service is not subject to tax pursuant to subsection (a). A purchaser improperly claiming the exemption shall remain liable for the nonpayment of tax."

Also on page 22, in line 10, before "K.S.A." by inserting "K.S.A. 79-3651 and";

And by renumbering sections accordingly;

On page 1, in the title, in line 5, by striking "and" and inserting a comma; in line 7, after "operations" by inserting ", for Seward county for the purpose of financing the costs of roadway and bridge construction, maintenance and improvement in the county and for Jackson county for the purpose of supporting hospital services in the county; providing that countywide retailers' sales tax apportionment based on tangible property tax levies remain unchanged until December 31, 2026; relating to exemptions; excluding exempt sales of certain custom meat processing services from exemption certificate requirements"; in line 8, before "K.S.A." by inserting "K.S.A. 79-3651 and";

EXPLANATION OF VOTE

MR. SPEAKER: I vote YES on **HB 2335**. License plate fundraisers allow groups to increase public awareness and earn revenue. We do have reporting requirements for distinctive license plates set forth in K.S.A. 8-1,203; but Kansas does not have criteria or standards to participate. The legislature owes it to the taxpayers to scrutinize every request. Hunter Nation, Inc. is a 501(c)(4) and Section 527 Super PAC that can make direct campaign contributions to members of the Kansas House of Representatives. Specifically designating the funds to Hunter Nation Foundation ensures that this organization cannot donate the dollars back to our campaigns. This is a compromise. – JO ELLA HOYE

The state treasurer may request and shall be entitled to receive any records necessary to confirm that a city or county was eligible to receive payment. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the advancing stewardship of tax revenue and appropriations (ASTRA) fund.

EXPLANATION OF VOTE

MR. SPEAKER: I vote NO on **SB 98**. These data centers use huge amounts of energy and water yet produce minimal amounts of jobs. The dollar figures for the investment is impressive (\$250 million and up) but the number of jobs produced (20 or more) is not. Further, a single data center uses 300,000-500,000 gallons of water per day. The bill “encourages” conservation and reuse of water but has absolutely NO goals or mandated reductions. It is poor policy to forego taxes that every other Kansas business has to pay to encourage such companies. – PAUL WAGGONER

CONFERENCE COMMITTEE REPORT

MR. SPEAKER and MR. PRESIDENT: Your committee on conference on Senate amendments to **HB 2289** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 1, by striking all in lines 12 through 35;

By striking all on pages 2 through 6;

On page 7, by striking all in lines 1 through 20; following line 20, by inserting:

"Section 1. K.S.A. 2024 Supp. 79-32,306 is hereby amended to read as follows: 79-32,306. (a) For all taxable years commencing after December 31, 2022, except as provided in subsection (i), there shall be allowed a credit against the income tax liability imposed pursuant to the Kansas income tax act, the privilege tax liability imposed upon any national banking association, state bank, trust company or savings and loan association pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or the premium tax liability imposed upon an insurance company pursuant to K.S.A. 40-252, and amendments thereto, for each qualified development for each year of the credit period, in an amount equal to the federal tax credit allocated or allowed by the KHRC to such qualified development, except that there shall be no reduction in the credit allowable in the first year of the credit period due to the calculation in section 42(f)(2) of the federal internal revenue code.

(b) The KHRC shall issue an allocation certificate to an owner of a qualified development to which a credit has been allocated. The KHRC shall issue an allocation certificate to the qualified development simultaneously with issuance of federal form 8609 with respect to the federal tax credits.

(c) All allocations shall be made pursuant to the qualified allocation plan.

(d) If an owner of a qualified development receiving an allocation of a credit is a pass-through entity, the owner may allocate the credit among its partners or members in any manner agreed to by such persons regardless of whether: (1) Any such person is allocated or allowed any portion of any federal tax credit with respect to the qualified project; (2) the allocation of the credit under the terms of the agreement has substantial economic effect within the meaning of section 704(b) of the federal internal revenue code; or (3) any such person is deemed a partner for federal income tax purposes, if the partner or member would be considered a partner or member under applicable state law governing such entity and has been admitted as a partner or member on or prior to the date for filing the qualified taxpayer's tax return, including any amendments to such tax return, with respect to the year of the credit. In the case of multiple tiers of pass-through

entities, the credit may be so allocated through any number of pass-through entities in any manner agreed by the owners of such pass-through entities, none of which shall be considered a transfer. Any pass-through entity allocating a credit to its partners or members shall attach a pass-through certification to its tax return annually. Each partner or member shall be allowed to claim or further allocate such amount subject to any restrictions set forth in this act.

(e) An owner of a qualified development to which a credit has been allocated and each qualified taxpayer to which such owner has allocated a portion of such credit, if any, shall file with their state income, privilege or premium tax return a copy of the allocation certificate issued by the KHRC with respect to such qualified development and a copy of any pass-through certification, as prescribed by the director.

(f) No credit shall be allocated pursuant to this act unless the qualified development is the subject of a recorded restrictive covenant requiring the development to be maintained and operated as a qualified development and is in accordance with the accessibility and adaptability requirements of the federal tax credits and title VIII of the civil rights act of 1968, as amended by the fair housing amendments act of 1988, for a period of 15 taxable years, or such longer period as may be agreed to between the KHRC and the owner of the qualified development, beginning with the first taxable year of the credit period.

(g) The allocated credit amount may be taken against the income, privilege or premium taxes imposed for each taxable year of the credit period. Any amount of credit that exceeds the income, privilege or premium tax liability of a qualified taxpayer for a taxable year may be carried forward as a credit against subsequent years' tax liability up to 11 tax years following the tax year in which the allocation was made and shall be applied first to the earliest years possible. Any amount of the credit that is not used shall not be refunded to the taxpayer.

(h) Unless otherwise provided in this act or the context or law requires otherwise, the KHRC shall determine eligibility for a credit and allocate credits in accordance with the standards and requirements set forth in section 42 of the federal internal revenue code. Any combination of federal tax credits and credits allowed pursuant to this act shall be the least amount necessary to ensure the financial feasibility of a qualified development.

(i) (1) Notwithstanding the foregoing provisions, the total amount of Kansas affordable housing tax credits awarded by the KHRC to all qualified developments for qualified allocation plan year 2025 shall not exceed \$25,000,000. Commencing with the qualified allocation plan adopted for 2026 and ending with the qualified allocation plan adopted for 2028, the total amount of Kansas affordable housing tax credits awarded by the KHRC to all qualified developments in each qualified allocation plan year shall not exceed \$8,800,000. On and after November 15, 2025, the KHRC shall not accept any application for, or award any additional allocation of, credit under this act to a qualified development receiving a 4% federal tax credit, which is defined as a qualified development financed by tax-exempt bonds as provided under section 42(h)(4) of the federal internal revenue code. The KHRC shall continue to award credit under this act to qualified developments receiving 9% federal tax credits in accordance with the provisions of this act for the 2026, 2027 and 2028 qualified allocation plans. A qualified development receiving a 4% federal tax credit awarded a credit allocation under this act by the KHRC on or before November 14, 2025, pursuant to the 2025 qualified

allocation plan or any previous qualified allocation plan, shall continue to receive the awarded credit throughout the authorized credit period and any applicable carryforward period.

(2) Subsequent to awards for the 2028 qualified allocation plan, the KHRC shall not accept any application for, or award any additional allocation of, credit under this act in any amount to a qualified development. No credits under this act shall be allocated or awarded after the 2028 qualified allocation plan or after December 31, 2028. A qualified development receiving a 9% federal tax credit awarded a credit allocation under this act by the KHRC pursuant to the 2028 qualified allocation plan or any previous qualified allocation plan shall continue to receive the awarded credit throughout the authorized credit period and any applicable carryforward period.

Sec. 2. K.S.A. 2024 Supp. 79-32,313 is hereby amended to read as follows: 79-32,313. (a) (1) For tax year 2022 and all tax years thereafter, a credit against the income tax liability imposed pursuant to the Kansas income tax act, the privilege tax liability imposed upon any national banking association, state bank, trust company or savings and loan association pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or the premium tax liability imposed upon an insurance company pursuant to K.S.A. 40-252, and amendments thereto, shall be allowed to:

(A) A qualified investor for a cash investment in a qualified housing project that has been approved and issued a tax credit by the director. The tax credit may be claimed in its entirety in the taxable year the cash investment is made; and

(2) To claim such tax credit, the qualified investor, project builder or developer or transferee shall provide all information or documentation in the form and manner required by the secretary of revenue. If the amount of the credit exceeds the taxpayer's tax liability in any one taxable year, the remaining portion of the credit may be carried forward in the succeeding taxable years until the total amount of the credit is used, except that no credit may be claimed after four taxable years next succeeding the taxable year that such credit was issued, and any remaining credit shall be forfeited. Any portion of the credit that is carried forward may be transferred pursuant to subsection (d) and claimed by the transferee in the same manner as the transferor.

(b) (1) Tax credits may be issued by the director for a qualified housing project as follows:

(A) For qualified housing projects located in a county with a population of not more than 8,000, in an amount of not to exceed \$35,000 per residential unit;

(B) for qualified housing projects located in a county with a population of more than 8,000 but not more than 25,000, in an amount of not to exceed \$32,000 per residential unit; and

(C) for all other qualified housing projects, in an amount of not to exceed \$30,000.

(2) A qualified housing project shall be limited to a total of 40 such residential units per year for both single-family and multi-family dwellings.

(3) Tax credits may be issued to a qualified investor in the amount of a cash investment of up to the total amount that may be issued by the director under this subsection for the qualified housing project, or as provided in the agreement required by K.S.A. 2024 Supp. 79-32,312, and amendments thereto. Project builders or developers

may apply to the director each year for tax credits for additional units or phases of a project. Qualified investors may be issued tax credits for cash investments in multiple qualified housing projects. Project builders or developers may apply and be approved for multiple qualified housing projects in the same tax year.

(4) The aggregate amount of tax credits that may be issued under this section shall not exceed \$13,000,000 each tax year, except that if the director issues an aggregate amount of tax credits in one tax year that is less than \$13,000,000, then the director may carry forward the difference and issue such amount of tax credits in the immediately succeeding tax year in addition to the statutory amount that may be issued under this section. Of the aggregate amount of tax credits issued in one tax year, the director shall allocate:

(A) Not less than \$2,500,000 in tax credits for qualified housing projects located in counties with a population of not more than 8,000;

(B) not less than \$2,500,000 in tax credits for qualified housing projects located in counties with a population of more than 8,000 but not more than 25,000; and

(c) A cash investment in a qualified housing project shall be deemed to have been made on the date of acquisition of the qualified security, as such date is determined by the director.

(d) Any qualified investor who receives a tax credit pursuant to this section shall be deemed to acquire an interest in the nature of a transferable credit limited to the amount of the credit issued to the qualified investor by the director. All or a portion of such credit may be transferred by the qualified investor or any subsequent transferee to one or more persons, whether or not such transferee is then a qualified investor, and ~~be claimed by the transferee as a credit against the transferee's Kansas tax liability in the same manner as the transferor beginning in the year the credit is transferred~~ provided in subsection (a) beginning in the year that the cash investment was originally made by the qualified investor. The credit may be carried forward as permitted by subsection (a). There shall be no limit on the number of times a credit or any portion thereof can be transferred. No person shall be entitled to a refund for any interest on such tax credit that may be created under this section. A credit acquired by transfer shall be subject to the limitations prescribed in this section. Any such transferee succeeds to all remaining rights and restrictions of the transferor with respect to the credit being transferred on the date of such transfer. Documentation of any credit acquired by transfer shall be provided by the taxpayer claiming such credit in the manner required by the secretary of revenue. The qualified investor or subsequent transferee transferring such credit shall provide the director and the secretary of revenue with the name, address and taxpayer identification number of each person to whom credits have been transferred and such other information as may be required by the director or the secretary of revenue. The provisions of this subsection shall apply to credits issued for tax year 2022 and all tax years thereafter.

(e) The secretary of revenue may adopt rules and regulations as necessary to implement and administer the provisions of this act.

(f) For purposes of calculating any tax due under K.S.A. 40-253, and amendments thereto, the credit allowed by this section shall be treated as a tax paid under K.S.A. 40-252, and amendments thereto.

(g) The provisions of subsection (d), as amended by this act, shall apply retroactively to any credits issued for tax year 2022 and all tax years thereafter.

Sec. 3. K.S.A. 2024 Supp. 79-32,306 and 79-32,313 are hereby repealed.

Sec. 9. On and after July 1, 2026, K.S.A. 2024 Supp. 45-229, as amended by section 1 of 2025 House Bill No. 2166, is hereby amended to read as follows: 45-229.

(a) It is the intent of the legislature that exceptions to disclosure under the open records act shall be created or maintained only if:

(1) The public record is of a sensitive or personal nature concerning individuals;

(2) the public record is necessary for the effective and efficient administration of a governmental program; or

(3) the public record affects confidential information.

The maintenance or creation of an exception to disclosure must be compelled as measured by these criteria. Further, the legislature finds that the public has a right to have access to public records unless the criteria in this section for restricting such access to a public record are met and the criteria are considered during legislative review in connection with the particular exception to disclosure to be significant enough to override the strong public policy of open government. To strengthen the policy of open government, the legislature shall consider the criteria in this section before enacting an exception to disclosure.

(b) Subject to the provisions of subsections (g) and (h), any new exception to disclosure or substantial amendment of an existing exception shall expire on July 1 of

the fifth year after enactment of the new exception or substantial amendment, unless the legislature acts to continue the exception. A law that enacts a new exception or substantially amends an existing exception shall state that the exception expires at the end of five years and that the exception shall be reviewed by the legislature before the scheduled date.

(c) For purposes of this section, an exception is substantially amended if the amendment expands the scope of the exception to include more records or information. An exception is not substantially amended if the amendment narrows the scope of the exception.

(d) This section is not intended to repeal an exception that has been amended following legislative review before the scheduled repeal of the exception if the exception is not substantially amended as a result of the review.

(e) In the year before the expiration of an exception, the revisor of statutes shall certify to the president of the senate and the speaker of the house of representatives, by July 15, the language and statutory citation of each exception that will expire in the following year that meets the criteria of an exception as defined in this section. Any exception that is not identified and certified to the president of the senate and the speaker of the house of representatives is not subject to legislative review and shall not expire. If the revisor of statutes fails to certify an exception that the revisor subsequently determines should have been certified, the revisor shall include the exception in the following year's certification after that determination.

(f) "Exception" means any provision of law that creates an exception to disclosure or limits disclosure under the open records act pursuant to K.S.A. 45-221, and amendments thereto, or pursuant to any other provision of law.

(g) A provision of law that creates or amends an exception to disclosure under the open records law shall not be subject to review and expiration under this act if such provision:

- (1) Is required by federal law;
- (2) applies solely to the legislature or to the state court system;
- (3) has been reviewed and continued in existence twice by the legislature; or
- (4) has been reviewed and continued in existence by the legislature during the 2013 legislative session and thereafter; or

~~(5) is a report of the results of an audit conducted by the United States cybersecurity and infrastructure security agency.~~

(h) (1) The legislature shall review the exception before its scheduled expiration and consider as part of the review process the following:

- (A) What specific records are affected by the exception;
- (B) whom does the exception uniquely affect, as opposed to the general public;
- (C) what is the identifiable public purpose or goal of the exception;
- (D) whether the information contained in the records may be obtained readily by alternative means and how it may be obtained;

(2) an exception may be created or maintained only if it serves an identifiable public purpose and may be no broader than is necessary to meet the public purpose it serves. An identifiable public purpose is served if the legislature finds that the purpose is sufficiently compelling to override the strong public policy of open government and cannot be accomplished without the exception and if the exception:

- (A) Allows the effective and efficient administration of a governmental program

that would be significantly impaired without the exception;

(B) protects information of a sensitive personal nature concerning individuals, the release of such information would be defamatory to such individuals or cause unwarranted damage to the good name or reputation of such individuals or would jeopardize the safety of such individuals. Only information that would identify the individuals may be excepted under this paragraph; or

(C) protects information of a confidential nature concerning entities, including, but not limited to, a formula, pattern, device, combination of devices, or compilation of information that is used to protect or further a business advantage over those who do not know or use it, if the disclosure of such information would injure the affected entity in the marketplace.

(3) Records made before the date of the expiration of an exception shall be subject to disclosure as otherwise provided by law. In deciding whether the records shall be made public, the legislature shall consider whether the damage or loss to persons or entities uniquely affected by the exception of the type specified in paragraph (2)(B) or (2)(C) would occur if the records were made public.

(i) (1) Exceptions contained in the following statutes as continued in existence in section 2 of chapter 126 of the 2005 Session Laws of Kansas and that have been reviewed and continued in existence twice by the legislature as provided in subsection (g) are hereby continued in existence: 1-401, 2-1202, 5-512, 9-1137, 9-1712, 9-2217, 10-630, 12-189, 12-1,108, 12-1694, 12-1698, 12-2819, 12-4516, 16-715, 16a-2-304, 17-1312e, 17-2227, 17-5832, 17-7511, 17-76,139, 19-4321, 21-2511, 22-3711, 22-4707, 22-4909, 22a-243, 22a-244, 23-605, 23-9,312, 25-4161, 25-4165, 31-405, 34-251, 38-2212, 39-709b, 39-719e, 39-934, 39-1434, 39-1704, 40-222, 40-2,156, 40-2c20, 40-2c21, 40-2d20, 40-2d21, 40-409, 40-956, 40-1128, 40-2807, 40-3012, 40-3304, 40-3308, 40-3403b, 40-3421, 40-3613, 40-3805, 40-4205, 44-510j, 44-550b, 44-594, 44-635, 44-714, 44-817, 44-1005, 44-1019, 45-221(a)(1) through (43), 46-256, 46-259, 46-2201, 47-839, 47-844, 47-849, 47-1709, 48-1614, 49-406, 49-427, 55-1,102, 58-4114, 59-2135, 59-2802, 59-2979, 59-29b79, 60-3333, 60-3336, 65-102b, 65-118, 65-119, 65-153f, 65-170g, 65-177, 65-1,106, 65-1,113, 65-1,116, 65-1,157a, 65-1,163, 65-1,165, 65-1,168, 65-1,169, 65-1,171, 65-1,172, 65-436, 65-445, 65-507, 65-525, 65-531, 65-657, 65-1135, 65-1467, 65-1627, 65-1831, 65-2422d, 65-2438, 65-2836, 65-2839a, 65-2898a, 65-3015, 65-3447, 65-34,108, 65-34,126, 65-4019, 65-4922, 65-4925, 65-5602, 65-5603, 65-6002, 65-6003, 65-6004, 65-6010, 65-67a05, 65-6803, 65-6804, 66-101c, 66-117, 66-151, 66-1,190, 66-1,203, 66-1220a, 66-2010, 72-2232, 72-3438, 72-6116, 72-6267, 72-9934, 73-1228, 74-2424, 74-2433f, 74-32,419, 74-4905, 74-4909, 74-50,131, 74-5515, 74-7308, 74-7338, 74-8104, 74-8307, 74-8705, 74-8804, 74-9805, 75-104, 75-712, 75-7b15, 75-1267, 75-2943, 75-4332, 75-4362, 75-5133, 75-5266, 75-5665, 75-5666, 75-7310, 76-355, 76-359, 76-493, 76-12b11, 76-12c03, 76-3305, 79-1119, 79-1437f, 79-3234, 79-3395, 79-3420, 79-3499, 79-34,113, 79-3614, 79-3657, 79-4301 and 79-5206.

REPORT OF SELECT COMMITTEE

Report of the House Select Investigation Committee in the Complaint against Representative Ford Carr

Pursuant to House Rule 4901, Representative Leah Howell filed a complaint against Representative Ford Carr, requesting that he be reprimanded, censured, or expelled for misconduct. Representative Howell alleged that Representative Carr has engaged in a repeated pattern of violent rhetoric and behavior, creating a hostile work environment both inside and outside the Statehouse, and has otherwise failed to uphold the standards of decorum required of a House member.

After a thorough review of evidence, consisting of documents, videos and testimony, the Committee could not reach a consensus on a recommendation to dismiss the complaint or to impose disciplinary action. However, the Committee does not condone Representative Carr's behavior.

The Committee finds that Representative Carr's conduct has not conformed to the standard of behavior expected of a member of the Kansas House of Representatives. Specifically, during his altercation with Wichita City Councilman Brandon Johnson at the Celtic Fox, Representative Carr engaged in violent words and conduct inconsistent with the decorum and dignity required of a House member.

Additionally, the Committee finds that certain comments made by Representative Carr on the House floor on April 28, 2023, and February 20, 2025, violated Section 121 of Mason's Rules of Legislative Procedure by indulging in personalities and impugning the

motives of fellow members. Further, videos and documents authored by Representative Carr have repeatedly, both implicitly and explicitly, conveyed threats of escalating aggression and violence.

Even though some of these violations have been addressed by House Leadership and Democratic party leadership, these violations continue, causing concern by the Committee.

The Committee reminds the body that decorum in the Kansas House of Representatives is essential to fostering respectful and productive dialogue among elected officials. It upholds the dignity of the institution, reinforces public trust in the legislative process, and sets a vital example of civil discourse. Misconduct by members of this body undermines public confidence in the legislature and detracts from the respectful dialogue necessary for the proper functioning of representative government.

Respectfully submitted,
