Dear Representative Rahjes:

SUBJECT: Fiscal Note for HB 2476 by House Committee on Agriculture and Natural Resources

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2476 is respectfully submitted to your committee.

HB 2476 would permit federal pesticide warning or labeling requirements to satisfy any state pesticide warning or labeling requirements, provided the label is consistent with Federal Environmental Protection Agency (EPA) guidelines.

The Kansas Department of Agriculture indicates that the enactment of the bill would not have a fiscal effect on its operations.

Sincerely,

Adam C. Proffitt
Director of the Budget
