(F) The availability of the value-added product or service shall be based on documented objective criteria and offered in a manner that is not unfairly discriminatory. The documented criteria shall be maintained by the insurer or producer and produced upon request by the commissioner.

(G) (1) If an insurer or producer does not have sufficient evidence but has a good-faith belief that the product or service meets the criteria in subsection (8)(b)(v)(B), the insurer or producer may provide the product or service in a manner that is not unfairly discriminatory as part of a pilot or testing program for not more than one year. An insurer or producer shall notify the commissioner of such a pilot or testing program offered to consumers in this state prior to launching and may proceed with the program unless the commissioner objects within 21 days of notice.

(2) If the insurer or producer is unable to determine sufficient evidence within the one-year pilot or testing period, the insurer or producer may request that such pilot or testing period be extended for such additional time as necessary to determine if the product or service meets the criteria described in subsection (8)(b)(v)(B). Upon such a request, the commissioner may grant an extension of a specified time.

(vi) An insurer or a producer may:

(A) Offer or give non-cash gifts, items or services, including meals to or charitable donations on behalf of a customer, in connection with the marketing, sale, purchase or retention of contracts of insurance, as long as the cost does not exceed an amount determined to be reasonable by the commissioner per policy year per term. The offer shall be made in a manner that is not unfairly discriminatory. The customer shall not be required to purchase, continue to purchase or renew a policy in exchange for the gift, item or service.

(B) Conduct raffles or drawings to the extent permitted by state law, as long as there is no financial cost to entrants to participate, the drawing or raffle does not obligate participants to purchase insurance, the prizes are not valued in excess of a reasonable amount determined by the commissioner and the drawing or raffle is open to the public. The raffle or drawing shall be offered in a manner that is not unfairly discriminatory. The customer shall not be required to purchase, continue to purchase or renew a policy in exchange for the gift, item or service.

(c) An insurer, producer or representative of an insurer or producer shall not offer or provide insurance as an inducement to the purchase of another policy.

(9) *Unfair claim settlement practices.* It is an unfair claim settlement practice if any of the following or any rules and regulations pertaining thereto are either committed flagrantly and in conscious disregard of such provisions, or committed with such frequency as to indicate a general business practice:

(b) failing to acknowledge and act reasonably promptly upon communications with respect to claims arising under insurance policies;

(c) failing to adopt and implement reasonable standards for the prompt investigation of claims arising under insurance policies;

(d) refusing to pay claims without conducting a reasonable investigation based upon all available information;

(e) failing to affirm or deny coverage of claims within a reasonable time after proof of loss statements have been completed;

(f) not attempting in good faith to effectuate prompt, fair and equitable settlements of claims in which liability has become reasonably clear;

(g) compelling insureds to institute litigation to recover amounts due under an insurance policy by offering substantially less than the amounts ultimately recovered in actions brought by such insureds;

(h) attempting to settle a claim for less than the amount to which a reasonable person would have believed that such person was entitled by reference to written or printed advertising material accompanying or made part of an application;

(i) attempting to settle claims on the basis of an application that was altered without notice to, or knowledge or consent of the insured;

(j) making claims payments to insureds or beneficiaries not accompanied by a statement setting forth the coverage under which payments are being made;

(k) making known to insureds or claimants a policy of appealing from arbitration awards in favor of insureds or claimants for the purpose of compelling them to accept settlements or compromises less than the amount awarded in arbitration;

(l) delaying the investigation or payment of claims by requiring an insured, claimant or the physician of either to submit a preliminary claim report and then requiring the subsequent submission of formal proof of loss forms, both of which submissions contain substantially the same information;

(m) failing to promptly settle claims, where liability has become reasonably clear, under one portion of the insurance policy coverage in order to influence settlements under other portions of the insurance policy coverage; or

(n) failing to promptly provide a reasonable explanation of the basis in the insurance policy in relation to the facts or applicable law for denial of a claim or for the offer of a compromise settlement.

(10) Failure to respond to an inquiry. An insurer's failing, upon receipt of any inquiry from the insurance department concerning a complaint or inquiry related to a particular matter, within 14 calendar days of receipt of such inquiry to furnish the department with an adequate response to such inquiry.

~~(10)~~(11) *Failure to maintain complaint handling procedures.* Failure of any person, who is an insurer on an insurance policy, to maintain a complete record of all the complaints that it has received since the date of its last examination under K.S.A. 40-222, and amendments thereto; ~~but, except that~~ no such records shall be required for complaints received prior to the effective date of this act. The record shall indicate the total number of complaints, their classification by line of insurance, the nature of each complaint, the disposition of the complaints, the date each complaint was originally received by the insurer and the date of final disposition of each complaint. For purposes of this ~~subsection~~ section, "complaint" means any written communication primarily expressing a grievance related to the acts and practices set out in this section.

~~(11)~~(12) *Misrepresentation in insurance applications.* Making false or fraudulent statements or representations on or relative to an application for an insurance policy, for the purpose of obtaining a fee, commission, money or other benefit from any insurer, agent, broker or individual.

~~(12)~~(13) *Statutory violations.* Any violation of any of the provisions of K.S.A. 40-216, 40-276a, 40-2,155 or 40-1515, and amendments thereto.

~~(13)~~(14) *Disclosure of information relating to adverse underwriting decisions and refund of premiums.* Failing to comply with the provisions of K.S.A. 40-2,112, and amendments thereto, within the time prescribed in such section.

~~(14)~~(15) *Rebates and other inducements in title insurance.* (a) No title insurance company or title insurance agent, or any officer, employee, attorney, agent or solicitor thereof, may pay, allow or give, or offer to pay, allow or give, directly or indirectly, as an inducement to obtaining any title insurance business, any rebate, reduction or abatement of any rate or charge made incident to the issuance of such insurance, any special favor or advantage not generally available to others of the same classification, or any money, thing of value or other consideration or material inducement. ~~The words~~ "Charge made incident to the issuance of such insurance" includes, without limitations, escrow, settlement and closing charges.

(b) No insured named in a title insurance policy or contract nor any other person directly or indirectly connected with the transaction involving the issuance of the policy or contract, including, but not limited to, mortgage lender, real estate broker, builder, attorney or any officer, employee, agent representative or solicitor thereof, or any other person may knowingly receive or accept, directly or indirectly, any rebate, reduction or abatement of any charge, or any special favor or advantage or any monetary consideration or inducement referred to in subsection ~~(14)(a)~~ (15)(a).

(c) Nothing in this section shall be construed as prohibiting:

(i) The payment of reasonable fees for services actually rendered to a title insurance agent in connection with a title insurance transaction;

(ii) the payment of an earned commission to a duly appointed title insurance agent for services actually performed in the issuance of the policy of title insurance; or

(iii) the payment of reasonable entertainment and advertising expenses.

(d) Nothing in this section prohibits the division of rates and charges between or among a title insurance company and its agent, or one or more title insurance companies and one or more title insurance agents, if such division of rates and charges does not constitute an unlawful rebate under the provisions of this section and is not in payment of a forwarding fee or a finder's fee.

(e) As used in subsections ~~(14)(e)~~ (15)(e) through ~~(14)(i)~~ (15)(i), unless the context otherwise requires:

(i) "Associate" means any firm, association, organization, partnership, business trust, corporation or other legal entity organized for profit in which a producer of title business is a director, officer or partner thereof, or owner of a financial interest; the spouse or any relative within the second degree by blood or marriage of a producer of title business who is a natural person; any director, officer or employee of a producer of title business or associate; any legal entity that controls, is controlled by, or is under common control with a producer of title business or associate; and any natural person or legal entity with whom a producer of title business or associate has any agreement, arrangement or understanding or pursues any course of conduct, the purpose or effect of which is to evade the provisions of this section.

(ii) "Financial interest" means any direct or indirect interest, legal or beneficial, where the holder thereof is or will be entitled to 1% or more of the net profits or net worth of the entity in which such interest is held. Notwithstanding the foregoing, an interest of less than 1% or any other type of interest shall constitute a "financial interest" if the primary purpose of the acquisition or retention of that interest is the

financial benefit to be obtained as a consequence of that interest from the referral of title business.

(iii) "Person" means any natural person, partnership, association, cooperative, corporation, trust or other legal entity.

(iv) "Producer of title business" or "producer" means any person, including any officer, director or owner of 5% or more of the equity or capital or both of any person, engaged in this state in the trade, business, occupation or profession of:

(C) acting as broker, agent, representative or attorney for a person who buys or sells any interest in real property or who lends or borrows money with such interest as security.

(v) "Refer" means to direct or cause to be directed or to exercise any power or influence over the direction of title insurance business, whether or not the consent or approval of any other person is sought or obtained with respect to the referral.

(f) No title insurer or title agent may accept any order for, issue a title insurance policy to, or provide services to, an applicant if it knows or has reason to believe that the applicant was referred to it by any producer of title business or by any associate of such producer, where the producer, the associate, or both, have a financial interest in the title insurer or title agent to which business is referred unless the producer has disclosed to the buyer, seller and lender the financial interest of the producer of title business or associate referring the title insurance business.

(g)(i) No title insurer or title agent may accept an order for title insurance business, issue a title insurance policy, or receive or retain any premium, or charge in connection with any transaction if: ~~(i) (A)~~ The title insurer or title agent knows or has reason to believe that the transaction will constitute controlled business for that title insurer or title agent; and ~~(ii) (B)~~ 70% or more of the closed title orders of that title insurer or title agent during the 12 full calendar months immediately preceding the month in which the transaction takes place is derived from controlled business. ~~The prohibitions contained in this paragraph shall not apply to transactions involving real estate located in a county that has a population, as shown by the last preceding decennial census, of 10,000 or less.~~

(ii) Paragraph (g) shall become effective on and after January 1, 2026.

(h) Within 90 days following the end of each business year, as established by the title insurer or title agent, each title insurer or title agent shall file with the department of insurance and any title insurer with which the title agent maintains an underwriting agreement, a report executed by the title insurer's or title agent's chief executive officer or designee, under penalty of perjury, stating the percent of closed title orders originating from controlled business. The failure of a title insurer or title agent to comply with the requirements of this section, at the discretion of the commissioner, shall be grounds for the suspension or revocation of a license or other disciplinary action, with the commissioner able to mitigate any such disciplinary action if the title insurer or title agent is found to be in substantial compliance with competitive behavior as defined by federal housing and urban development statement of policy 1996-2.

(i) (1) No title insurer or title agent may accept any title insurance order or issue a title insurance policy to any person if it knows or has reason to believe that such person was referred to it by any producer of title business or by any associate of such producer,

where the producer, the associate, or both, have a financial interest in the title insurer or title agent to which business is referred unless the producer has disclosed in writing to the person so referred the fact that such producer or associate has a financial interest in the title insurer or title agent, the nature of the financial interest and a written estimate of the charge or range of charges generally made by the title insurer or agent for the title services. Such disclosure shall include language stating that the consumer is not obligated to use the title insurer or agent in which the referring producer or associate has a financial interest and shall include the names and telephone numbers of not less than three other title insurers or agents that operate in the county in which the property is located. If fewer than three insurers or agents operate in that county, the disclosure shall include all title insurers or agents operating in that county. Such written disclosure shall be signed by the person so referred and must have occurred prior to any commitment having been made to such title insurer or agent.

(2) No producer of title business or associate of such producer shall require, directly or indirectly, as a condition to selling or furnishing any other person any loan or extension thereof, credit, sale, property, contract, lease or service, that such other person shall purchase title insurance of any kind through any title agent or title insurer if such producer has a financial interest in such title agent or title insurer.

(3) No title insurer or title agent may accept any title insurance order or issue a title insurance policy to any person it knows or has reason to believe that the name of the title company was pre-printed in the sales contract, prior to the buyer or seller selecting that title company.

(4) Nothing in this paragraph shall prohibit any producer of title business or associate of such producer from referring title business to any title insurer or title agent of such producer's or associate's choice, and, if such producer or associate of such producer has any financial interest in the title insurer, from receiving income, profits or dividends produced or realized from such financial interest, ~~so long as if:~~

(a) Such financial interest is disclosed to the purchaser of the title insurance in accordance with paragraphs (i)(1) through (i)(4);

(b) the payment of income, profits or dividends is not in exchange for the referral of business; and

(c) the receipt of income, profits or dividends constitutes only a return on the investment of the producer or associate.

(5) Any producer of title business or associate of such producer who violates the provisions of paragraphs (i)(2) through (i)(4), or any title insurer or title agent who accepts an order for title insurance knowing that it is in violation of paragraphs (i)(2) through (i)(4), in addition to any other action that may be taken by the commissioner of insurance, shall be subject to a fine by the commissioner in an amount equal to five times the premium for the title insurance and, if licensed pursuant to K.S.A. 58-3034 et seq., and amendments thereto, shall be deemed to have committed a prohibited act pursuant to K.S.A. 58-3602, and amendments thereto, and shall be liable to the purchaser of such title insurance in an amount equal to the premium for the title insurance.

(6) Any title insurer or title agent that is a competitor of any title insurer or title agent that, subsequent to the effective date of this act, has violated or is violating the provisions of this paragraph, shall have a cause of action against such title insurer or title agent and, upon establishing the existence of a violation of any such provision,

shall be entitled, in addition to any other damages or remedies provided by law, to such equitable or injunctive relief as the court deems proper. In any such action under this subsection, the court may award to the successful party the court costs of the action together with reasonable attorney fees.

(7) The commissioner shall also require each title agent to provide core title services as required by the real estate settlement procedures act.

(j) The commissioner shall adopt any rules and regulations necessary to carry out the provisions of this act.

~~(15)~~(16) *Disclosure of nonpublic personal information.* (a) No person shall disclose any nonpublic personal information contrary to the provisions of title V of the Gramm-Leach-Bliley act of 1999-~~(, public law 106-102)~~. The commissioner may adopt rules and regulations necessary to carry out this subsection. Such rules and regulations shall be consistent with and not more restrictive than the model regulation adopted on September 26, 2000, by the national association of insurance commissioners entitled "Privacy of consumer financial and health information regulation".

(b) Nothing in this subsection shall be deemed or construed to authorize the promulgation or adoption of any regulation that preempts, supersedes or is inconsistent with any provision of Kansas law concerning requirements for notification of, or obtaining consent from, a parent, guardian or other legal custodian of a minor relating to any matter pertaining to the health and medical treatment for such minor.

Sec. 17. K.S.A. 40-2253 is hereby amended to read as follows: 40-2253. (a) The commissioner of insurance shall devise universal forms to be utilized by every insurance company, including health maintenance organizations where applicable, offering any type of accident and sickness policy covering individuals residing in this state for the purpose of receiving every claim under such policy by persons covered thereunder. In the preparation of such forms, the commissioner may confer with representatives of insurance companies, health maintenance organizations, trade associations and other interested parties. Upon completion and final adoption of such forms by the commissioner, the commissioner shall notify those companies affected by sending them a copy of such forms and an explanation of the requirements of this section. Every such company shall implement utilization of such forms not later than six months following the date of the commissioner's notification.

(b) An accident and sickness insurer may not refuse to accept a claim submitted on duly promulgated uniform claim forms. An insurer may accept claims submitted on any other form.

(c) An accident and sickness insurer does not violate subsection (a) by using a document that the accident and sickness insurer has been required to use by the federal government or the state.

~~(d) The commissioner of insurance shall report to the governor and to the legislature, no later than the commencement of the 1993 regular session of the Kansas legislature, regarding the development of uniform electronic data interchange formats and standards, along with a proposed plan, including an analysis of the cost impact thereof.~~

Sec. 18. K.S.A. 40-3807 is hereby amended to read as follows: 40-3807. (a) All insurance charges, premiums, collateral and loss reimbursements collected by an administrator on behalf of or for a payor, and the return of premiums or collateral received from that payor, shall be held by the administrator in a fiduciary capacity. Such

funds shall be immediately remitted to the person or persons entitled thereto, or shall be deposited promptly in a fiduciary account established and maintained by the administrator in a federally or state-insured financial institution. A separate fiduciary account shall be maintained by the administrator for each payor and shall not contain funds collected or held by the administrator on behalf of multiple payors. The written agreement between the administrator and the payor shall provide for the administrator to periodically render an accounting to the payor detailing all transactions performed by the administrator pertaining to the business of the payor, and the written agreement between the payor and the administrator shall include specifications of this reporting.

(b) The administrator shall keep copies of all records of any fiduciary account maintained or controlled by the administrator, and, upon request of a payor, shall furnish the payor with copies of such records pertaining to deposits and withdrawals on behalf of the payor. If charges or premiums so deposited have been collected on behalf of or for more than one payor, or for the payment of claims associated with more than one policy, the administrator shall keep records clearly recording the deposits in and withdrawals from the account on behalf of each payor and relating to each policyholder.

(c) The administrator shall not pay any claim by withdrawals from a fiduciary account in which premiums or charges are deposited. Withdrawals from a fiduciary account shall be made as provided in the written agreement between the administrator and the payor, and only for the following purposes: (1) Remittance to an insurer entitled thereto; (2) deposit in an account maintained in the name of the payor; (3) transfer to and deposit in a claims paying account, with claims to be paid as provided in subsection (d); (4) payment to a group policyholder for remittance to the payor entitled thereto; (5) payment to the administrator of its earned commissions, fees or charges; (6) remittance of return premiums to the person or persons entitled thereto; or (7) payment to other service providers as authorized by the payor.

(d) All claims paid by the administrator from funds collected on behalf of or for a payor shall be paid only as authorized by the payor. Payments from an account maintained or controlled by the administrator may be made for the following purposes including the payment of claims: (1) Payment of valid claims; (2) payment of expenses associated with the handling of claims to the administrator or to other service providers approved by the payor; (3) remittance to the payor, or transfer to a successor administrator as directed by the payor, for the purpose of paying claims and associated expenses; and (4) return of funds held as collateral or prepayment, to the person entitled to those funds, upon a determination by the payor that those funds are no longer necessary to secure or facilitate the payment of claims and associated expenses.

Sec. 19. K.S.A. 40-3809 is hereby amended to read as follows: 40-3809. (a) Where the services of an administrator are utilized, the administrator shall provide a written notice, approved by the payor, to covered individuals advising them of the identity of and relationship among the administrator, the policyholder and the payor.

(b) When an administrator collects funds, the reason for collection of each item shall be identified to the insured party and each item shall be shown separately from any premium. Additional charges may not be made for services to the extent the services have already been paid for by the payor.

(c) The administrator shall disclose to the payor all charges, fees and commissions that the administrator receives arising from services it provides for the payor, including any fees or commissions paid by payors providing reinsurance or stop-loss insurance.

EXPLANATION OF VOTE

I vote "NO" on the Conference Committee Report on **SB 64** although I agree with the changes that were proposed in **SB 64**. The Senate conference committee members were offered the opportunity to add the contents of **HB 2086**, also relating to the Kansas Public Employees Retirement System (KPERS), to the bill. That addition would have increased the Tier 3 discretionary dividend credit from 75% of the five-year average net compound rate to 80% and have reduced the dividend credit threshold from 6% to 5%. This would have been a small step towards providing a more equitable retirement program for these more recent Tier 3 employees.—MARCI FRANCISCO

(4) "Base year consumer price index" means a 12-month average of the not seasonally adjusted consumer price index for all urban consumers for fiscal year 2024.

(5) "Excess fiscal year general revenue fund collections" means the positive difference from subtracting the inflation adjusted base year revenues from the adjusted general revenue fund collections from the immediately preceding fiscal year.

(6) "Fiscal year consumer price index" means a 12-month average of the not seasonally adjusted consumer price index for all urban consumers for the immediately preceding fiscal year.

(7) "Inflation adjusted base year revenues" means the base year revenues multiplied by the adjusted consumer price ratio.

(b) Commencing on August 15, 2025, and every August 15 thereafter, the director of the budget, in consultation with the director of legislative research, shall determine whether the total fiscal year adjusted general revenue fund collections from the immediately preceding fiscal year are in excess of the inflation adjusted base year revenues and if the amount of moneys in the budget stabilization fund established pursuant to K.S.A. 75-6706, and amendments thereto, is equal to or exceeds 15% of the prior fiscal year's state tax receipt revenues to the state general fund. If the total fiscal year adjusted general revenue fund collections from the immediately preceding fiscal year are in excess of the inflation adjusted base year revenues and the amount of moneys in the budget stabilization fund is equal to or exceeds 15% of the prior fiscal year's state tax receipt revenues to the state general fund, the director of the budget shall certify to the secretary of revenue the existence of such excess and the amount of the excess.

(c) In the event that the secretary of revenue certifies that the adjusted general revenue fund collections from the immediately preceding fiscal year are in excess of the inflation adjusted base year revenues and the amount of moneys in the budget stabilization fund is equal to or exceeds 15% of the prior fiscal year's state tax receipt revenues to the state general fund, the secretary shall calculate and publish the income tax and privilege tax rate reduction as a result of the excess. In calculating the income tax rate reduction, the excess fiscal year general revenue fund collections shall be computed that would result in the reduction of the income tax rates pursuant to subsection (d) in an amount approximately equal to the rate reductions down to the nearest 0.01% to go into effect for the next tax year. In calculating the privilege tax rate reduction pursuant to subsection (d), the reduction shall be a corresponding rate reduction that is equal to the total percentage adjustment to the corporate income tax. Such rate reductions shall remain in effect unless further reduced pursuant to this section. The income tax brackets and taxable income thresholds prescribed in K.S.A. 79-32,110(a), and amendments thereto, shall be adjusted to reflect the changes in income tax rates.

(d) The secretary shall first compute the reduction of the income tax rates pursuant to K.S.A. 79-32,110(a), and amendments thereto, that decreases proportionally all tax rates in effect. Once the lower income tax rate is decreased to 4%, there shall be no further reductions to the lower income tax rate and further reductions shall only be applied to reduce the higher income tax rate in effect. Upon the higher income tax rate being decreased to 4%, no further reductions shall occur to K.S.A. 79-32,110(a), and

amendments thereto. The secretary shall then compute decreases to:

(1) The surtax imposed pursuant to K.S.A. 79-32,110(c), and amendments thereto. The surtax shall be decreased until the combined normal and surtax rates equal 4% that are imposed pursuant to K.S.A. 79-32,110(c), and amendments thereto. Once the combined normal and surtax rates pursuant to K.S.A. 79-32,110(c), and amendments thereto, equal 4%, no further reductions shall occur;

(2) the normal tax imposed pursuant to K.S.A. 79-1107, and amendments thereto. The normal tax shall be decreased until the combined normal and surtax rates equal 2.6% that are imposed pursuant to K.S.A. 79-1107, and amendments thereto. Once the combined normal and surtax rates pursuant to K.S.A. 79-1107, and amendments thereto, equal 2.6%, no further reductions shall occur; and

(3) the normal tax imposed pursuant to K.S.A. 79-1108, and amendments thereto. The normal tax shall be decreased until the combined normal and surtax rates equal 2.62% that are imposed pursuant to K.S.A. 79-1108, and amendments thereto. Once the combined normal and surtax rates pursuant to K.S.A. 79-1108, and amendments thereto, equal 2.62%, no further reductions shall occur.

Any such vehicle having a gross weight of 2,000 pounds or less may, at the owner's option, be registered and the fee for such registration shall be as provided in paragraph (C).

Any trailer, semitrailer or travel trailer owned by a nonresident of this state and based in another state that is properly registered and licensed in the state of residence of the

owner or in the state where based, may be operated in this state without being registered or licensed in this state if the truck or truck tractor propelling the same is properly registered and licensed in this state, or is registered and licensed in some other state and is entitled to reciprocal privileges of operation in this state, but this provision shall not apply to any trailer or semitrailer owned by a nonresident of this state when such trailer or semitrailer is owned by a person who has proportionately registered and licensed a fleet of vehicles under the provisions of K.S.A. 8-1,101 through 8-1,123, and amendments thereto, or under the terms of any reciprocal or proration agreement made pursuant thereto.

At the option of the owner, any trailer, semitrailer or pole trailer, with a gross weight of more than 12,000 pounds, may be issued a multi-year registration for a five-year period upon payment of the appropriate registration fee. The fee for a five-year registration of such trailer shall be five times the annual fee for such trailer. If the annual registration fee is increased during the multi-year registration period, the owner of the trailer with such multi-year registration shall be subject to the amount of the increase of the annual registration fee for the remaining calendar years of such multi-year registration. When the owner of any trailer, semitrailer or pole trailer registered under this multi-year provision transfers or assigns the title, or interest thereto, the registration of such trailer shall expire. The owner shall remove the license plate from such trailer and forward the license plate to the division of vehicles or may have such license plate assigned to another trailer, semitrailer or pole trailer upon the payment of fees required by law. Any owner of a trailer, semitrailer or pole trailer where the multi-year registration fee has been paid and the trailer is sold, junked, repossessed, foreclosed by a mechanic's lien or title transferred by operation of law, and the registration thereon is not going to be transferred to another trailer, may secure a refund for the registration fee for the remaining calendar years by making application to the division of vehicles on a form and in the manner prescribed by the director of vehicles. The secretary of revenue may adopt such rules and regulations necessary to implement the multi-year registration of such trailers, semitrailers and pole trailers.

(c) Any truck or truck tractor having a gross weight of 4,000 pounds or over, using solid tires, shall pay a license fee of double the amount herein charged. The annual fees herein provided for trucks, truck tractors and trailers not subject to K.S.A. 8-134a, and amendments thereto, shall be due January 1 of each year and payable on or before the last day of February in each year. If the fee is not paid by such date a penalty of \$1 shall be added to the fee charged herein for each month or fraction thereof and until December 31 of each registration year. The annual registration fee for all passenger vehicles and vehicles subject to K.S.A. 8-134a, and amendments thereto, shall be due on or before the last day of the month in which the registration plate expires and shall be due for other vehicles as provided by K.S.A. 8-134, and amendments thereto. If the registration fee is not paid by such date a penalty of \$1 shall be added to the fee charged herein for each month or fraction thereof until such registration fee is paid. Members of the armed forces of the United States shall be permitted to apply for registration at any time and be subject to registration fee, less penalties, applicable at the time the application is made. If any motorcycle, motorized bicycle, trailer, semitrailer, travel trailer, or pole trailer is either purchased or acquired after the anniversary or renewal date in any registration year there shall immediately become due and payable a registration fee as follows: If purchased or acquired between the anniversary or renewal

date of any registration year and the first six months of such registration year, the annual fee provided herein; if purchased or acquired during the last six months of any registration year, 50% of such annual fee. If any truck or truck tractor, except trucks subject to K.S.A. 8-134a, and amendments thereto, is purchased or acquired prior to April 1 of any year the fee shall be the annual fee provided herein, but if such truck or truck tractor is purchased or acquired after the end of March of any year, the license fee for such year shall be reduced $\frac{1}{12}$ for each calendar month which has elapsed since the beginning of the year. If any truck registered for a gross weight of 12,000 pounds or less or passenger vehicle is purchased or acquired and less than 12 months remain in the registration period, the fee shall be $\frac{1}{12}$ of the annual fee for each calendar month remaining in the registration period.

(d) The owner of any motorcycle, motorized bicycle, passenger vehicle, truck, truck tractor, trailer, semitrailer, or electrically propelled vehicle who fails to pay the registration fee or fees herein provided on the date when the same become due and payable shall be guilty of a misdemeanor, and upon conviction thereof shall be subject to a penalty in the sum of \$1 for each month or fraction thereof during which such fee has remained unpaid after it became due and payable; and in addition thereto shall be subject to such other punishment as is provided in this act. Upon the transfer of motorcycles, motorized bicycles, passenger vehicles, trailers, semitrailers, trucks or truck tractors, on which registration fees have been paid for the year in which the transfer is made, either: (1) To a corporation by one or more persons, solely in exchange for stock or securities in such corporation; or (2) by one corporation to another corporation when all of the assets of such corporation are transferred to the other corporation, then in either case, paragraph (1) or (2) the corporation shall be exempt from the payment of registration fees on such vehicles for the year in which such transfer is made. Applications for transfer or registration shall be accompanied by a fee of \$1.50. When the registration of a vehicle has expired at midnight on the last day of any registration year, and such vehicle is not thereafter operated upon the highways, any application for renewal of registration made subsequent to the anniversary or renewal date of any registration year following the expiration of such registration and for succeeding registration years in which such vehicle has not been registered shall be accompanied by an affidavit of nonoperation and nonuse, and such application for renewal or registration shall be received by the division of vehicles upon payment of the proper fees for the current registration year and without penalty.

(e) Any nonresident of Kansas purchasing a vehicle from a Kansas resident and desiring to secure registration on the vehicle in the state of such person's residence may make application in the office of any county treasurer for a sixty-day temporary registration. The county treasurer upon presentation of evidence of ownership in the applicant and evidence the sales tax has been paid, if due, shall charge and collect a fee of \$3 for each sixty-day temporary license and issue a sticker or paper registration as may be determined by the director of vehicles, and the registration so issued shall be valid for a period of 60 days from the date of issuance.

(f) Any owner of any motor vehicle that is subject to taxation under the provisions of article 51 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or any other truck or truck tractor where the annual registration fee has been paid and the vehicle is sold, junked, repossessed, foreclosed by a mechanic's lien or title transferred by operation of law, and the registration thereon is not going to be

transferred to another vehicle may secure a refund for the registration fee for the remaining portion of the year by making application to the division of vehicles on a form and in the manner prescribed by the director of vehicles, accompanied by all license plates and attachments issued in connection therewith. If the owner of the registration becomes deceased and the vehicle is not going to be used on the highway, and title is not being currently transferred, the proper representative of the estate shall be entitled to the refund. The refund shall be made only for the period of time remaining in the registration year from the date of completion and filing of the application with and delivery of the license plate and attachments to the division of vehicles. Where the registration is secured under a quarterly payment annual registration fee, as provided for in K.S.A. 8-143a, and amendments thereto, such refund shall be made on the quarterly fee paid and unused and all remaining quarterly payments shall be canceled. Any truck or truck tractor having the registration fee paid on quarterly payment basis, all quarterly payments due or a fraction of quarterly payment due shall be paid before title may be transferred, except that in case of death, the filing of the application and returning of the license plate and attachment shall cancel the remaining annual payments due. Whenever a truck or truck tractor, where the registration is secured on a quarterly payment of the annual registration, the one repossessing the truck or truck tractor, or foreclosing by a mechanic's lien, or securing title by court order, the mortgagor or the assigns of the mortgagor, or the one securing title may pay the balance due on date of application for title, but the payments for the remaining portion of the year shall not be canceled unless application is made and the license plate and attachments are surrendered. Nothing in this subsection shall apply when registration is secured under the provisions of K.S.A. 8-1,101 through 8-1,123, and amendments thereto. Notwithstanding any of the foregoing provisions of this section, no refund shall be made under the provisions of this section where the amount thereof does not exceed \$5. The division of vehicles shall furnish such blank forms as may be required under the provisions of this subsection as it deems necessary to be completed by the applicant. Whenever a registration which has been secured on a quarterly basis shall be canceled as provided in this subsection, the division of vehicles shall notify the county treasurer issuing the original registration of such cancellation so that the county treasurer may, and the county treasurer shall cancel the registration of such vehicle in the county treasurer's office and release any lien issued in connection with such registration.

(g) Every owner of a travel trailer designed for or intended to be moved upon any highway in this state shall, before the same is so moved, apply for and obtain the proper registration thereof as provided in this act, except when such unit is permitted to be moved under the special provisions relating to secured parties, manufacturers, dealers and nonresidents contained in this act. At the time of registering any travel trailer for the purpose of moving any such vehicle upon any highway in this state, the owner thereof shall indicate on the registration form whether or not such vehicle is being moved permanently to a location outside of the county in which such vehicle is being registered. No such vehicle which the owner thereof intends to move to a permanent location outside the boundaries of such county shall be registered for movement on the highways of this state until all taxes levied against such vehicle have been paid. A copy of such registration form shall be sent to the county clerk or assessor of the county to which such vehicle is being moved. EXPLANATION OF VOTE

I vote NO on **Senate Sub HB 2164** because it intrudes on local control. Local School Boards, aware of the personal circumstances of their patrons, can more accurately create policies which reflect local sensitivities. However well intentioned, the State Legislature has little ability to understand local circumstances and creates "one size fits all" policies which unfortunately serve to trump local wisdom and preferences.—

WILLIAM CLIFFORD

Once again, I vote NO on CCR **S Sub HB 2164** concerning the Kansas Offender registration act making it unlawful for adult sex offenders to enter school property. With a careful eye on protecting our youth from potential repeat predators, I still earnestly believe that, as yet written here in this CCR, barring a parent or grandparent or legal guardian from their child/grandchild's school-based activity or from even transporting them to or from is far too harsh for some family who has paid their debt to society and, in many cases, gone on to live a relatively normal life. Barring a direct family member who has aged well beyond their respective "crime" or often youthful transgression (and, let's face it, all phases of "sex-offenses" are NOT equal) some will impair solid family relationships...completely needlessly...and further brand an innocent child with a completely unnecessary "scarlet letter" stigma and to question an otherwise loving, and now, respectable parent. The depth of this legislation's insensitivity to family fabric is incomprehensible and, I predict, will come back to haunt some constituent in some community each of us might know. And for which the Legislature might, and should, be sued.—DAVID HALEY

(1) If consent is not granted by the person in control of a site or suspected site regarding any request made by any employee or agent of the secretary under the provisions of this section, the secretary may issue an order directing compliance with the request. The order may be issued after such notice and opportunity for consultation as is reasonably appropriate under the circumstances;

(2) The secretary may ask the attorney general to commence a civil action to compel compliance with a request or order referred to in paragraph (1). Where there is a reasonable basis to believe there may be pollution, the court shall take the following actions:

It is the intent of the legislature that the provisions of this subsection shall be applied retroactively.

Except as provided by K.S.A. 65-3453(d), and amendments thereto, any person responsible for the discharge, abandonment or disposal of hazardous substances which the secretary determines is necessary to be cleaned up pursuant to K.S.A. 65-3453 and amendments thereto shall be responsible for the payment of the costs of investigation to determine whether remedial action is necessary at the site. If remedial action is required to protect the public health and environment, the costs of that remedial action shall be borne by the responsible party. If the secretary incurs costs or expends funds for such activities, the responsible person shall be notified of such costs and expenditures and shall make repayment of all costs incurred for response to the site in accordance with K.S.A. 65-3454a and amendments thereto. If the responsible person fails to pay for such costs, such payment or repayment shall be recoverable in an action brought by the secretary in the district court of Shawnee county. No hearing shall be granted to an applicant where such applicant's license, registration or certificate is subject to such automatic revocation or suspension, except for the purpose of establishing the fact of revocation or suspension of the applicant's license, registration or certificate by the applicant's state of residence or jurisdiction in which the applicant held a license, registration or certificate.

(h) In the event the licensing body determines that the license, registration or certificate currently held by an applicant under subsection (c)(2) or the work experience or private credential held by an applicant under subsections (e) or (f), who is a military spouse or military servicemember does not authorize a similar scope of practice as the license, registration or certification issued by the licensing body of this state, the licensing body shall issue a temporary permit for a limited period of time to allow the applicant to lawfully practice the applicant's occupation while completing any specific requirements that are required in this state for licensure, registration or certification that were not required in the state, district or territory of the United States in which the applicant was licensed, registered, certified or otherwise credentialed, unless the licensing body finds, based on specific grounds, that issuing a temporary permit would jeopardize the health and safety of the public.

(i) In the event the licensing body determines that the license, registration or certification currently held by an applicant under subsection (c)(2) or the work experience or private credential held by an applicant under subsections (e) or (f), who is not a military spouse or military servicemember, does not authorize a similar scope of practice as the license, registration or certification issued by the licensing body of this state, the licensing body may issue a temporary permit for a limited period of time to allow the applicant to lawfully practice the applicant's occupation while completing any specific requirements that are required in this state for licensure, registration or certification that was not required in the state, district or territory of the United States in which the applicant was licensed, registered, certified or otherwise credentialed, unless the licensing body finds, based on specific grounds, that issuing a temporary permit would jeopardize the health and safety of the public.

(j) Any testing, continuing education or training requirements administered under subsection (d), (h) or (i) shall be limited to Kansas law that regulates the occupation and that are materially different from or additional to the law of another state, or shall be

limited to any materially different or additional body of knowledge or skill required for the occupational license, registration or certification in Kansas.

(k) A licensing body may grant licensure, registration, certification or a temporary permit to any person who meets the requirements under this section but was separated from such military service under less than honorable conditions or with a general discharge under honorable conditions.

(l) Nothing in this section shall be construed to apply in conflict with or in a manner inconsistent with federal law or a multistate compact, or a rule or regulation or a reciprocal or other applicable statutory provision that would allow an applicant to receive a license. Nothing in this section shall be construed as prohibiting a licensing body from denying any application for licensure, registration or certification, or declining to grant a temporary or probationary license, if the licensing body determines that granting the application may jeopardize the health and safety of the public.

(m) Nothing in this section shall be construed to be in conflict with any applicable Kansas statute defining the scope of practice of an occupation. The scope of practice as provided by Kansas law shall apply to applicants under this section.

(n) Notwithstanding any other provision of law, during a state of emergency declared by the legislature, a licensing body may grant a temporary emergency license to practice any profession licensed, certified, registered or regulated by the licensing body to an applicant whose qualifications the licensing body determines to be sufficient to protect health and safety of the public and may prohibit any unlicensed person from practicing any profession licensed, certified, registered or regulated by the licensing body.

(o) Not later than January 1, 2025, licensing bodies shall provide paper-based and verified electronic credentials to persons regulated by the licensing body. A licensing body may prescribe the format or requirements of the electronic credential to be used by the licensing body. Any statutory or regulatory requirement to display, post or produce a credential issued by a licensing body may be satisfied by the proffer of an electronic credential authorized by the licensing body. A licensing body may use a third-party electronic credential system that is not maintained by the licensing body.

"New Sec. 12. (a) The commissioner is hereby authorized to select and announce the version of insurance calculations, instructions promulgated by the NAIC or other documents required by the NAIC that shall be in effect for the next calendar year. Not later than December 1 of each year, the commissioner shall cause such announcement to be published in the Kansas register.

(b) Calculations and instructions include, but are not limited to, risk-based capital instructions, as used in K.S.A. 40-2c01, and amendments thereto, risk-based capital managed care instructions, as used in K.S.A. 40-2d01, and amendments thereto, and group capital calculation instructions, as used in K.S.A. 40-3302, and amendments thereto.

Sec. 13. K.S.A. 40-112 is hereby amended to read as follows: 40-112. (a) For the purpose of maintaining the insurance department and the payment of expenses incident thereto, there is hereby established the insurance department service regulation fund in the state treasury, which shall be administered by the commissioner of insurance. All expenditures from the insurance department service regulation fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the commissioner of insurance or by a person or persons designated by the commissioner.

(b) On and after the effective date of this act January 1, 2026, all fees received by the commissioner of insurance pursuant to any statute ~~and 1% of taxes received pursuant to K.S.A. 40-252, and amendments thereto,~~ shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the insurance department service regulation fund.

(c) Except as otherwise provided by this section, the commissioner of insurance shall make an annual assessment on each group of affiliated insurers whose certificates of authority to do business in this state are in good standing at the time of the

assessment. The total amount of all such assessments for a fiscal year shall be equal to the amount sufficient ~~which that~~, when combined with the total amount to be credited to the insurance department service regulation fund pursuant to subsection (b) is equal to the amount approved by the legislature to fund the insurance company regulation program. With respect to each group of affiliated insurers, such assessment shall be in proportion to the amount of total assets of the group of affiliated insurers as reported to the commissioner of insurance pursuant to K.S.A. 40-225, and amendments thereto, for the immediately preceding calendar year, shall not be less than \$500 and shall not be more than the amount equal to .0000015 of the amount of total assets of the group of affiliated insurers or \$25,000, whichever is less. The total assessment for any fiscal year shall not increase by any amount greater than 15% of the total budget approved by the legislature to fund the insurance company regulation program for the fiscal year immediately preceding the fiscal year for which the assessment is made. In the event the total amount of the assessment would be less than the aggregate amount resulting by assessing the \$500 minimum on each insurer, the commissioner may establish a lower minimum to be assessed equally on each insurer.

(d) If, by the laws of any state other than Kansas or by the retaliatory laws of any state other than Kansas, any insurer domiciled in Kansas shall be required to pay any fee or tax in such other state of licensure, and the fee or tax is due and payable either because the insurance department service regulation fee imposed by this section on insurers licensed in Kansas and organized or domiciled in such other state is greater than the comparable fee or tax assessed in such other state, or such other state has no comparable fee or tax but requires payment on a retaliatory basis, then to the extent such fee or tax amounts are legally due and are paid in such other state, any insurer domiciled in Kansas may claim a dollar-for-dollar credit for such fees paid against insurer's annual premium taxes due the state of Kansas under K.S.A. 40-252, and amendments thereto, or privilege fee due the state of Kansas under K.S.A. 40-3213, and amendments thereto, but such credit shall only be calculated on the amount ~~which that~~ would not have been required to be paid in such other state of licensure in the absence of the existence of the insurance department service regulation fee imposed by this section, and in no event shall the credit permitted by this section exceed 90% of the insurer's annual premium tax or privilege fee due the state of Kansas. The insurance commissioner shall prescribe the forms for reporting such credits.

(e) Assessments payable under this section shall be past due if not paid to the insurance department within 45 days of the billing date of such assessment. A penalty equal to 10% of the amount assessed shall be imposed upon any past due payment and the total amount of the assessment and penalty shall bear interest at the rate of 1.5% per month or any portion thereof.

(f) When there exists in the insurance department service regulation fund a deficiency ~~which that~~ would render such fund temporarily insufficient during any fiscal year to meet the insurance department's funding requirements, the commissioner of insurance shall certify the amount of the insufficiency. Upon receipt of any such certification, the director of accounts and reports shall transfer an amount of moneys equal to the amount so certified from the state general fund to the insurance department service regulation fund. On June 30 of any fiscal year during which an amount or amounts are certified and transferred under this subsection, the director of accounts and reports shall provide for the repayment of the amounts so transferred and shall transfer

the amount equal to the total of all such amounts transferred during the fiscal year from the insurance department service regulation fund to the state general fund.

(g) Any unexpended balance in the insurance department service regulation fund at the close of a fiscal year shall remain credited to the insurance department service regulation fund for use in the succeeding fiscal year and shall be used to reduce future assessments or to accommodate cash flow demands on the fund.

(h) The commissioner of insurance shall exempt the assessment of any insurer ~~which that~~, as of December 31 of the calendar year preceding the assessment, has a surplus of less than two times the minimum amount of surplus required for a certificate of authority on and after May 1, 1994, and ~~which~~ is subject to the premium tax or privilege fee liability imposed on insurers organized under the laws of this state. The commissioner of insurance may also exempt or defer, in whole or in part, the assessment of any other insurer if, in the opinion of the commissioner of insurance, immediate payment of the total assessment would be detrimental to the solvency of the insurer.

Sec. 21. K.S.A. 40-3306 is hereby amended to read as follows: 40-3306. (a) ~~Material~~ Transactions by registered insurers with their affiliates shall be subject to the following standards:

- (1) The terms shall be fair and reasonable;
- (2) agreements for cost-sharing services and management shall include such provisions as required by rules and regulations adopted by the commissioner of insurance;
- (3) the charges or fees for services performed shall be reasonable;
- (4) expenses incurred and payment received with respect to such transactions shall be allocated to the insurer in conformity with the requirements of K.S.A. 40-225, and amendments thereto;
- (5) the books, accounts and records of each party to all such transactions shall be so maintained as to clearly and accurately disclose the nature and details of the transactions including such accounting information necessary to support the

reasonableness of the charges or fees to the respective parties; and

(6) the insurer's surplus as regards policyholders following any transactions, dividends or distributions to shareholder affiliates shall be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.

(b) (1) If an insurer subject to this act is deemed by the commissioner of insurance to be in a hazardous financial condition as defined by K.S.A. 40-222d, and amendments thereto, or a condition that would be grounds for supervision, conservation or a delinquency proceeding, then the commissioner may require the insurer to secure and maintain either a deposit, held by the commissioner, or a bond, as determined by the insurer at the insurer's discretion, for the protection of the insurer for the duration of the contract or agreement or the existence of the condition for which the commissioner required the deposit or the bond.

(2) In determining whether a deposit or a bond is required, the commissioner shall consider whether concerns exist with respect to the affiliated person's ability to fulfill the contract or agreement if the insurer were to be put into liquidation. Once the insurer is deemed to be in a hazardous financial condition or a condition that would be grounds for supervision, conservation or a delinquency proceeding and a deposit or bond is necessary, the commissioner shall have the discretion to determine the amount of the deposit or bond, not to exceed the value of the contract or agreement in any one year, and whether such deposit or bond should be required for a single contract, multiple contracts or a contract only with a specific person;

(c) All records and data of the insurer held by an affiliate are and shall remain the property of the insurer, are subject to control of the insurer, are identifiable and are segregated or readily capable of segregation, at no additional cost to the insurer from all other persons' records and data. At the request of the insurer, the affiliate shall provide that the receiver may obtain a complete set of all records of any type that pertain to the insurer's business, obtain access to the operating systems upon which the data is maintained, obtain the software that runs those systems either through assumption of licensing agreements or otherwise and restrict the use of the data by the affiliate if it is not operating the insurer's business. The affiliate shall provide a waiver of any landlord lien or other encumbrance to provide the insurer with access to all records and data in the event of the affiliate's default under a lease or other agreement; and

(d) Premiums or other funds belonging to the insurer that are collected or held by an affiliate shall be deemed the exclusive property of and subject to the control of such insurer. Any right of offset in the event that an insurer is placed into receivership shall be subject to K.S.A. 40-3605 et seq., and amendments thereto.

~~(b)~~(e) The following transactions involving a domestic insurer and any person in such insurer's insurance holding company system, including amendments or modifications of affiliate agreements previously filed pursuant to this section, may not be entered into unless the insurer has notified the commissioner of insurance in writing of such insurer's intention to enter into such transaction at least 30 days prior thereto, or such shorter period as the commissioner of insurance may permit, and the commissioner

of insurance has not disapproved such transaction within such period.

(1) Sales, purchases, exchanges, loans or extensions of credit, guarantees or investments provided such transactions are equal to or exceed:

(A) With respect to nonlife insurers, the lesser of 3% of the insurer's admitted assets or 25% of surplus as regards policyholders; or

(2) Loans or extensions of credit to any person who is not an affiliate, ~~where if~~ the insurer makes such loans or extensions of credit with the agreement or understanding that the proceeds of such transactions, in whole or in substantial part, are to be used to make loans or extensions of credit to, purchase assets of, or make investments in; any affiliate of the insurer making such loans or extensions of credit ~~provided if~~ such transactions are equal to or exceed:

(A) With respect to nonlife insurers, the lesser of 3% of the insurer's admitted assets or 25% of surplus as regards policyholders;

(B) with respect to life insurers, 3% of the insurer's admitted assets, each as of December 31 immediately preceding.

(3) Reinsurance agreements or modifications thereto, including:

(A) All reinsurance pooling agreements; and

(B) agreements in which the reinsurance premium or a change in the insurer's liabilities, or the projected reinsurance premium or a projected change in the insurer's liabilities in any of the next three consecutive years equals or exceeds 5% of the insurer's surplus as regards policyholders, as of December 31 immediately preceding, including those agreements ~~which that~~ may require as consideration the transfer of assets from an insurer to a nonaffiliate, if an agreement or understanding exists between the insurer and nonaffiliate that any portion of such assets will be transferred to one or more affiliates of the insurer;

(4) all management agreements, service contracts, tax allocation agreements and all cost-sharing arrangements; and

(5) any material transactions, specified by rules and regulations, ~~which that~~ the commissioner of insurance determines may adversely affect the interests of an insurer's policyholders.

Nothing ~~herein~~ contained in this subsection shall be deemed to authorize or permit any transactions ~~which that~~ in the case of an insurer not a member of the same insurance holding company system, would be otherwise contrary to law.

~~(e)(f)~~ A domestic insurer ~~may shall~~ not enter into transactions ~~which that~~ are part of a plan or series of like transactions with persons within the insurance holding company system if the purpose of those separate transactions is to avoid the threshold amount required under this section and thus avoid the review that would occur otherwise. If the commissioner of insurance determines that such separate transactions were entered into over any 12-month period for such purpose, the commissioner of insurance may exercise authority under K.S.A. 40-3311, and amendments thereto.

~~(d)(g)~~ The commissioner of insurance, in reviewing transactions pursuant to subsection ~~(b)(c)~~, shall consider whether the transactions comply with the standards set forth in subsection (a), and whether such transactions may adversely affect the interests of policyholders.

~~(e)(h)~~ The commissioner of insurance shall be notified within 30 days of any

investment of the domestic insurer in any one corporation if the total investment in such corporation by the insurance holding company system exceeds 10% of such corporation's voting securities.

~~(f)(i)~~ A transaction subject to approval by the commissioner of insurance pursuant to K.S.A. 40-3304, and amendments thereto, shall not be subject to the requirements of this section.

~~(g)(j)~~ (1) No insurer subject to registration under K.S.A. 40-3305, and amendments thereto, shall pay any extraordinary dividend or make any other extraordinary distribution to such insurer's shareholders until:

(A) 30 days after the commissioner of insurance has received notice of the declaration thereof and has not within such period disapproved such payment; or

(B) the commissioner of insurance has approved such payment within such 30-day period.

(2) (A) For purposes of this section, an extraordinary dividend or distribution includes any dividend or distribution of cash or other property, the fair market value of which, together with that of other dividends or distributions made within the preceding 12 months, exceeds the greater of:

(i) 10% of such insurer's surplus as regards policyholders as of December 31 immediately preceding; or

(ii) the net gain from operations of such insurer, if such insurer is a life insurer, or the net income, if such insurer is not a life insurer, not including realized capital gains for the 12-month period ending December 31 ~~immediately next~~ preceding, but shall not include pro rata distributions of any class of the insurer's own securities.

(B) In determining whether a dividend or distribution is extraordinary, an insurer, other than a life insurer, may carry forward net income from the previous two calendar years that has not already been paid out as dividends. This ~~carry-forward~~ carryforward shall be computed by taking the net income from the second and third preceding calendar years, not including realized capital gains, less dividends paid in the second and immediately preceding calendar years.

(C) An extraordinary dividend or distribution shall also include any dividend or distribution made or paid out of any funds other than earned surplus arising from the insurer's business, as defined in K.S.A. 40-233, and amendments thereto. The provisions of K.S.A. 40-233, and amendments thereto, shall not be construed so as to prohibit an insurer, subject to registration under K.S.A. 40-3305, and amendments thereto, from making or paying an extraordinary dividend or distribution in accordance with this section.

(3) Notwithstanding any other provisions of law, an insurer may declare an extraordinary dividend or distribution ~~which that~~ is conditional upon the approval of the commissioner of insurance. No declaration shall confer any rights upon shareholders until:

(A) The commissioner of insurance has approved the payment of such dividend or distribution; or

(B) the commissioner of insurance has not disapproved such payment within the 30-day period referred to above.

~~(h)(k)~~ (1) Notwithstanding the control of a domestic insurer by any person, the officers and directors of the insurer shall not thereby be relieved of any obligation or liability to which they would otherwise be subject by law, and the insurer shall be

managed so as to assure its separate operating identity consistent with this act.

(2) Nothing herein shall preclude a domestic insurer from having or sharing a common management or cooperative or joint use of personnel, property or services with one or more other persons under arrangements meeting the standards of K.S.A. 40-3306, and amendments thereto.

(i) For purposes of this act, in determining whether an insurer's surplus as regards policyholders is reasonable in relation to the insurer's outstanding liabilities and adequate to such insurer's financial needs, the following factors, among others, shall be considered:

(1) The size of the insurer as measured by such insurer's assets, capital and surplus, reserves, premium writings, insurance in force and other appropriate criteria;

(2) the extent to which the insurer's business is diversified among the several lines of insurance;

(3) the number and size of risks insured in each line of business;

(4) the extent of the geographical dispersion of the insurer's insured risks;

(5) the nature and extent of the insurer's reinsurance program;

(9) the adequacy of the insurer's reserves;

(10) the quality and liquidity of investments in affiliates. The commissioner of insurance may treat any such investment as a disallowed asset for purposes of determining the adequacy of surplus as regards policyholders whenever in the judgment of the commissioner of insurance such investment so warrants; and

(11) the quality of the insurer's earnings and the extent to which the reported earnings include extraordinary items.

Sec. 22. K.S.A. 40-3307 is hereby amended to read as follows: 40-3307. (2) To determine compliance with this act, the commissioner of insurance may order any insurer registered under K.S.A. 40-3305, and amendments thereto, to produce information not in the possession of the insurer, if the insurer can obtain access to such information pursuant to contractual relationships, statutory obligations or another method. (c) The commissioner of insurance may retain at the registered insurer's expense such attorneys, actuaries, accountants and other experts not otherwise a part of the staff of the commissioner of insurance as the commissioner of insurance shall determine to be reasonably necessary to assist in the conduct of the examination under subsection (a). Any persons so retained shall be under the direction and control of the commissioner of insurance and shall act in a purely advisory capacity.

(d) Each registered insurer producing examination records, books and papers pursuant to subsection (a) shall be liable for and shall pay the expense of such examination in accordance with K.S.A. 40-223 and ~~K.S.A.~~ 40-253, and amendments thereto.

(e) The commissioner of insurance shall have the power to issue subpoenas, administer oaths and examine under oath any person for purposes of determining compliance with this section. Upon the failure or refusal of any person to obey a subpoena, the commissioner of insurance may petition a court of competent jurisdiction, and upon proper showing, the court may enter an order compelling the witness to appear and testify or produce documentary evidence. Failure to obey the court order shall be punishable as contempt of court. Every person subpoenaed shall be obliged to attend as a witness at the place specified in the subpoena, when subpoenaed, anywhere within the state. In making such determination, the commissioner of insurance also shall

take into consideration any potential adverse consequences of the disclosure thereof.

Journal of the Senate

FIFTY-FIRST DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, April 10, 2025, 10:00 a.m.

The Senate was called to order by President Ty Masterson.

The roll was called with 40 senators present.

President Masterson introduced guest chaplain, Doug Henkle, who delivered the following invocation:

Almighty God, as this legislative session rapidly comes to an end, remind us of the relationships that have been birthed and nurtured here in this chamber. For in years or even in just a few months to come, the thrill of legislative success or the agony of its defeat will fade but the relationships forged through the process will linger.

Instead of holding grudges against those who offend us, cause us to be eager to forgive. Instead of keeping a record of what we've done or whom we've helped, cause us to take delight in forgetting the deeds and cherishing those with whom we worked.

Heavenly Father, You love every senator here and Your heart's desire is that they would love one another. I ask that You cause communication to be clear and free flowing and that You bring reconciliation where it is needed and that as a result, the actions taken in the closing hours of this session would honor You and bless our state.

I pray for President Masterson, Vice President Shallenburger, Majority Leader Blasi and Minority Leader Sykes as well as each member of this body. Bless them with Your wisdom and Your grace and peace as this session comes to conclusion.

In Jesus' Name, Amen

The Pledge of Allegiance was led by President Masterson.

REGARDING VETO OF SENATE BILL 5

Restricting federal funds for elections and election-related activities without legislative approval is not just unnecessary micromanagement; it undermines our ability to conduct secure and efficient elections. Some legislators have voiced concerns about

voter fraud and foreign interference, but state and local election officials would be much more capable of addressing these threats if they received necessary funding from Congress. It doesn't make sense to turn down these resources that make our local elections in Kansas safe, secure, and accurate. Given that the Legislature only convenes for three months each year, how can we expect them to approve funding when they are not available year-round? Instead of obstructing our electoral process, lawmakers should concentrate on the real issues impacting Kansans, rather than complicating the management of election funds. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **Senate Bill 5**.

LAURA KELLY, *Governor* (March 26, 2025)

SB 5, AN ACT concerning elections; relating to the transparency in revenues underwriting elections act; prohibiting the use of funds provided by the United States government for the conduct of elections and election-related activities unless approved by the legislature; amending K.S.A. 25-2436 and repealing the existing section.

ACTION ON VETO MESSAGE

A motion was made by Senator Thompson that **SB 5** be passed notwithstanding the Governor's veto.

SB 5, AN ACT concerning elections; relating to the transparency in revenues underwriting elections act; prohibiting the use of funds provided by the United States government for the conduct of elections and election-related activities unless approved by the legislature; amending K.S.A. 25-2436 and repealing the existing section.

On roll call, the vote was: Yeas 31; Nays 9; Present and Passing 0; Absent or Not Voting 0.

Yeas: Alley, Argabright, Billinger, Blasi, Blew, Bowers, Bowser, J.R. Claeys, Joseph Claeys, Clifford, Dietrich, Erickson, Fagg, Gossage, Klemp, Kloos, Masterson, Murphy, Owens, Peck, Petersen, Rose, Ryckman, Shallenburger, Shane, Starnes, Thomas, Thompson, Titus, Tyson, Warren.

Nays: Corson, Faust Goudeau, Francisco, Haley, Holscher, Pettey, Schmidt, Sykes, Ware.

A two-thirds constitutional majority having voted in favor of overriding the Governor's veto, the motion prevailed and the bill passed.

REGARDING VETO OF SENATE BILL 14

Kansas entered statehood on January 29, 1861. Since that time, every single Legislature has managed to pass a budget that became law. In fact, technically speaking, it's the Legislature's only constitutionally required job. If this Legislature cannot do what every previous legislature has been able to do since our founding—through periods of war, famine, pandemic, recession, the Dust Bowl, and even the Great Depression—then they will have to do it over my veto because I will not sanction it, nor will the people of Kansas. This bill is the latest attempt at legislative overreach into the executive branch and is really nothing more than an invitation to government dysfunction—just like we see in Washington, D.C. Is that what we want for Kansas? I am confident that this Legislature will be able to continue the tradition of completing their constitutionally mandated duties, within the constitutionally mandated timeframe just as every one of their predecessors has been able to do. Therefore, under Article 2,

Section 14(a) of the Constitution, I hereby veto **Senate Bill 14**.

LAURA KELLY, *Governor* (March 26, 2025)

REGARDING VETO OF SENATE BILL 18

While the issuance of specialty state license plates for nonprofit organizations rarely produces controversy, **Senate Bill 18** was amended to funnel revenue generated by the royalties from these license plates to a 501(c)(4) entity that engages in political and state legislative campaigns. Official government-issued license plates should not be used by organizations to generate revenue that can be redirected by organizations for political purposes. Individuals are free to donate to any candidate or cause they choose, but using government-issued license plates for that purpose creates a dangerous precedent and does not serve a valid, justifiable public service. Simply put, it doesn't pass the smell test, which is why I cannot and will not support it. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **Senate Bill 18**.

LAURA KELLY, *Governor* (APRIL 9, 2025)

SB 18, AN ACT concerning motor vehicles; relating to distinctive license plates; providing for the hunter nation distinctive license plate.

REGARDING VETO OF SUBSTITUTE FOR SENATE BILL 29

Taking away the authority of public health officials to prohibit public gatherings and issue quarantines when necessary for the control of infectious or contagious disease directly contradicts effective, evidence-based health intervention advice and would put the health and safety of Kansans at unnecessary risk. While this legislation is likely

motivated by the politics coming out of the recent pandemic, it would cause actual harm in efforts to mitigate current outbreaks related to measles, tuberculosis and other infectious diseases. I will not sign legislation that hampers public health professionals' ability to take reasonable, measured steps to limit the spread of dangerous infections and protect the health of the communities they are entrusted to serve. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **Substitute for Senate Bill 29**.

LAURA KELLY, *Governor* (April 3, 2025)

Sub SB 29, AN ACT concerning public health; removing the authorization for a county or joint board of health or local health officer to prohibit public gatherings when necessary for the control of infectious or contagious diseases; amending K.S.A. 65-119 and 65-129b and K.S.A. 2024 Supp. 65-101 and repealing the existing sections.

ACTION ON VETO MESSAGE

A motion was made by Senator Gossage that **Sub SB 29** be passed notwithstanding the Governor's veto.

A two-thirds constitutional majority having voted in favor of overriding the Governor's veto, the motion prevailed and the bill passed.

REGARDING VETO OF SENATE BILL 79

This bill is simply wrong. Not only would it make it more difficult for Kansans to access the food they need to feed their families, it would also harm Kansas businesses. The waiver required by this bill is confusing and will cause problems for our grocers and small businesses. Under the definition in that waiver, Kansas businesses would be mandated to stop accepting food assistance benefits for protein bars, trail mix, and other food products many would consider "healthy." Meanwhile, items like Twix, Kit Kat, and Twizzlers would still be eligible for purchase using food assistance benefits. It's nonsensical. I support the idea that Kansans should eat healthier. However, changes to the SNAP food assistance program should be made at the federal level, not on a patchwork, state-by-state basis. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **Senate Bill 79**.

LAURA KELLY, *Governor* (April 3, 2025)

SB 79, AN ACT concerning public assistance; relating to food assistance; directing the secretary for children and families to request a waiver from the supplemental nutrition assistance program that would allow the state to prohibit purchase of candy and soft drinks with food assistance; amending K.S.A. 2024 Supp. 39-709 and repealing the existing sections.

REGARDING SENATE BILL 105

While I understand the Legislature's desire to have a say in the appointment process for filling vacancies for United States senator, state treasurer and insurance commissioner, this bill puts forth a partisan power grab by the Legislature and includes an overly bureaucratic process ripe for undue influence by special interests. Had the Legislature passed a simpler method for modifying the appointment process for these offices, I would've signed it into law. However, given my concerns about the messy process this bill creates, the bill will become law without my signature.

LAURA KELLY, *Governor* (March 31, 2025)

REGARDING SENATE BILL 125

While I appreciate the Legislature's bipartisan work to craft **Senate Bill 125**, I have serious concerns with how this budget endangers our state's long-term fiscal health and jeopardizes our ability to fund the essential programs and services that matter most to Kansas families.

This budget will put Kansas in the red by fiscal year 2028. The Legislature will adjourn this year before the release of spring Consensus Revenue estimates, meaning we won't fully understand the actual fiscal impact of this budget until after the Legislature has left town. This is reckless and irresponsible policy making. Kansas

families don't set their household budgets without an accurate picture of their finances, and the state shouldn't either.

Given the ongoing economic uncertainty we are experiencing, I urge the Legislature to seriously consider revisiting this budget. We've spent the last seven years doing the hard work necessary to get Kansas back on the right fiscal track. We risk losing all of that progress and returning to the dark days of four-day school weeks and crumbling roads and bridges if we don't correct the structural imbalance we are currently facing.

This budget also falls short on education. Our families and teachers rely on state funding to ensure they have the resources necessary to provide Kansas kids with the best education possible. Instead of increasing those investments, this budget cuts existing and future funding for programs that help our students and teachers succeed.

This budget eliminates critical funding for teacher professional development programs and literacy training, both of which will ensure we are preparing our students for lifelong academic and workforce success. While I appreciate the \$10 million increase for Special Education included in this budget, this funding is roughly \$62 million short of keeping us on the path to fully funding our state obligation on Special Education. Kansas kids deserve better.

Additionally, this budget contains provisions that effectively decrease BASE state aid funding for public schools. That is unacceptable. While I have corrected this via a line-item veto, I remain extremely concerned about the future of education funding in Kansas. The Legislature must stop playing games with school finance, especially when it underfunds our public schools and could land the state back in court, relitigating issues we've worked to solve in a bipartisan manner.

I am also concerned that this budget does nothing to help Kansas families at a time of rising costs and rampant inflation. For example, this budget does not include my proposal to cut costs for families by covering the cost of reduced-lunch school meals for our kids, nor does it include funding to address rising healthcare costs by expanding Medicaid. Not only will expanding Medicaid make it easier and more affordable for Kansas families to access healthcare, it would also have substantial economic benefits for Kansans. Expansion would bring billions of dollars into the state and would especially benefit our rural communities. I will not stop encouraging the Legislature to do the right thing and expand Medicaid so that Kansans can get the affordable healthcare they need.

Last year, I encouraged the Legislature to put forth proposals that have been vetted and approved through the regular appropriations process. Unfortunately, the Legislature did not heed my advice. This budget includes proposals added at the last-minute that did not go through the public vetting process necessary to ensure they are an efficient and appropriate use of taxpayer dollars. I once again urge the Legislature to ensure budget proposals are transparently and rigorously reviewed prior to inclusion in the budget.

Despite my overall concerns, I appreciate that this budget does make investments in programs that improve state resources for Kansans. I also appreciate that this budget continues our recent trend of investing in economic development, workforce initiatives, and our higher education system, all of which play a role in making Kansas a national leader in economic development. This budget also continues to invest in water quality and quantity – issues that we must address to secure the long-term success of our state.

I look forward to working with the Legislature to address our long-term fiscal health and make investments that will provide Kansans the resources they need to prosper

without risking the future of our state.

Therefore, pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return Senate Bill 125 with my signature approving the bill, except for the items enumerated below.

Legislature — AI Project Sec. 35 (a) has been line-item vetoed in its entirety. While I welcome efforts to make government services more efficient and am willing to work with the Legislature to do so, I do not want to leave those decisions in the hands of an AI computer program that would have access to Kansans' personal financial and medical information. Additionally, given the state's fiscal outlook, this work to find efficiencies should be done by the Legislature through the use of existing staff and resources, not a new appropriation of taxpayer dollars.

Attorney General —KEY Fund Transfer Sec. 40(d) and Sec. 41(g) have been line-item vetoed in their entirety. This annual transfer from the Kansas Endowment for Youth Fund is unnecessary. The agency has continuously received this transfer to comply with the Master Tobacco Settlement but does not expend the entirety of the transfer each year. From previous transfers, the agency currently has enough funds to cover these compliance costs for at least two more years. Retaining these funds in the Kansas Endowment for Youth Fund will ensure greater sustainability of funds for our state's early childhood programs; this is especially critical given the Tobacco Settlement receipts continue to decrease, threatening the long-term sustainability of this essential funding source.

State Treasurer — Pregnancy Compassion Awareness Program The portion of Sec. 46(a) that reads as follows has been line item vetoed: Pregnancy compassion awareness program.....\$3,000,000 Provided, That expenditures shall be made by the above agency from such account during fiscal year 2026 to continue the statewide program, previously known as the alternatives to abortion program, to enhance and increase resources that promote childbirth instead of abortion to women facing unplanned pregnancies and to offer a full range of services, including pregnancy support centers, adoption assistance and maternity homes: Provided further, That the program shall include only the following services: Counseling and mentoring; care coordination for prenatal services, including connecting clients to health programs; providing educational materials and information about pregnancy and parenting; referrals to county and social service programs, including child care, transportation, housing and state and federal benefit programs; classes on life skills, budgeting, parenting, stress management, job training, job placement and obtaining a GED certificate; providing material items, including, but not limited to, car seats, cribs, maternity clothes, infant diapers and formula; and support groups in maternity homes: And provided further, That program services shall be made available to any Kansas resident who is a pregnant woman, the biological father of an unborn child, the biological or adoptive parent or legal guardian of a child 24 months of age or younger, a program participant who has experienced the loss of a child or a parent or legal guardian of a pregnant child who is a program participant: And provided further, That the provision and delivery of services under the program shall be dependent on participant needs as assessed by the nonprofit organization providing the services and not otherwise prioritized by any state agency: And provided further, That program services shall be available to participants only during pregnancy and continuing for up to 24 months after birth of the child: And provided further, That the state treasurer shall

continue to contract with the nonprofit organization that was awarded such contract in fiscal year 2025 to provide services under the pregnancy compassion awareness program, and such nonprofit organization shall subcontract with existing pregnancy centers, adoption agencies, maternity homes and social service organizations to provide program services to promote childbirth instead of abortion: And provided further, That such contract extension shall be for a term not longer than one year: And provided further, That the selected contractor and any subcontractors may provide services in addition to the enumerated program services, but such services shall not be funded through the pregnancy compassion awareness program: And provided further, That the state treasurer shall include as a condition of the contract extension with the nonprofit organization selected to provide program services: (1) The assessment of an administrative fine for failure to satisfy program requirements, including required reporting, or for the intentional or reckless misuse of any funds awarded by the terms of such contract, and such fine shall be in the amount of 10% of the funds awarded by the terms of such contract and shall be deposited into the state treasury in accordance with the provisions of K.S.A. 75-4215, and amendments thereto, to the credit of the state general fund; and (2) that such nonprofit organization shall submit a report to the legislature and the state treasurer on or before June 30, 2026, on the administration of the program during fiscal year 2026, including: The number of clients; the number of clients who participated in case management services; the number of case management hours provided to clients; the number of clients engaged in educational services or job training and placement activities; the number of newborns who were born to program participants; the number of such newborns placed for adoption; the number of fathers who participated in program services; the number of client satisfaction surveys completed; and any other information that shows the success of the contractor's administration of the program: And provided further, That the state treasurer shall establish the pregnancy compassion public awareness program to be administered by the same nonprofit organization contracted with to provide pregnancy compassion awareness program services: And provided further, That the purpose of the public awareness program is to help pregnant women who are at risk of having abortions to be made aware of the pregnancy compassion awareness program services: And provided further, That the public awareness program shall include the development and promotion of a website that provides a geographically indexed list of available pregnancy compassion awareness program services and nonprofit subcontractors that provide services: And provided further, That the public awareness program may include, but shall not be limited to, the use of television, radio, outdoor advertising, newspapers, magazines, other print media and the internet to provide information about the pregnancy compassion awareness program services and subcontractors: And provided further, That, to the greatest extent possible, the secretary for children and families shall supplement and match moneys appropriated for the pregnancy compassion awareness program with federal and other public and private moneys, and such moneys shall be prioritized to be used preferentially for the program and the public awareness program and be transferred from the special revenue fund or funds of the Kansas department for children and families as identified by the secretary for children and families to the pregnancy compassion awareness program account to be expended for such programs: Provided, however, That the pregnancy compassion awareness program and the pregnancy compassion public awareness program and any moneys

appropriated or expended therefor shall not be used to perform, induce, assist in the performing or inducing of or refer for abortions, and moneys appropriated or expended for such programs shall not be granted to organizations or affiliates of organizations that perform, induce, assist in the performing or inducing of or refer for abortions. I continue to believe that housing the pregnancy crisis center program in the Office of the State Treasurer is inappropriate and simply politically motivated. Additionally, Kansas women facing unplanned pregnancies deserve meaningful support from medical professionals who can provide evidence-based guidance, not from largely unregulated pregnancy resource centers. Kansans told the Legislature in August of 2022 that their private medical decisions should remain between them and their physician, and this appropriation is an attempt to subvert the will of the people.

State Treasurer —Duplicative Talent Attraction Program Sec. 46(c) and Sec. 47 have been line-item vetoed in their entirety. I agree we must invest state resources to attract talented workers to Kansas so that our workforce can keep pace with the historic levels of economic development occurring in the state. Unfortunately, the Legislature decided to defund an existing program at the Department of Commerce, Love, Kansas Program that does just that. It is highly inefficient to create a new, unvetted program with no guardrails in an agency that has nothing to do with workforce development or talent attraction. Instead of duplicating work already being done, the resources provided to this program should have gone towards enhancing the Department of Commerce's ongoing efforts to attract talented workers to Kansas.

Kansas Department of Administration —Docking State Office Building Expenditures Sec. 62(d) and Sec. 63(w) have been line-item vetoed in their entirety. The Legislature has already approved funding for the Docking State Office Building, and the project is nearing completion. Adding another level of bureaucratic approval for expenditures and transfers at this stage is needless and redundant, the height of government inefficiency. I am committed to the Docking State Office Building opening in a timely manner, and this proposal would create an unnecessary roadblock that could hamper this goal and waste taxpayer resources.

Kansas Department of Administration — Press Office Lease Costs Sec. 63(x) has been line-item vetoed in its entirety. Freedom of the press is one of the bedrocks of a free and open democratic society. This item appears to be targeted at the Kansas Capitol press corps to stymie their ability to effectively report on the actions occurring in the people's house. Provisions like this set a dangerous precedent and undermine one of the core principles enshrined in the U.S. Constitution. Instead of imposing barriers for the press to do their job in an efficient manner, the Legislature should look for ways to make the lawmaking process more transparent.

Kansas Lottery —Legislative Interference in Sports Gaming Sec. 72 (b) and Sec. 73 (f) have been line-item vetoed in their entirety. Robust processes are in place to negotiate any contract extension or renewal of existing sports wagering agreements. Inserting the Legislature into these negotiations would unnecessarily complicate the complex legal processes already in place to facilitate potential changes to the State's sports wagering agreements.

Kansas Department of Commerce – Purple UAS The portion of Sec. 76(a) that reads as follows has been line-item vetoed: Purple UAS certification innovation grant account.....\$1,000,000 Provided, That expenditures in an amount of not less than \$500,000 shall be made by the above agency from such account during fiscal year 2026

to provide a grant to the national institute for aviation research at Wichita state university to research and create an accurate and comprehensive checklist necessary for blue unmanned aircraft systems (UAS) compliance, which shall include the United States department of defense requirements for maintenance of supply chain security necessary for manufacturers of such department of defense drone technology: Provided further, That, national institute for aviation research shall include specific recommendations to Kansas state university Salina for the creation of a purple UAS public safety and commercial credentialing process: And provided further, That expenditures in an amount of not less than \$500,000 shall be made by the above agency from such account during fiscal year 2026 to provide a grant to Kansas state university Salina to create a purple UAS public safety and commercial credentialing process for credentialing drones for commercial and public safety use: Provided, however, That if such expenditures are not expended by January 1, 2026, on such date, any remaining moneys in such account are hereby lapsed: And provided further, That the above agency shall prepare and submit a report to the legislature on the purple UAS public safety and commercial credentialing process by January 20, 2026. The Department of Commerce did not request this item and it did not go through the agency vetting process. While I appreciate the intent of this item to provide additional funding for emerging technology in the aviation sector, I cannot ignore the deficiencies in the process that led to this being included in the budget. I encourage the Legislature to work with interested parties to resubmit this proposal as an official agency budget request next year.

Kansas Department of Commerce – Arts Commission Restrictions The portion of Sec. 76(b) that reads as follows has been line-item vetoed: Provided further, That expenditures shall not be made by the above agency from such account during fiscal year 2026 to employ persons on a contractual basis in order to ensure that the maximum amount of dollars may be distributed to Kansas communities for arts grants: And provided further, That expenditures shall be made by the above agency from such account during fiscal year 2026 to award matching grant funds: And provided further, That an amount of not to exceed 60% of grant moneys shall be awarded to applicants for matching grant funds located in counties with a population of 85,000 or less as of the 2020 census: And provided further, That an amount of not to exceed 40% of grant moneys shall be awarded to applicants for matching grant funds located in counties with a population of more than 85,000 as of the 2020 census. I'm proud that in recent years we have been able to reinvest in the Kansas Arts Commission. KAC enhances the role the arts play in all levels of education, community service, workforce development and quality of life in our state. This proviso would restrict the Commission's ability to issue grants. It would also bar it from using contractual support, which would likely require additional state employees to cover work the Commission currently partners with contractors to complete. Changing the structure of how the Commission works would cause inefficiencies and grow government.

Kansas Department of Health and Environment – Diseases Control The portion of Sec. 83(a) that reads as follows has been line item vetoed: Provided further, That expenditures in an amount of not less than \$250,000 shall be made by the above agency from such account during fiscal year 2026 to provide for efforts to control and prevent transmission of tuberculosis or other infectious and contagious diseases as designated by the secretary of health and environment pursuant to K.S.A. 65-128, and amendments thereto, including screening, diagnosis and treatment. The portion of Sec. 83(a) that

reads as follows has been line item vetoed: Provided further, That expenditures in an amount of not to exceed \$96,000 shall be made by the above agency from such account for fiscal year 2026 to provide for efforts to control and prevent transmission of tuberculosis, including screening, diagnosis and treatment. These provisos are poorly written and cause confusion regarding the funding for disease control and prevention that KDHE can use. The agency deserves clear and direct guidance from the Legislature to ensure adequate funding for these efforts, especially during the ongoing tuberculosis and measles outbreaks. The ability to screen, diagnose, and treat these contagious diseases is crucial to keeping Kansans safe and healthy.

Kansas Department of Health and Environment – Cerebral Palsy Research The portion of Sec. 83(a) that reads as follows has been line item vetoed: Cerebral palsy research.....\$263,000 The intent behind this budget proviso is unclear. It was not requested by any state agency. I encourage all stakeholders to work with the relevant agencies to get this vetted through the agency budget request process and resubmit next year.

Kansas Department of Health and Environment – Dental Services The portion of Sec. 83(a) that reads as follows has been line item vetoed: Donated dental services.....\$55,000 I support expanding access to dental services. However, there is already funding in the base budget for these types of services included in this proviso.

Kansas Department of Health and Environment – 12-month Medicaid continuous eligibility Sec. 84(e) and Sec. 85(o) have been line-item vetoed in their entirety. These sections will ultimately cost the state taxpayers approximately \$3.5 to \$4.3 million annually by causing the Kansas Department of Health and Environment to add additional staff to implement the policy required by this proviso. The state will not see the cost savings projected by the Legislature because federal regulation dictates that these caregivers and parents cannot be denied healthcare coverage without individual review. This proviso would require the agency to unnecessarily unenroll and then reenroll individuals. It is a highly inefficient, administratively burdensome, costly process.

Kansas Department of Aging and Disability Services – Continuation of SPARK Funding The portion of Sec. 88(a) that reads as follows has been line item vetoed: Aging services grants (039-00-1000-3006).....\$140,000 Provided, That expenditures in an amount of not less than \$140,000 shall be made by the above agency from such account during fiscal year 2025 to provide in-home services to low-income older individuals who would be able to remain in their homes for independence and self-sufficiency if such individuals received such services. The portion of Sec. 89(a) that reads as follows has been line item vetoed: Provided further, That expenditures in an amount of not less than \$540,000 shall be made by the above agency from such account during fiscal year 2026 to provide in-home services to low-income older individuals who would be able to remain in their homes for independence and self-sufficiency if such individuals received such services. I have always supported services that promote self-sufficiency and independence for the elderly. They keep older adults in their communities and prevents nursing home stays, saving taxpayer dollars in the long run. However, these provisos will continue to fund a pilot program that was initially funded by one-time federal grants. The state cannot shoulder the burden of ongoing costs created by lapsed federal funding. It is simply unsustainable.

Kansas Department of Aging and Disability Services – Lapsed Funding Sec. 89(aa) has been vetoed in its entirety 2024 S.B. 28 allocated funding for different types of entities to transform into Certified Community Behavioral Health Clinics over the course of four years. The lapse in funding outlined in this section reverses the progress that the KDADS has made in executing the intent of last year’s appropriation. This is not only a waste of resources, but it is also wholly inefficient.

Kansas Department for Aging and Disability Services – Lapsed Contract Staffing Sec. 90 has been line-item vetoed in its entirety. The patients and the surrounding community at Larned State Hospital will be the ones directly impacted by the elimination of funding for contract agency nursing staff. This maneuver will further strain the existing healthcare workforce, leading to a lack of capacity to care for these patients. Investing in recruiting and retaining our healthcare workforce, especially at these facilities, would be more beneficial and help relieve the reliance on contract nursing. In addition, the State could be at risk of losing significant federal funding if we are not able to meet the patient to staff ratios required by CMS.

Kansas Department for Children and Families – Interpreter Services The portion of Sec. 92(a) that reads as follows has been line item vetoed: Provided further, That expenditures in an amount of not less than \$375,000 shall be made by the above agency from such account during fiscal year 2026 to provide for additional deaf and hard of hearing services. Interpreter services, especially in government functions, are necessary to ensure every Kansan can be informed. However, I have significant concerns over the current limited geographic scope of interpreter services in Kansas. They are not structured in a way that ensures interpreter services are easily accessible and equally affordable in high-user areas. I encourage all relevant stakeholders to reconsider this proposal next year with a plan to widen its capabilities across the state.

Department of Education—Online Curriculum Sec. 96(n) has been line-item vetoed in its entirety. It is not the Legislature’s role to dictate our schools’ curricula. The State Board of Education has the constitutional authority and responsibility to determine curricula for our schools. It is wrong for the Legislature to sweep existing funds that are essential for the agency to function and direct them to expend funds on a particular curriculum and programs not vetted or recommended by the State Board.

Department of Education—SparkWheel Sec. 96(p) has been line-item vetoed in its entirety. While I would have considered additional funds for SparkWheel, funding an increase from existing department resources threatens the ability of the agency to conduct its core functions. As the Legislature considered this funding item, budget subcommittees recommended new funding to support SparkWheel’s expansion. While that position was not included in the final budget, it was a more responsible way to support this program.

Department of Education—Conditioning CPI-U Funding Increases Sec. 96(s) has been line-item vetoed in its entirety. School districts should strive to purchase and maintain AEDs within their academic buildings. I urge all districts to consider using the existing funds from their general funds or Capital Outlay Fund to purchase these devices. Districts and stakeholders should work with the Department of Education to determine how best to cover these costs through their existing resources. I am extremely troubled by the Legislature’s attempt to fund this priority through the appropriation from the BASE state aid per pupil increases required by the Supreme Court of Kansas’s rulings in the Gannon case. The Court was clear: to remain in constitutional

compliance, the State must increase the BASE state aid by a rolling average of the consumer price increase index. These increased funds are intended to account for cost increases to provide the basic level of instruction for all students in public schools. In effect, this proviso decreases the state BASE aid amount to a level lower than required by the Gannon rulings—creating an appropriation of funding that likely violates that ruling and constitutionally underfunds our schools. If the Legislature is serious about providing increased funding for the purchase of AEDs at schools, they should fund this initiative using different resources—rather than threatening to send the state back to court over school finance and siphoning off funding that would allow us to fully fund schools in accordance with the Kansas Constitution.

Kansas State University Extension Systems and Agriculture Research Programs—Double Funding Sec. 108(c) has been line-item vetoed in its entirety. This project was double funded with both State General Funds and Economic Development Initiative Funds (EDIF). This veto retains the funding for this project using State General Funds but eliminates the duplicative funding through EDIF.

Wichita State University—Dentistry Feasibility Study The portion of Sec. 116(a) that reads as follows has been line item-vetoed: Dentistry feasibility study.....\$750,000 Prior to the 2026 legislative session, stakeholders from both higher education and the dentistry profession should come together to discuss the feasibility of developing a dental school in Kansas. Through this collaborative discussion, a more comprehensive strategy could be crafted to determine how the state, higher education, and the profession can partner on this project, should it be deemed in the best interest of the state.

Kansas Board of Regents—Scholarship Lapses Sec. 118(h) and Sec. 118(i) have been line-item vetoed in their entirety. These scholarship funds are critical for students and workforce development. By lapsing these funds, the Legislature will undermine and negate their own hard work to ensure that higher education is affordable for more Kansans and that our businesses' workforce needs are addressed.

Department of Corrections—O'Connell Children's Shelter The portion of Sec. 121(a) that reads as follows has been line-item vetoed: And provided further, That expenditures in an amount of not less than \$1,000,000 shall be made by the above agency from such account during fiscal year 2026 to provide for services to families at the O'Connell children's shelter in Lawrence, Kansas. While I support providing services to Kansas youth who need assistance, the funding in this section of the proviso is allocated toward one specific entity. The direct allocation of these funds circumvents the established grant process and the rigorous agency review that allows any qualified and interested entity to apply, ensuring that services provided are the best quality at the best price. We have made great progress towards eliminating “no-bid contracts” recently. We should not take an unnecessary step backwards.

Kansas Bureau of Investigation — DNA Analysis The portion of Sec. 129(a) that reads as follows has been line-item vetoed: Forensic DNA analysis.....\$500,000 Provided, That expenditures shall be made by the above agency from such account during fiscal year 2026 to provide for forensic genetic genealogy DNA analysis for the purposes of solving violent crimes and identifying human remains. The KBI did not request this item through the normal appropriations process. While the intent of this enhancement is admirable, it needs to go through the agency request process so it could be thoroughly vetted. I

encourage the KBI to request this item in next year's budget so it can be appropriately reviewed to ensure the state gets the best return on investment possible for these services.

State 911 Board – Mapping Grant Program Sec. 135(a) has been line-item vetoed in its entirety. Ensuring the safety of Kansans is one of my top priorities. However, the agency indicates it does not currently have the capacity to enact the program as described in the bill. Additionally, this program would require additional investments by the Legislature over the next several fiscal years to provide complete funding. It is unclear that the Legislature can meet this obligation given the financial picture ahead.

State Finance Council – ARPA Funds Sec. 153, Sec. 156 and Sec. 158 have been line-item vetoed in their entirety. These provisions create extra red tape and bureaucracy over the allocation of American Rescue Plan Act (ARPA) relief funds. Additionally, the federal requirements around the use of these funds are complex, and the state is limited in how they can be spent. The state would be best served if those funding decisions were guided by the experts in the Kansas Office of Recovery.

State Finance Council – 2027 State General Fund Reduction The portion of Sec. 159(a) that reads as follows has been line-item vetoed. (2) On July 1, 2026, of each amount appropriated or reappropriated for a state agency for the fiscal year ending June 30, 2027, by this act or other appropriation act of the 2025 or 2026 regular session of the legislature from the state general fund, that is identified as operating expenditures, including salaries and wages, contractual services, commodities and capital outlay, the sum equal to 1.5% of the aggregate amount of such operating expenditures is hereby lapsed. Given the state's fiscal outlook, I understand the Legislature's desire to find efficiencies in state government by implementing targeted State General Fund reductions, which is why I am leaving the fiscal year 2026 reduction in place. However, it does not make sense to decrease agency funding for fiscal year 2027 when we don't have a good sense of where the state will be financially. I am willing to revisit reductions next session when we will have a better understanding of the state's fiscal outlook for 2027.

State Finance Council – State Highway Fund Cut Sec. 159(b) has been line-item vetoed in its entirety. I am proud to have worked with the Legislature in a bipartisan manner over the last 7 years to stop extraordinary transfers from the State Highway Fund. This item would reverse that progress by redirecting funding to uses beyond the intended scope of the State Highway Fund. The Bank of KDOT closed three years ago and should remain closed.

Kansas State University Veterinary Medical Center—Bonding Authority Sec. 177(b) has been line-item vetoed in its entirety. Throughout my administration, it has been a key priority to eliminate debt and invest one-time funds in one-time projects. We have successfully partnered with the Legislature to pay down debt and limit ongoing budgetary costs. I fear this project backtracks on this progress. I urge Kansas State University to continue collaborating with stakeholders to develop a comprehensive plan for funding a new Animal Diagnostic Laboratory.

Kansas Highway Patrol—Jabara Airport Hangar Sec. 187(h) and Sec. 188 have been line-item vetoed in their entirety. The Kansas Highway Patrol has requested funding to purchase and operate a hangar at the Colonel James Jabara Airport in Wichita. Rather than fund the original request, the Legislature appropriated funds for the agency to work with a third-party entity that would own the hangar rather than the agency. This funding

structure would cost the state considerably more over the long term than would the agency's original request. I will direct the Kansas Highway Patrol to identify alternative solutions for the Legislature to consider next session.

SB 125, AN ACT making and concerning appropriations for the fiscal years ending June 30, 2025, June 30, 2026, and June 30, 2027, for state agencies; authorizing and directing payment of certain claims against the state; authorizing certain capital improvement projects, assessments and fees; authorizing certain transfers; imposing certain restrictions and limitations; directing or authorizing certain disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 2024 Supp. 2-223, 12-177a, 12-5256, 65-180, 74-50, 107, 74-8711, 74-99b34, 76-775, 76-7, 107, 76-7, 155, 76-7, 157, 79-2989, 79-3425i, 79-34, 171, 79-4804 and 82a-955 and repealing the existing sections.

On roll call, the vote was: Yeas 30; Nays 10; Present and Passing 0; Absent or Not Voting 0.

Yeas: Alley, Argabright, Billinger, Blasi, Blew, Bowers, Bowser, J.R. Claeys, Joseph Claeys, Clifford, Dietrich, Erickson, Fagg, Gossage, Klemp, Kloos, Masterson, Murphy, Owens, Peck, Petersen, Rose, Ryckman, Shane, Starnes, Thomas, Thompson, Titus, Tyson, Warren.

Nays: Corson, Faust Goudeau, Francisco, Haley, Holscher, Pettey, Schmidt, Shallenburger, Sykes, Ware.

A two-thirds constitutional majority having voted in favor of overriding the Governor's line-item vetoes, the motion prevailed and the line-items passed.

EXPLANATION OF VOTE

I vote "NO" on calling the question and then "NO" on the motion made to override all of the Governor's thirty-one line-item-vetoes on **SB 125** in one "bundle". The legislature has the responsibility to adopt a budget; the Governor can line-item veto, and then legislators can offer motions to override any of the line-item vetoes. However, this motion to vote on them all at once prevented thoughtful discussion and the chance to

record individual “ayes” and “nays”. Keeping several of the vetoes would have reduced expenditures. Overriding the veto of Sections 84(e) and 85(o) that eliminates 12-month Medicaid continuous eligibility is estimated to cost state taxpayers \$3.5 to \$4.3 million dollars annually by requiring a highly inefficient process to unenroll and then reenroll individuals. There is much talk about finding efficiencies but that would take work on the budget, including a more thorough review the Governor’s vetoes, that we continue to avoid.—MARCI FRANCISCO

REGARDING SENATE BILL 250

This bill gives Kansans with debilitating disease the option to make choices about their medical care. Now I think it’s time for the Legislature to finally legalize medical Marijuana, giving the Kansans suffering from chronic pain, or Post Traumatic Stress Disorder, and children suffering with Dravet’s Syndrome (epilepsy) the choice of the treatment they and their doctors determine best suits their needs.

LAURA KELLY, *Governor* (APRIL 9, 2025)

REGARDING VETO OF SENATE BILL 269

I have proposed and supported tax cuts when they are implemented responsibly and benefit the people of Kansas, especially those who need it most. This bill ignores Kansas families at a time of rising costs and inflation in favor of hundreds of millions of dollars in giveaways to corporations and the wealthy. Make no mistake, should this bill become law, it will put the state back on the path toward the failed Brownback tax experiment: the four-day school weeks, the budget cuts, and the crumbling roads and bridges that came with it. The income tax cuts made possible by this bill could cost the state up to \$1.3 billion annually. The triggers for those tax cuts are such that as soon as the state sees an uptick in revenue, taxes will be automatically cut regardless of any other economic factors or policy and budgetary considerations. We’ve been down this road before, and we can’t afford to go back to failed tax experiments and policies that will stifle economic opportunity for everyday Kansans and thwart efforts to ensure a sustainable water supply essential to our rural communities. I sincerely hope the Legislature listens to the people of Kansas and rethinks priorities on tax policy. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **Senate Bill 269**.

LAURA KELLY, *Governor* (APRIL 9, 2025)

Announcing the House here with transmits the veto message from the Governor, together with the enrolled copy of **HB 2284**, AN ACT concerning the department of administration; relating to the procurement of managed care organizations for the Kansas program of medical assistance; requiring adoption of policies., which was received on April 3, 2025 and read on April 10, 2025.

“The bill, in its original form, contained several helpful provisions that I supported

and would have improved transparency and accountability overall. However, as amended, this bill is now unworkable and opens the state up to costly and protracted litigation.

Additionally, this bill is a dramatic overreach by the Legislature into the role of the Executive branch, which is charged with administering and executing policy. It also overreaches into the Judicial branch by removing the courts from the process entirely and vesting that duty squarely with the Legislature's ad hoc "appeals committee" — a move that calls into question the very constitutionality of this bill by denying the rights of 'judicial review' to those involved.

However, most alarmingly, this bill creates a haphazard procurement process that does nothing to mitigate conflicts of interest among legislators and creates an environment that is rife for exploitation and graft — exactly the opposite of what the existing process, overseen by the Department of Administration, is designed to do. I am happy to work with the Legislature next year on a clean bill that addresses some of the underlying concerns without creating all the legal, ethical and constitutional challenges of this current version of the bill.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2284**.

A motion was made that **HB 2284** be passed notwithstanding the Governor's veto. By vote of 88 Yeas and 37 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

Announcing the House here with transmits the veto message from the Governor, together with the enrolled copy of **HB 2291**, AN ACT creating the regulatory relief division within the office of the attorney general; establishing the general regulatory sandbox program to waive or suspend administrative rules and regulations for program participants; amending K.S.A. 75-4319 and repealing the existing section., which was received on April 3, 2025 and read on April 10, 2025.

"Although I support the intent of this bill to foster an environment where our businesses can thrive, I have concerns regarding the lawmaking power of the advisory committee established in this legislation. Granting an advisory committee the authority to overrule existing law without proper oversight could lead to problematic decision-making and open the door to special interests doing an end-run around the legislative process.

Additionally, this bill blocks any transparency in relation to the applications submitted for review which further exacerbates my concerns regarding the role of special interests.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2291**."

A motion was made that **HB 2291** be passed notwithstanding the Governor's veto. By vote of 88 Yeas and 37 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

Announcing the House here with transmits the veto message from the Governor, together with the enrolled copy of **HB 2033**, AN ACT concerning education; relating to at-risk educational programs; including programs and services provided by nonprofit

organizations accredited by the international multisensory structured language education council as approved at-risk educational programs; amending K.S.A. 2024 Supp. 72-5153 and repealing the existing section., which was received on April 3, 2025 and read on April 10, 2025.

While I believe that we must do everything possible to support at-risk students, this legislation is unnecessary because its goal has already been achieved by the State Board of Education. In February, the Kansas State Board of Education added programs provided by the proponents of this bill to the list of approved at-risk evidence-based programs.

Additionally, in K.S.A 72-5153, the Legislature has explicitly provided the authority to identify and approve these programs to the State Board of Education. Thus, it is the job of the Board to vet and approve at-risk programs and service providers. If program providers want to serve at-risk students, they should work in partnership with the Board.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2033.

A motion was made that **HB 2033** be passed notwithstanding the Governor's veto. By vote of 87 Yeas and 38 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

Announcing the House here with transmits the veto message from the Governor, together with the enrolled copy of **HB 2062**, AN ACT concerning children and families; relating to orders of child support; providing for child support for unborn children from the date of conception and including the direct medical and pregnancy-related expenses of the mother; requiring the court to consider the value of retirement accounts when determining support orders; eliminating the exemption and retirement moneys from claims to fulfill child support obligations; providing for an income tax exemption for unborn and stillborn children; amending K.S.A. 20-165, 23-2205, 23-3001 and 23-3002 and K.S.A. 2024 Supp. 60-2308 and 79-32,121 and repealing the existing sections., which was received on April 9, 2025 and read on April 10, 2025.

“At first glance, this bill may appear to be a proposal to support pregnant women and families.

However, this bill is yet another attempt by special interest groups and extremist lawmakers to ignore the will of Kansans and insert themselves into the lives of those making private medical decisions. It is a place where this Legislature has become all too comfortable — particularly for those who espouse freedom from government overreach.

The motives behind this bill are clear. Instead of helping pregnant women and families, the Legislature chose to pass a bill that connects the issue to a woman's constitutional rights. This bill is a dismissal of the will of the majority of Kansans who voted overwhelmingly in 2022 to keep politicians out of the private medical decisions made between a woman and her doctor.

Furthermore, the provisions of this bill are questionable, and it is surprising it has been put forward. There are legitimate worries surrounding its implications, and I encourage special interest groups and their legislative supporters to reflect on the broader impact of their actions.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2062**.

A motion was made that **HB 2062** be passed notwithstanding the Governor's veto. By vote of 87 Yeas and 38 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

Announcing the House here with transmits the veto message from the Governor, together with the enrolled copy of **S Sub HB 2240**, AN ACT concerning public assistance; requiring approval by an act of the legislature prior to any state agency seeking or implementing any public assistance program waiver or other authorization from the federal government that expands eligibility for any public assistance program, increases cost to the state or makes certain changes in services for persons with intellectual or developmental disabilities; authorizing approval of such waivers, other authorizations or changes by the legislative coordinating council when the legislature is not in session., which was received on April 9, 2025 and read on April 10, 2025.

“Senate Substitute for House Bill 2240 is an unconstitutional overreach by the Legislature into the executive branch attempting to create an unlawful administration of the state’s Medicaid program with the legislative branch.

Our doctrine of independent governmental branches is firmly entrenched in the United States and Kansas constitutional law and significant intrusion by one branch into the duties of another has been held to be unlawful. There is little question in my mind that this represents such an intrusion.

Additionally, we estimate that the process established in this bill would require hundreds of hours of taxpayer-funded work and research by legislative staff to implement even the most basic of changes. Since the federal government issues various administrative changes almost daily, it jeopardizes the very functioning of the underlying programs.

Thousands of Kansans rely on these programs, including children, pregnant women, individuals with disabilities, and low-income seniors. This bill and the subsequent backlog that it would create threatens food and medical assistance benefits for our most vulnerable Kansans at a time of increased inflation and overall financial uncertainty.

Kansas already has very strict eligibility rules and significant verification requirements for these programs. For these reasons and many more, I cannot and will not support this bill.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **Senate Substitute for House Bill 2240.**”

A motion was made that **S Sub for HB 2240** be passed notwithstanding the Governor's veto. By vote of 87 Yeas and 47 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

Announcing the House here with transmits the veto message from the Governor, together with the enrolled copy of **S Sub HB 2382**, AN ACT concerning education; requiring school districts to include a human fetal development presentation as part of the curriculum for any course that addresses human growth, human development or human sexuality; authorizing the state board of education to establish the rate of compensation for members of the state board; amending K.S.A. 72-253 and repealing the existing section., which was received on April 9, 2025 and read on April 10, 2025.

“This bill is convoluted, manipulative, and wrong for a number of reasons.

It undermines the authority of the Kansas State Board of Education and local school boards, who are vested with the duty and responsibility to set and enforce curricula for our schools, no matter the subject.

The Board, teachers, and administrators put in significant effort to create curricula and lesson plans. This legislation undermines their autonomy and replaces the expertise of trained professionals with the desires of special interest groups and the politicians that enable them.

Additionally, this bill fails to establish standards to ensure the information included in the program is evidence-based. But it is not surprising, as the goal of this bill is not to educate developing and impressionable young minds – it is to push a specific agenda without proper research to back it up.

As policy makers and parents, we should demand that our children are provided with high-quality, relevant, researched, and age-appropriate educational experiences free from ideological prejudice. House Bill 2382 falls short of that goal. For these reasons, I cannot and will not support this bill.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **Senate Substitute for House Bill 2382.**”

A motion was made that **S Sub HB 2382** be passed notwithstanding the Governor's veto. By vote of 84 Yeas and 41 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

Announcing the House here with transmits the veto message from the Governor, together with the enrolled copy of **HB 2311**, AN ACT concerning children and minors; relating to the secretary for children and families; prohibiting the secretary from adopting and enforcing policies for placement, custody or appointment of a custodian that may conflict with sincerely held religious or moral beliefs regarding sexual orientation or gender identity; creating a right of action for violations {against the secretary for children and families}., which was received on April 3, 2025 and read on April 10, 2025.

“The top priority of the Kansas Department for Children and Families should be adhering to the "best interest of the child" standard. Legislation like this detracts from this standard and stands in the way of best serving those in the child welfare system. Children in need of care already face unique and complex challenges. I will not sign legislation that could further complicate their lives. I also have concerns that this bill could expose the state to frivolous lawsuits and hinder the agency by taking time and resources away from critical services. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2311.**”

A motion was made that **HB 2311** be passed notwithstanding the Governor's veto. By vote of 87 Yeas and 38 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

Announcing the House here with transmits the veto message from the Governor, together with the enrolled copy of **HB 2217**, AN ACT concerning the attorney general; relating to the office of the inspector general and the powers, duties and responsibilities thereof; expanding the power of the inspector general to investigate and audit all state

cash, food and health assistance programs; amending K.S.A. 75-7427 and repealing the existing section., which was received on April 3, 2025 and read on April 10, 2025.

“It is very unclear what problem, if any, this bill is attempting to solve. Expanding the inspector general’s authority to audit and investigate all state cash, food, and health assistance programs is completely redundant, inefficient, and a waste of taxpayer dollars.

Within the Kansas Department for Children and Families, there already exists a Fraud Investigations Unit that conducts this work with experts who have specific knowledge of how these programs work and what federal and state laws require. This bill also removes statutory protections for participants’ data and health privacy.

It makes no sense from a legal, policy, or fiscal standpoint to make this change.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2217**.”

A motion was made that **HB 2217** be passed notwithstanding the Governor's veto. By vote of 87 Yeas and 38 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

The House adopts the Conference Committee report to agree to disagree on **HB 2045**, and has appointed Representatives Tarwater, Turk and Clayton as Second conferees on the part of the House.

"Sec. 8. K.S.A. 22-2807 is hereby amended to read as follows: 22-2807. (a) If a defendant fails to appear as directed by the court and guaranteed by an appearance bond, the court in which the bond is deposited shall declare a forfeiture of the bail and issue a warrant for the defendant's arrest. If the defendant is charged with a felony offense, the sheriff shall enter such warrant into the national crime information center's index within 14 days of issuance of the warrant and, upon request, the court shall make a copy of the warrant available to a compensated surety who deposited the bond on behalf of the defendant. ~~If such warrant is not entered into such index, the sheriff shall notify the court thereof.~~

(b) An appearance bond may only be forfeited by the court upon a failure to appear. If a defendant violates any other condition of bond, the bond may be revoked and the defendant remanded to custody. An appearance bond is revoked by the execution of a warrant for a defendant's arrest for a violation of a bond condition. The magistrate shall promptly set a new bond pursuant to requirements of K.S.A. 22-2802, and amendments thereto.

(c) (1) The court may direct that a forfeiture be set aside, upon such conditions as the court may impose, if it appears that justice does not require the enforcement of the forfeiture.

(2) The court shall direct that a forfeiture be set aside, ~~upon such conditions as the court may impose~~, if:

(C) a warrant that is required to be entered into the national crime information center's index pursuant to subsection (a) was not entered within 14 days of issuance or provided by the court to the surety upon request pursuant to subsection (a), unless there is good cause shown for the failure to enter such warrant into the index or provide such warrant to the compensated surety; ~~or~~

(D) ~~the defendant has been arrested outside of this state and the prosecuting attorney has declined to proceed with extradition; or~~

(E) the defendant was not held subject to an immigration detainer when the bond was posted and the surety can prove that the defendant has been deported from the United States prior to judgment of default by providing to the court a written statement, signed by the surety under penalty of perjury, setting forth the facts substantiating the deportation.

(3) Upon the defendant's return, the surety may be ordered to pay the costs of such return.

(d) When a forfeiture has not been set aside, the court shall on motion enter a judgment of default and execution may issue thereon. If the forfeiture has been decreed by a district magistrate judge and the amount of the bond exceeds the limits of the civil jurisdiction prescribed by law for a district magistrate judge, the judge shall notify the

chief judge in writing of the forfeiture and the matter shall be assigned to a district judge who, on motion, shall enter a judgment of default. By entering into a bond the obligors submit to the jurisdiction of any court having power to enter judgment upon default and irrevocably appoint the clerk of that court as their agent upon whom any papers affecting their liability may be served. Their liability may be enforced on motion without the necessity of an independent action. The motion and notice thereof may be served on the clerk of the court, who shall ~~forthwith~~ promptly mail copies to the obligors to their last known addresses. No judgment may be entered against the obligor in an appearance bond until more than 60 days after notice is served as provided ~~herein~~ in this section. (B) 75% if the defendant is returned to custody within 91 to 180 days; and

(C) 50% if the defendant is returned to custody within 181 to 270 days.

Sec. 9. K.S.A. 2024 Supp. 22-2809b is hereby amended to read as follows: 22-2809b. (a) As used in this section:

(1) "Compensated surety" means any person who or entity that is organized under the laws of the state of Kansas that, as surety, issues appearance bonds for compensation, posts bail for four or more persons in a calendar year, is responsible for any forfeiture and is liable for appearance bonds written by such person's or entity's authorized agents. A "compensated surety" is either an insurance agent surety, a property surety or a bail agent.

(2) "Insurance agent surety" means a compensated surety licensed by the insurance commissioner to issue surety bonds or appearance bonds in this state and who represents an authorized insurance company. An "insurance agent surety" may have other insurance agent sureties working with or for such surety.

(3) "Property surety" means a compensated surety who secures appearance bonds by property pledged as security. A "property surety" may be a person or entity and may authorize bail agents to act on behalf of the "property surety" in writing appearance bonds.

(4) "Bail agent" means a person authorized by a compensated surety to execute surety bail bonds on such surety's behalf.

(5) "Appearance bond premium" means the fee charged by a compensated surety for posting an appearance bond.

(b) Every compensated surety shall submit an application to the chief judge of the judicial district, or the chief judge's designee, in each judicial district where such surety seeks to act as a surety. A compensated surety shall not act as a surety in such judicial district prior to approval of such application.

(1) The application shall include, but is not limited to, the following information for each insurance agent surety, property surety or bail agent:

(A) A copy of the applicant's Kansas driver's license or nondriver's identification

card;

(B) a statement, made under penalty of perjury, that the applicant is a resident of this state and is not prohibited by K.S.A. 22-2809a(c), and amendments thereto, from acting as a surety; and

(C) a certificate of continuing education compliance in accordance with subsection (g).

(2) The application for each insurance agent surety also shall include:

(A) A copy of the qualifying power of attorney certificates issued to such surety by any insurance company;

(B) a current and valid certificate of license from the insurance department; and

(C) a current and valid certificate of authority from the insurance department.

(3) The application for each property surety also shall include:

(A) A list of all bail agents authorized by such property surety to write appearance bonds on such property surety's behalf and all documentation from such bail agents demonstrating compliance with subsection (b)(1); and

(B) an affidavit describing the property by which such property surety proposes to justify its obligations and the encumbrances thereon, and all such surety's other liabilities. The description shall include a valuation of the property described therein. If the valuation is not readily evident, an appraisal of the property may be required and, if required, shall be incorporated into the affidavit.

(4) The chief judge of the judicial district may require, as a qualification for initial or continued authorization in the judicial district, a compensated surety to submit to a state and national criminal history record check. The fingerprints shall be used to identify the individual and to determine whether the individual has a record of criminal history in this state or any other jurisdiction. The chief judge or the chief judge's designee is authorized to submit the fingerprints to the Kansas bureau of investigation and the federal bureau of investigation for a state and national criminal history record check. The chief judge or the chief judge's designee may use the information obtained from fingerprinting and the criminal history record check for purposes of verifying the identification of the individual and for making an official determination of the qualifications for authorization in the judicial district. Disclosure or use of any information received by the chief judge or the chief judge's designee for any purpose other than the purposes provided for in this paragraph shall be a class A nonperson misdemeanor. The Kansas bureau of investigation may charge a reasonable fee for conducting a criminal history record check, and the individual seeking initial or continued authorization under this section shall pay the costs of fingerprinting and the state and national criminal history record check.

(c) A property surety authorized to act as a surety in a judicial district pursuant to subsection (b) shall be allowed outstanding appearance bonds in the state of Kansas not to exceed an aggregate amount that is 15 times the valuation of the property described in subsection (b)(3). Such property surety shall not write any single appearance bond that exceeds 35% of the total valuation of the property described in subsection (b)(3).

(d) (1) A compensated surety shall:

(A) Charge a minimum appearance bond premium of 10% of the face amount of the appearance bond;

(B) only post a bond after the compensated surety has received at least $\frac{1}{2}$ of the required minimum appearance bond premium in one of the following forms:

(ii) a check delivered to a compensated surety that shall be properly payable when delivered and promptly deposited in the compensated surety's bank account;

A compensated surety shall not provide a loan for the portion of the minimum appearance bond premium required by subsection (d)(1)(B). A compensated surety shall not be an owner, in whole or in part, or in any way affiliated with any financial institution making loans for the portion of the minimum appearance bond premium required by subsection (d)(1)(B).

(e) (1) Each judicial district may, by local rule, require additional information from any compensated surety and establish what property is acceptable for bonding purposes under subsection (b)(3).

(2) A judicial district shall not require any compensated surety to apply for authorization in such judicial district more than once per year, but may require additional reporting from any compensated surety in its discretion. If the judicial district does not require an annual application, each compensated surety or bail agent shall provide a certificate of continuing education compliance in accordance with subsection (g) to the judicial district each year.

(3) A judicial district shall not decline authorization for a compensated surety solely on the basis of type of compensated surety.

(f) (1) Nothing in this section shall be construed to require the chief judge of the judicial district, or the chief judge's designee, to authorize any compensated surety to act as a surety in such judicial district if the judge or designee finds, in such person's discretion, that such authorization is not warranted.

(2) (A) If such authorization is granted, the chief judge of the judicial district, or the chief judge's designee, may terminate or suspend the authorization at any time. Reasons for terminating or suspending such authorization include, but are not limited to:

(i) Filing false statements with the court;

(ii) failing to charge the minimum appearance bond premium as required by this section;

(iii) paying a fee or rebate or giving or promising anything of value to a jailer, law enforcement officer, any person who has the power to arrest or hold a person in custody or any public official or employee in order to secure a settlement, compromise, remission or reduction of the amount of any appearance bond, forfeiture or estreatment, or to secure or delay an appearance bond;

(iv) paying a fee or rebate or giving or promising anything of value, other than reward payments for information relating to the apprehension of fugitives, to an inmate in exchange for a business referral;

(v) requiring or accepting anything of value from a principal other than the appearance bond premium, except that the compensated surety may accept collateral security or other indemnity to secure the face amount of the bond;

(vi) intentionally failing to promptly return collateral security to the principal when the principal is entitled to return of such security;

(vii) knowingly employing or otherwise compensating for any appearance bond related work, any person who has been convicted of a felony unless such conviction has been expunged, other than reward payments for information relating to the apprehension of fugitives; or

(viii) failing to pay any forfeiture judgment within 30 days of the filing of the journal entry of judgment.

(B) The judge or the judge's designee may investigate claims of violations described in subparagraph (A). If the chief judge makes a finding that a violation has occurred, the chief judge may suspend or terminate the authorization of the compensated surety.

(C) If the authorization is suspended for 30 days or more, the chief judge shall make a record describing the length of the suspension and the underlying cause and provide such record to the surety. Such surety, upon request, shall be entitled to a hearing within 30 days after the suspension is ordered.

(D) If the authorization is terminated, the chief judge shall make a record describing the underlying cause and provide such record to the surety. Such surety, upon request, shall be entitled to a hearing within 30 days after the termination is ordered.

(3) If an authorized compensated surety does not comply with the continuing education requirements in subsection (g), the chief judge of the judicial district, or the chief judge's designee, may allow a conditional authorization to continue acting as a surety for 90 days. If such compensated surety does not comply with the continuing education requirements in subsection (g) within 90 days, such conditional authorization shall be terminated and such compensated surety shall not act as a surety in such judicial district.

(g) (1) Every compensated surety shall obtain at least eight hours of continuing education credits during each 12-month period.

(2) The Kansas bail agents association shall either provide or contract for a minimum of eight hours of continuing education classes to be held at least once annually in each congressional district and may provide additional classes in its discretion. The chief judge in each judicial district may provide a list of topics to be covered during the continuing education classes. A schedule of such classes shall be publicly available. The association shall not charge more than \$300 annually for the eight hours of continuing education classes, and the cost of any class with less than eight hours of continuing education may be prorated accordingly. Any fee charged for attending continuing education classes shall not be increased or decreased based upon a compensated surety's membership or lack of membership in the association.

(3) Upon completion of at least eight hours of continuing education credits during each 12-month period by a compensated surety, the Kansas bail agents association shall issue a certificate of continuing education compliance to such surety. The certificate shall be prepared and delivered to the compensated surety within 30 days of such surety's completion of the continuing education requirements. The certificate shall show in detail the dates and hours of each course attended, along with the signature of the

Kansas bail agents association official attesting that all continuing education requirements have been completed.

(4) Any continuing education credits used to comply with conditional authorization pursuant to subsection (f)(3) shall not be applied towards compliance in the current 12-month period or any subsequent 12-month period.";

(e) When the director of the Kansas office of early childhood finds, upon investigation or is advised by the secretary for children and families, that K.S.A. 59-2123, and amendments thereto, or this act are being violated or the day care facility is maintained without due regard to the health, safety or welfare of any child, the director of the Kansas office of early childhood may issue an order revoking such license after giving notice and the opportunity for a hearing in accordance with the Kansas administrative procedure act. Such order shall clearly state the reason for the revocation.

(f) If the director revokes or refuses to renew a license, the licensee who had a license revoked or not renewed shall not be eligible to apply for a license for a period of one year subsequent to the date such revocation or refusal to renew becomes final. If the director revokes or refuses to renew a license of a licensee who is a repeat violator for three or more times of statutory requirements or rules and regulations or is found to have contributed to the death or serious bodily harm of a child under such licensee's care, such licensee shall be permanently prohibited from applying for a new license to provide child care or from seeking employment under another licensee.

BEVERLY GOSSAGE, DINAH SYKES—*Conferees on part of Senate*

SEAN TARWATER, ADAM TURK—*Conferees on part of House*

Senator Gossage moved the Senate adopt the Conference Committee Report on **HB 2045**.

On roll call, the vote was: Yeas 30; Nays 10; Present and Passing 0; Absent or Not Voting 0.

Yeas: Alley, Argabright, Blasi, Blew, Bowers, Bowser, Joseph Claeys, J.R. Claeys, Corson, Dietrich, Fagg, Faust Goudeau, Francisco, Gossage, Haley, Klemp, Kloos, Masterson, Owens, Petersen, Pettey, Rose, Ryckman, Schmidt, Shallenburger, Starnes, Sykes, Thomas, Ware, Warren.

Nays: Billinger, Clifford, Erickson, Holscher, Murphy, Peck, Shane, Thompson, Titus, Tyson.

The Conference Committee Report was adopted.

EXPLANATION OF VOTE

I vote NO on **HB 2045** due to incorporation of dangerous vaccine exemption language from KSA 44-663. At a time when measles has reappeared in Kansas due to under vaccination, it is critical that we protect the most vulnerable in our state. As the father of public health, Samuel Crumbine, MD, so well stated, “the health of all of us depends on the health of each of us.” At this critical time, I could not agree more.—

WILLIAM CLIFFORD

I stand in opposition to the conference committee report for **HB 2045** because approval of this conference committee report will mean that we are approving the creation of a new government agency and a 63 page bill without fully debating it in front of the senate body. I appreciate and agree with a lot of the changes that are brought forth in the bill including the efforts to decouple child care providers from burdensome regulations, but I am concerned that without the opportunity to thoroughly vet this bill we set ourselves up for long term challenges. Echoing the famous words of President Ronald Reagan, this feels a lot like “we are from the government and we are here to help”, when that is probably what contributed to or created our childcare crisis to begin with. For these reasons I vote no.—DOUG SHANE

Senator Erickson, Murphy, Thompson and Titus request the record to show they concur with the "Explanation of Vote" offered by Senator Shane on **HB 2045**.

CONFERENCE COMMITTEE REPORT

MR. SPEAKER and MR. PRESIDENT: Your committee on conference on Senate amendments to **HB 2231** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

The secretary shall reduce the normal tax on corporations. Such rate reductions shall remain in effect unless further reduced pursuant to law.

(f) Upon receipt of the request for exemption, the board shall docket the same and notify the applicant and the county appraiser of such fact.

(g) After examination of the request for exemption and the county appraiser's recommendation related thereto, the board may fix a time and place for hearing, and shall notify the applicant and the county appraiser of the time and place so fixed. A request for exemption pursuant to: (1) Section 13 of article 11 of the constitution of the state of Kansas; or (2) K.S.A. 79-201a *Second*, and amendments thereto, for property constructed or purchased, in whole or in part, with the proceeds of revenue bonds under the authority of K.S.A. 12-1740 through 12-1749, and amendments thereto, prepared in accordance with instructions and assistance which shall be provided by the department of commerce, shall be deemed approved unless scheduled for hearing within 30 days after the date of receipt of all required information and data relating to the request for exemption, and such hearing shall be conducted within 90 days after such date. Sec. 4. K.S.A. 79-1129 is hereby amended to read as follows: 79-1129. (a) Except as otherwise specifically provided, a financial institution whose business activity is taxable both within and without this state shall allocate and apportion its net income as provided in this act. All items of nonbusiness income, income which is not includable in the apportionable income tax base, shall be allocated pursuant to the provisions of K.S.A. 79-3274 through 79-3278 and amendments thereto. A financial institution organized under the laws of a foreign country, the commonwealth of Puerto Rico, or a territory or possession of the United States whose effectively connected income, as defined under the federal internal revenue code, is taxable both within this state and within another state, other than the state in which it is organized, shall allocate and apportion its net income as provided in this act and its apportionment factors shall include the part of its property, payroll and receipts that is related to its apportionable income.

(b)(1) For taxable years commencing prior to January 1, 2027, all business income shall be apportioned as follows:

All business income, income which is includable in the apportionable income tax base, shall be apportioned to this state by multiplying such income by the apportionment percentage. The apportionment percentage is determined by adding the taxpayer's receipts factor, as described in K.S.A. 79-1130, and amendments thereto, property factor, as described in K.S.A. 79-1131, and amendments thereto, and payroll factor, as described in K.S.A. 79-1132, and amendments thereto, together and dividing the sum by three. If one of the factors is missing, the two remaining factors are added and the sum is divided by two. If two of the factors are missing, the remaining factor is the apportionment percentage. A factor is missing if both its numerator and denominator

are zero, but it is not missing merely because its numerator is zero.

(2) For tax years commencing on or after January 1, 2027, all business income shall be apportioned to this state by multiplying the business income by the receipts factor.

(c) Each factor shall be computed according to the method of accounting, cash or accrual basis, used by the taxpayer for the taxable year.

(d) If the allocation and apportionment provisions of this act do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the secretary of revenue may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

(1) Separate accounting;

(2) the exclusion of any one or more of the factors;

(3) the inclusion of one or more additional factors which will fairly represent the taxpayer's business activity in this state; or

(4) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(e) In the event a combined report is utilized to determine the Kansas income attributable to a unitary group of financial institutions, the financial institutions in the combined group shall include only those institutions which have a branch or office in Kansas.

(f) (1) There shall be allowed as a deduction an amount computed in accordance with this subsection.

(2) As of July 1, 2025, only publicly traded companies, including affiliated corporations participating in the filing of a publicly traded company's financial statements prepared in accordance with generally accepted accounting principles, shall be eligible for this deduction.

(3) If the provisions of this section result in an aggregate increase in the taxpayer's net deferred tax liability or an aggregate decrease in the taxpayer's net deferred tax asset, or an aggregate change from a net deferred tax asset to a net deferred tax liability, the taxpayer shall be entitled to a deduction, as determined in this subsection. For the purposes of this section, the term "taxpayer" includes a unitary group of businesses that is required to file a combined report. The deferred tax impact deduction provided under this section for a unitary group of businesses that is required to file a combined report shall be calculated using unitary net deferred tax assets and liabilities and deducted against unitary group income.

(4) A taxpayer shall be entitled to a deferred tax impact deduction from the taxpayer's net business income before apportionment equal to the amount necessary to offset the increase in the net deferred tax liability or decrease in the net deferred tax asset, or aggregate change from a net deferred tax asset to a net deferred tax liability. Such increase in the net deferred tax liability, decrease in the net deferred tax asset or the aggregate change from a net deferred tax asset to a net deferred tax liability shall be computed based on the change that would result from the imposition of the single sales factor requirements pursuant to this section, excluding the deduction provided under this paragraph, as of the end of the tax year prior to tax year 2025. The amount of the deduction shall equal the annual deferred tax deduction amount set forth in paragraph (5).

(5) The annual deferred tax deduction amount shall be calculated as follows:

(A) The deferred tax impact determined in paragraph (4) shall be divided by the

privilege tax rate in effect for the tax year pursuant to K.S.A. 79-1107 and 79-1108, and amendments thereto;

(B) the resulting amount shall be further divided by the Kansas apportionment factor that was used by the taxpayer in the calculation of the deferred tax assets and deferred tax liabilities as provided in this subsection; and

(C) the result multiplied by $\frac{1}{10}$ shall represent the total net deferred tax deduction available for the first tax year beginning on or after January 1, 2035, and the next nine successive tax years.

(6) The deduction calculated under paragraph (5) shall not be adjusted as a result of any events subsequent to such calculation, including, but not limited to, any disposition or abandonment of assets. Such deduction shall be calculated without regard to any tax liabilities under the federal internal revenue code and shall not alter the tax basis of any asset. If the deduction under this section is greater than the taxpayer's net business income before apportionment, any excess deduction shall be carried forward and applied as a deduction for future tax years until fully utilized.

(7) At the discretion of the taxpayer, the taxpayer shall be allowed to claim other available tax credits before claiming the deferred tax deduction calculated under this section. Any deferred tax deduction calculated under this section not claimed on a return shall be carried forward and applied as a deduction for future tax years until fully utilized.

(8) Any taxpayer intending to claim a deduction under this subsection shall file a statement with the secretary on or before July 1, 2027, specifying the total amount of the deduction that the taxpayer claims. The statement shall be made on such form and in such manner as prescribed by the secretary and shall contain such information or calculations as the secretary may specify. No deduction shall be allowed under this section for any taxable year except to the extent claimed in the manner prescribed on or before July 1, 2027.

(9) For purposes of this subsection:

(A) "Net deferred tax liability" means deferred tax liabilities that exceed the deferred tax assets of the taxpayer, as computed in accordance with generally accepted accounting principles.

(B) "Net deferred tax asset" means that deferred tax assets exceed the deferred tax liabilities of the taxpayer, as computed in accordance with generally accepted accounting principles.

Sec. 5. K.S.A. 79-3279 is hereby amended to read as follows: 79-3279. (a) For tax years commencing before January 1, 2027, all business income of railroads and interstate motor carriers of persons or property ~~for hire~~ for hire shall be apportioned to this state by multiplying the business income by a fraction, in the case of railroads, the numerator of which is the freight car miles in this state and the denominator of which is the freight car miles everywhere, and, in the case of interstate motor carriers, the numerator of which is the total number of miles operated in this state and the denominator of which is the total number of miles operated everywhere.

(b) For tax years commencing before January 1, 2027, all business income of any other taxpayer shall be apportioned to this state by one of the following methods:

(1) By multiplying the business income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three; or

(2) at the election of a qualifying taxpayer, by multiplying the business income by a fraction, the numerator of which is the property factor plus the sales factor, and the denominator of which is two.

(A) For purposes of this subsection (b)(2), a qualifying taxpayer is any taxpayer whose payroll factor for a taxable year exceeds 200% of the average of the property factor and the sales factor. Whenever two or more corporations are engaged in a unitary business and required to file a combined report, the fraction comparison provided by this subsection (b)(2) shall be calculated by using the payroll factor, property factor and sales factor of the combined group of unitary corporations.

(B) An election under this subsection (b)(2) shall be made by including a statement with the original tax return indicating that the taxpayer elects to apply the apportionment method under this subsection (b)(2). The election shall be effective and irrevocable for the taxable year of the election and the following nine taxable years. The election shall be binding on all members of a unitary group of corporations. Notwithstanding the above, the secretary of revenue may upon the request of the taxpayer, grant permission to terminate the election under this subsection (b)(2) prior to expiration of the ten-year period.

(3) At the election of a qualifying telecommunications company, by multiplying the business income by a fraction, the numerator of which is the information carrying capacity of wire and fiber optic cable available for use in this state, and the denominator of which is the information carrying capacity of wire and fiber optic cable available for use everywhere during the tax year.

(A) For purposes of this subsection (b)(3), a qualifying telecommunications company is a telecommunications company that is a qualifying taxpayer under ~~paragraph (A) of subsection (b)(2) (b)(2)(A).~~

(B) A qualifying telecommunications company shall make the election under this ~~subsection (b)(3) paragraph~~ in the same manner as provided under ~~paragraph (B) of subsection (b)(2) (b)(2)(B).~~

(4) At the election of a distressed area taxpayer, by multiplying the business income by the sales factor. The election shall be made by including a statement with the original tax return indicating that the taxpayer elects to apply this apportionment method. The election may be made only once, it must be made on or before December 31, 1999 and it shall be effective for the taxable year of the election and the following nine taxable years for so long as the taxpayer maintains the payroll amount prescribed by ~~subsection (j) of K.S.A. 79-3271(j), and amendments thereto.~~

(5) At the election of the taxpayer made at the time of filing of the original return, the qualifying business income of any investment funds service corporation organized as a corporation or S corporation which maintains its primary headquarters and operations or is a branch facility that employs at least 100 individuals on a full-time equivalent basis in this state and has any investment company fund shareholders resided in this state shall be apportioned to this state as provided in this subsection, as follows:

(A) By multiplying the investment funds service corporation's qualifying business income from administration, distribution and management services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company's fund shareholders resided in this state at the beginning of and at the end of the investment company's taxable year

that ends with or within the investment funds service corporation's taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company's fund shareholders everywhere at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year.

(B) A separate computation shall be made to determine the qualifying business income from each fund of each investment company. The qualifying business income from each investment company shall be multiplied by the fraction calculated pursuant to paragraph (A) for each fund of such investment company.

(C) The qualifying portion of total business income of an investment funds service corporation shall be determined by multiplying such total business income by a fraction, the numerator of which is the gross receipts from the provision of management, distribution and administration services to or on behalf of an investment company, and the denominator of which is the gross receipts of the investment funds service company. To the extent an investment funds service corporation has business income that is not qualifying business income, such business income shall be apportioned to this state pursuant to subsection (b)(1).

(D) For tax year 2002, the tax liability of an investment funds service corporation that has elected to apportion its business income pursuant to paragraph (5) shall be increased by an amount equal to 50% of the difference of the amount of such tax liability if determined pursuant to subsection (b)(1) less the amount of such tax liability determined with regard to paragraph (5).

(E) When an investment funds service corporation is part of a unitary group, the business income of the unitary group attributable to the investment funds service corporation shall be determined by multiplying the business income of the unitary group by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three. The property factor is a fraction, the numerator of which is the average value of the investment funds service corporation's real and tangible personal property owned or rented and used during the tax period and the denominator of which is the average value of the unitary group's real and tangible personal property owned or rented and used during the tax period. The payroll factor is a fraction, the numerator of which is the total amount paid during the tax period by the investment funds service corporation for compensation, and the denominator of which is the total compensation paid by the unitary group during the tax period. The sales factor is a fraction, the numerator of which is the total sales of the investment funds service corporation during the tax period, and the denominator of which is the total sales of the unitary group during the tax period.

(F) A taxpayer seeking to make the election available pursuant to subsection (b)(5) ~~of K.S.A. 79-3279, and amendments thereto,~~ shall only be eligible to continue to make such election if the taxpayer maintains at least 95% of the Kansas employees in existence at the time the taxpayer first makes such an election.

(6) At the election of a qualifying taxpayer, by multiplying such taxpayer's business income by the sales factor. The election shall be made by including a statement with the original tax return indicating that the taxpayer elects to apply this apportionment method. The election may be made only once and must be made on or before the last day of the taxable year during which the investment described in paragraph (A) is placed in service, but not later than December 31, 2009, and it shall be effective for the

taxable year of the election and the following nine taxable years or for so long as the taxpayer maintains the wage requirements set forth in paragraph (A). If the qualifying taxpayer is a member of a unitary group of corporations, all other members of the unitary group doing business within this state shall apportion their business income to this state pursuant to subsection (b)(1).

(A) For purposes of this subsection, a qualifying taxpayer is any taxpayer making an investment of \$100,000,000 for construction in Kansas of a new business facility identified under the North American industry classification system (NAICS) subsectors of 31-33, as assigned by the secretary of the department of labor, employing 100 or more new employees at such facility after July 1, 2007, and prior to December 31, 2009, and meeting the following requirements for paying such employees higher-than-average wages within the wage region for such facility:

(ii) the taxpayer's new Kansas business facility with 500 or fewer full-time equivalent employees is the sole facility within its assigned NAICS category that has reported wages for 500 or fewer employees to the Kansas department of labor on the quarterly wage reports;

(iii) the taxpayer's new Kansas business facility with more than 500 full-time equivalent employees will provide an average wage that is above the average wage paid by all Kansas business facilities that share the same assigned NAICS category used to develop wage thresholds and that have reported more than 500 employees to the Kansas department of labor on the quarterly wage reports;

(iv) the taxpayer's new Kansas business facility with more than 500 full-time equivalent employees is the sole facility within its assigned NAICS category that has reported wages for more than 500 employees to the Kansas department of labor on the quarterly wage reports, in which event it shall either provide an average wage that is above the average wage paid by all Kansas business facilities that share the same assigned NAICS category and that have reported wages for 500 or fewer employees to the Kansas department of labor on the quarterly wage reports, or be the sole Kansas business facility within its assigned NAICS category that has reported wages to the Kansas department of labor on the quarterly wage reports;

(v) the number of NAICS digits to use in developing each set of wage thresholds for comparison purposes shall be determined by the secretary of commerce;

(vi) the composition of wage regions used in connection with each set of wage thresholds shall be determined by the secretary of commerce; and

(vii) alternatively, a taxpayer may wage-qualify its new Kansas business facility if, after excluding the headcount and wages reported on the quarterly wage reports to the Kansas department of labor for employees at that new Kansas business facility who own five percent or more equity in the taxpayer, the average wage calculated for the taxpayer's new Kansas business facility is greater than or equal to 1.5 times the aggregate state-wide average wage paid by industries covered by the employment security law based on data maintained by the secretary of labor.

(B) For the purposes of the wage requirements in paragraph (A), the number of

full-time equivalent employees shall be determined by dividing the number of hours worked by part-time employees during the pertinent measurement interval by an amount equal to the corresponding multiple of a 40-hour work week and adding the quotient to the average number of full-time employees.

(C) When the qualifying taxpayer is part of a unitary group, the business income of the unitary group attributable to the qualifying taxpayer shall be determined by multiplying the business income of the unitary group by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three. The property factor is a fraction, the numerator of which is the average value of the qualifying taxpayer's real and tangible personal property owned or rented and used during the tax period and the denominator of which is the average value of the unitary group's real and tangible personal property owned or rented and used during the tax period. The payroll factor is a fraction, the numerator of which is the total amount paid during the tax period by the qualifying taxpayer for compensation, and the denominator of which is the total compensation paid by the unitary group during the tax period. The sales factor is a fraction, the numerator of which is the total sales of the qualifying taxpayer during the tax period, and the denominator of which is the total sales of the unitary group during the tax period.

(D) For purposes of this subsection, the secretary of revenue, upon a showing of good cause and after receiving a certification by the secretary of commerce of substantial compliance with provisions of this subsection (b)(6), may extend any required performance date provided in this subsection (b)(6) for a period not to exceed six months.

(c) For tax years commencing on or after January 1, 2027, all business income shall be apportioned to this state by multiplying the business income by the sales factor.

(d) Any taxpayer having previously made an election pursuant to subsection (b)(2) shall be permitted to apportion income through the use of the single sales factor.

(e) (1) There shall be allowed as a deduction an amount computed in accordance with this subsection.

(2) As of July 1, 2025, only publicly traded companies, including affiliated corporations participating in the filing of a publicly traded company's financial statements prepared in accordance with generally accepted accounting principles, shall be eligible for this deduction.

(3) If the provisions of this section result in an aggregate increase in the taxpayer's net deferred tax liability or an aggregate decrease in the taxpayer's net deferred tax asset, or an aggregate change from a net deferred tax asset to a net deferred tax liability, the taxpayer shall be entitled to a deduction, as determined in this subsection. For the purposes of this section, the term "taxpayer" includes a unitary group of businesses that is required to file a combined report. The deferred tax impact deduction provided under this section for a unitary group of businesses that is required to file a combined report shall be calculated using unitary net deferred tax assets and liabilities and deducted against unitary group income.

(4) A taxpayer shall be entitled to a deferred tax impact deduction from the taxpayer's net business income before apportionment equal to the amount necessary to offset the increase in the net deferred tax liability or decrease in the net deferred tax asset, or aggregate change from a net deferred tax asset to a net deferred tax liability. Such increase in the net deferred tax liability, decrease in the net deferred tax asset or

the aggregate change from a net deferred tax asset to a net deferred tax liability shall be computed based on the change that would result from the imposition of the single sales factor requirements pursuant to this section, excluding the deduction provided under this paragraph, as of the end of the tax year prior to tax year 2025. The amount of the deduction shall equal the annual deferred tax deduction amount set forth in paragraph (5).

(5) The annual deferred tax deduction amount shall be calculated as follows:

(A) The deferred tax impact determined in paragraph (4) shall be divided by the income tax rate for corporations in effect for the tax year pursuant to K.S.A. 79-32,110, and amendments thereto;

(B) the resulting amount shall be further divided by the Kansas apportionment factor that was used by the taxpayer in the calculation of the deferred tax assets and deferred tax liabilities as provided in this subsection; and

(C) the result multiplied by $\frac{1}{10}$ shall represent the total net deferred tax deduction available for the first tax year beginning on or after January 1, 2035, and the next nine successive tax years.

(6) The deduction calculated under paragraph (5) shall not be adjusted as a result of any events subsequent to such calculation, including, but not limited to, any disposition or abandonment of assets. Such deduction shall be calculated without regard to any tax liabilities under the federal internal revenue code and shall not alter the tax basis of any asset. If the deduction under this section is greater than the taxpayer's net business income before apportionment, any excess deduction shall be carried forward and applied as a deduction for future tax years until fully utilized.

(7) At the discretion of the taxpayer, the taxpayer shall be allowed to claim other available tax credits before claiming the deferred tax deduction calculated under this section. Any deferred tax deduction calculated under this section not claimed on a return shall be carried forward and applied as a deduction for future tax years until fully utilized.

(8) Any taxpayer intending to claim a deduction under this subsection shall file a statement with the secretary on or before July 1, 2027, specifying the total amount of the deduction that the taxpayer claims on such form and in such manner as prescribed by the secretary and shall contain such information or calculations as the secretary may specify. No deduction shall be allowed under this section for any taxable year except to the extent claimed in the manner prescribed on or before July 1, 2027.

(2) Promote uniformity or compatibility in significant components of tax systems.

(3) Facilitate taxpayer convenience and compliance in the filing of tax returns and in other phases of tax administration.

(4) Avoid duplicative taxation.

ARTICLE II.—Definitions

As used in this compact:

(1) "State" means a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or any territory or possession of the United States.

(2) "Subdivision" means any governmental unit or special district of a state.

(3) "Taxpayer" means any corporation, partnership, firm, association, governmental unit or agency or person acting as a business entity in more than one state.

(4) "Income tax" means a tax imposed on or measured by net income including any tax imposed on or measured by an amount arrived at by deducting expenses from gross income, one or more forms of which expenses are not specifically and directly related to particular transactions.

(6) "Gross receipts tax" means a tax, other than a sales tax, which is imposed on or measured by the gross volume of business, in terms of gross receipts or in other terms, and in the determination of which no deduction is allowed which would constitute the tax an income tax.

(7) "Sales tax" means a tax imposed with respect to the transfer for a consideration of ownership, possession or custody of tangible personal property or the rendering of services measured by the price of the tangible personal property transferred or services rendered and which is required by state or local law to be separately stated from the sales price by the seller, or which is customarily separately stated from the sales price, but does not include a tax imposed exclusively on the sale of a specifically identified commodity or article or class of commodities or articles.

(8) "Use tax" means a nonrecurring tax, other than a sales tax, which (a) is imposed on or with respect to the exercise or enjoyment of any right or power over tangible personal property incident to the ownership, possession or custody of that property or the leasing of that property from another including any consumption, keeping, retention, or other use of tangible personal property and (b) is complimentary to a sales tax.

ARTICLE III.—Elements of Income Tax Laws

(1) *Taxpayer option, state and local taxes.* Any taxpayer subject to an income tax whose income is subject to apportionment and allocation for tax purposes pursuant to the laws of a party state or pursuant to the laws of subdivisions in two or more party states may elect to apportion and allocate his income in the manner provided by the laws of such state or by the laws of such states and subdivisions without reference to this compact, or may elect to apportion and allocate in accordance with article IV, except that for tax years commencing on or after January 1, 2027, any taxpayer subject to the tax imposed by K.S.A. 79-32,110(c), and amendments thereto, shall apportion and allocate in accordance with article 32 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, and shall not apportion or allocate in accordance with article IV. This election for any tax year may be made in all party states or subdivisions thereof or in any one or more of the party states or subdivisions thereof without reference to the election made in the others. For the purposes of this paragraph, taxes imposed by subdivisions shall be considered separately from state taxes and the apportionment and allocation also may be applied to the entire tax base. In no instance wherein article IV is employed for all subdivisions of a state may the sum of all apportionments and allocations to subdivisions within a state be greater than the apportionment and allocation that would be assignable to that state if the apportionment or allocation were being made with respect to a state income tax.

(2) *Taxpayer option, short form.* Each party state or any subdivision thereof which imposes an income tax shall provide by law that any taxpayer required to file a return, whose only activities within the taxing jurisdiction consist of sales and do not include owning or renting real estate or tangible personal property, and whose dollar volume of gross sales made during the tax year within the state or subdivision, as the case may be, is not in excess of \$100,000 may elect to report and pay any tax due on the basis of a percentage of such volume, and shall adopt rates which shall produce a tax which reasonably approximates the tax otherwise due. The multistate tax commission, not more than once in five years, may adjust the \$100,000 figure in order to reflect such changes as may occur in the real value of the dollar, and such adjusted figure, upon adoption by the commission, shall replace the \$100,000 figure specifically provided herein. Each party state and subdivision thereof may make the same election available to taxpayers additional to those specified in this paragraph.

(3) *Coverage.* Nothing in this article relates to the reporting or payment of any tax other than in income tax.

ARTICLE IV.—Division of Income

(1) As used in this article, unless the context otherwise requires:

(a) "Business income" means income arising from transactions and activity in the regular course of the taxpayer's trade or business and includes income from tangible and intangible property if the acquisition, management, and disposition of the property constitute integral parts of the taxpayer's regular trade or business operations.

(b) "Commercial domicile" means the principal place from which the trade or business of the taxpayer is directed or managed.

(c) "Compensation" means wages, salaries, commissions and any other form of remuneration paid to employees for personal services.

(d) "Financial organization" means any bank, trust company, savings bank, industrial bank, land bank, safe deposit company, private banker, savings and loan association, credit union, cooperative bank, small loan company, sales finance company, investment company, or any type of insurance company.

(e) "Nonbusiness income" means all income other than business income.

(f) "Public utility" means any business entity (1) which owns or operates any plant, equipment, property, franchise, or license for the transmission of communications, transportation of goods or persons, except by pipeline, or the production, transmission, sale, delivery, or furnishing of electricity, water or steam; and (2) whose rates of charges for goods or services have been established or approved by a federal, state or local government or governmental agency.

(g) "Sales" means all gross receipts of the taxpayer not allocated under paragraphs of this article.

(h) "State" means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, and any foreign country or political subdivision thereof.

(i) "This state" means the state in which the relevant tax return is filed or, in the case of application of this article to the apportionment and allocation of income for local tax purposes, the subdivision or local taxing district in which the relevant tax return is filed.

(2) Any taxpayer having income from business activity which is taxable both within and without this state, other than activity as a financial organization or public utility or the rendering of purely personal services by an individual, shall allocate and apportion his net income as provided in this article. If a taxpayer has income from business activity as a public utility but derives the greater percentage of his income from activities subject to this article, the taxpayer may elect to allocate and apportion his entire net income as provided in this article.

(3) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if (1) in that state he is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax, or (2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

(4) Rents and royalties from real or tangible personal property, capital gains, interest, dividends or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in paragraphs 5 through 8 of this article.

(5) (a) Net rents and royalties from real property located in this state are allocable to this state.

(b) Net rents and royalties from tangible personal property are allocable to this state: (1) If and to the extent that the property is utilized in this state, or (2) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(c) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(6) (a) Capital gains and losses from sales of real property located in this state are allocable to this state.

(b) Capital gains and losses from sales of tangible personal property are allocable to this state if (1) the property had a situs in this state at the time of the sale, or (2) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(c) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(7) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

(8) (a) Patent and copyright royalties are allocable to this state: (1) If and to the extent that the patent or copyright is utilized by the payer in this state, or (2) if and to the extent that the patent copyright is utilized by the payer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(b) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(c) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(9) All business income shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three.

(10) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period.

(11) Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals.

(12) The average value of property shall be determined by averaging the values at the beginning and ending of the tax period but the tax administrator may require the

averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property.

(13) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the tax period by the taxpayer for compensation and the denominator of which is the total compensation paid everywhere during the tax period.

(14) Compensation is paid in this state if:

- (a) The individual's service is performed entirely within the state;
- (b) The individual's service is performed both within and without the state, but the service performed without the state is incidental to the individual's service within the state; or
- (c) Some of the service is performed in the state and (1) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in the state, or (2) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state.

(15) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the tax period, and the denominator of which is the total sales of the taxpayer everywhere during the tax period.

(16) Sales of tangible personal property are in this state if:

- (a) The property is delivered or shipped to a purchaser, other than the United States government, within this state regardless of the f.o.b. point or other conditions of the sale; or
 - (b) The property is shipped from an office, store, warehouse, factory, or other place of storage in this state and (1) the purchaser is the United States government or (2) the taxpayer is not taxable in the state of the purchaser.
- (17) Sales, other than sales of tangible personal property, are in this state if:
- (a) The income-producing activity is performed in this state; or
 - (b) The income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(18) If the allocation and apportionment provisions of this article do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the tax administrator may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

- (a) Separate accounting;
- (b) The exclusion of any one or more of the factors;
- (c) The inclusion of one or more additional factors which will fairly represent the taxpayer's business activity in this state; or
- (d) The employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

ARTICLE V.—Elements of Sales and Use Tax Laws

(1) *Tax credit.* Each purchaser liable for a use tax on tangible personal property shall be entitled to full credit for the combined amount or amounts of legally imposed sales or use taxes paid by him with respect to the same property to another state and any subdivision thereof. The credit shall be applied first against the amount of any use tax due the state, and any unused portion of the credit shall then be applied against the

amount of any use tax due a subdivision.

(2) *Exemption certificates, vendors may rely.* Whenever a vendor receives and accepts in good faith from a purchaser a resale or other exemption certificate or other written evidence of exemption authorized by the appropriate state or subdivision taxing authority, the vendor shall be relieved of liability for a sales or use tax with respect to the transaction.

ARTICLE VI.—The Commission

(1) *Organization and management.* (a) The multistate tax commission is hereby established. It shall be composed of one "member" from each party state who shall be the head of the state agency charged with the administration of the types of taxes to which this compact applies. If there is more than one such agency the state shall provide by law for the selection of the commission member from the heads of the relevant agencies. State law may provide that a member of the commission be represented by an alternate but only if there is on file with the commission written notification of the designation and identity of the alternate. The attorney general of each party state or his designee, or other counsel if the laws of the party state specifically provide, shall be entitled to attend the meetings of the commission, but shall not vote. Such attorneys general, designees, or other counsel shall receive all notices of meetings required under paragraph (1) (c) of this article.

(b) Each party state shall provide by law for the selection of representatives from its subdivisions affected by this compact to consult with the commission member from that state.

(c) Each member shall be entitled to one vote. The commission shall not act unless a majority of the members are present, and no action shall be binding unless approved by a majority of the total number of members.

(d) The commission shall adopt an official seal to be used as it may provide.

(e) The commission shall hold an annual meeting and such other regular meetings as its bylaws may provide and such special meetings as its executive committee may determine. The commission bylaws shall specify the dates of the annual and any other regular meetings, and shall provide for the giving of notice of annual, regular and special meetings. Notices of special meetings shall include the reasons therefor and an agenda of the items to be considered.

(f) The commission shall elect annually, from among its members, a chairman, a vice-chairman and a treasurer. The commission shall appoint an executive director who shall serve at its pleasure, and it shall fix his duties and compensation. The executive director shall be secretary of the commission. The commission shall make provision for the bonding of such of its officers and employees as it may deem appropriate.

(g) Irrespective of the civil service, personnel or other merit system laws of any party state, the executive director shall appoint or discharge such personnel as may be necessary for the performance of the functions of the commission and shall fix their duties and compensation. The commission bylaws shall provide for personnel policies and programs.

(h) The commission may borrow, accept or contract for the services of personnel from any state, the United States, or any other governmental entity.

(i) The commission may accept for any of its purposes and functions any and all donations and grants of money, equipment, supplies, materials and services, conditional or otherwise, from any governmental entity, and may utilize and dispose of the same.

(j) The commission may establish one or more offices for the transacting of its business.

(k) The commission shall adopt bylaws for the conduct of its business. The commission shall publish its bylaws in convenient form, and shall file a copy of the bylaws and any amendments thereto with the appropriate agency or officer in each of the party states.

(l) The commission annually shall make to the governor and legislature of each party state a report covering its activities for the preceding year. Any donation or grant accepted by the commission or services borrowed shall be reported in the annual report of the commission, and shall include the nature, amount and conditions, if any, of the donation, gift, grant or services borrowed and the identity of the donor or lender. The commission may make additional reports as it may deem desirable.

(2) *Committees.* (a) To assist in the conduct of its business when the full commission is not meeting, the commission shall have an executive committee of seven members, including the chairman, vice-chairman, treasurer and four other members elected annually by the commission. The executive committee, subject to the provisions of this compact and consistent with the policies of the commission, shall function as provided in the laws of the commission.

(b) The commission may establish advisory and technical committees, membership on which may include private persons and public officials, in furthering any of its activities. Such committees may consider any matter of concern to the commission, including problems of special interest to any party state and problems dealing with particular types of taxes.

(c) The commission may establish such additional committees as its bylaws may provide.

(3) *Powers.* In addition to powers conferred elsewhere in this compact, the commission shall have power to:

(a) Study state and local tax systems and particular types of state and local taxes.

(b) Develop and recommend proposals for an increase in uniformity or compatibility of state and local tax laws with a view toward encouraging the simplification and improvement of state and local tax law and administration.

(c) Compile and publish information as in its judgment would assist the party states in implementation of the compact and taxpayers in complying with state and local tax laws.

(d) Do all things necessary and incidental to the administration of its functions pursuant to this compact.

(4) *Finance.* (a) The commission shall submit to the governor or designated officer or officers of each party state a budget of its estimated expenditures for such period as may be required by the laws of that state for presentation to the legislature thereof.

(b) Each of the commission's budget of estimated expenditures shall contain specific recommendations of the amounts to be appropriated by each of the party states. The total amount of appropriations requested under any such budget shall be apportioned among the party states as follows: One-tenth in equal shares; and the remainder in proportion of the amount of revenue collected by each party state and its subdivisions from income taxes, capital stock taxes, gross receipts taxes, sales and use taxes. In determining such amounts, the commission shall employ such available public sources of information as, in its judgment, present the most equitable and accurate

comparisons among the party states. Each of the commission's budgets of estimated expenditures and requests for appropriations shall indicate the sources used in obtaining information employed in applying the formula contained in this paragraph.

(c) The commission shall not pledge the credit of any party state. The commission may meet any of its obligations in whole or in part with funds available to it under paragraph (1) (i) of this article: *Provided*, That the commission takes specific action setting aside such funds prior to incurring any obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it under paragraph (1) (i), the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.

(d) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. All receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the commission.

(e) The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the party states and by any persons authorized by the commission.

(f) Nothing contained in this article shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the commission.

ARTICLE VII.—Uniform Regulations and Forms

(1) Whenever any two or more party states, or subdivisions of party states, have uniform or similar provisions of law relating to an income tax, capital stock tax, gross receipts tax, sales or use tax, the commission may adopt uniform regulations for any phase of the administration of such law, including assertion of jurisdiction to tax, or prescribing uniform tax forms. The commission may also act with respect to the provisions of article IV of this compact.

(2) Prior to the adoption of any regulation, the commission shall:

(a) As provided in its bylaws, hold at least one public hearing on due notice to all affected party states and subdivisions thereof and to all taxpayers and other persons who have made timely request of the commission for advance notice of its regulation-making proceedings.

(b) Afford all affected party states and subdivisions and interested persons an opportunity to submit relevant written data and views, which shall be considered fully by the commission.

(3) The commission shall submit any regulations adopted by it to the appropriate officials of all party states and subdivisions to which they might apply. Each such state and subdivision shall consider any such regulation for adoption in accordance with its own laws and procedures.

ARTICLE VIII.—Interstate Audits

(1) This article shall be in force only in those party states that specifically provide therefor by statute.

(2) Any party state or subdivision thereof desiring to make or participate in an audit of any accounts, books, papers, records or other documents may request the commission to perform the audit on its behalf. In responding to the request, the commission shall

have access to and may examine, at any reasonable time, such accounts, books, papers, records, and other documents and any relevant property or stock of merchandise. The commission may enter into agreements with party states or their subdivisions for assistance in performance of the audit. The commission shall make charges, to be paid by the state or local government or governments for which it performs the service, for any audits performed by it in order to reimburse itself for the actual costs incurred in making the audit.

(3) The commission may require the attendance of any person within the state where it is conducting an audit or part thereof at a time and place fixed by it within such state for the purpose of giving testimony with respect to any account, book, paper, document, other record, property or stock of merchandise being examined in connection with the audit. If the person is not within the jurisdiction, he may be required to attend for such purpose at any time and place fixed by the commission within the state of which he is a resident: *Provided*, That such state has adopted this article.

(4) The commission may apply to any court having power to issue compulsory process for orders in aid of its powers and responsibilities pursuant to this article and any and all such courts shall have jurisdiction to issue such orders. Failure of any person to obey any such order shall be punishable as contempt of the issuing court. If the party or subject matter on account of which the commission seeks an order is within the jurisdiction of the court to which application is made, such application may be to a court in the state or subdivision on behalf of which the audit is being made or a court in the state in which the object of the order being sought is situated. The provisions of this paragraph apply only to courts in a state that has adopted this article.

(5) The commission may decline to perform any audit requested if it finds that its available personnel or other resources are insufficient for the purpose or that, in the terms requested, the audit is impracticable of satisfactory performance. If the commission, on the basis of its experience, has reason to believe that an audit of a particular taxpayer, either at a particular time or on a particular schedule, would be of interest to a number of party states or their subdivisions, it may offer to make the audit or audits, the offer to be contingent on sufficient participation therein as determined by the commission.

(6) Information obtained by any audit pursuant to this article shall be confidential and available only for tax purposes to party states, their subdivisions or the United States. Availability of information shall be in accordance with the laws of the states or subdivisions on whose account the commission performs the audit, and only through the appropriate agencies or officers of such states or subdivisions. Nothing in this article shall be construed to require any taxpayer to keep records for any period not otherwise required by law.

(7) Other arrangements made or authorized pursuant to law for cooperative audit by or on behalf of the party states or any of their subdivisions are not superseded or invalidated by this article.

(8) In no event shall the commission make any charge against a taxpayer for an audit.

(9) As used in this article, "tax," in addition to the meaning ascribed to it in article II, means any tax or license fee imposed in whole or in part for revenue purposes.

ARTICLE IX.—Arbitration

(1) Whenever the commission finds a need for settling disputes concerning

apportionments and allocations by arbitration, it may adopt a regulation placing this article in effect, notwithstanding the provisions of article VII.

(2) The commission shall select and maintain an arbitration panel composed of officers and employees of state and local governments and private persons who shall be knowledgeable and experienced in matters of tax law and administration.

(3) Whenever a taxpayer who has elected to employ article IV, or whenever the laws of the party state or subdivision thereof are substantially identical with the relevant provisions of article IV, the taxpayer, by written notice to the commission and to each party state or subdivision thereof that would be affected, may secure arbitration of an apportionment or allocation, if he is dissatisfied with the final administrative determination of the tax agency of the state or subdivision with respect thereto on the ground that it would subject him to double or multiple taxation by two or more party states or subdivisions thereof. Each party state and subdivision thereof hereby consents to the arbitration as provided herein, and agrees to be bound thereby.

(4) The arbitration board shall be composed of one person selected by the taxpayer, one by the agency or agencies involved, and one member of the commission's arbitration panel. If the agencies involved are unable to agree on the person to be selected by them, such person shall be selected by lot from the total membership of the arbitration panel. The two persons selected for the board in the manner provided by the foregoing provisions of this paragraph shall jointly select the third member of the board. If they are unable to agree on the selection, the third member shall be selected by lot from among the total membership of the arbitration panel. No member of a board selected by lot shall be qualified to serve if he is an officer or employee or is otherwise affiliated with any party to the arbitration proceeding. Residence within the jurisdiction of a party to the arbitration proceeding shall not constitute affiliation within the meaning of this paragraph.

(5) The board may sit in any state or subdivision party to the proceeding, in the state of the taxpayer's incorporation, residence or domicile, in any state where the taxpayer does business, or in any place that it finds most appropriate for gaining access to evidence relevant to the matter before it.

Subpoenas may be signed by any member of the board. In case of failure to obey a subpoena, and upon application by the board, any judge of a court of competent jurisdiction of the state in which the board is sitting or in which the person to whom the subpoena is directed may be found may make an order requiring compliance with the subpoena, and the court may punish failure to obey the order as a contempt. The provisions of this paragraph apply only in states that have adopted this article.

(8) Unless the parties otherwise agree the expenses and other costs of the arbitration shall be assessed and allocated among the parties by the board in such manner as it may determine. The commission shall fix a schedule of compensation for members of arbitration boards and of other allowable expenses and costs. (12) The commission shall adopt and publish rules of procedure and practice and shall file a copy of such rules and of any amendment thereto with the appropriate agency or officer in each of the party states.

(13) Nothing contained herein shall prevent at any time a written compromise of any matter or matters in dispute, if otherwise lawful, by the parties to the arbitration proceeding.

ARTICLE X.—Entry Into Force and Withdrawal

(1) This compact shall enter into force when enacted into law by any seven states. Thereafter, this compact shall become effective as to any other state upon its enactment thereof. The commission shall arrange for notification of all party states whenever there is a new enactment of the compact.

(2) Any party state may withdraw from this compact by enacting a statute repealing the same. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

(3) No proceeding commenced before an arbitration board prior to the withdrawal of a state and to which the withdrawing state or any subdivision thereof is a party shall be discontinued or terminated by the withdrawal, nor shall the board thereby lose jurisdiction over any of the parties to the proceeding necessary to make a binding determination therein.

ARTICLE XI.—Effect on Other Laws and Jurisdiction

Nothing in this compact shall be construed to:

(a) Affect the power of any state or subdivision thereof to fix rates of taxation, except that a party state shall be obligated to implement article III (2) of this compact.

(b) Apply to any tax or fixed fee imposed for the registration of a motor vehicle or any tax on motor fuel, other than a sales tax: *Provided*, That the definition of "tax" in article VIII (9) may apply for the purposes of that article and the commission's powers of study and recommendation pursuant to article VI (3) may apply.

(c) Withdraw or limit the jurisdiction of any state or local court or administrative officer or body with respect to any person, corporation or other entity or subject matter, except to the extent that such jurisdiction is expressly conferred by or pursuant to this compact upon another agency or body.

FIFTY-SECOND DAY

SENATE CHAMBER, TOPEKA, KANSAS
Friday, April 11, 2025, 9:30 a.m.

The Senate was called to order by President Ty Masterson.

The roll was called with 40 senators present.

President Masterson introduced guest chaplain, Doug Henkle, who delivered the following invocation:

Heavenly Father, thank You for the tremendous blessing it is to come before Your throne on this morning, the final day of the 2025 Kansas legislative session. As the work in this chamber concludes, I, again, pray for peace, not necessarily the absence of conflict but rather Your presence, Jesus, which creates a stillness within us that is greater than what's going on around us.

Father, despite our high-tech world and efficient procedures, people and our relationship with one another, remain the essential ingredient of life. Lord, I pray for friendly relations within this chamber today. Cause each member of this body to think before they speak, aware that their words may not be easily overlooked or erased. Cause each Senator to address the closing issues of this session to the best of their ability, in a diplomatic and honorable way.

I pray that every Senator here, who You love dearly, would have confidence in You that You are at work, that You are in full control and that You are in the midst of all that happens here. Because of that, dear Father, give them a sense of satisfaction and peace as they conclude this session. I pray that, as You have commanded, we would love one another as You have loved us, despite differing views and approaches to the issues at hand.

I lift up President Masterson, Vice President Shallenburger, Majority Leader Blasi, and Minority Leader Sykes to You, Thank You for their leadership throughout this session. Continue to bless them with Your wisdom, Your knowledge, and Your understanding in the hours ahead, as they lead this chamber, this session, to a beneficial conclusion. In Jesus' name, Amen.

The Pledge of Allegiance was led by President Masterson.

EXPLANATION OF VOTE

The voters of my district, and across Kansas, elected us to rein in out-of-control property taxes that are forcing seniors out of their homes, creating an impediment to home ownership for young people. High property taxes are contributing to financial stress and duress on homeowners, renters, and business owners, and inhibiting economic growth. Eliminating the statewide 20 mills is not the property tax relief I hoped for this legislative session, but at this session ends, it appears to be the only meaningful vote I can make to demonstrate that I am devoted to providing true, meaningful relief for my constituents. The Senate worked hard to provide property tax relief. I want to commend the hard work of the Senate Leadership, Tax Chairwoman

Tyson and the Senate Tax committee who have been devoted to fixing this untenable problem. The lack of a solution this session has not been for the lack of their attempts to provide relief. Nevertheless, we go home to some very disappointed constituents who are pleading for help, and I hope we can get more done in 2026. I vote "NO".—MIKE THOMPSON

Sec. 9. On and after July 1, 2026, K.S.A. 2024 Supp. 45-229, as amended by section 1 of 2025 House Bill No. 2166, is hereby amended to read as follows: 45-229.

(a) It is the intent of the legislature that exceptions to disclosure under the open records act shall be created or maintained only if:

- (1) The public record is of a sensitive or personal nature concerning individuals;
- (2) the public record is necessary for the effective and efficient administration of a governmental program; or
- (3) the public record affects confidential information.

The maintenance or creation of an exception to disclosure must be compelled as measured by these criteria. Further, the legislature finds that the public has a right to have access to public records unless the criteria in this section for restricting such access to a public record are met and the criteria are considered during legislative review in connection with the particular exception to disclosure to be significant enough to override the strong public policy of open government. To strengthen the policy of open government, the legislature shall consider the criteria in this section before enacting an exception to disclosure.

(b) Subject to the provisions of subsections (g) and (h), any new exception to disclosure or substantial amendment of an existing exception shall expire on July 1 of the fifth year after enactment of the new exception or substantial amendment, unless the legislature acts to continue the exception. A law that enacts a new exception or substantially amends an existing exception shall state that the exception expires at the end of five years and that the exception shall be reviewed by the legislature before the scheduled date.

(c) For purposes of this section, an exception is substantially amended if the amendment expands the scope of the exception to include more records or information. An exception is not substantially amended if the amendment narrows the scope of the exception.

(d) This section is not intended to repeal an exception that has been amended following legislative review before the scheduled repeal of the exception if the exception is not substantially amended as a result of the review.

(e) In the year before the expiration of an exception, the revisor of statutes shall certify to the president of the senate and the speaker of the house of representatives, by July 15, the language and statutory citation of each exception that will expire in the following year that meets the criteria of an exception as defined in this section. Any exception that is not identified and certified to the president of the senate and the speaker of the house of representatives is not subject to legislative review and shall not expire. If the revisor of statutes fails to certify an exception that the revisor subsequently determines should have been certified, the revisor shall include the

exception in the following year's certification after that determination.

(f) "Exception" means any provision of law that creates an exception to disclosure or limits disclosure under the open records act pursuant to K.S.A. 45-221, and amendments thereto, or pursuant to any other provision of law.

(g) A provision of law that creates or amends an exception to disclosure under the open records law shall not be subject to review and expiration under this act if such provision:

- (1) Is required by federal law;
- (2) applies solely to the legislature or to the state court system;

The state board shall hold all school districts accountable through the Kansas education systems accreditation rules and regulations, or any successor accreditation system and accountability plan adopted by the state board. The state board also shall ensure that all school districts and the public schools operated by such districts have programs and initiatives in place for providing those educational capacities set forth in K.S.A. 72-3218(c), and amendments thereto. On or before January 15 of each year, the state board shall prepare and submit a report on the school district accreditation system to the governor and the legislature.

On page 22, following line 9, by inserting:

"Sec. 4. K.S.A. 79-3651 is hereby amended to read as follows: 79-3651. (a) For the purpose of the proper administration of the Kansas retailers' sales tax act and to prevent evasion of the tax imposed thereunder, it shall be presumed that all gross receipts from the sale of tangible personal property or enumerated services are subject to tax until the contrary is established. The burden of proving that a sale is not subject to tax is upon the seller unless the seller takes from the purchaser an exemption certificate to the effect that the property or service purchased is not subject to tax.

(b) An exemption certificate shall relieve the seller from collecting and remitting tax if the seller has obtained the required identifying information as determined by the director, from the purchaser and the reason for claiming the exemption at the time of purchase and has maintained proper records of exempt transactions pursuant to ~~subsection (a)~~ of K.S.A. 79-3609(a), and amendments thereto, and provided them to the director when requested, except that no such relief from liability shall apply to a seller who: Fraudulently fails to collect the tax; solicits purchasers to participate in the unlawful claim of an exemption; accepts an exemption certificate claiming an entity based exemption when the subject of the transaction is actually received by the purchaser at a location operated by the seller and the director provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available. The seller shall obtain the same information for proof of a claimed exemption regardless of the medium in which the transaction occurred. The purchaser improperly claiming an exemption shall remain liable for the nonpayment of tax.

(c) The exemption certificate shall be substantially in such form as the director may prescribe. The seller shall use the standard form for claiming an exemption electronically as adopted by the director. A seller may require a purchaser to provide a copy of the purchaser's sales tax registration certificate with a resale certificate as a condition for honoring the purchaser's resale exemption claim, except that in the case of drop shipment sales into this state, the third party vendor may claim a resale exemption based on an exemption certificate provided by its customer, re-seller, or any other information acceptable to the secretary available to the third party vendor evidencing qualification for a resale exemption, regardless of whether the customer, re-seller, is registered to collect and remit sales and use tax in this state. A purchaser is not required to provide a signature to claim an exemption from tax unless a paper exemption

certificate is used. A seller is relieved of liability for the tax otherwise applicable if it obtains a blanket exemption certificate for a purchaser with which the seller has a recurring business relationship. Such blanket certificate need not be renewed or updated by the seller for exemption certificate information or data elements when there is a recurring business relationship between the buyer and seller. For purposes of this subsection, a recurring business relationship exists when a period of no more than 12 months elapses between sales transactions.

(d) To lawfully present a resale exemption certificate the purchaser must be engaged in the business of selling property or services of the same kind that is purchased, hold a registration certificate, except as otherwise permitted in subsection (c) for drop shipment sales into this state, and at the time of purchase, either intend to resell the property in the regular course of business or be unable to ascertain whether the property will be resold or used for some other purpose. A resale exemption certificate may be used for resale of services to tangible personal property and not for services to real property.

(e) Any person who issues a resale certificate or other exemption certificate in order to unlawfully avoid payment of tax for business or personal gain shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than \$1,000 or imprisonment for not more than one year, or by both. In addition, if the director determines that a person issued a resale certificate in order to unlawfully avoid payment of tax for business or personal gain, the director shall increase any penalty that is due from the person under K.S.A. 79-3615, and amendments thereto, by \$250 or 10 times the tax due, whichever is greater, on each transaction where the misuse of a resale certificate occurred.

(f) Exemption certificates issued by an entity claiming a specific exemption under K.S.A. 79-3606, and amendments thereto, based on the status of the entity shall bear the name, address of the entity and identification number issued to the entity pursuant to K.S.A. 79-3692, and amendments thereto. Such certificate shall be signed by an authorized person of the nonprofit entity, if in paper form, and contain the tax identification number of the entity. The certificate shall be substantially in such form as the director may prescribe. A seller may require that payments be made on an exempt entity's check, warrant, voucher or charged to the entity's account as a condition for honoring the entity's exemption claim.

(g) It shall be the duty of every person who purchases tangible personal property or services that are taxable under this act to pay the full amount of tax that is lawfully due to the retailer making the sale. Any person who willfully and intentionally refuses to pay such tax to the retailer shall be guilty of a misdemeanor and upon conviction shall be punished and fined as provided by ~~subsection (g) of K.S.A. 79-3615(h), and amendments thereto.~~

(h) On and after July 1, 2024, notwithstanding any provisions to the contrary in this section or any other provision of law, purchasers claiming an exemption pursuant to K.S.A. 79-3606(rrrr), and amendments thereto, shall not be required to provide an exemption certificate or form to the seller, and the seller shall not be required to receive and maintain a completed exemption certificate or form for such exempt transactions. If the seller in the ordinary course of business believes that the service qualifies for the exemption pursuant to K.S.A. 79-3606(rrrr), and amendments thereto, the seller shall be relieved from collecting and remitting the tax and shall not have the burden of proving

that the service is not subject to tax pursuant to subsection (a). A purchaser improperly claiming the exemption shall remain liable for the nonpayment of tax."

Also on page 22, in line 10, before "K.S.A." by inserting "K.S.A. 79-3651 and";

And by renumbering sections accordingly;

On page 1, in the title, in line 5, by striking "and" and inserting a comma; in line 7, after "operations" by inserting ", for Seward county for the purpose of financing the costs of roadway and bridge construction, maintenance and improvement in the county and for Jackson county for the purpose of supporting hospital services in the county; providing that countywide retailers' sales tax apportionment based on tangible property tax levies remain unchanged until December 31, 2026; relating to exemptions; excluding exempt sales of certain custom meat processing services from exemption certificate requirements"; in line 8, before "K.S.A." by inserting "K.S.A. 79-3651 and";

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 1, by striking all in lines 12 through 35;

By striking all on pages 2 through 6;

On page 7, by striking all in lines 1 through 20; following line 20, by inserting:

"Section 1. K.S.A. 2024 Supp. 79-32,306 is hereby amended to read as follows: 79-32,306. (a) For all taxable years commencing after December 31, 2022, except as provided in subsection (i), there shall be allowed a credit against the income tax liability imposed pursuant to the Kansas income tax act, the privilege tax liability imposed upon any national banking association, state bank, trust company or savings and loan association pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or the premium tax liability imposed upon an insurance company pursuant to K.S.A. 40-252, and amendments thereto, for each qualified development for each year of the credit period, in an amount equal to the federal tax credit allocated or allowed by the KHRC to such qualified development, except that there shall be no reduction in the credit allowable in the first year of the credit period due to the

calculation in section 42(f)(2) of the federal internal revenue code.

(b) The KHRC shall issue an allocation certificate to an owner of a qualified development to which a credit has been allocated. The KHRC shall issue an allocation certificate to the qualified development simultaneously with issuance of federal form 8609 with respect to the federal tax credits.

(c) All allocations shall be made pursuant to the qualified allocation plan.

(d) If an owner of a qualified development receiving an allocation of a credit is a pass-through entity, the owner may allocate the credit among its partners or members in any manner agreed to by such persons regardless of whether: (1) Any such person is allocated or allowed any portion of any federal tax credit with respect to the qualified project; (2) the allocation of the credit under the terms of the agreement has substantial economic effect within the meaning of section 704(b) of the federal internal revenue code; or (3) any such person is deemed a partner for federal income tax purposes, if the partner or member would be considered a partner or member under applicable state law governing such entity and has been admitted as a partner or member on or prior to the date for filing the qualified taxpayer's tax return, including any amendments to such tax return, with respect to the year of the credit. In the case of multiple tiers of pass-through entities, the credit may be so allocated through any number of pass-through entities in any manner agreed to by the owners of such pass-through entities, none of which shall be considered a transfer. Any pass-through entity allocating a credit to its partners or members shall attach a pass-through certification to its tax return annually. Each partner or member shall be allowed to claim or further allocate such amount subject to any restrictions set forth in this act.

(e) An owner of a qualified development to which a credit has been allocated and each qualified taxpayer to which such owner has allocated a portion of such credit, if any, shall file with their state income, privilege or premium tax return a copy of the allocation certificate issued by the KHRC with respect to such qualified development and a copy of any pass-through certification, as prescribed by the director.

(f) No credit shall be allocated pursuant to this act unless the qualified development is the subject of a recorded restrictive covenant requiring the development to be maintained and operated as a qualified development and is in accordance with the accessibility and adaptability requirements of the federal tax credits and title VIII of the civil rights act of 1968, as amended by the fair housing amendments act of 1988, for a period of 15 taxable years, or such longer period as may be agreed to between the KHRC and the owner of the qualified development, beginning with the first taxable year of the credit period.

(g) The allocated credit amount may be taken against the income, privilege or premium taxes imposed for each taxable year of the credit period. Any amount of credit that exceeds the income, privilege or premium tax liability of a qualified taxpayer for a taxable year may be carried forward as a credit against subsequent years' tax liability up to 11 tax years following the tax year in which the allocation was made and shall be applied first to the earliest years possible. Any amount of the credit that is not used shall not be refunded to the taxpayer.

(h) Unless otherwise provided in this act or the context or law requires otherwise, the KHRC shall determine eligibility for a credit and allocate credits in accordance with the standards and requirements set forth in section 42 of the federal internal revenue code. Any combination of federal tax credits and credits allowed pursuant to this act

shall be the least amount necessary to ensure the financial feasibility of a qualified development.

(i) (1) Notwithstanding the foregoing provisions, the total amount of Kansas affordable housing tax credits awarded by the KHRC to all qualified developments for qualified allocation plan year 2025 shall not exceed \$25,000,000. Commencing with the qualified allocation plan adopted for 2026 and ending with the qualified allocation plan adopted for 2028, the total amount of Kansas affordable housing tax credits awarded by the KHRC to all qualified developments in each qualified allocation plan year shall not exceed \$8,800,000. On and after November 15, 2025, the KHRC shall not accept any application for, or award any additional allocation of, credit under this act to a qualified development receiving a 4% federal tax credit, which is defined as a qualified development financed by tax-exempt bonds as provided under section 42(h)(4) of the federal internal revenue code. The KHRC shall continue to award credit under this act to qualified developments receiving 9% federal tax credits in accordance with the provisions of this act for the 2026, 2027 and 2028 qualified allocation plans. A qualified development receiving a 4% federal tax credit awarded a credit allocation under this act by the KHRC on or before November 14, 2025, pursuant to the 2025 qualified allocation plan or any previous qualified allocation plan, shall continue to receive the awarded credit throughout the authorized credit period and any applicable carryforward period.

(2) Subsequent to awards for the 2028 qualified allocation plan, the KHRC shall not accept any application for, or award any additional allocation of, credit under this act in any amount to a qualified development. No credits under this act shall be allocated or awarded after the 2028 qualified allocation plan or after December 31, 2028. A qualified development receiving a 9% federal tax credit awarded a credit allocation under this act by the KHRC pursuant to the 2028 qualified allocation plan or any previous qualified allocation plan shall continue to receive the awarded credit throughout the authorized credit period and any applicable carryforward period.

Sec. 2. K.S.A. 2024 Supp. 79-32,313 is hereby amended to read as follows: 79-32,313. (a) (1) For tax year 2022 and all tax years thereafter, a credit against the income tax liability imposed pursuant to the Kansas income tax act, the privilege tax liability imposed upon any national banking association, state bank, trust company or savings and loan association pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or the premium tax liability imposed upon an insurance company pursuant to K.S.A. 40-252, and amendments thereto, shall be allowed to:

(A) A qualified investor for a cash investment in a qualified housing project that has been approved and issued a tax credit by the director. The tax credit may be claimed in its entirety in the taxable year the cash investment is made; and

(B) a project builder or developer of a qualified housing project that has been approved and issued a tax credit by the director.

(2) To claim such tax credit, the qualified investor, project builder or developer or transferee shall provide all information or documentation in the form and manner required by the secretary of revenue. If the amount of the credit exceeds the taxpayer's tax liability in any one taxable year, the remaining portion of the credit may be carried forward in the succeeding taxable years until the total amount of the credit is used, except that no credit may be claimed after four taxable years next succeeding the

taxable year that such credit was issued, and any remaining credit shall be forfeited. Any portion of the credit that is carried forward may be transferred pursuant to subsection (d) and claimed by the transferee in the same manner as the transferor.

(b) (1) Tax credits may be issued by the director for a qualified housing project as follows:

(A) For qualified housing projects located in a county with a population of not more than 8,000, in an amount of not to exceed \$35,000 per residential unit;

(B) for qualified housing projects located in a county with a population of more than 8,000 but not more than 25,000, in an amount of not to exceed \$32,000 per residential unit; and

(C) for all other qualified housing projects, in an amount of not to exceed \$30,000.

(2) A qualified housing project shall be limited to a total of 40 such residential units per year for both single-family and multi-family dwellings.

(3) Tax credits may be issued to a qualified investor in the amount of a cash investment of up to the total amount that may be issued by the director under this subsection for the qualified housing project, or as provided in the agreement required by K.S.A. 2024 Supp. 79-32,312, and amendments thereto. Project builders or developers may apply to the director each year for tax credits for additional units or phases of a project. Qualified investors may be issued tax credits for cash investments in multiple qualified housing projects. Project builders or developers may apply and be approved for multiple qualified housing projects in the same tax year.

(4) The aggregate amount of tax credits that may be issued under this section shall not exceed \$13,000,000 each tax year, except that if the director issues an aggregate amount of tax credits in one tax year that is less than \$13,000,000, then the director may carry forward the difference and issue such amount of tax credits in the immediately succeeding tax year in addition to the statutory amount that may be issued under this section. Of the aggregate amount of tax credits issued in one tax year, the director shall allocate:

(A) Not less than \$2,500,000 in tax credits for qualified housing projects located in counties with a population of not more than 8,000;

(B) not less than \$2,500,000 in tax credits for qualified housing projects located in counties with a population of more than 8,000 but not more than 25,000; and

(C) up to \$8,000,000 in tax credits for qualified housing projects located in counties with a population of more than 25,000 but not more than 75,000.

(c) A cash investment in a qualified housing project shall be deemed to have been made on the date of acquisition of the qualified security, as such date is determined by the director.

(d) Any qualified investor who receives a tax credit pursuant to this section shall be deemed to acquire an interest in the nature of a transferable credit limited to the amount of the credit issued to the qualified investor by the director. All or a portion of such credit may be transferred by the qualified investor or any subsequent transferee to one or more persons, whether or not such transferee is then a qualified investor, and ~~be claimed by the transferee as a credit against the transferee's Kansas tax liability in the same manner as the transferor beginning in the year the credit is transferred provided in subsection (a) beginning in the year that the cash investment was originally made by the qualified investor.~~ The credit may be carried forward as permitted by subsection (a). There shall be no limit on the number of times a credit or any portion thereof can be

transferred. No person shall be entitled to a refund for any interest on such tax credit that may be created under this section. A credit acquired by transfer shall be subject to the limitations prescribed in this section. Any such transferee succeeds to all remaining rights and restrictions of the transferor with respect to the credit being transferred on the date of such transfer. Documentation of any credit acquired by transfer shall be provided by the taxpayer claiming such credit in the manner required by the secretary of revenue. The qualified investor or subsequent transferee transferring such credit shall provide the director and the secretary of revenue with the name, address and taxpayer identification number of each person to whom credits have been transferred and such other information as may be required by the director or the secretary of revenue. The provisions of this subsection shall apply to credits issued for tax year 2022 and all tax years thereafter.

(e) The secretary of revenue may adopt rules and regulations as necessary to implement and administer the provisions of this act.

(f) For purposes of calculating any tax due under K.S.A. 40-253, and amendments thereto, the credit allowed by this section shall be treated as a tax paid under K.S.A. 40-252, and amendments thereto.

(g) The provisions of subsection (d), as amended by this act, shall apply retroactively to any credits issued for tax year 2022 and all tax years thereafter.

Sec. 3. K.S.A. 2024 Supp. 79-32,306 and 79-32,313 are hereby repealed.

MESSAGES FROM THE GOVERNOR

SB 98, SB 156, SB 186, SB 204, SB 237 approved on April 24, 2025.

REGARDING VETO OF SENATE BILL 24

The Kansas Promise Scholarship Program provides financial support to Kansans to help them cover the cost of a two-year degree or technical training program. Currently the program is limited to not-for-profit schools. **Senate Bill 24** would allow two private, for-profit institutions to participate in the program.

I have serious concerns about the precedent that would be set by providing state funding to for-profit educational institutions that are not accountable to the state or taxpayers. This program is meant to support Kansans as they pursue an education, not funnel public money to private, for-profit institutions.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **Senate Bill 24**.

LAURA KELLY, *Governor* (April 24, 2025)

The message was received on April 24, 2025. The veto message having been received after the Senate adjourned Sine Die, there was no opportunity to reconsider **SB 24**.
